## COUNTY GOVERNMENTS BUDGET IMPLEMENTATION REVIEW REPORT

FIRST QUARTER OF  
FY 2024/25

NOVEMBER, 2024

# FOREWORD

I am pleased to present the Financial Year (FY) 2024/25 first quarter County Governments Budget Implementation Review Report (CGBIRR) covering July 2024 to September 2024. This report provides an in-depth analysis of the budget performance of the forty-seven County Governments. It examines the receipts deposited into the forty-seven County Revenue Funds, exchequer disbursements, expenditures, and the absorption of funds against the approved budget. Additionally, it analyses receipts from facility improvement financing and expenditure by health facilities. The report also identifies key challenges that affected effective budget implementation during this period and offers recommendations to address these issues.

This report is prepared pursuant to Article 228(6) of the Constitution, which requires the Controller of Budget to submit a report on the implementation of the budgets of the National and County Governments to each House of Parliament every four months. It aligns with Section 9 of the Controller of Budget Act, 2016, which outlines the necessary content for budget implementation reports. This CGBIRR serves as an essential resource for disseminating information on budget implementation at the County government level, in accordance with Section 39(8) of the Public Finance Management Act, 2012.

The insights provided in this report are derived from financial and non-financial reports submitted to my office under Sections 166 and 168 of the Public Finance Management Act, data from the Integrated Financial Management Information System, and the approved budgets for FY 2024/25. My office's continuous monitoring further enhances the accuracy and relevance of these findings.

This report aims to inform the Parliament, County Assemblies, the Executive branch of County Governments and the public about budget implementation and improving public funds' management. I encourage all citizens and stakeholders in public finance management to engage with this report and critically assess how County Governments are utilising public resources.

The preparation of this report reflects the commitment and hard work of the staff from both my office and the County Governments, whose dedication I sincerely acknowledge and appreciate.

## EXECUTIVE SUMMARY

This is the first quarter County Governments' Budget Implementation Review Report (CGBIRR) for FY 2024/25, covering July to September 2024. The report is prepared in compliance with Article 228(6) of the Constitution of Kenya, 2010 and Section 9 of the Controller of Budget Act, 2016. It provides the budget implementation status of each of the 47 County Governments during the review period by evaluating revenue and expenditure performance and, at the same time, highlighting the challenges faced by the County Governments during budget implementation and offering recommendations to address them moving forward.

The combined County Governments' budgets for FY 2024/25, as approved by the County Assemblies, amounted to Kshs.576.73 billion, with Kshs.205.33 billion (36 per cent) being allocated to development expenditure and Kshs.371.40 billion (64 per cent) allocated to recurrent expenditure. The allocation for development expenditure met the Public Finance Management (PFM) Act, 2012 requirement that at least 30 per cent of the budget be dedicated to development expenditure.

To finance the FY 2024/25 budget, the County Governments expect to receive an equitable share of the revenue raised nationally in FY 2024/25 of Kshs.380 billion; equitable share arrears for FY 2023/24 (June 2024) of Kshs.30.83 billion; Kshs.85.22 billion generated from their own revenue sources, including Appropriations in Aid (A-i-A) and Facility Improvement Fund/Financing (FIF) of Kshs.21.15 billion, and an unspent balance of Kshs.25.22 billion from the previous financial year. The County Governments Additional Allocations Bill, 2024, provides additional allocations of Kshs.55.45 billion, but was yet to be approved by Parliament as of 30th September 2024.

In the first quarter of the FY 2024/25, the total funds available to County Governments amounted to Kshs.87.91 billion. This figure includes a disbursement of Kshs.32.76 billion from the equitable share of revenue raised nationally for FY 2024/25, and arrears from FY 2023/24 totalling Kshs.30.83 billion. Both amounts were withdrawn from the Consolidated Fund and deposited into the respective County Revenue Funds (CRF) accounts following approval by the Controller of Budget (CoB), per Article 206(4) of the Constitution. Additionally, the County Governments had Kshs.11.64 billion in cash balances that were brought forward from FY 2023/24, and they generated Kshs.12.68 billion from their own sources of revenue. The own source revenue included Kshs.3.97 billion from FIF and A-I-A.

The own source revenue of Kshs.12.68 billion accounted for 15 per cent of the annual local revenue target of Kshs.85.22 billion. It represented an increase of 24 per cent compared to a similar FY 2023/24 period when the County Governments cumulatively generated a total of Kshs.10.21 billion. Some counties, such as Tana River, Narok, Samburu, Garissa, and Elgeyo Marakwet, achieved a higher proportion of their local revenue collection to their respective annual revenue targets at 81 per cent, 60 per cent, 36 per cent, 27 per cent and 26 per cent respectively. The Counties that had the lowest proportion of their local revenue collection to their respective annual revenue targets included Marsabit, Kajiado, and Nyamira Counties, each attaining 9 per cent; Bungoma, Machakos, and Kericho Counties, each attaining 8 per cent; Kisumu County at 7 per cent and Bomet County at 6 per cent.

During the reporting period, the Controller of Budget authorised the withdrawal of Kshs.55.11 billion from the CRF accounts to the County Operational Accounts of the County Governments. Of this amount, Kshs.47.83 billion (87 per cent) was for recurrent activities, and Kshs.7.29 billion (13 per cent) was for development activities. This was a decline from Kshs.66.17 billion authorised in a similar FY 2023/24 period.

The County Governments incurred a total expenditure of Kshs. 55.68 billion during the reporting period, which included Kshs.48.96 billion (88 per cent) for recurrent activities and Kshs.6.71 billion (12 per cent) for development programs. The total expenditure represented an absorption rate of 10 per cent of the annual County Government budget. It showed a decline of 13 per cent compared to a similar period of FY 2023/24 when the cumulative expenditure was Kshs.67.47 billion.

During the reporting period, the County government's development expenditure amounted to Kshs.6.71 billion, translating to an absorption rate of 3 per cent of the annual development budget of Kshs.205.33 billion. This represented a decline from the 4 per cent absorption rate realised in a similar FY 2023/24 period when the County Governments' cumulative expenditure on development activities was Kshs.6.92 billion. Kirinyaga

and Busia Counties achieved higher absorption rates of their respective approved development budgets, each attaining 12 per cent, followed by Siaya and Garissa Counties, each attaining 10 per cent. Conversely, the following Counties did not report any expenditure on development programmes in the reporting period under review - Baringo, Elgeyo-Marakwet, Kajiado, Kisii, Lamu, Nairobi City, Nyandarua, Tana River, Uasin Gishu and West Pokot Counties.

The aggregate recurrent expenditure during the period amounted to Kshs.48.96 billion, accounting for 13 per cent of the annual County government's budget for recurrent activities and a decline from 18 per cent recorded in a similar period in FY 2023/24 when expenditure for recurrent activities was Kshs.60.56 billion. The expenditure included Kshs.38.69 billion (79 per cent) for personnel emoluments and Kshs.10.28 billion (21 per cent) for operations and maintenance. Moreover, the County Assemblies incurred Kshs.290.23 million on MCAs' sitting allowances against an approved annual FY 2024/25 budget allocation of Kshs.1.88 billion, translating to 15 per cent of the budget. This was a decrease from 16 per cent realised in a similar period of FY 2023/24 when Kshs.312.98 million was incurred.

The County Governments reported outstanding pending bills of Kshs.168.62 billion, comprising Kshs.129.15 billion for recurrent activities and Kshs. 34.47 billion for development activities. The Counties with significant pending bills stock included Nairobi City at Kshs.121.06 billion, Garissa at Kshs.6.07 billion, Kiambu at Kshs.5.90 billion, Turkana at Kshs.4.78 billion, Machakos at Kshs.4.42 billion, and Mombasa at Kshs.3.93 billion.

During the period, the Controller of Budget identified some challenges that hindered effective budget execution. These challenges included delays in submission of County Appropriation Acts, Budget Books and Governors Warrants for FY 2024/25 to OCoB, delays by Parliament in enacting the County Allocation of Revenue Bill 2024, delayed disbursement of the equitable share of revenue by the National Treasury, underperformance in the collection of own-source revenue, overdependence on funding from appropriations in aid and facility improvement fund/financing, a high level of pending bills, low expenditure on the development budget, and the failure of fund administrators to submit quarterly financial statements to the Controller of Budget.

Based on the identified challenges, the Controller of Budget recommends the following actions to improve budget implementation: County Treasuries to ensure timely submission of County Appropriation Acts Governor's Warrants and Budget Books at the beginning of a financial year, Parliament to expedite the enactment of the County Allocation of Revenue Bill 2024 and the County Governments Additional Allocations Bill 2024; The National Treasury to ensure the timely disbursement of the equitable share of nationally raised revenue; County Governments to strengthen revenue collection mechanisms through improved revenue administration; County Government to diversify and increase their other revenue streams over time to reduce overdependence on appropriation in aid and facility improvement funds; public awareness campaigns, and enhanced monitoring of revenue sources; County Governments to prioritise the settlement of eligible pending bills as a first charge on the budget in accordance with applicable legal provisions; County Governments to prioritise development expenditure to meet the statutory requirement of allocating at least 30 per cent of the budget to development activities, as outlined in the Public Finance Management (PFM) Act, 2012; and Fund Administrators to comply with Section 168 of the PFM Act, 2012, and ensure the timely submission of all financial reports to the Controller of Budget.

# 1. INTRODUCTION

The Office of the Controller of Budget (OCoB) is an oversight institution established under Article 228 of the Constitution of Kenya, 2010, to oversee and report on the implementation of the budgets of the National and County Governments. Article 228 (6) of the Constitution and Section 9 of the Controller of Budget (CoB) Act, 2016, require the Controller of Budget to submit to each house of Parliament a report on the implementation of the budgets of the National and County Governments every four months. This County Governments' Budget Implementation Review Report (CGBIRR) covers the first quarter of FY 2024/25, from July to September 2024, in line with the above legal requirements.

The CGBIRR presents the status of budget implementation by the County Governments. The report analyses information on own source revenue raised, the equitable share of revenue received from nationally raised revenue, additional allocations received from the National Government and Development Partners, and the total expenditure in the first quarter of the FY 2024/25. The CGBIRR is based on quarterly financial reports submitted to the OCoB by County Treasuries in line with Sections 166 and 168 of the Public Finance Management (PFM) Act 2012, data obtained from the Integrated Financial Management System (IFMIS), and information obtained by the OCoB in the course of overseeing budget implementation.

The reporting structure is organised as follows: Chapter One serves as the introduction, while Chapter Two analyses the budget performance of the counties during the first quarter of FY 2024/25. The chapter also examines the county government's own-source revenue performance and compares actual expenditures against the budget estimates for recurrent and development expenditures. Expenditures are categorised into Compensation to Employees, Operations and Maintenance, and Development Expenditures. Additionally, a summary report on the county governments' pending bills as of September 30, 2024, is included in this chapter. The absorption rate, which measures performance, is calculated as a percentage of actual expenditure relative to the approved annual budget estimates.

Chapter Three provides a detailed report for each county. It discusses budget performance and allocations for recurrent and development expenditures, exchequer issues, own-source revenue performance, and actual expenditures. Further, it analyses the implementation of programmes and sub-programmes for each department. It also addresses the status of pending bills and presents information on development projects implemented in the first quarter of FY 2024/25.

Chapter Four summarises the key issues identified by OCoB in the Counties' budget implementation in the first quarter of FY 2024/25. It then provides recommendations to ensure effective and efficient budget implementation and promote best practices. The last chapter provides the Conclusion of this report.

## 2. FINANCIAL ANALYSIS OF COUNTY BUDGET IMPLEMENTATION IN THE FIRST QUARTER OF FY 2024/25

### 2.1. Introduction

This chapter presents the financial analysis of the aggregated County budget implementation for the first quarter of FY 2024/25, covering the period from July to September 2024.

### 2.2. Revenue Analysis

The combined County Governments' budgets approved by the County Assemblies amounted to Kshs.576.73 billion, comprising Kshs.205.33 billion (36 per cent) allocated to development expenditures and Kshs.371.4 billion (64 per cent) to recurrent expenditures.

County Governments expect to receive an equitable share of revenue raised nationally for FY 2024/25 of Kshs.380 billion; arrears for FY 2023/24 relating to the June 2024 disbursement of Kshs.30.83 billion; Kshs.85.22 billion generated from their own revenue sources, including Appropriations in Aid (A-i-A) and Facility Improvement Financing/ Fund (FIF) of Kshs.21.15 billion, and an unspent balance of Kshs.25.22 billion from the previous financial year. The County Governments Additional Allocations Bill, 2024, provides additional allocations of Kshs. 55.45 billion, which was yet to be approved by Parliament as of 30 September 2024.

### 2.3. Revenue Out-turn

The total funds available to the county governments in the first quarter of FY 2023/24 amounted to Kshs.87.91 billion. This includes Kshs.32.76 billion in equitable shares of revenue raised nationally for FY 2024/25 and equitable share arrears for FY 2023/24 (June 2024) of Kshs.30.83 billion; own source revenue collection of Kshs.12.68 billion, which includes A-i-A/FIF of Kshs.3.97 billion, and the actual available cash balance brought forward of Kshs.11.64 billion.

### 2.4. Own-Source Revenue

During the reporting period, County Governments generated a total of Kshs.12.68 billion from their own-source revenue (OSR), which was 15 per cent of the annual target of Kshs.85.22 billion. The realised OSR is an increase compared to Kshs.10.21 billion generated in a similar period in FY 2023/24. Analysis of own-source revenue collection for July 2024 to September 2024 is shown in Table 2.1

Analysis of own-source revenue as a proportion of the annual revenue target indicated that the following Counties had a performance of above 25 per cent of their annual target, namely Tana River County at 81 per cent, Narok County at 60 per cent, Samburu County at 36 per cent, Garissa County at 27 per cent, and Elgeyo-Marakwet at 26 per cent. County Governments whose OSR performance against the target was less than 10 per cent includes Marsabit, Kajiado, and Nyamira Counties at 9 per cent each, Bungoma, Machakos, and Kericho Counties at 8 per cent, Kisumu County at 7 per cent and Bomet County at 6 per cent. Detailed analysis of Own Source Revenue by stream for each County is provided in Chapter Three.

To enhance OSR collection, the Controller of Budget recommends that all counties conduct an assessment based on the Tax Administration Diagnostic Assessment Tool (TADAT). Based on the assessment results, counties should develop a Revenue Enhancement Action Plan (REAP). Additionally, all counties must evaluate their revenue potential and aim to achieve it over time.

For County Governments whose OSR performance in the review period is below 15 per cent of the annual target, the Controller advises the setting of realistic and attainable targets. These targets should be adjusted

according to performance during the year through the Supplementary Budget. This approach will help reduce the likelihood of accumulating pending bills. Further, the Controller of Budget advises the County Governments to put austerity measures in place to ensure that expenditures and commitments align with the available resources.

## 2.5. Funds Released to the Counties

### 2.5.1 Funds Released from the Consolidated Fund to the Counties

In the First Quarter of FY 2024/25, the COB approved the transfer of Kshs.63.60 billion as the equitable share of revenue raised nationally from the Consolidated Fund to the various CRFs as per Article 206 (4) of the Constitution of Kenya, 2010. The transferred amounts included Kshs.32.76 billion being the July 2024 disbursement, and Kshs.30.83 billion, which was in arrears from FY 2023/24. A detailed analysis of the released equitable share to each County is provided in Chapter Three.

### 2.5.2 Funds Released to the County Operational Accounts

The COB authorised withdrawals of Kshs.55.11 billion from the County Revenue Funds to the County Operational Accounts comprising Kshs.47.83 billion (87 per cent) for recurrent expenditure and Kshs.7.29 billion (13 per cent) for development programmes. This was a decline from Kshs.66.17 billion authorised in a similar period in FY 2023/24. A detailed analysis of the funds released to each County is provided in chapter three.

## 2.6. Expenditure Analysis

The total expenditure by county governments in the first quarter of FY 2024/25 was Kshs.55.68 billion, representing an overall absorption rate of 10 per cent of the total Annual County Governments' Budget of Kshs.576.73 billion. This is a decrease from an absorption rate of 13 per cent reported in a similar period in FY 2023/24 when the total expenditure was Kshs.67.47 billion.

Recurrent expenditure was Kshs.48.96 billion, representing 13 per cent of the annual recurrent budget, a decline from 18 per cent reported in the First Quarter of FY 2023/24, where recurrent expenditure was Kshs.60.56 billion. Development expenditure amounted to Kshs.6.71 billion, representing an absorption rate of 3 per cent and a decline from 4 per cent in the first quarter of FY 2023/23 when total development expenditure was Kshs.6.92 billion. The analysis of expenditure by economic classification in the First Quarter of FY 2022/23 is provided in Table 2.2.

A review of cumulative expenditures by economic classification showed that Kshs.38.69 billion (69 per cent) was spent on Compensation to Employees, Kshs.10.28 billion (18 per cent) on Operations and Maintenance, and Kshs.6.71 billion (12 per cent) on Development Expenditures.

### 2.6.1 Development Expenditure

The County Governments spent Kshs.6.71 billion on development activities, representing an absorption rate of 3 per cent of the annual development budget of Kshs.205.33 billion, a decrease from an absorption rate of 4 per cent reported in the first quarter of FY 2023/24, when development expenditure was Kshs.6.92 billion. Table 2.3 analyses County budget allocations, expenditures, and absorption rates in the period under review.

The analysis of development expenditures reveals that the following counties did not incur any development expenditure during the review period: Baringo County, Elgeyo-Marakwet County, Kajiado County, Kisii County, Lamu County, Nairobi City County, Nyandarua County, Tana River County, Uasin Gishu County, and West Pokot County. The counties with the highest absorption rates for development expenditures were Kirinyaga County and Busia County, each achieving an absorption rate of 12 per cent, followed by Siaya County and Garissa County, each with a rate of 10 per cent. Chapter Three provides a detailed analysis of the counties' implementation of development expenditures.

### 2.6.2 Recurrent Expenditure

The Counties spent an aggregate of Kshs.48.96 billion, or 88 per cent of the total expenditure, on recurrent activities. This expenditure represented 13 per cent of the annual County Governments' budget for recurrent activities and was a decline from 18 per cent recorded in FY 2023/24 when expenditure stood at Kshs.60.56 billion.

The recurrent expenditure comprised Kshs.38.69 billion (79 per cent) on Compensation to Employees and Kshs.10.28 billion (21 per cent) on Operations and Maintenance (O&M) expenditure. Chapter Three provides an analysis of the recurrent expenditure by Counties.

### 2.6.3 Review of MCA Sitting Allowances

The County Assemblies spent Kshs.290.23 million on MCAs Sitting allowances against an approved budget allocation of Kshs.1.88 billion during the reporting period. This expenditure translated to 15 per cent of the approved MCAs sitting allowance budget, a decrease from 16 per cent in the first quarter of FY 2023/24 when Kshs.312.98 million was spent. Table 2.4 shows the budgetary allocation and expenditure on MCAs and Speakers' sitting allowances in the first quarter of FY 2024/25.

The County Assemblies of Garissa, Nyamira, and Tans Nzoia did not report any expenditure on MCAs' sitting allowances during the period under review.

#### 2.6.4 Pending Bills as of 30 September 2024

A pending bill is an unsettled financial obligation at the end of a financial year. It arises when an entity fails to settle invoiced amounts for goods and services adequately procured, delivered, or rendered at the end of a financial year.

As of 30 September 2024, Counties reported outstanding pending bills, which amounted to Kshs.194.01 billion, comprised of Kshs.149.50 billion for recurrent expenditure and Kshs.44.51 billion for development expenditure, as shown in Table 2.5.

The Nairobi City County Executive reported that the outstanding pending bills amount to Kshs.121.06 billion, which represents 62 per cent of the total pending bill stock. Other counties with significant outstanding pending bills include Garissa County at Kshs.6.07 billion, Kiambu County at Kshs.5.90 billion, Turkana County at Kshs.4.78 billion, Machakos County at Kshs.4.42 billion, and Mombasa County at Kshs.3.93 billion.

The OCoB recommends that the County Governments prioritise all eligible pending bills in the budget as a first charge according to Regulation 55(2)(b) of the Public Finance Management (County Governments) Regulations, 2015. Further, we urge the counties to comply with their pending bills payment plan for FY 2024/25 submitted to our office.

In their letter dated 9 May 2024, the Senate resolved that counties must settle all verified pending bills of less than one billion Kenya shillings by the end of the financial year 2023/24. Pending bills exceeding Kshs. One billion should be settled by the end of the FY, 2024/25. The Controller of Budget reminds County Governments to adhere to the Senate resolution timelines.

## 3. BUDGET PERFORMANCE BY COUNTY GOVERNMENTS

### 3.1. County Government of Baringo

#### 3.1.1 Overview of FY 2024/25 Budget

The Baringo County approved FY 2024/25 budget is Kshs.8,22 billion. It comprised Kshs.2.48 billion (30 per cent) and Kshs.5.74 billion (70 per cent) allocation for development and recurrent programmes, respectively. The budget estimates represent a decrease of Kshs. 0.67 billion (8 per cent) from the FY 2023/24 budget comprised a development budget of Kshs.3.29 billion and a recurrent budget of Kshs.5.61 billion. The county government budget decreased due to decreased own source revenue projection and the non-correct capture of balance carried forward.

The Baringo County Government budget will be financed from different sources of revenue. These include Kshs.6.91 billion (84 per cent) expected from the National Government as the equitable share of revenue raised nationally, Kshs.453.33 million (6 per cent) as additional allocations, other revenue sources of Kshs.313.81 million (4 per cent) and Kshs.540.09 million (7 per cent) generated as gross own source revenue. The own-source revenue includes Kshs.149.38 million (2 per cent) as Facility Improvement Fund (revenue from health facilities) and Kshs.390.72 million (5 per cent) as ordinary own-source revenue. The county did not indicate a brought forward balance from FY 2023/24. A breakdown of the additional allocations is shown in Table 3.1.

#### 3.1.2 Revenue Performance

In the first quarter of FY 2024/25, the County received Kshs 1.19 billion to fund recurrent and development activities. The equitable share from the national government was Kshs. 565.06 million, and the own source revenue (OSR) collection was Kshs.95.50 million. The County had a balance B/F of Kshs.531.82 million from FY 2023/24, which was the June 2024 equitable share that was disbursed in July 2024.

Analysis of the total OSR collection of Kshs. 95.50 million indicates it included Facilities Improvement Financing (FIF) of Kshs.46.77 million and Kshs.48.73 million as ordinary OSR. Table 3.1 summarises the total revenue available to the county government during the first quarter of FY 2024/25 performance.

During the first quarter of FY 2024/25, the County generated Kshs.95.50 million from its revenue sources, including FIF. This amount was a decrease of 10 per cent compared to Kshs.105.02 million realised in a similar period in FY 2023/24 and was 18 per cent of the annual target and 17 per cent of the equitable revenue share disbursed. The OSR does not include revenue arrears and penalties charged on fees and levies from previous financial years

The revenue streams which contributed the highest OSR receipts are shown in Figure 2.

**Figure 2: Top Streams of Own Source Revenue in the First Quarter FY 2024/25**

Source: Baringo County Treasury

The highest revenue stream, Kshs.46.77 million, was from FIF, which contributed 49 per cent of the total OSR receipts during the reporting period.

#### Borrowing by the County

The county government did not borrow any amount during the Quarter.

#### 3.1.3 Exchequer Issues

The Controller of Budget approved withdrawals of Kshs. 660.56 billion from the CRF account during the reporting period was entirely for recurrent programmes in the first quarter of FY 2024/25. Analysis of the recurrent exchequers released in the first three months of FY 2024/25 indicates that Kshs.522.39 million was released towards employee compensation and Kshs.138.17 million for operations and maintenance expenditure.

As of September 30, 2024, the county government's cash balance in the CRF account was Kshs.595.62 million.

#### 3.1.4 County Expenditure Review

The County spent Kshs.599.03 million on recurrent programmes in the reporting period. This expenditure represented 91 per cent of the total funds released by the CoB and was entirely on recurrent programmes. Expenditure on development programmes had nil absorption, while recurrent expenditures represented 10 per cent of the annual recurrent expenditure budget.

#### 3.1.5 Settlement of Pending Bills

The County reported pending bills amounting to Kshs 378.10 billion, comprising pending payments by the county executive of Kshs. 368.23 billion and Kshs 8.87 for the county assembly.

The county executive's pending bills consist of Kshs.243.39 million for recurrent expenditures and Kshs.125.86 million for development expenditures. The Executive and Assembly did not settle any pending bills during the period. Therefore, the outstanding bills were Kshs. 378.10 million as of 30 September 2024.

### 3.1.6 Expenditure by Economic Classification

During the first quarter of FY 2024/25, the County Executive spent Kshs.448.93 billion on employee compensation and Kshs.63.69 million on operations and maintenance and did not report any expenditure on development activities. Similarly, the County Assembly spent Kshs. 73.46 million on employee compensation and Kshs.12.95 million on operations and maintenance, and no expenditure on development activities were reported, as shown in Table 3.2.

**Table 3.2: Summary of Budget and Expenditure by Economic Classification**

### 3.1.7 Expenditure on Employees' Compensation

In the first quarter of FY 2024/25, expenditure on employee compensation was Kshs.522.39 million, or 79.1 per cent of the available revenue of Kshs.660.56 million. This expenditure represented a decrease from Kshs.580.41 million reported in a similar period in FY 2023/24. The wage bill included Kshs.407.38 million paid to the health sector employees, translating to 78 per cent of the total wage bill.

Figure 3 shows the trend of personnel expenditures as a percentage of total revenue from the first quarter of FY 2018/19 to the first quarter of FY 2024/25.

**Figure 3: Percentage of Wage Bill to Total Revenue from the First Quarter of FY 2018/19 to the First Quarter of FY 2024/25**

Further analysis indicates that PE costs amounting to Kshs.513.67 million were processed through the Integrated Personnel and Payroll Database (IPPD) system while Kshs.8.72 million was processed through manual payrolls. The manual payrolls accounted for 1.7 per cent of the total PE cost.

The County Assembly spent Kshs.12.78 million on committee sitting allowances for the 46 MCAs against the annual budget allocation of Kshs.50.78 million. The average monthly sitting allowance was Kshs.92,579.56 per MCA. The County Assembly had 25 House Committees.

### 3.1.8 County Emergency Fund and County-Established Funds

Section 116 of the PFM Act 2012 allows County Governments to establish other public funds with approval from the County Executive Committee and the County Assembly. The County allocated Kshs.139.25 million to county-established funds in FY 2024/25, or 2 per cent of the County's overall budget. Further, the County allocated Kshs.20 million to cater for Emergencies (0.2 per cent of the total budget), contrary to Section 110 of the PFM Act, 2012.

Table 3.3 summarises each established Fund's budget allocation and performance during the reporting period.

During the reporting period, the CoB received the quarterly financial reports from all Fund Administrators, as indicated in Table 3.3, which was in line with the requirement of Section 168 of the PFM Act, 2012.

The County government uses commercial bank accounts to operate the above-established Funds contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County Government bank accounts must be opened and maintained at the Central Bank of Kenya.

### 3.1.9 Expenditure on Operations and Maintenance

Figure 4 summarises the Operations and Maintenance expenditure by major categories.

**Figure 4: Baringo County, Operations and Maintenance Expenditure by Major Categories**

Source: Baringo County Treasury

Expenditure on domestic travel amounted to Kshs.18.11 million, comprised of Kshs.12.83 million spent by the County Assembly and Kshs.5.28 million by the County Executive. The County Assembly and Executive did not record expenditures on foreign travel.

In the operations and maintenance costs, there was no expenditure on garbage collection and legal fees/Dues, arbitration and compensation payments expenditure legal fees.

### 3.1.10 Facility Improvement Financing

During the period under review, the County reported collecting Kshs.46.77 million as FIF, which was 31 per cent of the annual target of Kshs.149.38 million. The collected amount was retained and utilised at the source in accordance with the Facility Improvement Financing Act, 2023. The County has, however, not developed regulations to operationalise the FIF Act of 2023.

The health facilities did not provide a report on the utilisation of the FIF during the reporting period, contrary to Section 18 (e) of the FIF Act, 2023.

The expenditure by the health facilities amounted to Kshs.43.35, as shown in Table 3.4

**Table 3.4: Breakdown of expenditure by health facilities in the first quarter of FY 2024/25**

Based on absorption rates, the sub-programmes with the highest levels of implementation were the Office of the Clerk in the Department of County Assembly, at 16 per cent, and the General Administration in the Department of Public Service, at 13 per cent of budget allocation.

### 3.1.14 Accounts Operated in Commercial Banks

The County government operated 292 accounts with commercial banks, 256 of which were for health centres, dispensaries and hospitals.

This is contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya. The only exemption is for imprest bank accounts for petty cash and revenue collection bank accounts.

### 3.1.15 Key Observations and Recommendations

In the course of overseeing and reporting on the implementation of the County budget, the COB identified the following challenges which hampered effective budget implementation;

1. Late submission of financial reports by the County Treasury to the Controller of Budget affected the timely preparation of the budget implementation report. The report was received on 25<sup>th</sup> October 2024.
2. The county government uses commercial bank accounts for operations contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya. The commercial bank accounts are mainly for sub-county Hospital and Dispensaries

The County should implement the following recommendations to improve budget execution:

1. *The County Treasury should ensure timely preparation and submission of financial reports to the Office of the Controller of Budget in line with the timelines prescribed in Section 166 of the PFM Act, 2012*
2. *The County Government should ensure that bank accounts are opened and operated at the Central Bank of Kenya as the law requires. However, imprest bank accounts for petty cash and revenue collection accounts are exempted.*

## 3.2. County Government of Bomet

### 3.2.1 Overview of FY 2024/25 Budget

The Bomet County approved FY 2024/25 budget is Kshs.9.78 billion. It comprised Kshs.3.24 billion (33 per cent) and Kshs.6.54 billion (67 per cent) allocations for development and recurrent programmes, respectively. The budget estimates represent an increase of Kshs. 1.26 billion (15 per cent) from the FY 2023/24 budget, which comprised a development budget of Kshs.2.39 billion and a recurrent budget of Kshs.6.13 billion.

The Bomet County Government budget will be financed from different sources of revenue. These include Kshs.7.25 billion (74 per cent) expected from the National Government as the equitable share of revenue raised nationally, Kshs.1.35 billion (14 per cent) as additional allocations, a cash balance of Kshs.725.62 million (7 per cent) brought forward from FY 2023/24, and Kshs.455.75 million (5 per cent) generated as gross own source revenue. The own-source revenue includes Kshs.175.72 million (2 per cent) as the Facility Improvement Fund (revenue from health facilities) and Kshs.280.03 million (3 per cent) as ordinary own-source revenue. A breakdown of the additional allocations is shown in Table 3.7.

### 3.2.2 Revenue Performance

In the first quarter of FY 2024/25, the County received Kshs.1.44 billion to fund recurrent and development activities. The equitable share from the National Government was Kshs. 593.12 million, Additional allocations from the national government and development partners of Kshs. 83.56 million and own source revenue (OSR) collection of Kshs. 25.16 million. Additionally, the County had a cash balance of Kshs.736.22 million from FY 2023/24. The FY 2023/24 balance includes Kshs.558.23 million of June 2024 Equitable Share disbursed in July 2024.

Analysis of the total OSR collection of Kshs.25.16 million indicates that it included Facilities Improvement Financing (FIF) of Kshs.13.69 and Kshs.11.47 million as ordinary OSR. Table 3.7 summarises the total revenue available to the County Government during the first quarter of FY 2024/25 performance.

The County has yet to finalise the approval process for the governing legislation to operationalise the Facility Improvement Fund (FIF).

Figure 5 shows the trend in own-source revenue collection from the First Quarter of FY 2018/19 to the First Quarter of FY 2024/25.

**Figure 5: Trend in Own-Source Revenue Collection from the First Quarter of FY 2018/19 to the First Quarter of FY 2024/25**

During the first quarter of FY 2024/25, the County generated Kshs.25.16 million from its revenue sources, including FIF. This amount was a decrease of 17.5 per cent compared to Kshs.30.49 million realised in a similar period in FY 2023/24, which was 6 per cent of the annual target and 4.2 per cent of the equitable revenue share disbursed. The decrease in the County Own Source Revenue was attributed to the delayed disbursement of the NHIF remittances.

The revenue streams which contributed the highest OSR receipts are shown in Figure 6.

**Figure 6: Top Streams of Own Source Revenue in the First Quarter FY 2024/25**

Source: Bomet County Treasury

The highest revenue stream, Kshs.13.69 million, was from Public Health Services, which contributed 54 per cent of the total OSR receipts during the reporting period.

### 3.2.3 Exchequer Issues

The Controller of Budget approved withdrawals of Kshs.831.21 million from the CRF account during the reporting period, which comprised Kshs.74.66 million (9 per cent) for development programmes and Kshs.756.55 million (91 per cent) for recurrent programmes in the first quarter of FY 2024/25. Analysis of the recurrent exchequers released in the first three months of FY 2024/25 indicates that Kshs.606.71 million was released towards employee compensation and Kshs.149.84 million for operations and maintenance expenditure.

As of 30 September, 2024, the County Government's cash balance in the CRF account was Kshs.601.29 million.

### 3.2.4 County Expenditure Review

The County spent Kshs.826.54 million on development and recurrent programmes in the reporting period. This expenditure represented 99.4 per cent of the total funds released by the CoB and comprised Kshs.74.66 million and Kshs.751.88 million on development and recurrent programmes, respectively. Expenditure on development programmes represented an absorption rate of 2.3 per cent, while recurrent expenditure represented 11.5 per cent of the annual recurrent expenditure budget.

### 3.2.5 Settlement of Pending Bills

The County reported pending bills amounting to Kshs.1.11 billion as of 30 June 2024, comprising pending payments by the County Executive of Kshs.1.02 billion and Kshs 83.71 million for the County Assembly.

The county executive's pending bills consist of Kshs.193.12 million for recurrent expenditures and Kshs.830.77 million for development expenditures. In the reporting period, the county executive settled pending bills amounting to Kshs.90.2 million, which consisted of Kshs.15.54 million for recurrent expenditure and Kshs.74.66 million for development programmes. The County Assembly settled pending bills worth Kshs.3.24 million. Therefore, the outstanding bills were Kshs.1.02 billion as of 30 September 2024.

### 3.2.6 Expenditure by Economic Classification

During the first quarter of FY 2024/25, the County Executive spent Kshs.590.75 million on employee compensation, Kshs.67.41 million on operations and maintenance, and Kshs.74.66 million on development activities. Similarly, the County Assembly spent Kshs.69.8 million on employee compensation and Kshs.23.92 million on operations and maintenance, as shown in Table 3.8.

**Table 3.8: Summary of Budget and Expenditure by Economic Classification**

### 3.2.7 Expenditure on Employees' Compensation

In the first quarter of FY 2024/25, expenditure on employee compensation was Kshs.660.55 million, or 45.9 per cent of the available revenue of Kshs.1.44 billion. This expenditure represented a decrease from Kshs.909.93 million reported in a similar period in FY 2023/24. The wage bill included Kshs.291.83 million paid to the health sector employees, translating to 44.2 per cent of the total wage bill.

Figure 7 shows the trend of personnel expenditures as a percentage of total revenue from the first quarter of FY 2018/19 to the first quarter of FY 2024/25.

**Figure 7: Percentage of Wage Bill to Total Revenue from the First Quarter of FY 2018/19 to the First Quarter of FY 2024/25**

Further analysis indicates that PE costs amounting to Kshs.633.47 million were processed through the Integrated Personnel and Payroll Database (IPPD) system while Kshs.27.08 million was processed through manual payrolls. The manual payrolls accounted for 4.1 per cent of the total PE cost.

The County Assembly spent Kshs.4.51 million on committee sitting allowances for the 38 MCAs and the Speaker against the annual budget allocation of Kshs.30.94 million. The average monthly sitting allowance was Kshs.38,565 per MCA. The County Assembly had 21 House committees.

### 3.2.8 County Emergency Fund and County-Established Funds

Section 116 of the PFM Act 2012 allows County Governments to establish other public funds with approval from the County Executive Committee and the County Assembly. The County allocated Kshs.130 million to county-established funds in FY 2024/25, or 1.3 per cent of the County's overall budget. Further, the County allocated Kshs.2 million to cater for Emergencies (0.02 per cent of the total budget) contrary to Section 110 of the PFM Act, 2012.

Table 3.9 summarises each established Fund's budget allocation and performance during the reporting period.

During the reporting period, the CoB received quarterly financial returns from Fund's Administrators as indicated in Table 3.9, as per the requirement of Section 168 of the PFM Act, 2012. The administration costs of the Funds were within the 3 per cent limit of the Fund budget set in Regulation 197(1)(d) of the Public Finance Management (County Governments) Regulations, 2015.

The County government uses commercial bank accounts to operate the above-established Funds contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County Government bank accounts must be opened and maintained at the Central Bank of Kenya.

### 3.2.9 Expenditure on Operations and Maintenance

Figure 8 summarises the Operations and Maintenance expenditure by major categories.

**Figure 8: Bomet County, Operations and Maintenance Expenditure by Major Categories**

The operations and maintenance costs include an expenditure of Kshs.10.5 million on garbage collection.

### 3.2.10 Facility Improvement Financing

During the period under review, the County reported collecting Kshs.13.69 million as FIF, which was 8 per cent of the annual target of Kshs.175.72 million. The collected amount was retained and utilised at the source per the Facility Improvement Financing Act of 2023. The County has, however, not developed regulations to operationalise the FIF Act of 2023.

The expenditure on the health facilities amounted to Kshs.13.69, as shown in the table below;-

**Table 3.11: Breakdown of expenditure by Health Facilities in the first quarter of FY 2024/25**

### 3.2.11 Development Expenditure

In the First Quarter of FY 2024/25, the County reported spending Kshs.74.66 million on development programmes, representing a decrease of 82.4 per cent compared to a similar period in FY 2023/24, when the County spent Kshs.423.35 million. Table 3.12 summarises development projects with the highest expenditure in the reporting period.

Based on absorption rates, the programmes with the highest implementation levels were Oversight and Representation in the County Assembly, at 20 per cent; Water and Irrigation in the Department of Water Sanitation and Environment, at 15 per cent; Medical Services and Public Health, at 13 per cent; and Administration and Public Service, at 12 per cent of budget allocation.

### 3.2.14 Accounts Operated in Commercial Banks

The County government operated 17 accounts with commercial banks, of which 5 were for the County Assembly.

This is contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya. The only exemption is for imprest bank accounts for petty cash and revenue collection bank accounts.

### 3.2.15 Key Observations and Recommendations

In the course of overseeing and reporting on the implementation of the County budget, the COB identified the following challenges which hampered effective budget implementation;

1. The underperformance of own-source revenue at Kshs.25.16 million against an annual target of Kshs.455.75 million, representing 6 per cent of the yearly target.
2. High pending bills amounted to Kshs.1.02 billion as of 30 September 2024.
3. Use of manual payroll. Personnel emoluments amounting to Kshs.27.08 million were processed through manual payroll, accounting for 4.1 per cent of the total payroll cost. Manual payroll is prone to abuse and may lead to the loss of public funds where there is a lack of proper controls.
4. The county government uses commercial bank accounts for operations contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya.

The County should implement the following recommendations to improve budget execution:

1. *The County should address its own-source revenue performance to ensure the approved budget is fully financed. Appropriate austerity measures should be implemented to ensure expenditure commitments are aligned with available revenue.*
2. *The county leadership should address the situation of pending bills to ensure that genuine bills are paid promptly in the remaining financial year.*
3. *The Government requires that salaries be processed through the IPPD system, and the County is advised to fast-track the acquisition of Unified Personnel Numbers for their staff. The County Public Service Board should regulate staff engagement on contract and casual workers as provided under Section 74 of the County Governments Act 2012. Further, strict compliance with the approved staff establishment should be maintained.*
4. *The County Government should ensure that bank accounts are opened and operated at the Central Bank of Kenya as the law requires. However, imprest bank accounts for petty cash and revenue collection accounts are exempted.*

## 3.3. County Government of Bungoma

### 3.3.1 Overview of FY 2024/25 Budget

The Bungoma County approved FY 2024/25 budget is Kshs.15.59 billion. It comprised of Kshs.4.97 billion (32 per cent) and Kshs.10.62 billion (68 per cent) allocation for development and recurrent programmes, respectively. The budget estimates represent an increase of Kshs.1.56 billion (11.1 per cent) from the FY 2023/24 budget comprised a development budget of Kshs.4.76 billion and a recurrent budget of Kshs.9.27 billion. The increase in the county government budget was attributed to the rise in the County's own source revenue projection and equitable share of revenue raised nationally.

The Bungoma County Government budget will be financed from different sources. The County Governments expect to receive Kshs.11.54 billion (74 per cent) as the equitable share of revenue raised nationally, Kshs.1.79 billion as additional allocations, and generate Kshs.2.25 million (14.5 per cent) as gross own source revenue. The own-source revenue includes Kshs.1.06 billion (47.1 per cent) as Facility Improvement Fund (revenue from health facilities) and Kshs.1.19 billion (52.9 per cent) as ordinary own-source revenue. A breakdown of the additional allocations is provided in Table 3.15.

### 3.3.2 Revenue Performance

In the first quarter of FY 2024/25, Bungoma County received Kshs.2.06 billion to fund recurrent and development activities, comprising an equitable share of revenue raised nationally of Kshs.944.52 million, additional allocations from the national government and development partners of Kshs.26.55 million, own source revenue (OSR) collection of Kshs. 64.10 million. In addition, the County had a cash balance of Kshs. 898.96 million from FY 2023/24T. This opening balance includes Kshs.888.96 million from the June disbursement of the equitable share of revenue, which was released in July 2024.

Analysis of the total OSR of Kshs.189.28 million indicates that the amount includes Facilities Improvement Financing (FIF) of Kshs.125.18 million as FIF, a cash balance of Kshs. 1.84 billion from FY 2023/24 and Kshs.64.10 million as ordinary OSR. Table 1 summarises the total revenue available to the county government during the first quarter of FY 2024/25 performance.

In the first quarter of FY 2024/25, the County generated a total of Kshs.189.28 million from its revenue sources, including FIF and AIA. This amount decreased by 23.2 per cent compared to Kshs.233.19 million realised in a similar period in FY 2023/24. It was 8.4 per cent of the annual target and 1.6 per cent of the equitable revenue share disbursed.

The revenue streams which contributed the highest OSR receipts are shown in Figure 10.

**Figure 10: Top Streams of Own Source Revenue in the First Quarter FY 2024/25**

The highest revenue stream of Kshs.125.18 million was from FIF, which contributed 66 per cent of the total OSR receipts during the reporting period.

### 3.3.3 Borrowing by the County

The County Government borrowed Kshs 595.12 million from commercial, the County Executive (Kshs.509.28 million), and the County Assembly (Kshs.85.84 million) to support its operations. As of 30 September 2024, the County had a short-term arrangement with the Kenya Commercial Bank, Bungoma Branch, to facilitate salary payments and avoid delays in paying salaries.

### 3.3.4 Exchequer Issues

During the reporting period, the Controller of Budget approved withdrawals of Kshs.1.84 billion from the CRF account comprised Kshs.108.08 million (6 per cent) for development programmes and Kshs.1.74 billion (94 per cent) for recurrent programmes in the first quarter of FY 2024/25. Analysis of the recurrent exchequers released in the first three months of FY 2024/25 indicates that Kshs.1.48 billion was released towards Employee Compensation and Kshs.149.35 million for Operations and Maintenance expenditure.

As of 30 September 2024, the County Government's cash balance in the CRF account was Kshs. 955.40 million.

### 3.3.5 County Expenditure Review

The County spent Kshs.1.01 billion on development and recurrent programmes in the reporting period. The expenditure represented 7 per cent of the total funds released by the CoB and comprised of Kshs. 89.43 million and Kshs.1.01 billion on development and recurrent programmes, respectively. Expenditure on development programmes represented an absorption rate of 2 per cent, while recurrent expenditure represented 10 per cent of the annual recurrent expenditure budget.

### 3.3.6 Settlement of Pending Bills

The county government reported pending bills amounting to Kshs 2.60 billion as of 30 June 2024. This is comprised of pending expenses by the County Executive of Kshs.2.57 billion and Kshs 31.97 million for the County Assembly.

The County Executive's pending bills amount to Kshs.1.84 billion for recurrent expenditures and Kshs.725.97 million for development expenditures. In the first quarter of FY 2024/25, the County Executive settled pending bills amounting to Kshs.1.01 billion for recurrent spending. The County Assembly paid Kshs.4.81 million to settle recurrent pending bills. Hence, the outstanding bills were Kshs.1.58 billion as of 30 September 2024.

### 3.3.7 Expenditure by Economic Classification

During the first quarter of FY 2024/25, the County Executive spent Kshs.758.94 Million on employee compensation, Kshs.29.58 million on operations and maintenance, and Kshs.89.40 million on development activities. Similarly, the County Assembly spent Kshs.107.13 million on employee compensation and Kshs.110.03 million on operations and maintenance, as shown in Table 3.16.

### 3.3.8 Expenditure on Employees' Compensation

In the first quarter of FY 2024/25, expenditure on employee compensation was Kshs.866.07 million, or 43 per cent of the available revenue, which amounted to Kshs.2.03 billion. This expenditure represented a decrease

from Kshs.1.49 billion reported in a similar period in FY 2023/24. The wage bill included Kshs.431.02 million paid to health sector employees, translating to 7 per cent of the total wage bill.

Figure 11 shows the trend of personnel expenditures as a percentage of total revenue from the first quarter of FY 2017/18 to the first quarter of FY 2024/25.

**Figure 11: Percentage of Wage Bill to Total Revenue from the First Quarter of FY 2018/19 to the First Quarter of FY 2024/25**

Further analysis indicates that PE costs amounting to Kshs.857.40 million were processed through the Integrated Personnel and Payroll Database (IPPD) system. In contrast, Kshs.8.67 million was processed through manual payrolls, which accounted for 1 per cent of the total PE cost.

The County Assembly spent Kshs.9.95 million on committee sitting allowances for the 63 MCAs against the annual budget allocation of Kshs.28.18 million. The average monthly sitting allowance was Kshs.52,622 per MCA. The County Assembly has established 24 Committees.

### 3.3.9 County Emergency Fund and County-Established Funds

Section 116 of the PFM Act 2012 allows County Governments to establish other public funds with approval from the County Executive Committee and the County Assembly. The County allocated Kshs.395 million to county-established funds in FY 2024/25, constituting 2.6 per cent of the County's overall budget. Further, the County allocated Kshs.100 million to the Emergency Fund (0.6 per cent of the total budget) in line with Section 110 of the PFM Act, 2012.

Table 3.17 summarises each established Fund's budget allocation and performance during the reporting period.

During the reporting period, the CoB did receive quarterly financial returns from the Fund Administrators of Trade Loan, Youth and Women, disability, Education support Scheme, Members car loan and Mortgage, Employees Car loan and mortgage funds, as indicated in Table 3.17, as per the requirement of Section 168 of the PFM Act, 2012. The administration costs of the Funds were within the 3 per cent limit of the Fund budget set in Regulation 197(1)(d) of the Public Finance Management (County Governments) Regulations, 2015.

The County Government uses commercial bank accounts to operate the above-established public funds contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which require that County government bank accounts must be opened and maintained at the Central Bank of Kenya.

### 3.3.10 Expenditure on Operations and Maintenance

Figure 12 summarises the Operations and Maintenance expenditure by major categories.

The operations and maintenance costs include an expenditure of Kshs.28.89 million on garbage collection.

### 3.3.11 Facility Improvement Financing

During the period under review, the County reported collection of Kshs.125.18 million as FIF, which was 13 per cent of the annual target of Kshs.956.25 million. The collected amount was retained and utilised at source in line with the Facility Improvement Financing Act, 2023. The County has, however, not developed regulations to operationalise the FIF Act of 2023.

The health facilities provided a report on the utilisation of the FIF during the reporting period.

The expenditure by the health facilities amounted to Kshs.125.18, as shown in Table 3.19

**Table 3.19: Breakdown of Expenditure by Health Facilities in the First Quarter of FY 2024/25**

Analysis of department expenditures shows that the Department of Trade recorded the highest absorption rate of the development budget, at 15 per cent, followed by the Department of Tourism, at 7 per cent. County Assembly had the highest percentage of recurrent expenditures to budget, at 19 per cent, while the Department of Housing had the lowest, at 2 per cent.

The absorption of funds above the approved exchequers was due to some funds carried forward from the 2023/24 financial year in special purpose accounts for additional allocations in the Department of Tourism, Forestry, Environment, Water and Natural Resources. The County Assembly had overcommitted funds in the system.

Sub-programmes with the highest levels of implementation based on absorption rates were: Kenya Livestock Commercialization Project (KeLCoP) in the Department of Agriculture, Livestock, Fisheries and Co-Operative Development At 41 per cent, Human Resource Development in the Department of Public Administration at 31.2 per cent, Climate Change Institutional Support Grant in the Department of Tourism, Forestry, Environment, Water and Natural Resources at 23.8 per cent, and Human Resource Development in the Department of County Assembly at 20.6 per cent of budget allocation.

### 3.3.15 Accounts Operated in Commercial Banks

The County government operated 300 accounts with commercial banks, 145 of which were for sub-county hospitals, 14 for level four and five hospitals, and 115 for tertiary institutions.

This is contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya. The only exemption is for imprest bank accounts for petty cash and revenue collection bank accounts.

### 3.3.16 Key Observations and Recommendations

In the course of overseeing and reporting on the implementation of the County budget, the COB identified the following challenges which hampered effective budget implementation;

1. Own-source revenue underperformed at Kshs.64.09 million against an annual target of Kshs.1.19 billion, representing 5.4 per cent of the yearly target.
2. The County Treasury failed to appropriate the unspent cash balance from the previous financial year, which amounted to Kshs.1.84 billion.
3. High level of pending bills which amounted to Kshs.1.58 billion as of 30 September 2024. Further, there was non-adherence to the payment plan for the pending bills by the County Treasury.
4. The County Government uses commercial bank accounts for operations contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya. The commercial bank accounts are for County Assembly, Level 4 and 5 Hospitals, Funds, Fund Accounts, Local Revenues, Vocational Training, Municipalities, Health Facilities and Dispensaries.
5. Low expenditure on development activities, which accounted for 8.1 per cent of total expenditure

The County should implement the following recommendations to improve budget execution:

1. *The County should address its own-source revenue performance to ensure the approved budget is fully financed. Appropriate austerity measures should be implemented to ensure expenditure commitments are aligned with available revenue.*
2. *The County Treasury should prepare a Supplementary budget to appropriate the unspent cash balances from the previous financial year.*
3. *The County leadership should address the situation of pending bills to ensure that genuine bills are paid promptly in the remaining financial year. Further, compliance with the payment plan should be enforced.*
4. *The County Government should ensure that bank accounts are opened and operated at the Central Bank of Kenya as the law requires. However, imprest bank accounts for petty cash and revenue collection accounts are exempted.*
5. *The County should prioritise expenditure on development programmes to ensure that development expenditure is within the legal provisions.*

## 3.4. County Government of Busia

### 3.4.1 Overview of FY 2024/25 Budget

The Busia County approved FY 2024/25 budget is Kshs.9.31 billion. It comprised Kshs.2.80 billion (30 per cent) and Kshs.6.51 billion (70 per cent) allocation for development and recurrent programmes, respectively. The budget estimates represent a decrease of Kshs. 0.89 billion (9 per cent) from the FY 2023/24 budget comprised a development budget of Kshs.3.36 billion and a recurrent budget of Kshs.6.85 billion. The decrease in the County Government budget was attributed to the decline in balance forward from FY 2023/24

The Busia County Government budget will be financed from different sources of revenue. These include Kshs.7.76 billion (83 per cent) expected from the National Government as the equitable share of revenue raised nationally, Kshs.902.11 million as additional allocations (10 per cent) and Kshs.647.01 million (7 per cent) generated as gross own source revenue. The own-source revenue includes Kshs.204.74 million (2 per cent) as Facility Improvement Fund (revenue from health facilities) and Kshs.442.26 million (5 per cent) as ordinary own-source revenue. A breakdown of the additional allocations includes FLLoCA – Development grant Kshs.434.10 million, National Value Chain Development Program Kshs.250 million, Kenya Climate-Smart Agriculture Project Kshs.90 million, Kenya Devolution Support Program II Kshs.37.50 million, Kenya livestock commercialisation project Kshs.33.50 million, Agriculture business development project Kshs.22.59 million, FLLoCA – CCIS grant Kshs.11 million, DANIDA Kshs.10.97 million, Nutrition International Kshs.10 million and Agricultural sector development Kshs.2.45 million.

### 3.4.2 Revenue Performance

In the first quarter of FY 2024/25, the County received Kshs.1.55 billion to fund recurrent and development activities. The equitable share from the National Government was Kshs.635.52 billion, and its own-source revenue (OSR) collection of Kshs. 61.58 billion. Additionally, the County had a balance b/f of Kshs. 804.45 billion from FY 2023/24. FY 2023/24 balance includes Kshs.581.04 million of the June 2024 equitable share disbursed in July 2024. The County had other revenues of Kshs.52.63 million.

Analysis of the total OSR collection of Kshs. 61.59 billion indicates that it included Facilities Improvement Financing (FIF) of Kshs. 23.24 million and Kshs.38.35 million as ordinary OSR. Table 3.23 summarises the total revenue available to the county government during the first quarter of FY 2024/25 performance.

During the first quarter of FY 2024/25, the County generated Kshs.61.59 million from its revenue sources, including FIF. This amount was a decrease of 17 per cent compared to Kshs.71.86 million realised in a similar period in FY 2023/24. It was 10 per cent of the annual target and 5 per cent of the equitable revenue share disbursed.

The revenue streams which contributed the highest OSR receipts are shown in Figure 14.

**Figure 14: Top Streams of Own Source Revenue in the First Quarter FY 2024/25.**

The highest revenue stream, Kshs.23.24 million, was from health FIF, contributing 38 per cent of the total OSR receipts during the reporting period.

### 3.4.3 Borrowing by the County

The County government of Busia did not borrow any money during the reporting period, and it had no outstanding debt.

### 3.4.4 Exchequer Issues

During the reporting period, the Controller of Budget approved withdrawals of Kshs.1.44 billion from the CRF account comprised Kshs.224.05 million (16 per cent) for development programmes and Kshs.1.21 billion (85 per cent) for recurrent programmes in the first quarter of FY 2024/25. Analysis of the recurrent exchequers released in the first three months of FY 2024/25 indicates that Kshs.709.83 million was released towards employee compensation and Kshs.503.74 million for operations and maintenance expenditure.

As of 30 September 2024, the county government's cash balance in the CRF account was Kshs. 262 million.

### 3.4.5 County Expenditure Review

The County spent Kshs.1.72 billion on development and recurrent programmes in the reporting period. The expenditure represented 119 per cent of the total funds released by the CoB and comprised of Kshs.328.59 million and Kshs.1.39 billion on development and recurrent programmes, respectively. Expenditure on development programmes represented an absorption rate of 12 per cent, while recurrent expenditure represented 21.4 per cent of the annual recurrent expenditure budget.

### 3.4.6 Settlement of Pending Bills

The County reported pending bills amounting to Kshs 1.46 billion as of 30 June 2024, comprising pending payments by the County Executive of Kshs.1.42 billion and Kshs 40.3 million for the County Assembly.

The County Executive's pending bills consist of Kshs.1.31 billion for recurrent expenditures and Kshs. 110.36 million for development expenditures. In the reporting period, the County Executive settled pending bills

amounting to Kshs.63.6 million for development programmes. In contrast, the County Assembly settled pending bills worth Kshs.25 million for development pending bills. Therefore, the outstanding bills were Kshs.1.37 billion as of 30 September 2024.

### 3.4.7 Expenditure by Economic Classification

During the first quarter of FY 2024/25, the County Executive spent Kshs.645.77 million on employee compensation, Kshs.359.17 million on operations and maintenance, and Kshs.304.69 million on development activities. Similarly, the County Assembly spent Kshs.35.58 billion on employee compensation, Kshs.157.17 million on operations and maintenance, and Kshs.23.90 million on development activities, as shown in Table 3.24.

Further analysis indicates that PE costs amounting to Kshs.612.96 billion were processed through the Integrated Personnel and Payroll Database (IPPD) system while Kshs.68.39 million was processed through manual payrolls. The manual payrolls accounted for 10 per cent of the total PE cost.

The County Assembly spent Kshs.4.65 million on committee sitting allowances for the 53 MCAs and the speaker against the annual budget allocation of Kshs.14.78 million. The average monthly sitting allowance was Kshs.28,695.65 per MCA. The County Assembly had 18 House Committees.

### 3.4.9 County Emergency Fund and County-Established Funds

Section 116 of the PFM Act 2012 allows County Governments to establish other public funds with approval from the County Executive Committee and the County Assembly. The County allocated Kshs.219.80 million to county-established funds in FY 2024/25, or 2 per cent of the County's overall budget. Further, the County allocated Kshs.20 million to the Emergency Fund (0.2 per cent of the total budget).

Table 3.25 summarises each established Fund's budget allocation and performance during the reporting period.

Sub-programmes with the highest levels of implementation based on absorption rates were; General administration and support services in the Department of County Assembly at 60 per cent, Lower-level hospital equipment in the Department of Health at 47 per cent, Diagnostic Services in higher-level facilities in the De-

partment of Health and Sanitation at 45 per cent and Aquaculture Business Development Programme in the Department of Smart Agriculture, livestock and Fisheries at 44 per cent of budget allocation.

### 3.4.15 Accounts Operated in Commercial Banks

The County government operated accounts with commercial banks, of which five were for healthcare facilities.

This is contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya. The only exemption is for imprest bank accounts for petty cash and revenue collection bank accounts.

### 3.4.16 Key Observations and Recommendations

In the course of overseeing and reporting on the implementation of the County budget, the COB identified the following challenges which hampered effective budget implementation;

1. The underperformance of own-source revenue at Kshs.61.59 million against an annual target of Kshs.647 million, representing 10 per cent of the yearly target
2. Fund Administrators should have submitted quarterly financial and non-financial reports to the COB within the timelines provided by law, which is against the requirement of Section 168 of the PFM Act, 2012. As of 15 October 2024, reports for all 6 Funds were not submitted to the Controller of Budget
3. There was a high level of pending bills, which amounted to Kshs.1.3 billion as of 30 September 2024. Further, the County Treasury did not adhere to the payment plan for the pending bills.
4. Use of manual payroll. Personnel emoluments amounting to Kshs.43.23 million were processed through the manual payroll, accounting for 6 per cent of the total payroll cost. The manual payroll is prone to abuse and may lead to the loss of public funds where there is a lack of proper controls.
5. The County Government uses commercial bank accounts for operations contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya. The commercial bank accounts are for various operations and conditional grants.

The County should implement the following recommendations to improve budget execution:

1. *The County should address its own-source revenue performance to ensure the approved budget is fully financed. Appropriate austerity measures should be implemented to ensure expenditure commitments are aligned with available revenue.*
2. *The CECMF should follow up to ensure Fund Administrators prepare and submit statutory reports in line with the PFM Act, 2012.*
3. *The county leadership should address the situation of pending bills to ensure that genuine bills are paid promptly in the remaining financial year. Further, compliance with the payment plan should be enforced.*
4. *The Government requires that salaries be processed through the IPPD system, and the County is advised to fast-track the acquisition of Unified Personnel Numbers for their staff. The County Public Service Board should regulate staff engagement on contract and casual workers as provided under Section 74 of the County Governments Act 2012. Further, strict compliance with the approved staff establishment should be maintained.*
5. *The County Government should ensure that bank accounts are opened and operated at the Central Bank of Kenya as the law requires. However, imprest bank accounts for petty cash and revenue collection accounts are exempted.*

## 3.5. County Government of Elgeyo Marakwet

### 3.5.1 Overview of FY 2024/25 Budget

The Elgeyo Marakwet county approved FY 2024/25 budget is Kshs.6.29 billion. It comprised Kshs.2.28 billion (36 per cent) and Kshs.4.01 billion (64 per cent) allocation for development and recurrent programmes, respectively. The budget estimates represent a decrease of Kshs. 0.5 billion (7 per cent) from the FY 2023/24

budget comprised a development budget of Kshs.2.55 billion and a recurrent budget of Kshs.4.24. billion. The county government budget decreased due to the decrease in the expected total revenue.

The Elgeyo Marakwet County Government budget will be financed from different sources of revenue. These include; Kshs.4.87 billion (77 per cent) expected from the National Government as the equitable share of revenue raised nationally, Kshs.1.12 million as additional allocations (18 per cent), and Kshs.300.78 million (5 per cent) generated as gross own source revenue. The own-source revenue includes Kshs.195.0 million (3 per cent) as Facility Improvement Fund (revenue from health facilities) and Kshs.105.78 million (2 per cent) as ordinary own-source revenue. A breakdown of the additional allocations is shown in Table 3.31..

### 3.5.2 Revenue Performance

In the first quarter of FY 2024/25, the County received a total of Kshs.870.95 million to fund recurrent and development activities. The equitable share from the national government was Kshs. 408.12 million, and the own source revenue (OSR) collection was Kshs. 78.71 million. Additionally, the County had a cash balance of Kshs. 384.12 million from FY 2023/24. The balance carried forward from FY 2023/24 includes Kshs. 384.12 million of the June 2024 Equitable Share that was disbursed in July 2024.

Analysis of the total OSR collection of Kshs. 78.71 million indicates that it included Facilities Improvement Financing (FIF) of Kshs.64.08 million and Kshs.14.63 million as ordinary OSR. Table 3.31 summarises the total revenue available to the county government during the first quarter of FY 2024/25 performance.

The County has governing legislation on the operation of ordinary A-I-A and FIF.

Figure 17 shows the trend in own-source revenue collection from the First Quarter of FY 2018/19 to the First Quarter of FY 2024/25.

**Figure 17: Trend in Own-Source Revenue Collection from the FY 2018/19 to the FY 2024/25**

Source: Elgeyo Marakwet County Treasury

During the first quarter of FY 2024/25, the County generated a total of Kshs.78.71million from its sources of revenue, including FIF. This amount was an increase of 19 per cent compared to Kshs.65.91 million realised in a similar period in FY 2023/24 and was 26 per cent of the annual target and 19 per cent of the equitable revenue share disbursed.

The increase can be attributed to the automation of revenue collection, which has improved efficiency and reduced revenue leakages.

The revenue streams which contributed the highest OSR receipts are shown in Figure 18.

**Figure 18: Top Streams of Own Source Revenue in the First Quarter FY 2024/25**

*Source: Elgeyo Marakwet County Treasury*

The highest revenue stream, Kshs.64.08 million, was from the Facility Improvement Fund (FIF), which contributed 81 per cent of the total OSR receipts during the reporting period.

### 3.5.3 Borrowing by the County

The county government did not borrow any funds during the period under review.

### 3.5.4 Exchequer Issues

The Controller of Budget approved withdrawals of Kshs.738.45 million from the CRF account during the reporting period, which comprised Kshs.738.45 million (100 per cent) for recurrent programmes in the first quarter of FY 2024/25. Analysis of the recurrent exchequers released in the first three months of FY 2024/25 indicates that Kshs.694.25 million was released towards employee compensation and Kshs.44.20 million for operations and maintenance expenditure.

As of September 30, 2024, the county government's cash balance in the CRF account was Kshs. 384.12 million.

### 3.5.5 County Expenditure Review

The County spent Kshs.744.23 million on recurrent programmes in the reporting period. This expenditure represented 101 percent of the total funds released by the CoB and comprised Kshs. 744.23 million on recurrent programmes. Expenditure on development programmes represented an absorption rate of 0 per cent, while recurrent expenditures represented 19 per cent of the annual recurrent expenditure budget.

### 3.5.6 Settlement of Pending Bills

The County reported pending bills amounting to Kshs.103.64 million as of 30th June 2024, comprising pending payments by the County Executive of Kshs. 103.64 million and none for the County Assembly.

The County Executive's pending bills consist of Kshs.92.86 million for recurrent expenditures and Kshs.10.78 million for development expenditures. In the reporting period, the County Executive settled pending bills amounting to Kshs.36.55 million, which consisted of Kshs. 36.55 million for recurrent expenditures and none for development programmes, while the County Assembly had no pending bills. Therefore, the outstanding bills were Kshs.67.09 million as of 30 September 2024.

### 3.5.7 Expenditure by Economic Classification

During the first quarter of FY 2024/25, the County Executive spent Kshs.616.35 million on employee compensation, Kshs.8.13 million on operations and maintenance, and no expenditure on development activities. Similarly, the County Assembly spent Kshs.77.90 million on employee compensation, Kshs.41.85 million on operations and maintenance, and no expenditure on development activities, as shown in Table 3.32.

**Table 3.32: Summary of Budget and Expenditure by Economic Classification**

### 3.5.8 Expenditure on Employees' Compensation

In the first quarter of FY 2024/25, expenditure on employee compensation was Kshs.694.25 million, or 80 per cent of the available revenue of Kshs.870.95 million. This expenditure represented an increase from Kshs.634.72 million reported in a similar period in FY 2023/24. The wage bill included Kshs.352.17 million paid to the health sector employees, translating to 51 per cent of the total wage bill.

Figure 19 shows the trend of personnel expenditures as a percentage of total revenue from the first quarter of FY 2017/18 to the first quarter of FY 2024/25.

**Figure 19: Percentage of Wage Bill to Total Revenue from the First Quarter of FY 2018/19 to the First Quarter of FY 2024/25**

Further analysis indicates that PE costs amounting to Kshs.592.91 million were processed through the Integrated Personnel and Payroll Database (IPPD) system while Kshs.101.3 million was processed through manual payrolls. The manual payrolls accounted for 15 per cent of the total PE cost.

The County Assembly spent Kshs.7.35 million on committee sitting allowances for the 34 MCAs against the annual budget allocation of Kshs.30.22 million. The average monthly sitting allowance was Kshs.72,076.20 per MCA. The County Assembly had 18 House Committees.

### 3.5.9 County Emergency Fund and County-Established Funds

Section 116 of the PFM Act 2012 allows County Governments to establish other public funds with approval from the County Executive Committee and the County Assembly. The County allocated Kshs.101,865,154 million to county-established funds in FY 2024/25, or 2 per cent of the County's overall budget.

Table 3.33 summarises each established Fund's budget allocation and performance during the reporting period.

During the reporting period, the CoB received quarterly financial reports from two Fund Administrators, as indicated in Table 3.33, contrary to the requirement of Section 168 of the PFM Act, 2012.

The County government uses commercial bank accounts to operate the above-established Funds contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County Government bank accounts must be opened and maintained at the Central Bank of Kenya.

### 3.5.10 Expenditure on Operations and Maintenance

Figure 20 summarises the Operations and Maintenance expenditure by major categories.

**Figure 20: Elgeyo Marakwet County, Operations and Maintenance Expenditure by Major Categories**

Expenditure on domestic travel amounted to Kshs.19.08 million and comprised Kshs.13.91 million spent by the County Assembly and Kshs.5.17 million by the County Executive. Both the County Executive and County Assembly did not spend any funds on foreign travel.

### 3.5.11 Facility Improvement Financing

During the period under review, the County reported collection of Kshs.64.08 million as FIF, which was 32.9 per cent of the annual target of Kshs.195.0 million. The collected amount was retained and utilised at source in line with the Facility Improvement Financing Act, 2023. The County has developed regulations to operationalise the FIF Act of 202 that are awaiting approval by the County Assembly.

The health facilities provided a report on the utilisation of the FIF during the reporting period, contrary to Section 18 (e) of the FIF Act, 2023.

The expenditure by the health facilities amounted to Kshs.64.02 as shown in the Table 3.34.

Analysis of expenditure by departments shows that no single Department recorded the absorption of development budget. The Department of the Office of the Governor and Executive Administration had the highest percentage of recurrent expenditure to budget at 22 per cent, while the Department of Public Service Management and County Administration had the lowest at 9 per cent.

The County spend expenditure above exchequers in the Department of Health and Sanitation arose because of Facility Improvement Funds that were retained and spend by the health facilities.

The allocation for recurrent expenditure for the County Assembly and Executive is within the ceilings in CARA 2024

Sub-programmes with the highest levels of implementation based on absorption rates were: Governance in the Office of the Governor and Executive Administration at 23 per cent, General Administration and Support Services in the Office of the Governor and Executive Administration, General Administration in the Department of Agriculture, Livestock, Fisheries and Irrigation at 22 per cent, General Administration and Support Services in the Department of Finance and Economic Planning at 22 per cent, and General administration and support services in the Department of Education and Technical Training at 21 per cent of budget allocation.

### 3.5.15 Accounts Operated in Commercial Banks

The County government operated 155 accounts with commercial banks, of which Sub County hospitals and dispensaries operated 124.

This is contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya. The only exemption is for imprest bank accounts for petty cash and revenue collection bank accounts.

### 3.5.16 Key Observations and Recommendations

In the course of overseeing and reporting on the implementation of the County budget, the COB identified the following challenges which hampered effective budget implementation;

1. Use of manual payroll. Personnel emoluments amounting to Kshs.101.34 million were processed through the manual payroll, accounting for 15 per cent of the total payroll cost. The manual payroll is prone to abuse and may lead to the loss of public funds where there is a lack of proper controls.
2. The County Government uses commercial bank accounts for operations contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya. The commercial bank accounts are for various County Departments, and 128 accounts are for health facilities.
3. Low absorption of development funds where by the County did not spend any money on development activities.

The County should implement the following recommendations to improve budget execution:

1. The Government requires that salaries be processed through the IPPD system, and the County is advised to fast-track the acquisition of Unified Personnel Numbers for their staff. The County Public Service Board should regulate staff engagement on contract and casual workers as provided under Section 74 of the County Governments Act 2012. Further, strict compliance with the approved staff establishment should be maintained.

2. *The County Government should ensure that bank accounts are opened and operated at the Central Bank of Kenya as the law requires. However, imprest bank accounts for petty cash and revenue collection accounts are exempted.*
3. *The County Government should come up with strategies to ensure the absorption of development funds and ensure that development projects are implemented as per the approved budget.*

## 3.6. County Government of Embu

### 3.6.1 Overview of FY 2024/25 Budget

The Embu County approved FY 2024/25 budget is Kshs.7.37 billion. It comprised Kshs.2.26 billion (33 per cent) and Kshs.5.12 billion (33 per cent) allocation for development and recurrent programmes, respectively. The budget estimates represent a decrease of Kshs. 579.86 million (8 per cent) from the FY 2023/24 budget comprised a development budget of Kshs.2.63 billion and a recurrent budget of Kshs.5.32 billion. The decrease in the County Government budget was attributed to not factoring the FY 2023/24 cash balances in the budget.

The Embu County Government budget will be financed from different sources of revenue. These include Kshs.5.55 billion (73 per cent) expected from the National Government as the equitable share of revenue raised nationally, Kshs.824.65 million as additional allocations, Kshs.1.00 billion (14 per cent) generated as gross own source revenue. The own source revenue includes Kshs.47.37 million (1 per cent) as Appropriations-in-Aid (A-I-A), Kshs.498.26 million (7 per cent) as Facility Improvement Fund (revenue from health facilities), and Kshs.454.38 million (6 per cent) as ordinary own-source revenue. A breakdown of the additional allocations is provided in Table 3.37.

### 3.6.2 Revenue Performance

In the first quarter of FY 2024/25, the County received Kshs.1.03 billion to fund recurrent and development activities. The equitable share from the National Government was Kshs.881.40 million, comprising Kshs.427.34 million June 2024 disbursement and Kshs.454.05 July 2024 disbursement. Also, the County received its own source revenue (OSR) collection of Kshs. 151.63 million.

Analysis of the total OSR collection of Kshs. 151.63 million indicates that it included Appropriations in Aid (AIA) for Kshs.350.02 thousand and Facilities Improvement Financing (FIF) of Kshs. 80.04 million, and Kshs.71.23 million as ordinary OSR. Table 3.37 summarises the total revenue available to the county government during the first quarter of FY 2024/25.

During the first quarter of FY 2024/25, the County generated a total of Kshs.151.63 million from its sources of revenue, including AIA and FIF. This amount was an increase of 6 per cent compared to Kshs.142.92 million realised in a similar period in FY 2023/24, 15 per cent of the annual target, and 36 per cent of the equitable revenue share disbursed.

The revenue streams which contributed the highest OSR receipts are shown in Figure 22.

**Figure 22: Top Streams of Own Source Revenue in the First Quarter FY 2024/25**

The highest revenue stream, Kshs.80.05 million, was Health/Hospital Fees/FIF, which contributed 53 per cent of the total OSR receipts during the reporting period.

### 3.6.3 Borrowing by the County

The County Government did not borrow any funds during the reporting period.

### 3.6.4 Exchequer Issues

The Controller of Budget approved withdrawals of Kshs.434.23 million from the CRF account during the reporting period, which comprised Kshs.73.63 million (17 per cent) for development programmes and Kshs.360.60 million (83 per cent) for recurrent programmes in the first quarter of FY 2024/25. Analysis of the recurrent exchequers released in the first three months of FY 2024/25 indicates that Kshs.341.26 million was released towards employee compensation and Kshs.19.34 million for operations and maintenance expenditure.

As of 30 September 2024, the county government's cash balance in the CRF account was Kshs. 519.69 million.

### 3.6.5 County Expenditure Review

The County spent Kshs.434.98 million on development and recurrent programmes in the reporting period. This expenditure represented 100 per cent of the total funds released by the CoB and comprised Kshs. 73.63 million and Kshs.360.60 million on development and recurrent programmes, respectively. Expenditure on development programmes represented an absorption rate of 3 per cent, while recurrent expenditures represented 7 per cent of the annual recurrent expenditure budget.

### 3.6.6 Settlement of Pending Bills

The County reported pending bills amounting to Kshs.2.39 billion as of 30 June 2024, comprising pending payments by the County Executive of Kshs.2.3 billion and Kshs 75.3 million for the County Assembly.

The County Executive's pending bills consist of Kshs.1.25 million for recurrent expenditures and Kshs.1.07 billion for development expenditures. The County Assembly's pending bill was Kshs.75.33 million. In the reporting period, the county executive settled pending bills amounting to Kshs.418.58 million for recurrent ex-

penditures, while the County Assembly settled pending bills worth Kshs.63.54 also for recurrent expenditures. Therefore, the outstanding bills were Kshs.1.91 billion as of 30 September 2024.

### 3.6.7 Expenditure by Economic Classification

During the first quarter of FY 2024/25, the County Executive spent Kshs.299.34 million on employee compensation, Kshs.16.09 million on operations and maintenance, and Kshs.73.6 million on development activities. Similarly, the County Assembly spent Kshs.28.29 million on employee compensation and Kshs.16.88 million on operations and maintenance, as shown in Table 3.38.

### 3.6.8 Expenditure on Employees' Compensation

In the first quarter of FY 2024/25, expenditure on employee compensation was Kshs.327.63 million, or 56.59 per cent of the available revenue of Kshs.578.97 million. This expenditure represented a decrease from Kshs.717.11 million reported in a similar period in FY 2023/24. The wage bill included Kshs.118.35 million paid to the health sector employees, translating to 36.12 per cent of the total wage bill.

Figure 23 shows the trend of personnel expenditures as a percentage of total revenue from the first quarter of FY 2018/19 to the first quarter of FY 2024/25.

**Figure 23: Percentage of Wage Bill to Total Revenue from the First Quarter of FY 2018/19 to the First Quarter of FY 2024/25**

Further analysis indicates that PE costs amounting to Kshs.323.26 million were processed through the Integrated Personnel and Payroll Database (IPPD) system while Kshs.4.37 million was processed through manual payrolls. The manual payrolls accounted for 1 per cent of the total PE cost.

The County Assembly spent Kshs.2.00 million on committee sitting allowances for the 31 MCAs against the annual budget allocation of Kshs.28.60 million. The average monthly sitting allowance was Kshs.21,540 per MCA. The County Assembly had 27 House Committees.

### 3.6.9 County Emergency Fund and County-Established Funds

Section 116 of the PFM Act 2012 allows County Governments to establish other public funds with approval from the County Executive Committee and the County Assembly. The County allocated Kshs.307.22 million to county-established funds in FY 2024/25, or 4 per cent of the County's overall budget. Further, the County allocated Kshs.8.00 million to the Emergency Fund (less than 1 per cent of the total budget), which is not in line with Section 110 of the PFM Act, 2012.

Table 3.39 summarises each established Fund's budget allocation and performance during the reporting period.

During the reporting period, the CoB received quarterly financial returns from all the Fund Administrators of all the funds indicated in Table 3.39, **But the CoB failed to receive financial returns from the County Assembly Car Loan and Mortgage(MCAs) and Embu County Climate Change Fund.**

The County Government uses commercial bank accounts to operate some of the above-established Funds contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County Government bank accounts must be opened and maintained at the Central Bank of Kenya.

### 3.6.10 Expenditure on Operations and Maintenance

Figure 24 summarises the Operations and Maintenance expenditure by major categories.

**Figure 24: Embu County, Operations and Maintenance Expenditure by Major Categories**

The County's expenditure on domestic travel amounted to Kshs.13.80 million, comprising Kshs.12.54 million spent by the County Assembly and Kshs.1.26 million by the County Executive. The County had no expenditure on foreign travel during the reporting period.

There was no expenditure on garbage collection and legal fees/dues, arbitration and compensation payments, or expenditure on legal fees for operations and maintenance costs in the reporting period.

### 3.6.11 Facility Improvement Financing

During the period under review, the County reported collection of Kshs.80.05 million as FIF, which was 16 per cent of the annual target of Kshs.498.26 million. The collected amount was retained and utilised at source in line with the Facility Improvement Financing Act, 2023. The County has developed regulations to operationalise the FIF Act of 2023.

The health facilities provided a report on the use of the FIF during the reporting period, in accordance with Section 18 (e) of the FIF Act, 2023.

The expenditure by the health facilities amounted to Kshs.45.14 million as shown in Table 3.40

### 3.6.15 Accounts Operated in Commercial Banks

The County government operated 46 accounts with banks, of which 17 were for healthcare facilities.

This is contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya. The only exemption is for imprest bank accounts for petty cash and revenue collection bank accounts.

### 3.6.16 Key Observations and Recommendations

In the course of overseeing and reporting on the implementation of the County budget, the COB identified the following challenges which hampered effective budget implementation;

1. Late submission of financial reports by the County Treasury to the Controller of Budget affected the timely preparation of the budget implementation report. The report was received on 30 October 2024.

2. The underperformance of own-source revenue at Kshs.151.6 million against an annual target of Kshs.1.00 billion, representing 15.2 per cent of the yearly target.
3. There was a high level of pending bills, which amounted to Kshs.1.91 billion as of 30 September 2024. Further, the County Treasury did not adhere to the payment plan for the pending bills.
4. Fund Administrators failed to submit quarterly financial and non-financial reports to the COB within the timelines provided by law, which is against the requirement of Section 168 of the PFM Act, 2012. The reports for the County Assemble Car loan and Mortgage Fund and Embu County Climate Fund were not submitted to the Controller of Budget as of 15 October 2024.
5. Use of manual payroll. Personnel emoluments amounting to Kshs.4.37 million were processed through manual payroll, accounting for 1 per cent of the total payroll cost. Manual payroll is prone to abuse and may lead to the loss of public funds where there is a lack of proper controls.
6. The County Government uses commercial bank accounts for operations contrary to Regulations 82(1) (b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya.

The County should implement the following recommendations to improve budget execution:

1. *The County Treasury should ensure timely preparation and submission of financial reports to the Office of the Controller of Budget in line with the timelines prescribed in Section 166 of the PFM Act, 2012.*
2. *The County should address its own-source revenue performance to ensure the approved budget is fully financed. Appropriate austerity measures should be implemented to ensure expenditure commitments are aligned with available revenue.*
3. *The County Leadership should address the situation of pending bills to ensure that genuine bills are paid promptly in the remaining financial year. Further, compliance with the payment plan should be enforced.*
4. *The CECM Finance should follow up to ensure Fund Administrators prepare and submit statutory reports in line with the PFM Act, 2012.*
5. *The Government requires that salaries be processed through the IPPD system, and the County is advised to fast-track the acquisition of Unified Personnel Numbers for their staff. The County Public Service Board should regulate staff engagement on contract and casual workers as provided under Section 74 of the County Governments Act 2012. Further, strict compliance with the approved staff establishment should be maintained.*
6. *The County Government should ensure that bank accounts are opened and operated at the Central Bank of Kenya as the law requires. However, imprest bank accounts for petty cash and revenue collection accounts are exempted.*

## 3.7. County Government of Garissa

### 3.7.1 Overview of FY 2024/25 Budget

The Garissa County approved FY 2024/25 budget is Kshs.11.46 billion. It comprised Kshs.4.2 billion (37 per cent) and Kshs.7.26 billion (63 per cent) allocation for development and recurrent programmes, respectively. The budget estimates represent an increase of Kshs. 0.76 billion (7 per cent) from the FY 2023/24 budget comprised a development budget of Kshs.4.31 billion and a recurrent budget of Kshs.6.39 billion. The increase in the budget was attributed to the rise in Equitable Share from Kshs.8.2 to Kshs.8.55 billion, an increase in OSR from Kshs.230 million to Kshs.300 million, and the increase in carry forward for two months.

The Garissa County Government budget will be financed from different sources of revenue. These include; Kshs.8.56 billion (75 per cent) expected from the National Government as the equitable share of revenue raised nationally, Kshs.1.27 billion as additional allocations, a cash balance of Kshs.1.33 billion (12 per cent) brought forward from FY 2023/24, and Kshs.300 million (2.6 per cent) generated as gross own source revenue. The own-source revenue includes Kshs.160 million (1 per cent) as Facility Improvement Fund (revenue from health facilities) and Kshs.140 million (1 per cent) as ordinary own-source revenue. A breakdown of the additional allocations is shown in Table 3.44.

### 3.7.2 Revenue Performance

In the first quarter of FY 2024/25, the County received Kshs.2.35 billion to fund recurrent and development activities. The equitable share from the national government was Kshs. 701.14 million, and its own source revenue

(OSR) collection was Kshs. 80.47 million. In addition, the County had a cash balance of Kshs. 1.57 billion from FY 2023/24, including Kshs.659.9 million June 2024 disbursement disbursed in July 2024.

Analysis of the total OSR collection of Kshs. 80.47 million indicates Facilities Improvement Financing (FIF) of Kshs. 57.79 million and Kshs.22.68 million as ordinary OSR. Table 3.44 summarises the total revenue available to the county government during the first quarter of FY 2024/25 performance.

The County has governing legislation on the operation of FIF.

Figure 25 shows the trend in own-source revenue collection from the First Quarter of FY 2018/19 to the First Quarter of FY 2024/25.

**Figure 25: Trend in Own-Source Revenue Collection from the First Quarter of FY 2018/19 to the First Quarter of FY 2024/25**

Source: Garissa County Treasury

During the first quarter of FY 2024/25, the County generated Kshs.80.47 million from its revenue sources, including FIF. This amount was an increase of 87 per cent compared to Kshs.43.05 million realised in a similar period in FY 2023/24, which was 27 per cent of the annual target and 12 per cent of the equitable revenue share disbursed.

The increase in OSR is attributed to the enactment of the FIF Act. The timely supply of drugs has occasioned seamless operations in health facilities, thus increasing revenue generation from user charges and public health fees. There has also been continuous engagement and follow-up with taxpayers and enhanced supervision and internal control systems in revenue collection. Also, the opening of gypsum excavation, the land registration process, and adequate staff recruitment have enhanced the ability to raise more OSR.

The revenue streams which contributed the highest OSR receipts are shown in Figure 26.

**Figure 26: Top Streams of Own Source Revenue in the First Quarter FY 2024/25**

Source: Garissa County Treasury

The highest revenue stream, Kshs.57.79 million, was from Health (Hospital Fees/ FIF), which contributed 72 per cent of the total OSR receipts during the reporting period.

### 3.7.3 Borrowing by the County

The County Government has yet to borrow so far.

### 3.7.4 Exchequer Issues

The Controller of Budget approved withdrawals of Kshs.2.04 billion from the CRF account during the reporting period, which comprised Kshs.646.70 million (32 per cent) for development programmes and Kshs.1.39 billion (68 per cent) for recurrent programmes in the first quarter of FY 2024/25. Analysis of the recurrent exchequers released in the first three months of FY 2024/25 indicates that Kshs.1.07 billion was released towards employee compensation and Kshs.323.37 million for operations and maintenance expenditure.

As of September 30, 2024, the County Government's cash balance in the CRF account was Kshs. 792.67 million.

### 3.7.5 County Expenditure Review

The County spent Kshs.1.57 billion on development and recurrent programmes in the reporting period. The expenditure represented 77 per cent of the total funds released by the CoB and comprised Kshs. 428.61 million and Kshs.1.14 billion on development and recurrent programmes, respectively. Expenditure on development programmes represented an absorption rate of 10 per cent, while recurrent expenditure represented 16 per cent of the annual recurrent expenditure budget.

### 3.7.6 Settlement of Pending Bills

The County reported pending bills amounting to Kshs 6.11 billion as of 30<sup>th</sup> June 2024, comprising pending payments by the County Executive of Kshs. 6.0 billion and Kshs 113.82 million for the County Assembly.

The County Executive's pending bills consist of Kshs.1.45 billion for recurrent expenditures and Kshs. 4.55 billion for development expenditures. The County Executive did not settle any pending bills in the reporting period, while the County Assembly settled recurrent pending bills worth Kshs. 40.80 million. Therefore, the outstanding bills were Kshs.6.07 billion as of 30 September 2024.

### 3.7.7 Expenditure by Economic Classification

During the first quarter of FY 2024/25, the County Executive spent Kshs.765.41 million on employee compensation, Kshs.319.63 million on operations and maintenance, and Kshs.428.61 million on development activities. Similarly, the County Assembly spent Kshs.40.80 million on employee compensation, Kshs.19.20 million on operations and maintenance, and did not spend on development activities, as shown in Table 3.45.

**Table 3.45: Summary of Budget and Expenditure by Economic Classification**

### 3.7.8 Expenditure on Employees' Compensation

In the first quarter of FY 2024/25, expenditure on employee compensation was Kshs.806.20 million, or 40 per cent of the available revenue of Kshs.2.04 billion. This expenditure represented a decrease from Kshs.1.02 billion reported in a similar period in FY 2023/24. The wage bill included Kshs.339.90 million paid to the health sector employees, translating to 42 per cent of the total wage bill.

Figure 27 shows the trend of personnel expenditures as a percentage of total revenue from the first quarter of FY 2017/18 to the first quarter of FY 2024/25.

**Figure 27: Percentage of Wage Bill to Total Revenue from the First Quarter of FY 2018/19 to the First Quarter of FY 2024/25**

Further analysis indicates that PE costs amounting to Kshs.618.61 million were processed through the Integrated Personnel and Payroll Database (IPPD) system while Kshs.187.59 million was processed through manual payrolls. The manual payrolls accounted for 23 per cent of the total PE cost.

The County Assembly did not spend Kshs. 30.97 million on committee sitting allowances for the 49 MCAs against the annual budget allocation. The County Assembly had 19 House Committees.

### 3.7.9 County Emergency Fund and County-Established Funds

Section 116 of the PFM Act 2012 allows County Governments to establish other public funds with approval from the County Executive Committee and the County Assembly. The County allocated Kshs.130 million to county-established funds in FY 2024/25, or 1 per cent of the County's overall budget. Further, the County allocated Kshs.60 million to the Emergency Fund (0.5 per cent of the total budget) in line with Section 110 of the PFM Act, 2012.

Table 3.46 summarises each established Fund's budget allocation and performance during the reporting period.

Note: Cumulative disbursements to a fund include all monies that the county treasury has transferred to the Fund since its inception to the reporting period.

During the reporting period, the CoB did not receive quarterly financial reports from Disaster Management Fund/Emergency and Micro and Small Enterprises Development Revolving Fund Administrators, as indicated in Table 3.46, contrary to the requirement of Section 168 of the PFM Act, 2012. The administration cost of the Bursary Fund was within the 3 per cent limit of the Fund budget set in Regulation 197(1)(d) of the Public Finance Management (County Governments) Regulations, 2015.

The County government uses commercial bank accounts to operate the above-established Funds contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County Government bank accounts must be opened and maintained at the Central Bank of Kenya.

### 3.7.11 Facility Improvement Financing

During the period under review, the County reported collecting Kshs.57.79 million as FIF, which was 36 per cent of the annual target of Kshs.160 million. The collected amount was retained and utilised at the source in

accordance with the Facility Improvement Financing Act, 2023. The County has developed regulations to operationalise the FIF Act of 2023.

The Health Facilities did provide a report on the utilisation of the FIF during the reporting period, according to Section 18 (e) of the FIF Act, 2023.

The expenditure by the Health Facilities amounted to Kshs.57.79 million, as shown in Table 3.48.

Based on absorption rates for recurrent activities, the sub-programmes with the highest implementation levels were Administration and Support Services in the Department of Roads, Transport, and Public Works, with an absorption rate of 49 per cent, and Administration and Support Services in the Department of Trade, Investments, and Enterprise Development, with an absorption rate of 26 per cent.

For development activities, the highest levels of implementation were: Administration and Support Services in the Department of Water, Environment, and Natural Resources, with an absorption rate of 26 per cent, and Administration and Support Services in the Department of Health and Sanitation, with an absorption rate of 14 per cent of the budget allocation.

### 3.7.15 Accounts Operated in Commercial Banks

The County government operated 11 accounts with commercial banks, of which two were for healthcare facilities.

This is contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya. The only exemption is for imprest bank accounts for petty cash and revenue collection bank accounts.

### 3.7.16 Key Observations and Recommendations

In the course of overseeing and reporting on the implementation of the County budget, the CoB identified the following challenges which hampered effective budget implementation;

1. Late submission of financial reports by the County Treasury to the Controller of Budget affected the timely preparation of the budget implementation report. The final report data was received on 5<sup>th</sup> November, 2024.
2. Fund Administrators failed to submit quarterly financial and non-financial reports to the COB within the timelines provided by law, which is against the requirement of Section 168 of the PFM Act, 2012. The reports for the Disaster Management Fund/ Emergency Fund and Micro and Small Enterprises Development Revolving Fund were not submitted to the Controller of Budget as of 15<sup>th</sup> October 2024.
3. High level of pending bills which amounted to Kshs.6.07 billion as of 30<sup>th</sup> September 2024. Further, there was non-adherence to the payment plan for the pending bills by the County Treasury.
4. Use of manual payroll. Personnel emoluments amounting to Kshs.187 million were processed through manual payroll, accounting for 23 per cent of the total payroll cost. Manual payroll is prone to abuse and may lead to the loss of public funds where there is a lack of proper controls.
5. The County Government uses commercial bank accounts for operations contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County Government bank accounts be opened and maintained at the Central Bank of Kenya.

The County should implement the following recommendations to improve budget execution:

1. *The County Treasury should ensure timely preparation and submission of financial reports to the Office of the Controller of Budget in line with the timelines prescribed in Section 166 of the PFM Act, 2012.*

2. The CECMF should follow up to ensure Fund Administrators prepare and submit statutory reports in line with the PFM Act, 2012.
3. The County leadership should address the situation of pending bills to ensure that genuine bills are paid promptly in the remaining financial year. Further, compliance with the payment plan should be enforced.
4. The Government requires that salaries be processed through the IPPD system, and the County is advised to fast-track the acquisition of Unified Personnel Numbers for their staff. The County Public Service Board should regulate staff engagement on contract and casual workers as provided under Section 74 of the County Governments Act 2012. Further, strict compliance with the approved staff establishment should be maintained.
5. The County Government should ensure that bank accounts are opened and operated at the Central Bank of Kenya as the law requires. However, imprest bank accounts for petty cash and revenue collection accounts are exempted.

## 3.8. County Government of Homa Bay

### 3.8.1 Overview of FY 2024/25 Budget

The County's approved budget estimate for FY 2024/25 was Kshs.11.88 billion, comprised of Kshs.4.21 billion (35 per cent) and Kshs.7.67 billion (65 per cent) allocation for development and recurrent programmes, respectively. The approved budget estimates represented an increase of 6.4 per cent from FY 2023/24 budget estimates of Kshs.11.17 billion and comprised of Kshs.3.51 billion towards development expenditure and Kshs.7.66 billion for recurrent expenditure.

The Homa Bay County Government budget will be financed from different sources of revenue. They include; Kshs.8.44 billion (71 per cent) expected from the National Government as the equitable share of revenue raised nationally, Kshs.1.83 billion (15 per cent) as additional allocations, Kshs.128.60 million (1 per cent) as a share of equalisation funds, and Kshs.1.48 billion (13 per cent) generate as gross own source revenue. The own-source revenue includes Kshs.981.07 million as Appropriation in Aid (AIA)/Facility Improvement Fund (FIF) and Kshs.501.74 million as ordinary own-source revenue. A breakdown of the additional allocations is provided in Table 3.52

### 3.8.2 Revenue Performance

In the first quarter of FY 2024/25, the County received a total of Kshs.982.30 million to fund recurrent and development activities. The equitable share of the revenue raised nationally was Kshs.690.91 million. Additional allocations from the National government and development partners amounted to Kshs.65.13 million, and own source revenue (OSR) collection amounted to Kshs.226.26 million. Additionally, the County had a balance of Kshs.693.09 million from FY 2023/24. The balance carried forward from FY 2023/24 includes Kshs.650.27 million of the June 2024 Equitable Share of the revenue raised nationally that was disbursed in July 2024.

The total OSR collection of Kshs. 226.26 million includes Kshs.158.94 million as Appropriation in Aid (AIA)/Facility Improvement Fund (FIF) and Kshs.67.31 million as ordinary own source revenue (OSR). Table 3.52 summarises the total revenue available to the county government during the first quarter of FY 2024/25 Performance.

The highest revenue stream, Kshs.158.94 million, was from the Health Sector Appropriation in Aid (AIA)/Facility Improvement Fund (FIF), contributing 76 per cent of the total OSR receipts during the reporting period.

### 3.8.3 Borrowing by the County

The county government borrowed Kshs 473.69 million from the Kenya Commercial Bank Limited to support its operations.

The County entered an agreement with Kenya Commercial Bank Limited and Equity Bank Kenya Limited for advance payroll processing for County Executive staff at an interest of 0.5 per cent, an excise duty of 20 per cent and an interest of 1.0 per cent and an excise duty of 20 per cent, respectively. The outstanding payroll management overdraft facility from Kenya Commercial Bank Limited as of 30 September 2024 amounted to Kshs.473.69 million. There was no outstanding payroll management overdraft facility from Equity Bank Kenya Limited as of 30 September 2024.

### 3.8.4 Exchequer Issues

In the first quarter of FY 2024/25, the Controller of Budget approved withdrawals of Kshs.1.43 billion from the CRF account comprises Kshs.151.34 million (10.6 per cent) for development programmes and Kshs.1.28 billion (89.4 per cent) for recurrent programmes. Analysis of the recurrent exchequer releases in the reporting period indicates that Kshs.1.06 billion was released towards employee compensation and Kshs.216.66 million for operations and maintenance expenditure.

As of 30 September 2024, the county government's cash balance in the CRF account was Kshs. 693.09 million.

### 3.8.5 County Expenditure Review

The County spent Kshs.1.50 billion on development and recurrent programmes during the reporting period. The expenditure represented 105 per cent of the total funds released by the CoB and comprised of Kshs.222.03 million and Kshs.1.28 billion on development and recurrent programmes, respectively. Expenditure on development programmes represented an absorption rate of 5.3 per cent, while recurrent expenditure represented 16.6 per cent of the annual recurrent expenditure budget.

### 3.8.6 Settlement of Pending Bills

The County reported pending bills amounting to Kshs.1.36 billion as of 30 June 2024, comprising pending payments by the County Executive of Kshs.1.19 billion and Kshs.172.58 million for the County Assembly.

The County Executive's pending bills consist of Kshs.591.66 million for recurrent expenditures and Kshs.600.60 million for development expenditures. In the reporting period, the County Executive settled pending bills amounting to Kshs.695.13 million, which consisted of Kshs.574.64 million for recurrent expenditures and Kshs.120.49 million for development programmes, while the County Assembly settled pending bills amounting to Kshs.3.9 million. Therefore, the outstanding bills were Kshs.665.81 million as of 30 September 2024.

### 3.8.7 Expenditure by Economic Classification

During the first quarter of FY 2024/25, the County Executive spent Kshs.945.53 million on employee compensation, Kshs.151.64 million on operations and maintenance, and Kshs.222.03 million on development activities. Similarly, the County Assembly spent Kshs.116.73 million on employee compensation and Kshs.63.27 million on operations and maintenance. The County Assembly did not incur any expenditure on development activities, as shown in Table 3.53: Summary of Budget and Expenditure by Economic Classification

**Table 3.53: Summary of Budget and Expenditure by Economic Classification**

### 3.8.8 Expenditure on Employees' Compensation

In the first quarter of FY 2024/25, expenditure on employee compensation was Kshs.1.06 billion, or 63.4 per cent of the available revenue, which amounted to Kshs.1.68 billion. This expenditure represented an increase of 2.9 per cent from Kshs.888.68 million reported in a similar period in FY 2023/24. The wage bill included Kshs.390.43 million paid to health sector employees, translating to 36.8 per cent of the total wage bill. The increase in PE expenditure in the reporting period, as compared to a similar period in FY 2023/24, is attributable to the annual salary increments for various staff cadres.

Figure 31 shows the trend of personnel expenditures as a percentage of total revenue from the first quarter of FY 2021/22 to the first quarter of FY 2024/25.

**Figure 31: Percentage of Wage Bill to Total Revenue from the First Quarter of FY 2021/22 to the First Quarter of FY 2024/25**

Further analysis indicates that PE costs amounting to Kshs.1.02 billion were processed through the Integrated Personnel and Payroll Database (IPPD) system, while Kshs.46.59 million was processed through manual payrolls. The manual payrolls accounted for 4.4 per cent of the total PE cost.

The County Assembly spent Kshs.10.24 million on committee sitting allowances for the 54 MCAs and the Speaker against the annual budget allocation of Kshs.45.05 million. The average monthly sitting allowance was Kshs.63,202.47 per MCA. The County Assembly has established 22 Committees.

### 3.8.9 County Emergency Fund and County-Established Funds

Section 116 of the PFM Act 2012 allows County Governments to establish other public funds with approval from the County Executive Committee and the County Assembly. The County allocated Kshs.338.26 million to County-Established funds in FY 2024/25, accounting for 2.8 per cent of the County's overall budget. Further, the County allocated Kshs.23 million to the Emergency Fund (equivalent to 0.2 per cent of the total budget) in line with Section 110 of the PFM Act, 2012.

Table 3.54 summarises each established Fund's budget allocation and performance during the reporting period.

Expenditure on domestic travel amounted to Kshs.64.08 million and comprised Kshs.55.38 million spent by the County Assembly and Kshs.8.70 million spent by the County Executive. The County Entities did not incur any expenditure on foreign travel during the reporting period.

The operations and maintenance costs include an expenditure of Kshs.3.90 million on legal fees/dues, arbitration and compensation payments, and legal fees during the reporting period.

### 3.8.11 Facility Improvement Financing

During the period under review, the County reported collection of Kshs.158.94 million as FIF, which was 16.2 per cent of the annual target of Kshs.981.07 million. The collected amount was retained and utilised at source in line with the Facility Improvement Financing Act, 2023 as well as the Homa Bay County Facility Improvement Fund Act, 2023 which allowed the County health facilities to collect and retain revenue paid as user fees to defray operational, management and capital costs.

The health facilities reported using the FIF during the reporting period, contrary to Section 18 (e) of the FIF Act, 2023.

The expenditure by the health facilities amounted to Kshs.123.08 million, as shown in Table 3.55

Analysis of expenditure by the department shows that the Department of Trade, Industry, Tourism, Cooperative Development and Marketing recorded the highest absorption rate of development budget at 24.0 per cent, followed by the Department of Gender Equality and Inclusivity, Youth, Sports, Talent Development, Cultural Heritage and Social Services at 17.0 per cent. The Executive Office of the Governor had the highest percentage of recurrent expenditure to budget at 21.3 per cent. In contrast, the Department of Water, Sanitation, Irrigation, Environment, Energy and Climate Change had the lowest at 12.3 per cent.

Further analysis shows that the development expenditure for some departments exceeded the exchequer releases. These anomalies can be attributed to the fact that a substantial number of transactions may appear as having been paid at the IFMIS level, but in practice, they were awaiting funding at the CBK Internet Banking (IB) level at the time of reporting.

### 3.8.14 Budget Execution by Programmes and Sub-Programmes

The Sub-programmes with the highest levels of budget implementation based on absorption rates were community Health Services in the Department of Public Health and Medical Services at 57 per cent; Trade infrastructure and development services in the Department of Trade, Industry, Tourism, Cooperative Development and Marketing at 45 per cent; Report writing Services in the County Assembly Service Board at 37.7 per cent and Strategy and advisory services in the Executive Office of the Governor at 35 per cent.

### 3.8.15 Accounts Operated in Commercial Banks

The County government operated 26 accounts with commercial banks, of which five were for the County Assembly. This is contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which required that County Government bank accounts be opened and maintained at the Central Bank of Kenya. The only exemption is for imprest bank accounts for petty cash and own-source revenue collection accounts.

### 3.8.16 Key Observations and Recommendations

In the course of overseeing and reporting on the implementation of the County budget, the COB identified the following challenges which hampered effective budget implementation;

1. Late submission of financial reports by the County Treasury to the Controller of Budget affected the timely preparation of the budget implementation report.
2. Huge pending bills amounting to Kshs.665.81 million as of 30 September 2024.
3. A high wage bill, which accounted for 63.4 per cent of the County's total revenue in the first quarter of FY 2024/25 of Kshs.1.68 billion, which is above the ceiling provided by law.
4. The County government uses commercial bank accounts for operations contrary to Regulations 82(1) (b) of the PFM (County Governments) Regulations, 2015 which required that County government bank accounts must be opened and maintained at the Central Bank of Kenya. The commercial bank accounts are for County-Established funds, salary processing and operations.

The County should implement the following recommendations to improve budget execution:

1. *The County Treasury should ensure timely preparation and submission of financial reports to the Office of the Controller of Budget in line with the timelines prescribed in Section 166 of the PFM Act, 2012.*
2. *The county leadership should address the situation of pending bills by ensuring that genuine bills are paid promptly within the financial year.*
3. *The County Public Service Board should establish an optimal staffing structure to ensure expenditure on personnel emoluments complies with Regulation 25 (1) (b) of the Public Finance Management (County Governments) Regulations, 2015.*
4. *The County Government should ensure that bank accounts are opened and operated at the Central Bank of Kenya as required by the law. However, imprest bank accounts for petty cash and own source revenue collection accounts are exempted.*

## 3.9. County Government of Isiolo

### 3.9.1 Overview of FY 2024/25 Budget

The Isiolo County approved FY 2024/25 budget is Kshs.6.83 billion. It comprised Kshs.2.41 billion (35 per cent) and Kshs.4.42 billion (65 per cent) allocation for development and recurrent programmes, respectively. The budget estimates represent an increase of Kshs.1.50 billion (28 per cent) from the FY 2023/24 budget comprised a development budget of Kshs.1.58 billion and a recurrent budget of Kshs.3.75 billion. The increase in the county government budget was attributed to the projection increase for additional allocations receipts and the balance b/f from FY 2023/24 due to June 2024 disbursement to be received in FY 2024/25.

The Isiolo County Government budget will be financed from different sources of revenue. These include Kshs.5.08 billion (37 per cent) expected from the National Government as the equitable share of revenue raised nationally, Kshs.944.53 million (14 per cent) as additional allocations, a cash balance of Kshs.438.73 million (6 per cent) brought forward from FY 2023/24, and Kshs.371.21 million (5 per cent) generated as gross own source revenue. The own-source revenue includes Kshs.100 million (27 per cent) as Facility Improvement Fund (revenue from health facilities) and Kshs.271.21 million (73 per cent) as ordinary own-source revenue.

### 3.9.2 Revenue Performance

In the first quarter of FY 2024/25, the County received a total of Kshs.926.27 million to fund recurrent and development activities. The equitable share from the National Government was Kshs.416.42 million, and its own-source revenue (OSR) collection of Kshs. 71.12 million. In addition, the County had a cash balance of Kshs. 438.73 million from FY 2023/24.

Analysis of the total OSR collection of Kshs.71.12 million shows that the amount included Facilities Improvement Financing (FIF) of Kshs.12.78 million and Kshs.58.34 million as ordinary OSR. Table 3.59 summarises the total revenue available to the county government during the first quarter of FY 2024/25 performance.

During the first quarter of FY 2024/25, the County generated Kshs.71.12 million from its revenue sources, including FIF. This amount decreased by 28 per cent compared to Kshs.98.46 million realised in a similar period in FY 2023/24 and was 19 per cent of the annual target and 17 per cent of the equitable revenue share disbursed. The OSR includes revenue arrears and penalties charged on fees and levies from previous financial years of Kshs.14.28 million. The decrease in OSR can be attributed to the underperformance of FIF.

The revenue streams which contributed the highest OSR receipts are shown in Figure 34.

**Figure 34: Top Streams of Own Source Revenue in the First Quarter FY 2024/25**

Source: Isiolo County Treasury

The highest revenue stream, Kshs.51.14 million, was from Game Entrance & Royalties, which contributed 72 per cent of the total OSR receipts during the reporting period.

### 3.9.3 Borrowing by the County

The County Government did not submit a report on any borrowing during the reporting period.

### 3.9.4 Exchequer Issues

The Controller of Budget approved withdrawals of Kshs.491.12 million from the CRF account during the reporting period, which comprised Kshs.18.74 million (3.8 per cent) for development programmes and Kshs.472.27 million (96.2 per cent) for recurrent programmes. Analysis of the recurrent exchequers released in the first three months of FY 2024/25 indicates that Kshs.375.53 million was released towards employee compensation and Kshs.96.74 million for operations and maintenance expenditure.

As of 30 September 2024, the county government's cash balance in the CRF account was Kshs.424.52 million.

### 3.9.5 County Expenditure Review

The County spent Kshs.616.61 million on development and recurrent programmes in the reporting period. The expenditure represented 125.6 per cent of the total funds released by the CoB and comprised Kshs.11.63 million and Kshs.604.98 million on development and recurrent programmes, respectively. Expenditure on development programmes represented an absorption rate of 0.5 per cent, while recurrent expenditure represented 13.7 per cent of the annual recurrent expenditure budget.

### 3.9.6 Settlement of Pending Bills

The County reported pending bills at the beginning of the FY 2024/25 amounting to Kshs.1.30 billion, comprising pending payments by the county executive of Kshs.1.24 billion and Kshs.56.79 million for the county assembly.

The county executive's pending bills comprised Kshs.862.69 million for recurrent expenditures and Kshs.380.66 million for development expenditures. The County executive settled pending bills amounting to Kshs.175.16 million in the reporting period, all for recurrent expenditure, while the County Assembly settled pending bills worth Kshs.42.88 million. Therefore, the County total outstanding bills were Kshs.1.08 billion as of 30 September 2024.

### 3.9.7 Expenditure by Economic Classification

During the first quarter of FY 2024/25, the County Executive spent Kshs.511.01 million on employee compensation, Kshs.51.09 million on operations and maintenance, and Kshs.11.63 million on development activities. Similarly, the County Assembly spent Kshs.27.88 million on employee compensation and Kshs.15 million on operations and maintenance, as shown in Table 3.60.

**Table 3.60: Summary of Budget and Expenditure by Economic Classification**

### 3.9.8 Expenditure on Employees' Compensation

In the first quarter of FY 2024/25, expenditure on employee compensation was Kshs.538.90 million, or 58.2 per cent of the available revenue of Kshs.926.23 million. This expenditure represented an increase from Kshs.519.57 million reported in a similar period in FY 2023/24. The wage bill included Kshs.393.38 million paid to the health sector employees, translating to 73 per cent of the total wage bill.

Figure 35 shows the trend of personnel expenditures as a percentage of total revenue from the first quarter of FY 2017/18 to the first quarter of FY 2024/25.

**Figure 35: Percentage of Wage Bill to Total Revenue from the First Quarter of FY 2018/19 to the First Quarter of FY 2024/25**

Further analysis indicates that PE costs amounting to Kshs.513.87 million were processed through the Integrated Personnel and Payroll Database (IPPD) system while Kshs.10.72 million was processed through manual payrolls. The manual payrolls accounted for 2 per cent of the total PE cost.

The County Assembly spent Kshs.1.11 million on committee sitting allowances for the 18 MCAs against the annual budget allocation of Kshs.10.50 million. The average monthly sitting allowance was Kshs.20,552 per MCA. The County Assembly had 11 House committees.

### 3.9.9 County Emergency Fund and County-Established Funds

Section 116 of the PFM Act 2012 allows County Governments to establish other public funds with approval from the County Executive Committee and the County Assembly. The County allocated Kshs.345.06 million to county-established funds in FY 2024/25, or 5 per cent of the County's overall budget. Further, the County allocated Kshs.110 million to the Emergency Fund (1.6 per cent of the total budget) in line with Section 110 of the PFM Act, 2012.

Table 3.61 summarises each established Fund's budget allocation and performance during the reporting period.

Note: Cumulative disbursements to a fund include all monies that the county treasury has transferred to the Fund since its inception to the reporting period. The Bursary fund administrator has not provided cumulative transfers to the fund since its inception.

The County government uses commercial bank accounts to operate the above-established Funds contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County Government bank accounts must be opened and maintained at the Central Bank of Kenya.

### 3.9.10 Expenditure on Operations and Maintenance

Figure 36 summarises the Operations and Maintenance expenditure by major categories.

**Figure 36: Isiolo County, Operations and Maintenance Expenditure by Major Categories**

Source: Isiolo County Treasury

Expenditure on domestic travel amounted to Kshs.10.80 million, comprised of Kshs.4.86 million spent by the County Assembly and Kshs.5.95 million by the County Executive. The County did not report expenditure on foreign travel during the reporting period.

The “Other Operating Expenses” are the Appropriation In Aid (AIA) related expenditure incurred under the FIF. The County did not provide information on expenditures in garbage collection and Legal fees/Dues, arbitration and compensation payments expenditure legal fees.

### 3.9.11 Facility Improvement Financing

During the period under review, the County reported collecting Kshs.12.78 million as FIF, which was 12.8 per cent of the annual target of Kshs.100 million. The collected amount was retained and utilised at source in line with the Facility Improvement Financing Act, 2023. The County has, however, not developed regulations to operationalise the FIF Act of 2023.

The health facilities did not provide a report on the utilisation of the FIF during the reporting period, contrary to Section 18 (e) of the FIF Act, 2023.

### 3.9.12 Development Expenditure

In the First Quarter of FY 2024/25, the County reported spending Kshs.11.63 million on development programmes, representing a decrease of 87.6 per cent compared to a similar period in FY 2023/24, when the County spent Kshs.93.72 million. The County Treasury did not provide a report on the development project financed by the Kshs.11.63 million development expenditure.

### 3.9.13 Budget Performance by Department

Table 3.62 summarises the approved budget allocation, expenditure and absorption rate by departments in the first three months of FY 2024/25.

The analysis of department expenditure shows that the Department of Health Services recorded the highest absorption rate of development budget at 4.4 per cent, followed by the Department of Education, Vocational Youth, Sports Gender & Social Services at 2.0 per cent. The Department of Health Services had the highest percentage of recurrent expenditure to budget at 26.8 per cent, while the Department of Tourism and Wildlife, Trade Co-operative and Enterprise Development had the lowest at 0.2 per cent.

The analysis shows instances of fund diversion by the County government, as evidenced by over 100 per cent of actual expenditure on approved exchequer issues. The County Treasury should address this issue by institutionalising better internal control mechanisms.

The allocation for recurrent expenditure for the Assembly and the Executive is within the ceilings in CARA, 2024.

Sub-programmes with the highest levels of implementation based on absorption rates were; Human Resource Management in the Department of Health Services at 46 per cent, Disaster Risk Awareness Preparedness & Management in the Department of Finance, Economic Planning, Special Programs, Revenue and Cohesion at 35 per cent, Inclusive Climate Resilience in the Department of Water, Energy, Environment, and Natural Resources at 31 per cent, and General Administration Planning & Support Services in the Department of Finance, Economic Planning, Special Programs, Revenue and Cohesion at 31 per cent of budget allocation.

### 3.9.15 Accounts Operated in Commercial Banks

The County government operated 11 accounts with commercial banks. This is contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya. The only exemption is for imprest bank accounts for petty cash and revenue collection bank accounts.

### 3.9.16 Key Observations and Recommendations

In the course of overseeing and reporting on the implementation of the County budget, the COB identified the following challenges which hampered effective budget implementation;

1. The late submission of financial reports by the County Treasury to the Controller of Budget affected the timely preparation of the budget implementation report. The County Assembly report was received on 16 October 2024, while the County Executive report was received on 30 October 2024.
2. The underperformance of own-source revenue at Kshs.71.12 million against an annual target of Kshs.371.21 million, representing 19.2 per cent of the yearly target
3. High level of pending bills, which amounted to Kshs.1.08 billion as of 30 September 2024. Further, there was non-adherence to the payment plan for the pending bills by the County Treasury.
4. Use of manual payroll. Personnel emoluments amounting to Kshs.10.72 million were processed through the manual payroll, accounting for 2 per cent of the total payroll cost. The manual payroll is prone to abuse and may lead to the loss of public funds where there is a lack of proper controls.
5. The County Government uses commercial bank accounts for operations contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya. The commercial bank accounts are for Fund administration, Revenue collection and additional allocations operations.
6. Failure by the Health facilities to provide a report on the utilisation of the FIF during the period contrary to Section 18 (e) of the FIF Act, 2023.

The County should implement the following recommendations to improve budget execution:

1. *The County Treasury should ensure timely preparation and submission of financial reports to the Office of the Controller of Budget per the timelines prescribed in Section 166 of the PFM Act, 2012.*
2. *The County should address its own-source revenue performance to ensure the approved budget is fully financed. Appropriate austerity measures should be implemented to ensure expenditure commitments are aligned with available revenue.*
3. *The county leadership should address the situation of pending bills to ensure that genuine bills are paid promptly in the remaining part of the financial year. Further, compliance with the payment plan should be enforced.*
4. *The Government requires that salaries be processed through the IPPD system, and the County is advised to fast-track the acquisition of Unified Personnel Numbers for their staff. The County Public Service Board should regulate staff engagement on contract and casual workers as provided under Section 74 of the County Governments Act 2012. Further, strict compliance with the approved staff establishment should be maintained.*
5. *The County Government should ensure that bank accounts are opened and operated at the Central Bank of Kenya as the law requires. However, imprest bank accounts for petty cash and revenue collection accounts are exempted.*
6. *The county leadership should monitor the utilisation of FIF by health facilities and the submission of quarterly financial statements as provided by law.*

## 3.10. County Government of Kajiado

### 3.10.1 Overview of FY 2024/25 Budget

The Kajiado County approved FY 2024/25 budget is Kshs.13.19 billion. It comprised Kshs.4.07 billion (31 per cent) and Kshs.9.12 billion (69 per cent) allocation for development and recurrent programmes, respectively. The budget estimates represent an increase of Kshs.1.60 billion (14 per cent) from the FY 2023/24 budget comprised a development budget of Kshs.3.55 billion and a recurrent budget of Kshs.8.04 billion. The increase in the county government budget was attributed to the increased balance brought forward from FY 2023/24.

The Kajiado County Government budget will be financed from different sources of revenue. These include Kshs.9.29 billion (70 per cent) expected from the National Government as the equitable share of revenue raised nationally, Kshs.2.26 billion (17 per cent) as additional allocations, and Kshs.1.64 billion (14 per cent) generated as gross own source revenue. The own-source revenue includes Kshs.70 million (4 per cent) as a Liquor fund, Kshs.370 million (23 per cent) as a Facility Improvement Fund (revenue from health facilities), and Kshs.1.20 billion (73 per cent) as ordinary own-source revenue. A breakdown of the additional allocations is shown in Table 3.64.

### 3.10.2 Revenue Performance

In the first quarter of FY 2024/25, the County received Kshs.1.54 billion to fund recurrent and development activities. The equitable share from the National Government was Kshs. 1.37 billion, Additional allocations from government and development partners were Kshs. 11.0 million, and its own-source revenue (OSR) collection was Kshs. 143.91 million. In addition, the County had a cash balance of Kshs. 6.68 million from FY 2023/24. Included in the equitable share of revenue raised nationally is Kshs.664.02 million for June 2024, which was disbursed in July 2024.

Analysis of the total OSR collection of Kshs. 143.91 million indicates that it included Appropriations in Aid (AIA) of Kshs.73.91 million and Facilities Improvement Financing (FIF) and Kshs.70.0 million as ordinary OSR. Table 3.64 summarises the total revenue available to the county government during the first quarter of FY 2024/25 performance.

The highest revenue stream, Kshs.73.91 million, was from Health/ Hospital Fees/ FIF (mention the stream), contributing 52 per cent of the total OSR receipts during the reporting period.

### 3.10.3 Borrowing by the County

There was no short-term borrowing during the period under review.

### 3.10.4 Exchequer Issues

During the reporting period, the Controller of Budget approved withdrawals of Kshs.1.19 billion from the CRF account comprised Kshs.11 million (0.8 per cent) for development programmes and Kshs.1.18 billion (99 per cent) for recurrent programmes in the first quarter of FY 2024/25. Analysis of the recurrent exchequers released in the first three months of FY 2024/25 indicates that Kshs.903.52 million was released towards employee compensation and Kshs.278.02 million for operations and maintenance expenditure.

As of 30 September 2024, the county government's cash balance in the CRF account was Kshs. 717.13 million.

### 3.10.5 County Expenditure Review

The County spent Kshs.1.18 billion on development and recurrent programmes in the reporting period. This expenditure represented 99 per cent of the total funds released by the CoB and was entirely on recurrent programmes. Recurrent expenditures represented 13 per cent of the annual recurrent expenditure budget.

### 3.10.6 Settlement of Pending Bills

The County reported pending bills amounting to Kshs.2.46 billion as of 30 June 2024, comprising pending payments by the County Executive of Kshs.2.29 billion and Kshs.166.03 million for the County Assembly.

The County Executive's pending bills consist of Kshs.758.86 million for recurrent expenditures and Kshs.1.53 billion for development expenditures. The County Assembly's bills comprised Kshs.61.71 million for development activities and Kshs.104.32 million for recurrent activities. In the reporting period, the County Executive

settled pending bills amounting to Kshs.380.94 million, which was entirely for recurrent expenditures. In contrast, the County Assembly settled recurrent pending bills worth Kshs.67.24 million. Therefore, the outstanding bills were Kshs.2.01 billion as of 30 September 2024.

### 3.10.7 Expenditure by Economic Classification

During the first quarter of FY 2024/25, the County Executive spent Kshs.844.44 billion on employee compensation, Kshs.213.24 million on operations and maintenance, and no expenditure on development activities. Similarly, the County Assembly spent Kshs.55.10 million on employee compensation, Kshs.65.46 million on operations and maintenance, and reported no development expenditure during the period under review, as shown in Table 3.65.

### 3.10.8 Expenditure on Employees' Compensation

In the first quarter of FY 2024/25, expenditure on employee compensation was Kshs.899.54 million, or 58.4 per cent of the available revenue of Kshs.1.54 billion. This expenditure represented an increase from Kshs.812.5 million reported in a similar period in FY 2023/24. The wage bill included Kshs.367.59 million paid to the health sector employees, translating to 41 per cent of the total wage bill.

Figure 39 shows the trend of personnel expenditures as a percentage of total revenue from the first quarter of FY 2017/18 to the first quarter of FY 2024/25.

**Figure 39: Percentage of Wage Bill to Total Revenue from the First Quarter of FY 2018/19 to the First Quarter of FY 2024/25**

Further analysis indicates that PE costs amounting to Kshs.869.01 million were processed through the Integrated Personnel and Payroll Database (IPPD) system while Kshs.30.54 million was processed through manual payrolls. The manual payrolls accounted for 3.4 per cent of the total PE cost.

The County Assembly spent Kshs.1.02 million on committee sitting allowances for the 42 MCAs against the annual budget allocation of Kshs.51.24 million. The average monthly sitting allowance was Kshs.24,242 per MCA. The County Assembly had 19 House Committees.

### 3.10.9 County Emergency Fund and County-Established Funds

Section 116 of the PFM Act 2012 allows County Governments to establish other public funds with approval from the County Executive Committee and the County Assembly. The County allocated Kshs.361 million to county-established funds in FY 2024/25, or 3 per cent of the County's overall budget. Further, the County allocated Kshs.150 million to the Emergency Fund (1 per cent of the total budget) in line with Section 110 of the PFM Act, 2012.

Table 3.66 summarises each established Fund's budget allocation and performance during the reporting period.

Sub-programmes with the highest levels of implementation based on absorption rates were Fisheries in the Department of Agriculture, Livestock, Veterinary Service and Fisheries at 32 per cent, Demonstration Farm in the Department of Agriculture, Livestock, Veterinary Service and Fisheries at 31 per cent, Sports Training and Competition in the Department of Education, Youth and Sport at 21 per cent, and Technical and Vocational Training at 20 per cent of budget allocation.

### 3.10.14 Accounts Operated in Commercial Banks

The County government operated 50 accounts with the commercial banks, of which seven were for healthcare facilities.

This is contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya. The only exemption is for imprest bank accounts for petty cash and revenue collection bank accounts.

### 3.10.15 Key Observations and Recommendations

In the course of overseeing and reporting on the implementation of the County budget, the COB identified the following challenges which hampered effective budget implementation;

1. The County Treasury's late submission of financial reports to the Controller of Budget affected the timely preparation of the budget implementation report, which was received on 24 October 2024.
2. The underperformance of own-source revenue at Kshs.143.91 million against an annual target of Kshs.1.57 billion, representing 9.2 per cent of the yearly target.
3. Fund Administrators failed to submit quarterly financial and non-financial reports to the COB within the timelines provided by law, which is against the requirement of Section 168 of the PFM Act, 2012. As of 15 October 2024, the reports for the Emergency Fund, Liquor Fund, Women Empowerment Fund, and MCA's Car Loan and Mortgage Fund had yet to be submitted to the Controller of Budget.
4. High level of pending bills, which amounted to Kshs.2.01 billion as of 30 September 2024. Further, there was non-adherence to the payment plan for the pending bills by the County Treasury.
5. Use of manual payroll. Personnel emoluments amounting to Kshs.30.54 million were processed through manual payroll, accounting for 3.4 per cent of the total payroll cost. Manual payroll is prone to abuse and may lead to the loss of public funds where there is a lack of proper controls.
6. The County Government uses commercial bank accounts for operations contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya. The commercial bank accounts are mainly for County Health facilities, Established Funds and Conditional grants for various departments' office operations and Activities.

The County should implement the following recommendations to improve budget execution:

1. The County Treasury should ensure timely preparation and submission of financial reports to the Office of the Controller of Budget in line with the timelines prescribed in Section 166 of the PFM Act, 2012.

2. The County should address its own-source revenue performance to ensure the approved budget is fully financed. Appropriate austerity measures should be implemented to ensure expenditure commitments are aligned with available revenue.
3. The CECMF should follow up to ensure Fund Administrators prepare and submit statutory reports in line with the PFM Act, 2012.
4. The County leadership should address the situation of pending bills to ensure that genuine bills are paid promptly in the remaining financial year. Further, compliance with the payment plan should be enforced.
5. The Government requires that salaries be processed through the IPPD system, and the County is advised to fast-track the acquisition of Unified Personnel Numbers for their staff. The County Public Service Board should regulate staff engagement on contract and casual workers as provided under Section 74 of the County Governments Act 2012. Further, strict compliance with the approved staff establishment should be maintained.
6. The County Government should ensure that bank accounts are opened and operated at the Central Bank of Kenya as the law requires. However, imprest bank accounts for petty cash and revenue collection accounts are exempted.

### 3.11. County Government of Kakamega

#### 3.11.1 Overview of FY 2024/25 Budget

The Kakamega County approved FY 2024/25 budget is Kshs.17.86 billion. It comprised Kshs.5.95 billion (33 per cent) and Kshs.11.91 billion (67 per cent) allocation for development and recurrent programmes, respectively. The budget estimates represent an increase of Kshs.1.07 billion (6 per cent) from the FY 2023/24 budget comprised a development budget of Kshs.4.87 billion and a recurrent budget of Kshs.11.92 billion. The increase in the budget was attributed to the rise in national shareable revenue.

The Kakamega County Government budget will be financed from different sources of revenue. These include; Kshs.13.41 billion (75 per cent) expected from the National Government as the equitable share of revenue raised nationally, Kshs.1.15 billion as additional allocations, a cash balance of Kshs.1.10 billion (6 per cent) was brought forward from FY 2023/24, and Kshs.2.2 billion (12 per cent) was generated as gross own source revenue. The own-source revenue includes Kshs.841 million (5 per cent) as Facility Improvement Fund (revenue from health facilities and public health services) and Kshs.1.36 billion (8 per cent) as ordinary own-source revenue. A breakdown of the additional allocations is shown in Table 3.70.

#### 3.11.2 Revenue Performance

In the first quarter of FY 2024/25, the County received Kshs.2.75 billion to fund recurrent and development activities. The equitable share from the National Government was Kshs.1.1 billion, and the own source revenue (OSR) collection of Kshs.318.20 million. In addition, the County had a balance of Kshs.1.34 billion from FY 2023/24. It is worth noting that the equitable share for June 2024 of Kshs.1.03 billion for FY 2023/24 was disbursed in July 2024 and was factored under balance B/F from FY2023/24

Analysis of the total OSR collection of Kshs. 318.20 million indicates that it included Facilities Improvement Financing (FIF) of Kshs.142.20 million and Kshs.176 million as ordinary OSR. Table 3.70 summarises the total revenue available to the county government during the first quarter of FY 2024/25 performance.

From the balance carried forward from FY 2023/24, which amounts to Kshs.1.34 billion, Kshs.1.1 billion was paid into the Consolidated Revenue Fund (CRF) Account per Section 109 (6) of the Public Finance Management (PFM) Act 2012. Kshs. 303.13 million was retained in the Special Purpose Accounts.

The County has governing legislation on the operation of ordinary FIF.

Figure 41 shows the trend in own-source revenue collection from the First Quarter of FY 2018/19 to the First Quarter of FY 2024/25.

**Figure 41: Trend in Own-Source Revenue Collection from the First Quarter of FY 2019/20 to the First Quarter of FY 2024/25**

Source: Kakamega County Treasury

During the first quarter of FY 2024/25, the County generated Kshs.318.20 million from its revenue sources, including FIF. This amount was an increase of 103 per cent compared to Kshs.156.46 million realised in a similar period in FY 2023/24, which was 15 per cent of the annual target and 15 per cent of the equitable revenue share disbursed.

The increase in own-source revenue (OSR) by 103.4 per cent was attributed to the funds raised by various County corporations and companies. These include the Kakamega County Urban Water and Sewerage Company, Kakamega County Rural Water and Sewerage Company, Kakamega Dairy Development Corporation, and Micro Finance. Additionally, the County has harnessed the collection of Hospital fees.

The revenue streams which contributed the highest OSR receipts are shown in Figure 42.

**Figure 42: Top Streams of Own Source Revenue in the First Quarter FY 2024/25**

Source: Kakamega County Treasury

The highest revenue stream of Kshs.142.20 million was from Health Services Revenue collected under the FIF Act, contributing to 45 per cent of the total OSR receipts during the reporting period.

### 3.11.3 Borrowing by the County

The County did not report any borrowed amounts as of 30 September 2024. However, both arms of the Government have each signed a renewable salary Memorandum of Understanding (MoU) with commercial banks to manage monthly salary payments.

### 3.11.4 Exchequer Issues

During the reporting period, the Controller of Budget approved withdrawals of Kshs.2.10 billion from the CRF account comprised Kshs.289.50 million (14 per cent) for development programmes and Kshs.1.81 billion (86 per cent) for recurrent programmes in the first quarter of FY 2024/25. Analysis of the recurrent exchequers released in the first three months of FY 2024/25 indicates that Kshs.1.21 billion was released towards employee compensation and Kshs.604.13 million for operations and maintenance expenditure.

As of 30 September 2024, the county government's cash balance in the CRF account was Kshs. 258.13 million.

### 3.11.5 County Expenditure Review

The County spent Kshs.2.10 billion on development and recurrent programmes in the reporting period. The expenditure represented 99.9 per cent of the total funds released by the CoB and comprised Kshs.153.50 million and Kshs.1.95 billion on development and recurrent programmes, respectively. Expenditure on development programmes represented an absorption rate of 3 per cent, while recurrent expenditure represented 16 per cent of the annual recurrent expenditure budget.

### 3.11.6 Settlement of Pending Bills

The County reported pending bills amounting to Kshs.1.56 billion as of 30 September 2024, comprising pending payments by the County Executive of Kshs.1.40 billion and Kshs.158.09 million for the County Assembly.

The County Executive's pending bills consist of Kshs.472.49 million for recurrent expenditures and Kshs.931.27 million for development expenditures. In the reporting period, the County Executive settled pending bills amounting to Kshs.281.73 million, which consisted of Kshs. 71.35 million for recurrent expenditures and Kshs.210.38 million for development programmes, while the County Assembly settled pending bills worth Kshs.17.84 million.

### 3.11.7 Expenditure by Economic Classification

During the first quarter of FY 2024/25, the County Executive spent Kshs.1.62 billion on employee compensation, Kshs.260.02 million on operations and maintenance, and Kshs.167.26 million on development activities. Similarly, the County Assembly spent Kshs.46.13 million on employee compensation and Kshs.19.58 million on operations and maintenance, as shown in Table 3.53: Summary of Budget and Expenditure by Economic Classification 2.

**Table 3.71: Summary of Budget and Expenditure by Economic Classification**

### 3.11.8 Expenditure on Employees' Compensation

In the first quarter of FY 2024/25, expenditure on employee compensation was Kshs.1.67 billion, which was 47 per cent of the available revenue of Kshs.3.55 billion. This expenditure represented an increase from Kshs.1.54 billion reported in a similar period in FY 2023/24. The wage bill included Kshs.742.81 million paid to the health sector employees, translating to 45 per cent of the total wage bill.

Figure 43 shows the trend of personnel expenditures as a percentage of total revenue from the first quarter of FY 2018/19 to the first quarter of FY 2024/25.

**Figure 43: Percentage of Wage Bill to Total Revenue from the First Quarter of FY 2018/19 to the First Quarter of FY 2024/25**

Further analysis indicates that PE costs amounting to Kshs.1.57 billion were processed through the Integrated Personnel and Payroll Database (IPPD) system while Kshs.96.90 million was processed through manual payrolls. The manual payrolls accounted for 6 per cent of the total PE cost. The manual payroll of Kshs.91.41 million comprises Kshs.5.5 million for the County Assembly and Kshs.85.91 million for the County Executive. The manual payroll includes stipends for Community Health Promoters and County Youth and Women Empowerment Program workers.

The County Assembly spent Kshs.10.10 million on committee sitting allowances for the 89 MCAs against the annual budget allocation of Kshs.134.68 million. The average monthly sitting allowance was Kshs. 37,700 per MCA. The County Assembly had 26 House Committees.

### 3.11.9 County Emergency Fund and County-Established Funds

Section 116 of the PFM Act 2012 allows County Governments to establish other public funds with approval from the County Executive Committee and the County Assembly. The County allocated Kshs.831.72 million to county-established funds in FY 2024/25, or 5 per cent of the County's overall budget. Further, the County allocated Kshs.100 million to the Emergency Fund (0.6 per cent of the total budget) in line with Section 110 of the PFM Act, 2012.

Table 3.72 summarises each established Fund's budget allocation and performance during the reporting period.

**Table 3.72: Performance of County Established Funds in the First Quarter of FY 2024/25**

As indicated in Table 3.72, the CoB did not receive quarterly financial reports from Kakamega Municipality Fund Administrators during the reporting period, contrary to the requirement of Section 168 of the PFM Act, 2012.

The County Government uses commercial bank accounts to operate the above-established Funds contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County Government bank accounts must be opened and maintained at the Central Bank of Kenya.

### 3.11.10 Expenditure on Operations and Maintenance

### 3.11.11 Facility Improvement Financing

During the period under review, the County reported collecting Kshs.142.20 million as FIF, which was 17 per cent of the annual target of Kshs.841 million. The collected amount was retained and utilised at source in line with the Facility Improvement Financing Act, 2022. The health facilities provided a report on the utilisation of the FIF during the reporting period.

The expenditure by the health facilities amounted to Kshs.158.22 million, but a breakdown of expenditure by facilities was not provided.

### 3.11.12 Development Expenditure

In the First Quarter of FY 2024/25, the County reported spending Kshs.153.50 million on development programmes, representing a decrease of 3 per cent compared to a similar period in FY 2023/24, when the County spent Kshs.158.12 million. Table 3.74 summarises development projects with the highest expenditure in the reporting period.

Analysis of expenditure by departments shows that the Department of Roads, Public Works and Energy recorded the highest absorption rate of development budget at 8 per cent followed by the Department of Health Services at 6 per cent. The Department of Social Services, Youth & Sports and the Department for Public Service and Administration had the highest percentage of recurrent expenditure to budget at 23 per cent. At the

same time, the Department of Roads, Public Works and Energy and the Department for Water, Environment and Natural Resources did not spend on recurrent budget. The allocation for recurrent expenditure for the Assembly and the Executive is within the ceilings in CARA, 2024.

#### 3.11.14 Budget Execution by Programmes and Sub-Programmes

The budget execution by programmes and sub-programmes report in the First Quarter of FY 2024/25 was not submitted in the designated template.

#### 3.11.15 Accounts Operated in Commercial Banks

The County government operated 44 accounts with commercial banks, of which five were for healthcare facilities.

This is contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya. The only exemption is for imprest bank accounts for petty cash and revenue collection bank accounts.

#### 3.11.16 Key Observations and Recommendations

In the course of overseeing and reporting on the implementation of the County budget, the COB identified the following challenges which hampered effective budget implementation;

1. Own-source revenue underperformed at Kshs.318.20 million against an annual target of Kshs.2.20 billion, representing 14.5 per cent of the yearly target.
2. The County did not adhere to the schedule for their Exchequer requests during the first three months of FY 2024/25, resulting in some departments spending more than their approved requisitions.
3. The Fund Administrator of Kakamega Municipality failed to submit quarterly financial and non-financial reports to the COB within the timelines provided by law, which is against the requirement of Section 168 of the PFM Act, 2012.
4. There was a high level of pending bills, which amounted to Kshs.1.56 billion as of 30 September 2024. The County settled pending bills worth Kshs.299.57 million in the County Treasury.
5. Use of manual payroll. Personnel emoluments amounting to Kshs.96.90 million were processed through the manual payroll, accounting for 5.8 per cent of the total payroll cost. The manual payroll is prone to abuse and may lead to the loss of public funds where there is a lack of proper controls.
6. The County Government uses commercial bank accounts for operations contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya.
7. The County Treasury should improve its reporting of budget expenditures under programs and sub-programs across all departments in accordance with the PBB.

The County should implement the following recommendations to improve budget execution:

1. *The County should address its own-source revenue performance to ensure the approved budget is fully financed. Appropriate austerity measures should be implemented to ensure expenditure commitments are aligned with available revenue.*
2. *The County Treasury should adhere to the Exchequer Schedules they submitted when actualising expenditure.*
3. *The CECMF should follow up to ensure Fund Administrators prepare and submit statutory reports in line with the PFM Act, 2012.*
4. *The county leadership should address the situation of pending bills to ensure that genuine bills are paid promptly in the remaining financial year. Further, compliance with the payment plan should be adhered to.*
5. *The Government requires that salaries be processed through the IPPD system, and the County is advised to fast-track the acquisition of Unified Personnel Numbers for their staff. The County Public Service Board should regulate staff engagement on contract and casual workers as provided under Section 74 of the County Governments Act 2012. Further, strict compliance with the approved staff establishment should be maintained.*
6. *The County Government should ensure that bank accounts are opened and operated at the Central Bank of Kenya as the law requires. However, imprest bank accounts for petty cash and revenue collection accounts are exempted.*

7. The County should build capacity for PBB reporting across all departments.

## 3.12. County Government of Kericho

### 3.12.1 Overview of FY 2024/25 Budget

The Kericho County approved FY 2024/25 budget is Kshs.9.22 billion. It comprised Kshs.3.09 billion (34 per cent) and Kshs.6.12 billion (66 per cent) allocation for development and recurrent programmes, respectively. The budget estimates represent an increase of Kshs.0.31 billion (3 per cent) from the FY 2023/24 budget comprised a development budget of Kshs.2.94 billion and a recurrent budget of Kshs.5.97. billion. The increase in the County Government budget was attributed to the rise in the Equitable Share of Revenue Raised Nationally.

The Kericho County Government budget will be financed from different sources of revenue. These include Kshs.6.96 billion (76 per cent) expected from the National Government as the equitable share of revenue raised nationally, Kshs.1.04 billion (11 per cent) as additional allocations and Kshs.1.22 million (13 per cent) generated as gross own source revenue. The own-source revenue includes Kshs.646.36 million (53 per cent) as Facility Improvement Fund (revenue from health facilities) and Kshs.573.74 million (47 per cent) as ordinary own-source revenue. Additional allocations Comprise of Kshs.169.75 million as Routine Maintenance Fuel Levy Fund, Kshs.250 million as County Aggregated Industrial Parks, Kshs.45.69 million as County health promoters, Kshs.8.23 million as DANIDA FUND, Kshs.37.5million as Kenya Devolution Support Project 11 (world bank), Kshs.35 million Kenya Urban Support Program UDG (SIDA), Kshs.11.0 million as FLOCCA Grants to support climate change CCIs, Kshs.203.39 million as FLOCCA Grants to support climate change CCIR, Kshs.68.75 million as FLLOCA Grants to Support Climate Change CCIR (UNSPENT DONOR), Kshs.151.52 million as IDA National Agricultural Value Chain Development Project (NAVCDP) and Kshs.10.92 million as SWEDEN Kenya Agricultural Business Development Project (KABDP).

### 3.12.2 Revenue Performance

In the first quarter of FY 2024/25, the County received Kshs.1.20 billion to fund recurrent and development activities. The equitable share from the National Government was Kshs. 1.1 billion, and the own source revenue (OSR) collection was Kshs.92.07 million. In addition, the County had a balance of Kshs. 536.25 million from FY 2023/24, the June 2024 Equitable Share disbursed in July 2024.

Analysis of the total OSR collection of Kshs.92.07 million indicates that it included Facilities Improvement Financing (FIF) of Kshs.55.15 million and Kshs.36.92 million as ordinary OSR. Table 3.76 summarises the total revenue available to the county government during the first quarter of FY 2024/25 performance.

The County does not have governing legislation on the operation of ordinary A-I-A and FIF.

Figure 45 shows the trend in own-source revenue collection from the First Quarter of FY 2018/19 to the First Quarter of FY 2024/25.

**Figure 45: Trend in Own-Source Revenue Collection from the First Quarter of FY 2018/19 to the First Quarter of FY 2024/25**

Source: Kericho County Treasury

During the first quarter of FY 2024/25, the County generated a total of Kshs.92.07 million from its sources of revenue, including AIA and FIF. This amount was an increase of 28.1 per cent compared to Kshs.66.19 million realised in a similar period in FY 2023/24. It was 7.6 per cent of the annual target and 8.3 per cent of the equitable revenue share disbursed. The increase in OSR can be attributed to proper staff placement in the Revenue Directorate and also to the County Government piloting revenue automation.

The revenue streams which contributed the highest OSR receipts are shown in Figure 46.

**Figure 46: Top Streams of Own Source Revenue in the First Quarter FY 2024/25**

*Source: Kericho County Treasury*

The highest revenue stream, Kshs.55.15 million, was from the Facility Improvement Fund (FIF), which contributed 60 per cent of the total OSR receipts during the reporting period.

### 3.12.3 Borrowing by the County

The County Government of Kericho did not borrow any funds during the first quarter of FY 2024/25.

### 3.12.4 Exchequer Issues

The Controller of Budget approved withdrawals of Kshs.551.74 million from the CRF account during the reporting period, which comprised Kshs.166.71 million (30 per cent) for development programmes and Kshs.385.03 billion (70 per cent) for recurrent programmes in the first quarter of FY 2024/25. Analysis of the recurrent exchequers released in the first three months of FY 2024/25 indicates that Kshs.305.08 million was released towards employee compensation and Kshs.79.94 million for operations and maintenance expenditure.

As of 30 September 2024, the County Government's cash balance in the CRF account was Kshs. 664.26 million.

### 3.12.5 County Expenditure Review

The County spent Kshs.525.77 million on development and recurrent programmes in the reporting period. This expenditure represented 95.3 per cent of the total funds released by the CoB and comprised Kshs.144.76 million, and Kshs. 381.01 million on development and recurrent programmes, respectively. Expenditure on development programmes represented an absorption rate of 5 percent, while recurrent expenditure represented 6 percent of the annual recurrent expenditure budget.

### 3.12.6 Settlement of Pending Bills

As of 30 June 2024, the County reported pending bills amounting to Kshs.526.21 million, and these pending payments are entirely for the County Executive.

The County Executive's pending bills consist of Kshs.143.09 million for recurrent expenditures and Kshs.383.12 million for development expenditures. The County Executive settled pending bills amounting to Kshs.198.60 million in the reporting period, which consisted of Kshs.72.11 million for recurrent expenditure and Kshs.126.49 million for development programmes. Therefore, the outstanding bills were Kshs.327.61 million as of 30 September 2024.

### 3.12.7 Expenditure by Economic Classification

During the first quarter of FY 2024/25, the County Executive spent Kshs.269.99 million on employee compensation, Kshs.38.64 million on operations and maintenance, and Kshs.144.76 million on development activities.

Similarly, the County Assembly spent Kshs.35.10 billion on employee compensation, Kshs.37.29 million on operations and maintenance, and no development activities, as shown in Table 3.77.

**Table 3.77: Summary of Budget and Expenditure by Economic Classification**

### 3.12.8 Expenditure on Employees' Compensation

In the first quarter of FY 2024/25, expenditure on employee compensation was Kshs.305.08 million, or 26 per cent of the available revenue of Kshs.1.20 billion. This expenditure represented a decrease from Kshs.572.23 million reported in a similar period in FY 2023/24. The wage bill included Kshs.145.12 million paid to the health sector employees, translating to 48 per cent of the total wage bill.

Figure 47 shows the trend of personnel expenditures as a percentage of total revenue from the first quarter of FY 2017/18 to the first quarter of FY 2024/25.

**Figure 47: Percentage of Wage Bill to Total Revenue from the First Quarter of FY 2018/19 to the First Quarter of FY 2024/25**

Further analysis indicates that PE costs amounting to Kshs.296.47 million were processed through the Integrated Personnel and Payroll Database (IPPD) system while Kshs.8.62 million was processed through manual payrolls. The manual payrolls accounted for 3 per cent of the total PE cost.

The County Assembly spent Kshs.2.71 million on committee sitting allowances for the 48 MCAs against the annual budget allocation of Kshs.33.67 million. The average monthly sitting allowance was Kshs.18,852.08 per MCA. The County Assembly had 24 House Committees.

### 3.12.9 County Emergency Fund and County-Established Funds

Section 116 of the PFM Act 2012 allows County Governments to establish other public funds with approval from the County Executive Committee and the County Assembly. The County allocated Kshs.45.26 million to county-established funds in FY 2024/25, or 0.5 per cent of the County's overall budget. Further, the County allocated Kshs.10 million to the Emergency Fund (0.1 per cent of the total budget) in line with Section 110 of the PFM Act, 2012.

Table 3.78 summarises each established Fund's budget allocation and performance during the reporting period.

During the reporting period, the CoB did not receive quarterly financial reports from Kericho County Fund Administrators, as indicated in Table 3.78, contrary to the requirement of Section 168 of the PFM Act, 2012

The County government uses commercial bank accounts to operate the above-established Funds contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County Government bank accounts must be opened and maintained at the Central Bank of Kenya.

### 3.12.10 Expenditure on Operations and Maintenance

Figure 48 summarises the Operations and Maintenance expenditure by major categories.

**Figure 48: Kericho County, Operations and Maintenance Expenditure by Major Categories**

Expenditure on domestic travel amounted to Kshs.15.36 million and comprised Kshs.14.27 million spent by the County Assembly and Kshs.1.09 million by the County Executive. There was no Expenditure on foreign travel by the Executive and Assembly during the review period.

Also, in the operations and maintenance costs, there is no expenditure on garbage collection and Legal fees/ Dues, arbitration and compensation payments expenditure legal fees.

### 3.12.11 Facility Improvement Financing

The County has, however, not developed regulations to operationalise the FIF Act of 2023.

### 3.12.12 Development Expenditure

In the First Quarter of FY 2024/25, the County reported spending Kshs.144.76 million on development programmes, compared to a similar period in FY 2023/24, when the County did not report any expenditure on development. The table summarises development projects with the highest expenditure in the reporting period.

Sub-programmes with the highest levels of implementation based on absorption rates were: County Audit in the Department of Finance & Economic Planning at 29 per cent, Clerk in the Department of Clerks Office at 27 per cent, Fair Trade Practices and Consumer Protection (weight & measures) in the Department of Trade, Industrialization, Innovation, Tourism & Wildlife at 15 per cent, and Agriculture Extension Services at 14 per cent of budget allocation.

### 3.12.15 Accounts Operated in Commercial Banks

The County government operated 25 accounts with commercial banks out of which, 12 were for County Funds.

This is contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County Government bank accounts be opened and maintained at the Central Bank of Kenya. The only exemption is for imprest bank accounts for petty cash and revenue collection bank accounts.

### 3.12.16 Key Observations and Recommendations

In the course of overseeing and reporting on the implementation of the County budget, the COB identified the following challenges which hampered effective budget implementation;

1. Late submission of financial reports by the County Treasury to the Controller of Budget affected the timely preparation of the budget implementation report. The report was received on 4 November 2024.
2. Own-source revenue underperformed at Kshs.92.07 million against an annual target of Kshs.1.22 Billion, representing 7.6 per cent of the yearly target.
3. Fund Administrators failed to submit quarterly financial and non-financial reports to the COB within the timelines provided by law, which is against the requirement of Section 168 of the PFM Act, 2012. As of 15 October 2024, the reports for the Kericho County Emergency Fund, Kericho County Executive Staff Mortgage Fund, Kericho County Executive Car Loan, Car loans for MCA'S, and Car loans/Mortgage for Staff Fund were not submitted to the Controller of Budget.
4. There is a high level of pending bills, which amounted to Kshs.327.61 million as of 30 September 2024. Further, there was non-adherence to the payment plan for the pending bills by the County Treasury.
5. Use of manual payroll. Personnel emoluments amounting to Kshs.8.62 million were processed through the manual payroll, accounting for 2.8 per cent of the total payroll cost. The manual payroll is prone to abuse and may lead to the loss of public funds where there is a lack of proper controls.
6. The County Government uses commercial bank accounts for operations contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya.

The County should implement the following recommendations to improve budget execution:

1. *The County Treasury should ensure timely preparation and submission of financial reports to the Office of the Controller of Budget in line with the timelines prescribed in Section 166 of the PFM Act, 2012.*
2. *The County should address its own-source revenue performance to ensure the approved budget is fully financed. Appropriate austerity measures should be implemented to ensure expenditure commitments are aligned with available revenue.*
3. *The CECMF should follow up to ensure Fund Administrators prepare and submit statutory reports in line with the PFM Act, 2012.*
4. *The County leadership should address the situation of pending bills to ensure that genuine bills are paid promptly in the remaining financial year. Further, compliance with the payment plan should be enforced.*
5. *The Government requires that salaries be processed through the IPPD system, and the County is advised to fast-track the acquisition of Unified Personnel Numbers for their staff. The County Public Service Board should regulate staff engagement on contract and casual workers as provided under Section 74 of the County Governments Act 2012. Further, strict compliance with the approved staff establishment should be maintained.*
6. *The County Government should ensure that bank accounts are opened and operated at the Central Bank of Kenya as the law requires. However, imprest bank accounts for petty cash and revenue collection accounts are exempted.*

### **3.13. County Government of Kiambu**

#### **3.13.1 Overview of FY 2024/25 Budget**

The County's approved FY 2024/25 budget is Kshs.23.57 billion, comprising Kshs.8.16 billion (35 per cent) and Kshs.15.41 billion (65 per cent) allocation for development and recurrent programs, respectively. The approved budget estimates represented an increase of 2 per cent compared to the previous financial year when it was Kshs.23.21 billion and comprised of Kshs.6.97 billion towards development expenditure and Kshs.16.25 billion for recurrent expenditure.

To finance the budget, the County expects to receive Kshs.12.35 billion (52 per cent) as the equitable share of revenue raised nationally, Kshs.3.25 billion (14 per cent) as additional allocations, and generate Kshs.8.28 billion (35 per cent) as gross own source revenue. The own-source revenue includes Kshs.2.40 billion (10 per cent) as Facility Improvement Fund (revenue from health facilities) and Kshs.5.88 billion (25 per cent) as ordinary own-source revenue. There was no reported cash balance brought forward from FY 2023/24. A breakdown of the additional allocations is provided in Table 3.82

#### **3.13.2 Revenue Performance**

In the first quarter of FY 2024/25, the County received Kshs.2.02 billion as an equitable share of the revenue raised nationally, Kshs.52.63 million as additional allocations, and Kshs.832.92 million as own-source revenue (OSR). The raised OSR includes Kshs.345.93 million as FIF and Kshs.486.99 million as ordinary OSR. Included in the equitable share of the revenue raised nationally is Kshs .978.20 million for June 2024, which was disbursed in July 2024.

As shown in Table 3.82, the total funds available for budget implementation during the period amounted to Kshs.3.88 billion.

The County has governing legislation on the operation of ordinary A-I-A and FIF, known as the Kiambu County Health Services Act of 2019.

Figure 49 shows the trend in own-source revenue collection from the First Quarter of FY 2018/19 to the First Quarter of FY 2024/25.

**Figure 49: Trend in Own-Source Revenue Collection from the First Quarter of FY 2018/19 to the First Quarter of FY 2024/25.**

Source: Kiambu County Treasury

In the first quarter of FY 2024/25, the County generated a total of Kshs.832.92 million from its own sources of revenue, including FIF and AIA. This amount represented an increase of 0.3 per cent compared to Kshs.830.53 million realised in a similar period in FY 2023/24. This was 8 per cent of the annual target and 41.3 per cent of the equitable revenue share disbursed. The OSR includes revenue arrears and penalties charged on fees and levies from previous financial years of Kshs.25.3 million.

The revenue streams which contributed the highest OSR receipts are shown in Figure 50.

**Figure 50: Top Streams of Own Source Revenue in the First Quarter FY 2024/25**

Source: Kiambu County Treasury

The highest revenue stream, Kshs.345.93 million, was from FIF, contributing 42 per cent of the total OSR receipts during the reporting period.

### 3.13.3 Facility Improvement Financing

During the period under review, the County reported collecting Kshs.345.93 million as FIF, which was 14.4 per cent of the annual target of Kshs.2.4 billion. The collected amount was retained and utilised at source in line with the Facility Improvement Financing Act, 2023. The County has developed the Health Services Act of 2019 and guidelines for operationalising the FIF Act.

### 3.13.4 Exchequer Issues

During the reporting period, the Controller of Budget approved withdrawals of Kshs.2.17 billion from the CRF account comprised Kshs.232.40 million (11 per cent) for development programmes and Kshs.1.94 billion (89 per cent) for recurrent programmes. Analysis of the recurrent exchequers released in the first three months of FY 2024/25 indicates that Kshs.1.56 billion was released towards Employee Compensation and Kshs.380.61 million for Operations and Maintenance expenditure.

The available cash balance in the County Revenue Fund Account on 30<sup>th</sup> September 2024 was Kshs.828.98 million.

### 3.13.5 Borrowing by the County

No borrowing was reported during the period under review.

### 3.13.6 County Expenditure Review

The County spent Kshs.2.25 billion on development and recurrent programmes in the reporting period. The expenditure represented 103.6 per cent of the total funds released by the CoB and comprised of Kshs.401.05 million and Kshs.1.84 billion on development and recurrent programmes, respectively. Expenditure on development programmes represented an absorption rate of 4.9 per cent, while recurrent expenditure represented 12 per cent of the annual recurrent expenditure budget.

### 3.13.7 Settlement of Pending Bills

At the beginning of FY 2024/25, the County Executive reported a stock of pending bills amounting to Kshs.6.39 billion, comprising of Kshs.4.07 billion for recurrent expenditure and Kshs.2.32 billion for development activities. In the first three months of FY 2024/25, the County settled pending bills amounting to Kshs.631.62 million, consisting of Kshs.389.79 million for recurrent expenditure and Kshs.241.83 million for development programmes. Therefore, as of the end of the first quarter of FY 2024/25, the outstanding amount was Kshs.5.76 billion.

The County Assembly reported outstanding pending bills of Kshs.161.82 million as of 30<sup>th</sup> September 2024.

### 3.13.8 Expenditure by Economic Classification

Analysis of expenditure by economic classification indicates that the County Executive spent Kshs.1.05 billion on employee compensation, Kshs.657.77 million on operations and maintenance, and Kshs.401.05 million on development activities. Similarly, the County Assembly spent Kshs.101.02 million on employee compensation, Kshs.34.61 million on operations and maintenance, and nil expenditure on development activities, as shown in Table 3.83.

**Table 3.83: Summary of Budget and Expenditure by Economic Classification**

### 3.13.9 Expenditure on Employees' Compensation

In the first quarter of FY 2024/25, employee compensation expenditures amounted to Kshs. 1.15 billion, which represents 40 per cent of the available revenue of Kshs. 2.90 billion. This expenditure decreases from Kshs. 1.76 billion reported during the same period in FY 2023/24. The wage bill included Kshs. 995.45 million paid to health sector employees, accounting for 87 per cent of the total wage bill. The 35 per cent decrease in the wage bill is primarily due to unpaid salaries and benefits for September 2024, which was attributed to delays in the release of the equitable share of revenue raised nationally.

Figure 51 shows the trend of personnel expenditures as a percentage of total revenue from the first quarter of FY 2017/18 to the first quarter of FY 2024/25.

**Figure 51: Percentage of Wage Bill to Total Revenue from the First Quarter of FY 2018/19 to the First Quarter of FY 2024/25**

Further analysis indicates that PE costs amounting to Kshs.1.07 billion were processed through the Integrated Personnel and Payroll Database (IPPD) system. In contrast, Kshs.85.78 million was processed through manual payrolls, which accounted for 7 per cent of the total PE cost.

The County Assembly spent Kshs.21.15 million on committee sitting allowances for the 87 MCAs against the annual budget allocation of Kshs.75 million. The average monthly sitting allowance was Kshs.81,053 per MCA. The County Assembly has established 23 Committees.

### 3.13.10 County Emergency Fund and County-Established Funds

Section 116 of the PFM Act 2012 allows County Governments to establish other public funds with approval from the County Executive Committee and the County Assembly. The County allocated Kshs.2.95 billion to county-established funds in FY 2024/25, constituting 13 per cent of the County's overall budget. Further, the County allocated Kshs.50 million to the Emergency Fund in line with Section 110 of the PFM Act, 2012.

Table 3.84 summarises each established Fund's budget allocation and performance during the reporting period.

Sub-programmes with the highest levels of implementation based on absorption rates were: ICT Services and Accounting in the Department of Finance and Economic Planning at 49 per cent and 28 per cent, respectively, Water Resource Management and Sanitation in the Department of Water, Irrigation & Natural Resources at 23 per cent, and Trade and Markets in the Department of Trade, Industrialization, Tourism and Investments at 15 per cent of budget allocation.

### 3.13.15 Accounts Operated in Commercial Banks

The County government operated 292 accounts with commercial banks, of which 239 were for healthcare facilities.

This is contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya. The only exemption is for imprest bank accounts for petty cash and revenue collection bank accounts.

### 3.13.16 Key Observations and Recommendations

In the course of overseeing and reporting on the implementation of the County budget, the COB identified the following challenges which hampered effective budget implementation;

1. The late submission of financial reports by the County Treasury and the County Assembly to the Controller of Budget affected the timely preparation of the budget implementation report. The report was received on 28<sup>th</sup> October, 2024.
2. The underperformance of own-source revenue at Kshs.830.53 million against an annual target of Kshs.8.28 billion, representing 10 per cent of the yearly target.
3. High level of pending bills, which amounted to Kshs.5.90 billion as of 30<sup>th</sup> September 2024.
4. Use of manual payroll. Personnel emoluments amounting to Kshs.85.78 million were processed through the manual payroll, accounting for 7 per cent of the total payroll cost. The manual payroll is prone to abuse and may lead to the loss of public funds where there is a lack of proper controls.
5. The County Government uses commercial bank accounts for operations contrary to Regulations 82(1) (b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya.

The County should implement the following recommendations to improve budget execution:

1. *The County Treasury should ensure timely preparation and submission of financial reports to the Office of the Controller of Budget in line with the timelines prescribed in Section 166 of the PFM Act, 2012.*
2. *The County should address its own-source revenue performance to ensure the approved budget is fully financed. Appropriate austerity measures should be implemented to ensure expenditure commitments are aligned with available revenue.*
3. *The County leadership should address the situation of pending bills to ensure that genuine bills are paid promptly in the remaining part of the financial year. Further, compliance with the payment plan should be enforced.*
4. *The Government requires that salaries be processed through the IPPD system, and the County is advised to fast-track the acquisition of Unified Personnel Numbers for their staff. The County Public Service Board should regulate staff engagement on contract and casual workers as provided under Section 74 of the County Governments Act 2012. Further, strict compliance with the approved staff establishment should be maintained.*
5. *The County Government should ensure that bank accounts are opened and operated at the Central Bank of Kenya as the law requires. However, imprest bank accounts for petty cash and revenue collection accounts are exempted.*

## 3.14. County Government of Kilifi

### 3.14.1 Overview of FY 2024/25 Budget

The Kilifi County approved FY 2024/25 budget is Kshs.21.41 billion. This comprised Kshs.11.44 billion (54 per cent) and Kshs.9.97 billion (47 per cent) allocations for development and recurrent programmes, respectively. The budget estimates represent an increase of Kshs.4.39 billion (26 per cent) from the FY 2023/24 budget comprised a development budget of Kshs.5.42 billion and a recurrent budget of Kshs.11.59 billion.

The Kilifi County Government budget will be financed from different sources. The County Governments expect to receive Kshs.12.55 billion (58 per cent) as the equitable share of revenue raised nationally, Kshs.3.45 billion (16.1 per cent) as additional allocations, a cash balance of Kshs.3.43 billion (16.0 per cent) was brought forward from FY 2023/24, and generate Kshs.1.57 billion (7 per cent) as gross own source revenue.

### 3.14.2 Revenue Performance

In the first quarter of FY 2024/25, Kilifi County received a total of Kshs.4.63 billion to fund recurrent and development activities. Equitable share from the National Government of Kshs.968.74 million, own source revenue

(OSR) collection of Kshs.231.03 million. In addition, the County Government had Kshs.3.43 billion from FY 2023/24. The total OSR of Kshs.231.03 million includes Facilities Improvement Financing (FIF) of Kshs.81.0 million as FIF and Kshs.150.03 million as ordinary OSR. Table 3.88 summarises the total revenue available to the county government during the first quarter of FY 2024/25.

**Figure 53: Trend in Own-Source Revenue Collection from the FY 2019/20 to the FY 2024/25**

Source: Kilifi County Treasury

In the first quarter of FY 2024/25, the County generated a total of Kshs.231.03 million from its sources of revenue, including FIF and AIA. This amount was an increase of 13.1 per cent compared to Kshs.204.37 million realised in a similar period in FY 2023/24 and was 14.0 per cent of the annual target and 23.9 per cent of the equitable revenue share disbursed.

The increase in own-source revenues may be attributed to the ongoing automation process, resulting in low revenue leakages. Figure 54 shows the revenue streams that contributed the highest OSR receipts.

**Figure 54: Top Streams of Own Source Revenue in the First Quarter FY 2024/25**

The highest revenue stream, Kshs.96.58 million, was from Cess and parking fees, contributing 42 per cent of the total OSR receipts during the reporting period.

### 3.14.3 Exchequer Issues

During the reporting period, the Controller of Budget approved withdrawals of Kshs.1.60 billion from the CRF account comprised Kshs.435.92 million (27 per cent) for development programmes and Kshs.1.17 billion (73 per cent) for recurrent programmes in the first quarter of FY 2024/25. Analysis of the recurrent exchequers released in the first three months of FY 2024/25 indicates that Kshs.806.76 million was released towards Employee Compensation and Kshs.360.93 million for Operations and Maintenance expenditure.

As of 30 September 2024, the county government's cash balance in the CRF account was Kshs.1.10 billion.

### 3.14.4 County Expenditure Review

The County spent Kshs.1.60 billion on development and recurrent programmes during the reporting period. The expenditure represented 99.5 per cent of the total funds released by the CoB and comprised Kshs.236.46 million and Kshs.1.36 billion on development and recurrent programmes, respectively. Expenditure on development programmes represented an absorption rate of 2.1 per cent, while recurrent expenditure represented 13.6 per cent of the annual recurrent expenditure budget.

### 3.14.5 Settlement of Pending Bills

The County Government reported pending bills amounting to Kshs.2.21 billion as of 30 June 2024. This is comprised of pending expenses by the county executive of Kshs.2.19 billion and Kshs.12.34 million for the county assembly.

The County Executive's pending bills amount to Kshs.858.60 million for recurrent expenditures and Kshs.1.34 billion for development expenditures. The County Executive settled pending bills amounting to Kshs.156.13 million in the first quarter of FY 2024/25, which consisted of Kshs.156.13 million for recurrent expenditure programmes. The outstanding bills were Kshs.2.05 billion as of 30 September 2024.

### 3.14.6 Expenditure by Economic Classification

During the first quarter of FY 2024/25, the County Executive spent Kshs.924.21 million on employee compensation, Kshs.331.86 million on operations and maintenance, and Kshs.236.46 million on development activities. Similarly, the County Assembly spent Kshs.76.64 million on employee compensation and Kshs.25.52 million on operations and maintenance, as shown in Table 3.89.

**Table 3.89: Summary of Budget and Expenditure by Economic Classification**

### 3.14.7 Expenditure on Employees' Compensation

In the first quarter of FY 2024/25, expenditure on employee compensation was Kshs.1.0 billion, or 22 per cent of the available revenue, which amounted to Kshs.4.63 billion. This expenditure represented an increase from Kshs.810.15 million reported in a similar period in FY 2023/24. The wage bill included Kshs.403.31 million paid to health sector employees, translating to 40 per cent of the total wage bill.

Figure 55 shows the trend of personnel expenditures as a percentage of total revenue from the first quarter of FY 2018/19 to the first quarter of FY 2024/25.

**Figure 55: percentage of Wage Bill to Total Revenue from the First Quarter of FY 2018/19 to the First Quarter of FY 2024/25**

Further analysis indicates that PE costs amounting to Kshs.831.07 million were processed through the Integrated Personnel and Payroll Database (IPPD) system. In contrast, Kshs.16.99 million was processed through manual payrolls, which accounted for 2.0 per cent of the total PE cost.

The County Assembly spent Kshs.5.97 million on committee sitting allowances for the 56 MCAs against the annual budget allocation of Kshs.36.0 million. The average monthly sitting allowance was Kshs.35,548 per MCA. The County Assembly has established 23 Committees.

### 3.14.8 County Emergency Fund and County-Established Funds

Section 116 of the PFM Act 2012 allows County Governments to establish other public funds with approval from the County Executive Committee and the County Assembly. The County allocated Kshs.750 million to county-established funds in FY 2024/25, constituting 3.5 per cent of the County's overall budget. Further, the County allocated Kshs.250 million to the Emergency Fund (1.2 per cent of the total budget) in line with Section 110 of the PFM Act, 2012.

Table 3.90 summarises each established Fund's budget allocation and performance during the reporting period.

During the reporting period, the CoB did not receive quarterly financial returns from the Fund Administrators of all funds, as indicated in

Table 3.54: Performance of County Established Funds in the First Quarter of FY 2024/25

3, contrary to the requirement of Section 168 of the PFM Act, 2012.

The County government uses commercial bank accounts to operate the above-established public funds contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which require that County government bank accounts must be opened and maintained at the Central Bank of Kenya.

### 3.14.9 Expenditure on Operations and Maintenance

Figure 56 summarises the Operations and Maintenance expenditure by major categories.

### 3.14.10 Facility Improvement Financing

During the period under review, the County reported collecting Kshs.81 million as FIF, which was 20.3 per cent of the annual target of Kshs.400 million. The collected amount was retained and utilised at the source per the Facility Improvement Financing Act of 2023. The County has developed regulations to operationalise the FIF Act of 2023.

The health facilities did not provide a report on the utilisation of the FIF during the reporting period, contrary to Section 18 (e) of the FIF Act, 2023.

### 3.14.11 Development Expenditure

In the First Quarter of FY 2024/25, the County reported spending Kshs.236.46 million on development programmes, compared to a similar period in FY 2023/24 when the County did not incur any expenditure on development projects. However, the County did not provide a list of the development projects implemented during this reporting period.

Based on absorption rates, the sub-programmes with the highest implementation levels were Administrative Services in the Department of Office of the Governor at 60.2 per cent, Governance and National Values in the Department of Office of the Governor at 35.9 per cent, Administration and Support Services in the Department of Public Service Management at 23.8 per cent, and Administration and Support Services at 15 per cent in the Department of Gender and Social Services of budget allocation.

### 3.14.14 Accounts Operated in Commercial Banks

The County government operated 11 accounts with commercial banks, of which two were for health facilities. This is contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya. The only exemption is for imprest bank accounts for petty cash and revenue collection bank accounts.

### 3.14.15 Key Observations and Recommendations

In the course of overseeing and reporting on the implementation of the County budget, the COB identified the following challenges that hampered effective budget implementation;

1. The underperformance of own-source revenue at Kshs.231.03 million against an annual target of Kshs.1.65 billion, representing 14 per cent of the yearly target.
2. Unspent funds from FY 2023/24 were not refunded into the CRF account, which led to actual expenditures exceeding the approved exchequer in several departments, as shown in Table 3.92.
3. Fund Administrators failed to submit quarterly financial and non-financial reports to the COB within the timelines provided by law, which is against the requirement of Section 168 of the PFM Act, 2012. The reports for the Ward Scholarship Fund, Emergency Fund and all the Funds ran by the County Assembly were not submitted to the Controller of Budget as of 15 October 2024.
4. As of 30 September 2024, the County had a high level of pending bills amounting to Kshs.2.05 billion. Further, the County Treasury did not adhere to the payment plan for the pending bills.
5. Use of manual payroll. Personnel emoluments amounting to Kshs.16.99 million were processed through the manual payroll, accounting for 2 per cent of the total payroll cost. The manual payroll is prone to abuse and may lead to the loss of public funds where there is a lack of proper controls.
6. The county government uses commercial bank accounts for operations contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya. The commercial bank accounts are for the various County-established Funds.
7. The County government reported a development expenditure of Kshs. 236.46 million but failed to support this expenditure with a list of projects executed during this reporting period.
8. Failure to report as per the CoB Reporting templates resulted in some departments not reporting their performances in expenditures by programs and sub-programs and others omitting crucial information, i.e. submitting only program and subprograms numbers without titles, budget lines & spending, resulting in inconsistency in financial reporting.

The County should implement the following recommendations to improve budget execution:

1. *The County should address its own-source revenue performance to ensure the approved budget is fully financed. Appropriate austerity measures should be implemented to ensure expenditure commitments are aligned with available revenue.*

2. *The County Treasury should ensure unspent funds from the previous financial year are deposited to the CRF Account in line with Section 136 of the PFM Act 2012.*
3. *The CECMF should follow up to ensure Fund Administrators prepare and submit statutory reports in line with the PFM Act, 2012.*
4. *The county leadership should address the situation of pending bills to ensure that genuine bills are paid promptly in the remaining financial year. Further, compliance with the payment plan should be enforced.*
5. *The Government requires that salaries be processed through the IPPD system, and the County is advised to fast-track the acquisition of Unified Personnel Numbers for their staff. The County Public Service Board should regulate staff engagement on contract and casual workers as provided under Section 74 of the County Governments Act 2012. Further, strict compliance with the approved staff establishment should be maintained.*
6. *The County Government should ensure that bank accounts are opened and operated at the Central Bank of Kenya as the law requires. However, imprest bank accounts for petty cash and revenue collection accounts are exempted.*
7. *The County government should ensure that reported development expenditures are supported by a list of development projects executed during the reporting period.*
8. *The County should ensure strict reporting using the recommended templates to eliminate inconsistencies in financial reporting.*

### 3.15. County Government of Kirinyaga

#### 3.15.1 Overview of FY 2024/25 Budget

The Kirinyaga County approved FY 2024/25 budget is Kshs.8.08 billion. It comprised Kshs.3.03 billion (37.5 per cent) and Kshs 5.05 billion (63 per cent) allocation for development and recurrent programmes, respectively. The budget estimates represent an increase of Kshs.840 million (12 per cent) from the FY 2023/24 budget, which comprised a development budget of Kshs.2.45 billion and a recurrent budget of Kshs.4.79 billion.

The Kirinyaga County Government budget will be financed from different sources of revenue. These include; Kshs.5.63 billion (70 per cent) expected as the equitable share of revenue raised nationally, Kshs.611 million as additional allocations, a cash balance of Kshs.952.94 million (12 per cent) brought forward from FY 2023/24, and Kshs.811.55 million (11 per cent) generated as gross own source revenue. The own source revenue includes Kshs.39.55 million (0.5 per cent) as Appropriations-in-Aid (A-I-A), Kshs.200 million (3 per cent) as Facility Improvement Fund (revenue from health facilities), and Kshs. 410.45 million (5 per cent) as ordinary own-source revenue and Kshs.231.55 million (3 per cent) as other Revenue. A breakdown of the additional allocations is provided in Table 3.94

#### 3.15.2 Revenue Performance

In the first quarter of FY 2024/25, the County received Kshs.1.52 billion to fund recurrent and development activities. The equitable share from the national government was Kshs.460.72 million, while its own source revenue (OSR) collection was Kshs.108.7 million. In addition, the County had a cash balance of Kshs.952.94 million from FY 2023/24.

Analysis of the total OSR collection of Kshs.110.2 million indicates that it included Appropriations in Aid (AIA) of Kshs. 1.51 million and Facilities Improvement Financing (FIF) of Kshs.61.53 million and Kshs.47.16 million as ordinary OSR. Table 3.94 summarises the total revenue available to the county government during the first quarter of FY 2024/25.

The County does not have governing legislation for operating ordinary A-I-A and FIF.

Figure 57 shows the trend in own-source revenue collection from the First Quarter of FY 2019/20 to the First Quarter of FY 2024/25.

**Figure 57: Trend in Own-Source Revenue Collection from the First Quarter of FY 2019/20 to the First Quarter of FY 2024/25**

Source: Kirinyaga County Treasury

During the first quarter of FY 2024/25, the County generated a total of Kshs.110.20 million from its sources of revenue, including AIA and FIF. This amount was an increase of 18 per cent compared to Kshs.93.12 million realised in a similar period in FY 2023/24 and was 17 per cent of the annual target and 24 per cent of the equitable revenue share disbursed. The decrease in OSR was attributed to non-remittance of the NHIF Refunds to the County Government of Kirinyaga.

The revenue streams which contributed the highest OSR receipts are shown in Figure 58.

**Figure 58: Top Streams of Own Source Revenue in the First Quarter FY 2024/25**

The highest revenue stream, Kshs.61.53 million, was from Health/Hospital Fees (FIF), which contributed 57 per cent of the total OSR receipts during the reporting period.

### 3.15.3 Exchequer Issues

The Controller of Budget approved withdrawals of Kshs.965.97 million from the CRF account during the reporting period, which comprised Kshs.378.49 million (39 per cent) for development programmes and Kshs.587.47 million (61 per cent) for recurrent programmes in the first quarter of FY 2024/25. Analysis of the recurrent exchequers released in the first three months of FY 2024/25 indicates that Kshs.464.19 million was released towards employee compensation and Kshs.129.19 million for operations and maintenance expenditure.

As of 30 September 2024, the County Government's cash balance in the CRF account was Kshs. 554.67 million.

### 3.15.4 County Expenditure Review

The County spent Kshs.965.97 million on development and recurrent programmes in the reporting period. The expenditure represented 100 per cent of the total funds released by the CoB and comprised Kshs.378.49 million and Kshs.587.47 million on development and recurrent programmes, respectively. Expenditure on development programmes represented an absorption rate of 13 per cent, while recurrent expenditure represented 12 per cent of the annual recurrent expenditure budget.

### 3.15.5 Settlement of Pending Bills

The County reported pending bills amounting to Kshs.1.23 billion as of 30 June 2024, comprising pending payments by the county executive. The County Executive's pending bills consist of Kshs.340.64 million for recurrent expenditures and Kshs.887.56 million for development expenditures. The County Executive settled pending bills amounting to Kshs.200.84 million in the reporting period, consisting of development programmes. Therefore, the outstanding bills were Kshs.1.02 billion as of 30 September 2024.

### 3.15.6 Expenditure by Economic Classification

During the first quarter of FY 2024/25, the County Executive spent Kshs.405.43 million on employee compensation, Kshs.95.41 million on operations and maintenance, and Kshs.378.49 million on development activities. Similarly, the County Assembly spent Kshs.52.85 million on employee compensation and Kshs.33.78 million on operations and maintenance, as shown in Table 3.95.

### 3.15.7 Expenditure on Employees' Compensation

In the first quarter of FY 2024/25, expenditure on employee compensation was Kshs.458.27 million, or 30 per cent of the available revenue which amounted to Kshs.1.52 billion. This expenditure represented a decrease from Kshs.494.26 million reported in the first quarter of FY 2023/24. The wage bill included Kshs.218.23 million paid to health sector employees, translating to 48 per cent of the total wage bill.

Figure 59 shows the trend of personnel expenditures as a percentage of total revenue from the first quarter of FY 2017/18 to the first quarter of FY 2024/25.

**Figure 59: Percentage of Wage Bill to Total Revenue from the First Quarter of FY 2018/19 to the First Quarter of FY 2024/25**

Further analysis indicates that PE costs amounting to Kshs.431.34 million were processed through the Integrated Personnel and Payroll Database (IPPD) system while Kshs.26.93 million was processed through manual payrolls. The manual payrolls accounted for 5.9 per cent of the total PE cost.

The County Assembly spent Kshs.5.04 million on committee sitting allowances for the 34 MCAs against the annual budget allocation of Kshs.68.23 million. The average monthly sitting allowance was Kshs.49,389 per MCA. The County Assembly had 23 House Committees.

### 3.15.8 County Emergency Fund and County-Established Funds

Section 116 of the PFM Act 2012 allows County Governments to establish other public funds with approval from the County Executive Committee and the County Assembly. The County allocated Kshs.205.67 million to county-established funds in FY 2024/25, or 3 per cent of the County's overall budget. Further, the County allocated Kshs.8 million to the Emergency Fund (4 per cent of the total budget) in line with Section 110 of the PFM Act, 2012.

Table 3.96 summarises each established Fund's budget allocation and performance during the reporting period.

During the reporting period, the CoB did not receive the quarterly reports for the Emergency Fund, Bursary Fund and Car Loan & Mortgage Fund as of 15 October 2024, as indicated in Table 3.96 contrary to the requirement of Section 168 of the PFM Act, 2012.

The County government uses commercial bank accounts to operate the above-established Funds contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County Government bank accounts must be opened and maintained at the Central Bank of Kenya.

### 3.15.9 Expenditure on Operations and Maintenance

Figure 60 summarises the Operations and Maintenance expenditure by major categories.

**Figure 60: Kirinyaga County, Operations and Maintenance Expenditure by Major Categories**

Expenditure on domestic travel amounted to Kshs.1.69 million spent by the County Executive. There was no expenditure on foreign travel.

### 3.15.10 Facility Improvement Financing

During the period under review, the County reported collecting Kshs.61.53 million as FIF, which was 31 per cent of the annual target of Kshs.200 million. The collected amount was retained and utilised at the source in accordance with the Facility Improvement Financing Act of 2023. The County has developed regulations to operationalise the FIF Act of 2023.

The health facilities did not provide a report on the utilisation of the FIF during the reporting period, contrary to Section 18 (e) of the FIF Act, 2023.

Sub-programmes with the highest levels of implementation based on absorption rates were: Development of Sports & Sport facilities in the Department of Sports Culture & Social Services at 44.2 per cent, Water Supply Services in the Department of Environment & Natural Resources at 25.3 per cent, Finance Services in the Department of Finance & Economic Planning at 15.4 per cent.

### 3.15.14 Accounts Operated in Commercial Banks

The County government operated 12 accounts with commercial banks, five of which were for healthcare facilities.

This is contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya. The only exemption is for imprest bank accounts for petty cash and revenue collection bank accounts.

### 3.15.15 Key Observations and Recommendations

In the course of overseeing and reporting on the implementation of the County budget, the COB identified the following challenges which hampered effective budget implementation;

1. Late submission of financial reports by the County Treasury to the Controller of Budget affected the timely preparation of the budget implementation report. The report was received on 28/10/2024, Further, the health facilities did not submit their expenditure reports for the first quarter of FY 2024/25.
2. Fund Administrators failed to submit quarterly financial and non-financial reports to the COB within the timelines provided by law, which is against the requirement of Section 168 of the PFM Act, 2012. The Emergency Fund, Bursary Fund and Car Loan & Mortgage Fund reports were not submitted to the Controller of Budget as of 15 October 2024.
3. High level of pending bills which amounted to Kshs.1.02 billion as of 30 September 2024. Further, there was non-adherence to the payment plan for the pending bills by the County Treasury.
4. The County Government uses commercial bank accounts for operations contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya.

The County should implement the following recommendations to improve budget execution:

1. The County Treasury should ensure timely preparation and submission of financial reports to the Office of the Controller of Budget per the timelines prescribed in Section 166 of the PFM Act, 2012.
2. The CECMF should follow up to ensure Fund Administrators prepare and submit statutory reports in line with the PFM Act, 2012.

3. *The county leadership should address the situation of pending bills to ensure that genuine bills are paid promptly in the remaining financial year. A payment plan should be provided at the beginning of the FY.*
4. *The County Government should ensure that bank accounts are opened and operated at the Central Bank of Kenya as the law requires. However, imprest bank accounts for petty cash and revenue collection accounts are exempted.*

## 3.16. County Government of Kisii

### 3.16.1 Overview of FY 2024/25 Budget

The Kisii County approved FY 2024/25 budget is Kshs.14.53 billion. It comprised Kshs. 5.51 billion (38 per cent) and Kshs.9.02 billion (62 per cent) allocated for development and recurrent programmes, respectively. The budget estimates represent an increase of Kshs. 1.27 billion (9 per cent) from the FY 2023/24 budget comprised a development budget of Kshs.4.34 billion and a recurrent budget of Kshs.8.92 billion. The increase in the County Government budget was attributed to the rise in unspent balances for FY2023/24, which was Kshs.3.49 billion.

The Kisii County Government budget will be financed from different sources of revenue. These include Kshs, which is 9.61 billion (60 per cent) expected from the National Government as the equitable share of revenue raised nationally. 783.08 million as additional allocations (5 per cent), a cash balance of Kshs.3.49 million (22 per cent) brought forward from FY 2023/24, and Kshs.2.21billion (14 per cent) generated as gross own source revenue. The own source revenue includes Kshs. 1.56 billion (10 per cent) as Facility Improvement Fund (revenue from health facilities) and Kshs.650 million (5 per cent) as ordinary own-source revenue.

### 3.16.2 Revenue Performance

In the first quarter of FY 2024/25, the County received Kshs.4.02 billion to fund recurrent and development activities. The equitable share from the national government was Kshs. 786.9 million and own source revenue (OSR) collection of Kshs. 270.47 million. In addition, the County had a cash balance of Kshs. 2.96 billion from FY 2023/24. Notably, the unspent balance from FY 2023/24 includes the equitable share for June 2024, which amounts to Kshs. 740.69 million, which was disbursed in July 2024.

Analysis of the total OSR collection of Kshs. 270.47 million indicates it included Facilities Improvement Financing (FIF) of Kshs. 202.62 million and Kshs.67.86 million as ordinary OSR. Table 3.101 summarises the total revenue available to the county government during the first quarter of FY 2024/25. performance

The highest revenue stream, Kshs.202.62 million, was from Health/Hospital Fees/FIF, contributing 75 per cent of the total OSR receipts during the reporting period.

### 3.16.3 Borrowing by the County

The County Government borrowed a total of Kshs. 256.27 million from Family Bank comprising of (Kshs. 229.97 million and 26.29 million for July 2024 County Executive and County Assembly net Salary, respectively.

**Table 3.102: Borrowings by Kisii County in the first quarter of FY 2024/25**

### 3.16.4 Exchequer Issues

The Controller of Budget approved withdrawals of Kshs.1.03 billion from the CRF account during the reporting period for recurrent programmes in the first quarter of FY 2024/25. Analysis of the recurrent exchequers released in the first three months of FY 2024/25 indicates that Kshs.983.81 million was released towards employee compensation and Kshs.45.04 million for operations and maintenance expenditure.

As of 30th September 2024, the County Government's cash balance in the CRF account was Kshs.2.78 billion.

### 3.16.5 County Expenditure Review

The County spent Kshs.1.03 billion on recurrent programmes in the reporting period. This expenditure represented 100 per cent of the total funds released by the CoB and 11.4 per cent of the annual recurrent expenditure budget. There was no expenditure on development activities during the reporting period.

### 3.16.6 Settlement of Pending Bills

The County reported pending bills amounting to Kshs 2.31 billion as of 30th June 2024, comprising pending payments by the County Executive of Kshs. 2.26 billion and Kshs. 56.91 million for the County Assembly.

The County Executive's pending bills consist of Kshs.483.53 million for recurrent expenditures and Kshs.1.77 billion for development expenditures. The County Executive and County Assembly did not settle any pending bills during the reporting period.

Therefore, the outstanding bills were Kshs.2.31 billion as of 30th September 2024.

### 3.16.7 Expenditure by Economic Classification

During the first quarter of FY 2024/25, the County Executive spent Kshs.876.88 million on employee compensation. Similarly, the County Assembly spent Kshs.106.93 million on employee compensation and Kshs.45.04 million on operations and maintenance, as shown in Table 3.103.

**Table 3.103: Summary of Budget and Expenditure by Economic Classification**

### 3.16.8 Expenditure on Employees' Compensation

In the first quarter of FY 2024/25, expenditure on employee compensation was Kshs.983.81 million, or 24.5 per cent of the available revenue of Kshs.4.02 billion. This expenditure represented a decrease from Kshs.1.36 billion reported in a similar period in FY 2023/24. The wage bill included Kshs.459.82 million paid to the health sector employees, translating to 47 per cent of the total wage bill.

Figure 63 shows the trend of personnel expenditures as a percentage of total revenue from the first quarter of FY 2018/19 to the first quarter of FY 2024/25.

**Figure 63: Percentage of Wage Bill to Total Revenue from the First Quarter of FY 2018/19 to the First Quarter of FY 2024/25**

Further analysis indicates that entire PE costs amounting to Kshs.983.81 million were processed through the Integrated Personnel and Payroll Database (IPPD).

The County Assembly spent Kshs.11.36 million on committee sitting allowances for the 71 MCAs against the annual budget allocation of Kshs.65 million. The average monthly sitting allowance was Kshs.53,334.74 per MCA. The County Assembly had 20 House committees.

### 3.16.9 County Emergency Fund and County-Established Funds

Section 116 of the PFM Act 2012 allows County Governments to establish other public funds with approval from the County Executive Committee and the County Assembly. The County allocated Kshs.1.85 billion to county-established funds in FY 2024/25, or 12 per cent of the County's overall budget. Further, the County allocated Kshs.20 million to the Emergency Fund (0.2 per cent of the total budget) in line with Section 110 of the PFM Act, 2012.

Table 3.104 summarises each established Fund's budget allocation and performance during the reporting period.

During the reporting period, the CoB did not receive quarterly financial reports from County Emergency Fund Administrators, as indicated in Table 3.104, contrary to the requirement of Section 168 of the PFM Act, 2012.

The County government uses commercial bank accounts to operate the above-established Funds contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County Government bank accounts must be opened and maintained at the Central Bank of Kenya.

### 3.16.10 Expenditure on Operations and Maintenance

Figure 64 summarises the Operations and Maintenance expenditure by major categories.

**Figure 64: Kisii County, Operations and Maintenance Expenditure by Major Categories**

Expenditure on domestic travel amounted to Kshs.45.04 million spent by the County Assembly. There was no expenditure on foreign travel.

#### 3.16.11 Facility Improvement Financing

During the period under review, the County reported collecting Kshs.202.62 million as FIF, which was 13 per cent of the annual target of Kshs.1.56 billion. The collected amount was retained and utilised at the source per the Facility Improvement Financing Act of 2023. The County has, however, not developed regulations to operationalise the FIF Act of 2023.

The expenditure by the health facilities amounted to Kshs.202.62 million, as shown in the Table 3.105-

**Table 3.105: Breakdown of expenditure by health facilities in the first quarter of FY 2024/25**

Sub-programmes with the highest levels of implementation based on absorption rates were: Stakeholder Management in the Department of Administration Corporate Services and Stakeholder Management at 17 per cent, Public Works in the Department of Roads Public Works and Transport at 16 per cent, General Administration, Planning and Support Services in the Department of Kisii Municipality at 15 per cent, and Administration and planning services at 15 per cent of budget allocation.

### 3.16.15 Accounts Operated in Commercial Banks

The County government operated 16 accounts with commercial banks, of which three were for healthcare services.

This is contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya. The only exemption is for imprest bank accounts for petty cash and revenue collection bank accounts.

### 3.16.16 Key Observations and Recommendations

In the course of overseeing and reporting on the implementation of the County budget, the COB identified the following challenges which hampered effective budget implementation;

1. The underperformance of own-source revenue at Kshs.67.86 million against an annual target of Kshs.650 million, representing 10 per cent of the yearly target.
2. Development funds were not absorbed during the reporting period. The annual development budget allocation is Kshs.5.51 billion.

3. High pending bills amounted to Kshs.2.31 billion as of 30th September 2024.
4. The County Government uses commercial bank accounts for operations contrary to Regulations 82(1) (b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya. The commercial bank accounts are for additional allocations and established County Funds.

The County should implement the following recommendations to improve budget execution:

1. *The County should address its own-source revenue performance to ensure the approved budget is fully financed. Appropriate austerity measures should be implemented to ensure expenditure commitments are aligned with available revenue.*
2. *The County should identify and address issues causing delays in implementing development projects.*
3. *The County leadership should address the situation of pending bills to ensure that genuine bills are paid promptly in the remaining financial year.*
4. *The County Government should ensure that bank accounts are opened and operated at the Central Bank of Kenya as the law requires. However, imprest bank accounts for petty cash and revenue collection accounts are exempted.*

### 3.17. County Government of Kisumu

#### 3.17.1 Overview of FY 2024/25 Budget

The Kisumu County Government approved FY 2024/25 budget is Kshs.15.30 billion. It comprised Kshs.5.03 billion (33 per cent) and Kshs.10.27 billion (67 per cent) allocation for development and recurrent programmes, respectively. The budget estimates represent an increase of Kshs.1.60 billion (12 per cent) from the FY 2023/24 budget comprised a development budget of Kshs.4.19 billion and a recurrent budget of Kshs.9.51 billion. The increase in the budget was attributed to the rise in the own source revenue estimates.

The Kisumu County Government budget will be financed from different sources of revenue. These include Kshs.8.68 billion (57 per cent) expected from the National Government as the equitable share of revenue raised nationally, Kshs.2.15 billion (14 per cent) as additional allocations, a cash balance of Kshs.669.46 million (4 per cent) brought forward from FY 2023/24, and Kshs.3.80 billion (25 per cent) generated as gross own source revenue. The own-source revenue includes Kshs.926.12 million (24 per cent) as Facility Improvement Fund (revenue from health facilities) and Kshs.2.88 billion (76 per cent) as ordinary own-source revenue. A breakdown of the additional allocations is shown in Table 3.108.

#### 3.17.2 Revenue Performance

In the first quarter of FY 2024/25, the County received Kshs.1.65 billion to fund recurrent and development activities. The equitable share from the National Government was Kshs.710.75 million, and additional allocations from government and development partners were Kshs.11 million, and its own source revenue (OSR) collection was Kshs.259.36 million. In addition, the County had a cash balance of Kshs.669.46 million from FY 2023/24, which includes Kshs.668.94 million June 2024 Equitable Share that was disbursed in July 2024.

Analysis of the total OSR collection of Kshs.259.36 million indicates that it included Facilities Improvement Financing (FIF) of Kshs.163.76 million and Kshs.95.60 million as ordinary OSR. Table 3.108 summarises the total revenue available to the county government during the first quarter of FY 2024/25 performance.

The County has governing legislation on the operation of ordinary A-I-A and FIF.

Figure 65 shows the trend in own-source revenue collection from the First Quarter of FY 2018/19 to the First Quarter of FY 2024/25.

**Figure 65: Trend in Own-Source Revenue Collection from the First Quarter of FY 2018/19 to the First Quarter of FY 2024/25**

During the first quarter of FY 2024/25, the County generated a total of Kshs.259.36 million from its sources of revenue, including AIA and FIF. This amount a decreased by 8.1 per cent compared to Kshs.280.40 million realised in a similar period in FY 2023/24. This was 6.8 per cent of the annual target and 18.8 per cent of the equitable revenue share disbursed. The OSR does not include revenue arrears and penalties charged on fees and levies from previous financial years.

The revenue streams which contributed the highest OSR receipts are shown in Figure 66.

**Figure 66: Top Streams of Own Source Revenue in the First Quarter FY 2024/25**

The highest revenue stream, Kshs.163.76 million, was from the Health Fees/Facility Improvement Fund, which contributed 63.0 per cent of the total OSR receipts during the reporting period.

### 3.17.3 Borrowing by the County

The County Government (Executive) borrowed Kshs.449.50 million from Kenya Commercial Bank, which was approved by the County Executive. The borrowing was to pay salaries for the county staff whenever there is a delay in the release of cash disbursements to counties from the National Treasury. The outstanding amount as of 30 September 2024 is Kshs.449.50 million.

### 3.17.4 Exchequer Issues

During the reporting period, the Controller of Budget approved withdrawals of Kshs.1.18 billion from the CRF account comprised Kshs.16.64 million (1.7 per cent) for development programmes and Kshs.1.16 billion (98.3 per cent) for recurrent programmes in the first quarter of FY 2024/25. Analysis of the recurrent exchequers released in the first three months of FY 2024/25 indicates that Kshs.971.90 million was released towards employee compensation and Kshs.190.13 million for operations and maintenance expenditure.

As of 30 September 2024, the county government's cash balance in the CRF account was Kshs. 305.58 million.

### 3.17.5 County Expenditure Review

The County spent Kshs.1.51 billion on development and recurrent programmes in the reporting period. This expenditure represented 128.0 per cent of the total funds released by the CoB and comprised Kshs.16.64 million and Kshs.1.49 billion on development and recurrent programmes, respectively. Expenditure on development programmes represented an absorption rate of 0.3 per cent, while recurrent expenditure represented 14.5 per cent of the annual recurrent expenditure budget.

### 3.17.6 Settlement of Pending Bills

The County reported pending bills amounting to Kshs.3.47 billion as of 30 June 2024, comprising pending payments by the county executive of Kshs.3.32 billion and Kshs.145.31 million for the county assembly.

The County Executive's pending bills consist of Kshs.1.71 billion for recurrent expenditures and Kshs.1.62 billion for development expenditures. The County Executive settled pending bills amounting to Kshs.627.10 million in the reporting period, which consisted of Kshs.610.46 million for recurrent expenditure and Kshs.16.64 million for development programmes, while the County Assembly settled pending bills worth Kshs.82.98 million. Therefore, the outstanding bills were Kshs.2.76 million as of 30 September 2024.

### 3.17.7 Expenditure by Economic Classification

During the first quarter of FY 2024/25, the County Executive spent Kshs.1.39 billion on employee compensation, Kshs.18.74 million on operations and maintenance, and Kshs.16.64 million on development activities. Similarly, the County Assembly spent Kshs.38.03 million on employee compensation, Kshs.45 million on operations and maintenance, and Kshs.0 million on development activities, as shown in Table 3.109.

**Table 3.109: Summary of Budget and Expenditure by Economic Classification**

### 3.17.8 Expenditure on Employees' Compensation

In the first quarter of FY 2024/25, expenditure on employee compensation was Kshs.1.43 billion, or 61.7 per cent of the available revenue of Kshs.2.32 billion. This expenditure represented an increase from Kshs.1.28 billion reported in a similar period in FY 2023/24. The wage bill included Kshs.229 million paid to the health sector employees, translating to 16.0 per cent of the total wage bill.

Figure 67 shows the trend of personnel expenditures as a percentage of total revenue from the first quarter of FY 2017/18 to the first quarter of FY 2024/25.

**Figure 67: Percentage of Wage Bill to Total Revenue from the First Quarter of FY 2018/19 to the First Quarter of FY 2024/25**

Further analysis indicates that PE costs amounting to Kshs.1.31 billion were processed through the Integrated Personnel and Payroll Database (IPPD) system while Kshs.121.75 million was processed through manual pay-rolls. The manual payrolls accounted for 8.4 per cent of the total PE cost.

The County Assembly spent Kshs.12.10 million on committee sitting allowances for the 48 MCAs against the annual budget allocation of Kshs.60.75 million. The average monthly sitting allowance was Kshs.84,053 per MCA. The County Assembly had 23 House Committees.

### 3.17.9 County Emergency Fund and County-Established Funds

Section 116 of the PFM Act 2012 allows County Governments to establish other public funds with approval from the County Executive Committee and the County Assembly. The County allocated Kshs.220 million to county-established funds in FY 2024/25, or 1.4 per cent of the County's overall budget. Further, the County allocated Kshs.150 million to the Emergency Fund (1.0 per cent of the total budget) in line with Section 110 of the PFM Act, 2012.

Table 3.110 summarises each established Fund's budget allocation and performance during the reporting period.

**Table 3.110: Performance of County Established Funds in the First Quarter of FY 2024/25**

During the reporting period, the CoB did not receive quarterly financial reports from Kisumu County Bursary Fund and Kisumu County Assembly Car Loan and Mortgage Fund Administrators, as indicated in Table 3.110, contrary to the requirement of Section 168 of the PFM Act, 2012. The administration costs of the Kisumu County Bursary and Kisumu County Assembly Car Loan and Mortgage Funds, therefore, could not be established whether they were above the 3 per cent limit of the Fund budget set in Regulation 197(1)(d) of the Public Finance Management (County Governments) Regulations, 2015.

The County government uses commercial bank accounts to operate the above-established Funds contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County Government bank accounts must be opened and maintained at the Central Bank of Kenya.

### 3.17.10 Expenditure on Operations and Maintenance

Figure 68 summarises the Operations and Maintenance expenditure by major categories.

Expenditure on domestic travel amounted to Kshs.110.02 million and comprised Kshs.64.51 million spent by the County Assembly and Kshs.45.51 million by the County Executive. Expenditure on foreign travel amounted to Kshs.16.12 million, which the County Executive incurred. Expenditure on foreign travel is summarised in Table 3.111.

The operations and maintenance costs include nil expenditure on garbage collection and Kshs.18.74 million on Legal fees/Dues, arbitration and compensation payments expenditure for legal fees.

### 3.17.11 Facility Improvement Financing

During the period under review, the County reported collecting Kshs.163.76 million as FIF, which was 18 per cent of the annual target of Kshs.926.12 million. The collected amount was retained and utilised at the source per the Facility Improvement Financing Act of 2023. The County has, however, developed regulations to operationalise the FIF Act of 2023.

The health facilities did not provide a report on the utilisation of the FIF during the reporting period, contrary to Section 18 (e) of the FIF Act, 2023.

### 3.17.12 Development Expenditure

In the First Quarter of FY 2024/25, the County reported spending Kshs.16.64 million on development programmes, representing a decrease of 88 per cent compared to a similar period in FY 2023/24, when the County spent Kshs.138.63 million. Table 3.112 summarises development projects with the highest expenditure in the reporting period.

Source: Kisumu County Treasury

Analysis of department expenditure shows that the Department of Finance, Economic Planning and ICT Services recorded the highest absorption rate of its development budget at 1.6 per cent. It was the only department with a development expenditure during the period under review. The Department of Public Service, County Administration and Participatory Development had the highest percentage of recurrent expenditure to budget at 23.1 per cent, while the Departments of Physical Planning, Lands, Housing and Urban Development; Agriculture, Livestock, Food and Fisheries; Education, Technical Training, Innovation and Social Services; Trade, Tourism, Industry and Marketing; and Medical Services, Public Health and Sanitation had the lowest at 0.0 per cent.

The County Executive's recurrent expenditures are within the ceilings in CARA 2024. However, the County Assembly's recurrent expenditures exceed the ceilings due to budget allocation for the Kisumu County Assembly Car Loan and Mortgage and the balance carried over to cater for pending bills.

### 3.17.14 Budget Execution by Programmes and Sub-Programmes

Sub-programmes with the highest levels of implementation based on absorption rates were Culture and Heritage in the Department of Sports, Culture, Gender and Youth Affairs at 45 per cent, Policy Services (Speaker's Office) in the Department of the County Assembly of Kisumu at 44 per cent, Intergovernmental Relations, Communications and Protocol in the Department of Public Service, County Administration and Participatory Development at 40 per cent, and Health Promotion Services in the Department of Medical Services, Public Health and Sanitation at 39 per cent of budget allocation.

### 3.17.15 Accounts Operated in Commercial Banks

The County government operated 23 accounts with commercial banks, of which seven were related to funds.

This is contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya. The only exemption is for imprest bank accounts for petty cash and revenue collection bank accounts.

### 3.17.16 Key Observations and Recommendations

In the course of overseeing and reporting on the implementation of the County budget, the COB identified the following challenges which hampered effective budget implementation;

1. Late submission of financial reports by the County Treasury to the Controller of Budget affected the timely preparation of the budget implementation report. The report was received on 4 November 2024
2. The underperformance of own-source revenue at Kshs.259.36 million against an annual target of Kshs.3.80 billion, representing 6.6 per cent of the yearly target.
3. Fund Administrators failed to submit quarterly financial and non-financial reports to the COB within the timelines provided by law, which is against the requirement of Section 168 of the PFM Act, 2012. The reports for the Kisumu County Bursary Fund, Kisumu County Emergency Fund and Kisumu County Assembly Car Loan and Mortgage Fund were not submitted to the Controller of Budget as of 15 October 2024.
4. High level of pending bills which amounted to Kshs.2.76 billion as of 30 September 2024. Further, there was non-adherence to the payment plan for the pending bills by the County Treasury.
5. Use of manual payroll. Personnel emoluments amounting to Kshs.121.75 million were processed through manual payroll, accounting for 8.4 per cent of the total payroll cost. Manual payroll is prone to abuse and may lead to the loss of public funds where there is a lack of proper controls.
6. Diversion of Funds. The County Treasury diverted funds and engaged in poor budgeting practices, as shown in Table 3.113, where the total allocations and actual expenditures per department are not reconcilable with the corresponding vote books.
7. The county government uses commercial bank accounts for operations contrary to Regulations 82(1) (b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya. The commercial bank accounts are for: Kisumu County Education Fund; Kisumu County Emergency Fund; Kisumu County Assembly MCA's and staff Car Loan and Mortgage Fund; Kisumu County Trade Fund; Kisumu County Women Youth and PWD Fund; Kisumu County Executive Car Loan and Mortgage Fund; Kisumu county Emergency Response Fund; and Kisumu Costs and Contingency Fund among others as indicated in Table 3.110.

The County should implement the following recommendations to improve budget execution:

1. *The County Treasury should ensure timely preparation and submission of financial reports to the Office of the Controller of Budget in line with the timelines prescribed in Section 166 of the PFM Act, 2012.*
2. *The County should address its own-source revenue performance to ensure the approved budget is fully financed. Appropriate austerity measures should be implemented to ensure expenditure commitments are aligned with available revenue.*
3. *The CECM - Finance should follow up to ensure Fund Administrators prepare and submit statutory reports in line with the PFM Act, 2012.*
4. *The County Leadership should address the situation of pending bills to ensure that genuine bills are paid promptly in the remaining financial year. Further, compliance with the payment plan should be enforced.*
5. *The Government requires that salaries be processed through the IPPD system, and the County is advised to fast-track the acquisition of Unified Personnel Numbers for their staff. The County Public Service Board should regulate staff engagement on contract and casual workers as provided under Section 74 of the County Governments Act 2012. Further, strict compliance with the approved staff establishment should be maintained.*
6. *The County Treasury should improve the vote book and budgetary control to ensure expenditure is within the approved budget.*
7. *The County Government should ensure that bank accounts are opened and operated at the Central Bank of Kenya as the law requires. However, imprest bank accounts for petty cash and revenue collection accounts are exempted.*

## 3.18. County Government of Kitui

### 3.18.1 Overview of FY 2024/25 Budget

The Kitui County approved FY 2024/25 budget is Kshs.12.96 billion. It comprised Kshs.4.13 billion (31 per cent) and Kshs.8.83 billion (68 per cent) allocation for development and recurrent programmes, respectively. The budget estimates represent an increase of Kshs.1.06 billion (9 per cent) from the FY 2023/24 budget comprised a development budget of Kshs.3.58 billion and a recurrent budget of Kshs.8.31 billion. The increase in

the budget was attributed to the rise in projection for additional allocations receipts as well as the balance b/f from FY 2023/24 due to June 2024 disbursement to be received in FY 2024/25

The Kitui County Government budget will be financed from different sources of revenue. These include; Kshs.11.24 billion (87 per cent) expected from the National Government as the equitable share of revenue raised nationally, Kshs.1.11 billion (9 per cent) as additional allocations, and Kshs.600 million (4.6 per cent) generated as gross own source revenue. The own-source revenue includes Kshs.350.2 million (58 per cent) as Facility Improvement Fund (revenue from health facilities) and Kshs.249.8 million (42 per cent) as ordinary own-source revenue.

### 3.18.2 Revenue Performance

In the first quarter of FY 2024/25, the County received Kshs.2.85 billion to fund recurrent and development activities. The equitable share from the national government was Kshs. 920.51 million, and the own source revenue (OSR) collection was Kshs. 112.16 million. Additionally, the County had a balance of Kshs. 1.82 billion from FY 2023/24. The balance carried forward from FY 2023/24 includes Kshs. 866.36 million of the June 2024 Equitable Share was disbursed in July 2024.

Analysis of the total OSR collection of Kshs. 112.16 million indicates it included Facilities Improvement Financing (FIF) of Kshs. 72.13 million and Kshs.40.03 million as ordinary OSR. Table 3.115 summarises the total revenue available to the county government during the first quarter of FY 2024/25 performance.

**Figure 69: Trend in Own-Source Revenue Collection from the First Quarter of FY 2018/19 to the First Quarter of FY 2024/25**

Source: Kitui County Treasury

During the first quarter of FY 2024/25, the County generated Kshs.112.16 million from its revenue sources, including FIF. This amount was a decrease of 44 per cent compared to Kshs.200.26 million realised in a similar period in FY 2023/24 and was 19 per cent of the annual target and 12 per cent of the equitable revenue share disbursed. The OSR includes revenue arrears and penalties charged on fees and levies from previous financial years of Kshs.2.15 million.

The decrease in OSR can be attributed to the under performance of F-I-F

The revenue streams which contributed the highest OSR receipts are shown in Figure 70.

**Figure 70: Top Streams of Own Source Revenue in the First Quarter FY 2024/25**

Source: Kitui County Treasury

The highest revenue stream, Kshs.72.13 million, was from Hospital fees (FIF), which contributed 64 per cent of the total OSR receipts during the reporting period.

### 3.18.3 Borrowing by the County

The county government did not submit a report on any borrowing in the reporting period.

### 3.18.4 Exchequer Issues

The Controller of Budget approved withdrawals of Kshs.1.94 billion from the CRF account during the reporting period comprised Kshs.35.91 million (1.8 per cent) for development programmes and Kshs.1.907 billion (98.2 per cent) for recurrent programmes in the first quarter of FY 2024/25. Analysis of the recurrent exchequers released in the first three months of FY 2024/25 indicates that Kshs.1.55 billion was released towards employee compensation and Kshs.361.20 million for operations and maintenance expenditure.

As of September 30, 2024, the county government's cash balance in the CRF account was Kshs. 963.89 million.

### 3.18.5 County Expenditure Review

The County spent Kshs.1.94 million on development and recurrent programmes in the reporting period. The expenditure represented 99.7 per cent of the total funds released by the CoB and comprised of Kshs. 35.9 million and Kshs.1.90 billion on development and recurrent programmes, respectively. Expenditure on development programmes represented an absorption rate of 1.3 per cent, while recurrent expenditure represented 66.8 per cent of the annual recurrent expenditure budget.

### 3.18.6 Settlement of Pending Bills

The county reported that the pending bills at the beginning of FY 2024/25 amounted to Kshs.393.98 million wholly for the county executive.

The County Executive's pending bills comprised Kshs.293.84 million for recurrent expenditures and Kshs.100.13 million for development expenditures. The County Executive did not settle pending bills during the reporting period. Therefore, the County's total outstanding bills were Kshs.393.98 million as of 30th September 2024.

### 3.18.7 Expenditure by Economic Classification

During the first quarter of FY 2024/25, the County Executive spent Kshs.1.45 billion on employee compensation, Kshs.218.32 million on operations and maintenance, and Kshs.35.91 million on development activities. Similarly, the County Assembly spent Kshs.74.78 million on employee compensation and Kshs.159.04 million on operations and maintenance, as shown in Table 3.116.

**Table 3.116: Summary of Budget and Expenditure by Economic Classification**

### 3.18.8 Expenditure on Employees' Compensation

In the first quarter of FY 2024/25, expenditure on employee compensation was Kshs.1.52 billion, or 54 per cent of the available revenue of Kshs.2.85 billion. This expenditure represented an increase from Kshs.1.32 billion reported in a similar period in FY 2023/24. The increase is attributed to ECD teachers transitioning to Permanent and pensionable. The wage bill included Kshs.1.1 billion paid to the health sector employees, translating to 72 per cent of the total wage bill.

Figure 71 shows the trend of personnel expenditures as a percentage of total revenue from the first quarter of FY 2018/19 to the first quarter of FY 2024/25.

**Figure 71: Percentage of Wage Bill to Total Revenue from the First Quarter of FY 2018/19 to the First Quarter of FY 2024/25**

Further analysis indicates that PE costs amounting to Kshs.1.428 billion were processed through the Integrated Personnel and Payroll Database (IPPD) system while Kshs.96.60 million was processed through manual payrolls. The manual payrolls accounted for 6 per cent of the total PE cost.

The County Assembly spent Kshs.4.30 million on committee sitting allowances for the 61 MCAs against the annual budget allocation of Kshs.30.83 million. The average monthly sitting allowance was Kshs.23,110 per MCA. The County Assembly had 22 House committees.

### 3.18.9 County Emergency Fund and County-Established Funds

Section 116 of the PFM Act 2012 allows County Governments to establish other public funds with approval from the County Executive Committee and the County Assembly. The County allocated Kshs.130 million to county-established funds in FY 2024/25, or 1 per cent of the County's overall budget.

Table 3.117 summarises each established Fund's budget allocation and performance during the reporting period.

The County government uses commercial bank accounts to operate the above-established Funds contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County Government bank accounts must be opened and maintained at the Central Bank of Kenya.

### 3.18.10 Expenditure on Operations and Maintenance

Figure 72 summarises the Operations and Maintenance expenditure by major categories.

**Figure 72: Kitui County, Operations and Maintenance Expenditure by Major Categories**

Expenditure on domestic travel amounted to Kshs.241.09 million and comprised Kshs.67.18 million spent by the County Assembly and Kshs.173.91 million by the County Executive. There was no expenditure on foreign travel during the reporting period.

The “*Other Operating Expenses*” are the Appropriation-In-Aid (A-I-A) related expenditures incurred under the FIF.

The County did not provide information on expenditures in garbage collection and Legal fees/Dues, arbitration and compensation payments expenditure legal fees.

### 3.18.11 Facility Improvement Financing

During the period under review, the County reported collecting Kshs.72.13 million as FIF, which was 21 per cent of the annual target of Kshs.350.2 million. The collected amount was retained and utilised at the source in accordance with the Facility Improvement Financing Act, 2023. The County has, however, not developed regulations to operationalise the FIF Act of 2023.

The health facilities did not provide a report on the utilisation of the FIF during the reporting period, contrary to Section 18 (e) of the FIF Act, 2023.

### 3.18.12 Development Expenditure

In the First Quarter of FY 2024/25, the County reported spending Kshs.35.91 million on development programmes, representing a decrease of 39 per cent compared to a similar period in FY 2023/24, when the County spent Kshs.59.15 million. Table 3.118 summarises development projects with the highest expenditure in the reporting period.

Source: Kitui County Treasury

Sub-programmes with the highest levels of implementation based on absorption rates were Tourism Infrastructure Development in the Department of the Deputy Governor at 155 per cent, Curative Health Services in the Department of Health and Sanitization at 98 per cent, legal and Head of Public Services Administration (Office of the County Secretary) in the Department of the governor at 89 per cent, and human resource management Unit at 84 per cent of budget allocation.

### 3.18.14 Accounts Operated in Commercial Banks

The County and assembly operated a total of 13 accounts with commercial banks, 9 of which were managed by the County Executive and 4 by the County Assembly.

This is contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires

that County government bank accounts be opened and maintained at the Central Bank of Kenya. The only exemption is for imprest bank accounts for petty cash and revenue collection bank accounts.

### 3.18.15 Key Observations and Recommendations

In the course of overseeing and reporting on the implementation of the County budget, the COB identified the following challenges which hampered effective budget implementation;

1. Late submission of financial reports by the County Treasury to the Controller of Budget affected the timely preparation of the budget implementation report. County Assembly report were received on 31<sup>st</sup> October, 2024, while County Executive reports were received on 30<sup>th</sup> Oct, 2024.
2. The underperformance of own-source revenue at Kshs.112.56 million against an annual target of Kshs.600 million, representing 18.67 per cent of the yearly target
3. High level of pending bills amounted to Kshs.393.98 million as of 30<sup>th</sup> September 2024. Further, there was non-adherence to the payment plan for the pending bills by the County Treasury.
4. Use of manual payroll. Personnel emoluments amounting to Kshs.96.60 million were processed through the manual payroll, accounting for 6.3 per cent of the total payroll cost. The manual payroll is prone to abuse and may lead to the loss of public funds where there is a lack of proper controls.
5. The County Government uses commercial bank accounts for operations contrary to Regulations 82(1) (b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya. The commercial bank accounts are for Fund administration, Revenue collection and additional allocations operations

The County should implement the following recommendations to improve budget execution:

1. *The County Treasury should ensure timely preparation and submission of financial reports to the Office of the Controller of Budget in line with the timelines prescribed in Section 166 of the PFM Act, 2012.*
2. *The County should address its own-source revenue performance to ensure the approved budget is fully financed. Appropriate austerity measures should be implemented to ensure expenditure commitments are aligned with available revenue.*
3. *The county leadership should address the situation of pending bills to ensure that genuine bills are paid promptly in the remaining financial year. Further, compliance with the payment plan should be enforced.*
4. *The Government requires that salaries be processed through the IPPD system, and the County is advised to fast-track the acquisition of Unified Personnel Numbers for their staff. The County Public Service Board should regulate staff engagement on contract and casual workers as provided under Section 74 of the County Governments Act 2012. Further, strict compliance with the approved staff establishment should be maintained.*
5. *The County Government should ensure that bank accounts are opened and operated at the Central Bank of Kenya as the law requires. However, imprest bank accounts for petty cash and revenue collection accounts are exempted.*

## 3.19. County Government of Kwale

### 3.19.1 Overview of FY 2024/25 Budget

The Kwale County approved FY 2024/25 budget is Kshs.12.21 billion. It comprised Kshs.5.20 billion (43 per cent) and Kshs.7.01 billion (57 per cent) allocation for development and recurrent programmes, respectively. The budget estimates represent an increase of Kshs. 10.97 billion (11 per cent) from the FY 2023/24 budget comprised of a development budget of Kshs.4.42 billion and a recurrent budget of Kshs.6.56 billion.

The Kwale County Government budget will be financed from different sources of revenue. These include; Kshs.8.89 billion (73 per cent) expected from the National Government as the equitable share of revenue raised nationally, Kshs.2.57 million as additional allocations, a cash balance of Kshs.267.28 million (22 per cent) brought forward from FY 2023/24, and Kshs.76.66 million (6 per cent) generated as gross own source revenue. The own source revenue includes Kshs.38.39 million (3 per cent) as Facility Improvement Fund (revenue from health facilities), and, Kshs.38.27 million (3 per cent) as ordinary own-source revenue. A breakdown of the additional allocations is provided in Table 3.121.

### 3.19.2 Revenue Performance

In the first quarter of FY 2024/25, the County received a total of Kshs. 1.13billion to fund recurrent and development activities. The equitable share from the national government was Kshs. 729.65 million, additional allocations from government and development partners of Kshs.52.63 million and own source revenue (OSR) collection of Kshs.76.66 million. Additionally, the County had a balance of Kshs. 996.93 million from FY 2023/24. The balance carried forward from FY 2023/24 includes Kshs. 729.65 million of the June 2024 Equitable Share that was disbursed in July 2024.

Analysis of the total OSR collection of Kshs. 76.66 million indicates that it included Facilities Improvement Financing (FIF) of Kshs. 38.39 million and Kshs.38.27 million as ordinary OSR. Table 3.121 summarises the total revenue available to the county government during the first quarter of FY 2024/25 performance.

The highest revenue stream, Kshs.38.39 million, was from Hospital fees/FIF, which contributed 50 per cent of the total OSR receipts during the reporting period.

### 3.19.3 Borrowing by the County

The county has not provided any information on borrowing.

### 3.19.4 Exchequer Issues

The Controller of Budget approved withdrawals of Kshs.1.56 billion from the CRF account during the reporting period, which comprised Kshs.282.61 million (18 per cent) for development programmes and Kshs.1.29 billion (82 per cent) for recurrent programmes. Analysis of the recurrent exchequers released in the first three months of FY 2024/25 indicates that Kshs.947.92 million was released towards Employee Compensation and Kshs.334.85 million for Operations and Maintenance expenditure.

The county government had a cash balance of Kshs.822.25 million in the CRF account as on 30th September 2024.

### 3.19.5 County Expenditure Review

The County spent Kshs.1.70 billion on development and recurrent programmes in the reporting period. The expenditure represented 109 per cent of the total funds released by the CoB and comprised of Kshs.333.22 million and Kshs.1.36 billion on development and recurrent programmes, respectively. Expenditure on development programmes represented an absorption rate of 13 per cent, while recurrent expenditure represented 37 per cent of the annual recurrent expenditure budget.

### 3.19.6 Settlement of Pending Bills

The County reported pending bills amounting to Kshs.2.19 billion as of 30<sup>th</sup> June 2024, comprising pending payments by the county executive of Kshs. 528.92 million.

The county executive's pending bills consist of Kshs.648.23 million for recurrent expenditures and Kshs.956.43 million for development expenditures. The County executive settled pending bills of Kshs.528.92 million for recurrent expenditure. Therefore, the outstanding bills were Kshs.1.60 billion as of 30th September 2024.

### 3.19.7 Expenditure by Economic Classification

During the first quarter of FY 2024/25, the County Executive spent Kshs.1.18 billion on employee compensation, Kshs.188.46 million on operations and maintenance, and Kshs.333.22 million on development activities. Similarly, the County Assembly spent Kshs.45.95 million on employee compensation and Kshs.0.11 million on operations and maintenance.

Source: Kwale County Treasury

Sub-programmes with the highest levels of implementation based on absorption rates were: Administration services in the Department of Roads and Public Works at 68 per cent, Personnel in the Department of Health at 65 per cent, Audit in the Department of County Executive Services at 63 per cent of budget allocation.

### 3.19.15 Accounts Operated in Commercial Banks

The County government operated a total of 64 accounts with commercial banks, of which seven were related to healthcare facilities.

This is contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya. The only exemption is for imprest bank accounts for petty cash and revenue collection bank accounts.

### 3.19.16 Key Observations and Recommendations

In the course of overseeing and reporting on the implementation of the County budget, the COB identified the following challenges which hampered effective budget implementation;

1. Late submission of financial reports by the County Treasury to the Controller of Budget affected the timely preparation of the budget implementation report. The report was received on 31<sup>st</sup> October, 2024.
2. The underperformance of own-source revenue at Kshs.76.66 million against an annual target of Kshs.750 million, representing 10.2 per cent of the yearly target.
3. Fund Administrators failed to submit quarterly financial and non-financial reports to the COB within the timelines provided by law, which is against the requirement of Section 168 of the PFM Act, 2012. The reports for all the established funds were not submitted to the Controller of Budget as of 15<sup>th</sup> October 2024.
4. High level of pending bills which amounted to Kshs.1.66 billion as of 30<sup>th</sup> September 2024. Further, there was non-adherence to the payment plan for the pending bills by the County Treasury.
5. The County Government uses commercial bank accounts for operations contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya. The commercial bank accounts are for Grants, Imprest, revenue collection, development projects retention money and Funds.

The County should implement the following recommendations to improve budget execution:

1. *The County Treasury should ensure timely preparation and submission of financial reports to the Office of the Controller of Budget in line with the timelines prescribed in Section 166 of the PFM Act, 2012.*
2. *The County should address its own-source revenue performance to ensure the approved budget is fully financed. Appropriate austerity measures should be implemented to ensure expenditure commitments are aligned with available revenue.*

3. The CECMF should follow up to ensure Fund Administrators prepare and submit statutory reports in line with the PFM Act, 2012.
4. The county leadership should address the situation of pending bills to ensure that genuine bills are paid promptly in the remaining financial year. Further, compliance with the payment plan should be enforced.
5. The County Government should ensure that bank accounts are opened and operated at the Central Bank of Kenya as the law requires. However, imprest bank accounts for petty cash and revenue collection accounts are exempted.

## 3.20. County Government of Laikipia

### 3.20.1 Overview of FY 2024/25 Budget

The Laikipia County approved FY 2024/25 budget is Kshs.8.05 billion. It comprised Kshs.3.15 billion (39 per cent) and Kshs.4.89 billion (61 per cent) allocation for development and recurrent programmes, respectively. The budget estimates represent an increase of Kshs.798.58 million (11 per cent) from the FY 2023/24 budget comprised of a development budget of Kshs.2.37 billion and a recurrent budget of Kshs.4.87 billion. The increase in the budget was attributed to the rise in recurrent balance.

The Laikipia County Government budget will be financed from different sources of revenue. These include; Kshs.5.57 billion (69.2 per cent) expected from the National Government as the equitable share of revenue raised nationally, Kshs.850.57 million as additional allocations, a cash balance of Kshs.159.19 million (0.0 per cent) brought forward from FY 2023/24, and Kshs.1.47 billion (18 per cent) generated as gross own-source revenue. The own source revenue includes Kshs.30.0 million (0.4 per cent) as Appropriations-in-Aid (A-I-A), Kshs.602.5 million (8 per cent) as Facility Improvement Fund (revenue from health facilities), and Kshs.842.5 million (11 per cent) as ordinary own-source revenue. Table xx provides a breakdown of the additional allocations.

### 3.20.2 Revenue Performance

In the first quarter of FY 2024/25, the County received Kshs.1.11 billion to fund recurrent and development activities. The equitable share from the National Government was Kshs.455.45 million, and its own source revenue (OSR) collection of Kshs.221.07 million. In addition, the County had a cash balance of Kshs.428.66 million from FY 2023/24.

Analysis of the total OSR collection of Kshs.221.07 million indicates that it included Appropriations in Aid (AIA) of Kshs.0.0 million and Facilities Improvement Financing (FIF) of Kshs.122.78 million and Kshs.98.29 million as ordinary OSR. Table 3.127 summarises the total revenue available to the county government during the first quarter of FY 2024/25 performance.

The highest revenue stream, Kshs.122.78 million, was from the Hospital/Facility Improvement Fund, which contributed 56 per cent of the total OSR receipts during the reporting period.

### 3.20.3 Borrowing by the County

The County Government executive did not borrow from a commercial bank during the review period. However, the County Assembly borrowed (Kshs.24.0 million) from Family Bank to support its operations.

### 3.20.4 Exchequer Issues

The Controller of Budget approved withdrawals of Kshs.465.85 million from the CRF account during the reporting period, comprised of Kshs.27.66 million (6 per cent) for development programmes and Kshs.438.19 million (94 per cent) for recurrent programmes in the first quarter of FY 2024/25. Analysis of the recurrent exchequers released in the first three months of FY 2024/25 indicates that Kshs.313.60 million was released towards employee compensation and Kshs.124.59 million for operations and maintenance expenditures.

As of 30 September 2024, the County Government's cash balance in the CRF account was Kshs.525.19 million.

### 3.20.5 County Expenditure Review

The County spent Kshs.508.47 million on development and recurrent programmes in the reporting period. The expenditure represented 109 per cent of the total funds released by the CoB and comprised of Kshs.27.92 million and Kshs.480.55 million on development and recurrent programmes, respectively. Expenditure on development programmes represented an absorption rate of 0.9 per cent, while recurrent expenditure represented 99 per cent of the annual recurrent expenditure budget.

### 3.20.6 Settlement of Pending Bills

The County reported pending bills amounting to Kshs.1.74 billion as of 30 June 2024, comprising pending payments by the county executive of Kshs.1.69 billion and Kshs 50.02 million for the County Assembly.

The County Executive's pending bills consist of Kshs.777.74 million for recurrent expenditures and Kshs.907.86 million for development expenditures. In the reporting period, the County Executive settled pending bills amounting to Kshs.79.39 million, which was entirely for recurrent activities, while the County Assembly settled recurrent pending bills worth Kshs.15.74 million. Therefore, the outstanding bills were Kshs.1.64 billion as of 30 September 2024.

### 3.20.7 Expenditure by Economic Classification

During the first quarter of FY 2024/25, the County Executive spent Kshs.285.66 million on employee compensation, Kshs.107.43 million on operations and maintenance, and Kshs.27.92 million on development activities. Similarly, the County Assembly spent Kshs.54.01 million on employee compensation, Kshs.33.45 million on operations and maintenance, and nil on development activities, as shown in Table 3.128

Based on absorption rates, the sub-programmes with the highest implementation levels were General Admin in the Department of Education at 32 per cent, Revenue Services in the Department of Finance at 29 per cent, and Legislative and Oversight in the Department of Assembly at 16 per cent of budget allocation.

### 3.20.15 Accounts Operated in Commercial Banks

The County Government operated a total of Bank accounts with commercial banks, of which three are related to healthcare facilities.

This is contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya. The only exemption is for imprest bank accounts for petty cash and revenue collection bank accounts.

### 3.20.16 Key Observations and Recommendations

In the course of overseeing and reporting on the implementation of the County budget, the COB identified the following challenges which hampered effective budget implementation;

1. Late submission of financial reports by the County Treasury to the Controller of Budget affected the timely preparation of the budget implementation report. The report was received on 28 October 2024
2. The underperformance of own-source revenue at Kshs.98.29 million against an annual target of Kshs.842.5 million, representing 11.7 per cent of the yearly target.
3. The County Treasury had a high number of pending bills, which amounted to Kshs.1.64 billion as of 30 September 2024. Further, the County Treasury did not adhere to the payment plan for the pending bills.
4. Use of manual payroll. Personnel emoluments amounting to Kshs.49.41 million were processed through manual payroll, accounting for 15 per cent of the total payroll cost. Manual payroll is prone to abuse and may lead to the loss of public funds where there is a lack of proper controls.
5. The County Government uses commercial bank accounts for operations contrary to Regulations 82(1) (b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya.

The County should implement the following recommendations to improve budget execution:

1. *The County Treasury should ensure timely preparation and submission of financial reports to the Office of the Controller of Budget per the timelines prescribed in Section 166 of the PFM Act, 2012.*
2. *The County should address its own-source revenue performance to ensure the approved budget is fully financed. Appropriate austerity measures should be implemented to ensure expenditure commitments are aligned with available revenue.*
3. *The county leadership should address the situation of pending bills to ensure that genuine bills are paid promptly in the remaining financial year. Further, compliance with the payment plan should be enforced.*
4. *The Government requires that salaries be processed through the IPPD system, and the County is advised to fast-track the acquisition of Unified Personnel Numbers for their staff. The County Public Service Board should regulate staff engagement on contract and casual workers as provided under Section 74 of the County Governments Act 2012. Further, strict compliance with the approved staff establishment should be maintained.*
5. *The County Government should ensure that bank accounts are opened and operated at the Central Bank of Kenya as the law requires. However, imprest bank accounts for petty cash and revenue collection accounts are exempted.*

## 3.21. County Government of Lamu

### 3.21.1 Overview of FY 2024/25 Budget

The Lamu County approved FY 2024/25 budget is Kshs.5.29 billion. It comprised Kshs.2.21 billion (42.8 per cent) and Kshs.3.08 billion (58.3 per cent) allocation for development and recurrent programmes, respectively. The budget estimates represent an increase from Kshs.4.54 billion (16.5 per cent) in the FY 2023/24 budget, which comprised a development budget of Kshs.1.54 billion and a recurrent budget of Kshs.3.0 billion. The increase in the county government budget was attributed to a rise in the equitable shareable revenue from the National Government, the revenue raised nationally, additional allocations, and improved own source revenue collection.

The Lamu County Government budget will be financed from different sources of revenue. These include; Kshs.3.36 billion (63.6 per cent) expected as the equitable share of revenue raised nationally, Kshs.1.16 billion as additional allocations, a cash balance of Kshs.478.61 million (9 per cent) brought forward from FY 2023/24, and Kshs.290 million (5.5 per cent) generated as gross own source revenue. The own-source revenue includes Kshs.130 million (2.5 per cent) as Facility Improvement Fund (revenue from health facilities) and Kshs.160 million (3 per cent) as ordinary own-source revenue. A breakdown of the additional allocations is shown in Table 3.135.

### 3.21.2 Revenue Performance

In the first quarter of FY 2024/25, the County received Kshs.1.06 billion to fund recurrent and development activities. The equitable share from the national Government was Kshs.275.17 million, additional allocations from government and development partners of Kshs.11 million and own source revenue (OSR) collection of Kshs.34.52 million. In addition, the County had a cash balance of Kshs.737.6 million from FY 2023/24.

Analysis of the total OSR collection from Facilities Improvement Financing (FIF) of Kshs.21.05 million and Kshs.13.46 million as ordinary OSR. Table 3.135 summarises the total revenue available to the county government during the first quarter of FY 2024/25.

Source: Lamu County Treasury

During the first quarter of FY 2024/25, the County generated a total of Kshs.34.52 million from its sources of revenue and FIF. This amount was an increase of 75.5 per cent compared to Kshs.19.67 million realised in a similar period in FY 2023/24 and was 12 per cent of the annual target and 0.4 per cent of the equitable revenue share disbursed. The OSR includes revenue arrears and penalties charged on fees and levies from previous financial years of Kshs.2.69 million. The increase in OSR can be attributed to good governance within the revenue department, enhanced internal control measures, data gathering and mapping, especially on single business permits, and improved enforcement of revenue collection.

The revenue streams which contributed the highest OSR receipts are shown in Figure 82.

**Figure 82: Top Streams of Own Source Revenue in the First Quarter FY 2024/25**

*Source: Lamu County Treasury*

The highest revenue stream, Kshs.21.05 million, was from Facility Improvement Financing, which contributed 62 per cent of the total OSR receipts during the reporting period.

### 3.21.3 Exchequer Issues

The Controller of Budget approved withdrawals of Kshs.397.72 million from the CRF account during the reporting period, which comprised Kshs.11 million (2.8 per cent) for development programmes and Kshs.386.72 billion (97.2 per cent) for recurrent programmes in the first quarter of FY 2024/25. Analysis of the recurrent exchequers released in the first three months of FY 2024/25 indicates that Kshs.310.28 million was released towards employee compensation and Kshs.76.44 million for operations and maintenance expenditure.

As of 30 September 2024, the county government's cash balance in the CRF account was Kshs. 425.29 million.

### 3.21.4 County Expenditure Review

The County reported an expenditure of Kshs.379.38 million on recurrent programs in the reporting period. The expenditure represented 95.4 per cent of the total funds released by the CoB and 12.8 per cent of the annual recurrent expenditure budget.

### 3.21.5 Settlement of Pending Bills

The County reported pending bills amounting to Kshs.49.12 million and has not paid towards pending bills. The county assembly has no pending bills.

The county executive's pending bills consist of Kshs.23.8 million for recurrent expenditures and Kshs.25.3 million for development expenditures.

### 3.21.6 Expenditure by Economic Classification

During the first quarter of FY 2024/25, the County Executive spent Kshs.282.37 million on employee compensation and Kshs.67.59 million on operations and maintenance. Similarly, the County Assembly spent Kshs.27.9 million on employee compensation and Kshs.1.5 million on operations and maintenance. The County did not report any expenditure on the development budget, as shown in Table 3.136.

**Table 3.136: Summary of Budget and Expenditure by Economic Classification**

### 3.21.7 Expenditure on Employees' Compensation

In the first quarter of FY 2024/25, expenditure on employee compensation was Kshs.310.3 million, or 29.3 per cent of the available revenue of Kshs.1.06 billion. This expenditure represented an increase from Kshs.279.20 million reported in a similar period in FY 2023/24. The wage bill included Kshs.188.07 million paid to the health sector employees, translating to 60.6 per cent of the total wage bill.

Figure 83 shows the trend of personnel expenditures as a percentage of total revenue from the first quarter of FY 2017/18 to the first quarter of FY 2024/25.

**Figure 83: Percentage of Wage Bill to Total Revenue from the First Quarter of FY 2018/19 to the First Quarter of FY 2024/25**

Further analysis indicates that PE costs amounting to Kshs.270.23 million were processed through the Integrated Personnel and Payroll Database (IPPD) system while Kshs.40.04 million was processed through manual payrolls. The manual payrolls accounted for 12.9 per cent of the total PE cost.

The County Assembly spent Kshs.1.47 million on committee sitting allowances for the 20 MCAs against the annual budget allocation of Kshs.4.65 million. The average monthly sitting allowance was Kshs.77,565 per MCA. The County Assembly had 17 House committees.

### 3.21.8 County Emergency Fund and County-Established Funds

Section 116 of the PFM Act 2012 allows County Governments to establish other public funds with approval from the County Executive Committee and the County Assembly. The County allocated Kshs.134.51 million to county-established funds in FY 2024/25 or 2.5 per cent of the County's overall budget. Further, the County

allocated Kshs.7.8 million to the Emergency Fund (0.1 per cent of the total budget) in line with Section 110 of the PFM Act, 2012.

Table 3.137 summarises each established Fund's budget allocation and performance during the reporting period.

During the reporting period, the CoB received quarterly financial reports from the seven fund administrators, as indicated in Table 3.137, contrary to the requirement of Section 168 of the PFM Act, 2012.

The County government uses commercial bank accounts to operate the above-established Funds contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County Government bank accounts must be opened and maintained at the Central Bank of Kenya.

### 3.21.9 Expenditure on Operations and Maintenance

Figure 84 summarises the Operations and Maintenance expenditure by major categories.

**Figure 84: Lamu County, Operations and Maintenance Expenditure by Major Categories**

Domestic travel expenses amounted to Kshs.2.82 million, comprised of Kshs.1.51 million spent by the County Assembly and Kshs.1.30 million by the County Executive. The other operating expenses were payments due to WIBA.

### 3.21.10 Facility Improvement Financing

During the period under review, the County reported collecting Kshs.21.05 million as FIF, which was 16.2 per cent of the annual target of Kshs.130 million. The collected amount was retained and utilised at source in line with the Facility Improvement Financing Act, 2023. Further, the County has regulations to operationalise the FIF Act of 2023.

The expenditure by the health facilities amounted to Kshs.30 million, as shown in Table 3.138

**Table 3.138: Breakdown of expenditure by health facilities in the first quarter of FY 2024/25**

The sub-programmes with the highest levels of implementation based on absorption rates were: Bursaries in the Department of Education, gender and Social Services at 49 per cent, Water management, conservation and provision in the Department of Water and Management at 42 per cent, Administration services in the Department of Lands and Physical Planning at 18 per cent and Administration Services in the County Executive at 15 per cent of budget allocation.

### 3.21.13 Accounts Operated in Commercial Banks

The County government operated 40 accounts with commercial banks, five of which were for hospitals and another five for vocational training centres.

This is contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya. The only exemption is for imprest bank accounts for petty cash and revenue collection bank accounts.

### 3.21.14 Key Observations and Recommendations

In the course of overseeing and reporting on the implementation of the County budget, the COB identified the following challenges which hampered effective budget implementation;

1. The County Treasury's late submission of financial reports to the Controller of Budget affected the timely preparation of the budget implementation report. The reports were received on 29 October 2024.
2. Own-source revenue underperformed at Kshs.34.52 million against an annual target of Kshs.190 million, representing 12 per cent of the yearly target.
3. Use of manual payroll. Personnel emoluments amounting to Kshs.40.04 million were processed through manual payroll, accounting for 12.9 per cent of the total payroll cost. Manual payroll is prone to abuse and may lead to the loss of public funds where there is a lack of proper controls.
4. The County Government uses commercial bank accounts for operations contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya.

The County should implement the following recommendations to improve budget execution:

1. *The County Treasury should ensure timely preparation and submission of financial reports to the Office of the Controller of Budget in line with the timelines prescribed in Section 166 of the PFM Act, 2012.*
2. *The County should address its own-source revenue performance to ensure the approved budget is fully*

financed. Appropriate austerity measures should be implemented to ensure expenditure commitments are aligned with available revenue.

3. The Government requires that salaries be processed through the IPPD system, and the County is advised to fast-track the acquisition of Unified Personnel Numbers for their staff. The County Public Service Board should regulate staff engagement on contract and casual workers as provided under Section 74 of the County Governments Act 2012. Further, strict compliance with the approved staff establishment should be maintained.
4. The County Government should ensure that bank accounts are opened and operated at the Central Bank of Kenya as the law requires. However, imprest bank accounts for petty cash and revenue collection accounts are exempted.

## 3.22. County Government of Machakos

### 3.22.1 Overview of FY 2024/25 Budget

The Machakos County approved FY 2024/25 budget is Kshs.14.39 billion. This comprised of Kshs.4.33 billion (30.1 per cent) and Kshs.10.07 billion (69.9 per cent) allocated for development and recurrent programmes, respectively. The budget estimates represent a decrease of Kshs.1.42 billion (9.0 per cent) from the FY 2023/24 budget comprised of a development budget of Kshs.5.03 billion and a recurrent budget of Kshs.10.77 billion. The decrease in the budget was attributed to the decline in the additional allocation of Kshs.370.65 million, own source revenue of Kshs.464.67 million, Facility Improvement Fund (revenue from health facilities) of Kshs.321 million.

The Machakos County Government budget will be financed from different sources. The County Governments expect to receive Kshs.9.91 billion (68.9 per cent) as the equitable share of revenue raised nationally, Kshs.1.0 billion (7.0 per cent) as additional allocations, and generate Kshs.3.48 billion (24.1 per cent) as gross own source revenue. The own-source revenue includes Kshs.687.0 million (19.8 per cent) as Facility Improvement Fund (revenue from health facilities) and Kshs.2.79 billion (80.2 per cent) as ordinary own-source revenue. A breakdown of the additional allocations is shown in Table 3.141.

### 3.22.2 Revenue Performance

In the first quarter of FY 2024/25, Machakos County received Kshs.1.92 billion to fund recurrent and development activities. Equitable share from the national government of Kshs.811.52 million. Additional allocations from government and development partners of Kshs.52.63 million, own source revenue (OSR) collection of Kshs.287.42 million. In addition, the county government reported Kshs.765.61 million balances from FY 2023/24.

The total OSR of Kshs.287.42 million includes Facilities Improvement Financing (FIF) of Kshs.50.31 million as FIF and Kshs.237.11 million as ordinary OSR. Table 3.141 summarises the total revenue available to the county government during the first quarter of FY 2024/25 performance.

In the first quarter of FY 2024/25, the County generated a total of Kshs.287.42 million from its sources of revenue, including FIF and AIA. This amount was an increase of 286.4 per cent compared to Kshs.103.82 million realised in a similar period in FY 2023/24 and was 8 per cent of the annual target and 3 per cent of the equitable revenue share disbursed.

The revenue streams which contributed the highest OSR receipts are shown in Figure 86.

**Figure 86: Top Streams of Own Source Revenue in the First Quarter FY 2024/25**

The highest revenue stream, Kshs.50.31 million, was from Facility Improvement Facilities fees, which contributed 17 per cent of the total OSR receipts during the reporting period.

### 3.22.3 Exchequer Issues

During the reporting period, the Controller of Budget approved withdrawals of Kshs.1.62 billion from the CRF account comprised Kshs.226.48 million (14.0 per cent) for development programmes and Kshs.1.39 billion (86.0 per cent) for recurrent programmes in the first quarter of FY 2024/25. Analysis of the recurrent exchequers released in the first three months of FY 2024/25 indicates that Kshs.1.10 billion was released towards

Employee Compensation and Kshs.285.17 million for Operations and Maintenance expenditure.

As of 30 September, 2024, the county government's cash balance in the CRF account was Kshs. 299.81 million.

### 3.22.4 County Expenditure Review

The County spent Kshs.1.48 billion on development and recurrent programmes during the reporting period. The expenditure represented 92 per cent of the total funds released by the CoB and comprised of Kshs. 193.93 million and Kshs.1.28 billion on development and recurrent programmes, respectively. Expenditure on development programmes represented an absorption rate of 5 per cent, while recurrent expenditure represented 13 per cent of the annual recurrent expenditure budget.

### 3.22.5 Settlement of Pending Bills

The County Government reported pending bills amounting to Kshs 5.16 billion as of June 2024. This is comprised of pending bills from the County Executive of Kshs.5.03 billion and Kshs 128.31 million for the County Assembly.

The County Executive's pending bills amounted to Kshs.3.56 billion for recurrent expenditure and Kshs.1.47 billion for development expenditure. The County Executive settled pending bills amounting to Kshs. 742.57 million in the first quarter of FY 2024/25, which consisted of Kshs. 644.21 million for recurrent expenditure and Kshs. 98.36 million for development programmes. The County Assembly did not pay any amount to settle pending bills. Hence, the outstanding bills were Kshs.4.42 billion as of 30 September 2024.

### 3.22.6 Expenditure by Economic Classification

During the first quarter of FY 2024/25, the County Executive spent Kshs.995.20 million on employee compensation, Kshs.198.03 million on operations and maintenance, and Kshs.193.93 million on development activities. Similarly, the County Assembly spent Kshs.55.41 million on employee compensation, Kshs.36.11 million on operations and maintenance, and nil on development activities, as shown in Table 3.142.

**Table 3.142: Summary of Budget and Expenditure by Economic Classification**

### 3.22.7 Expenditure on Employees' Compensation

In the first quarter of FY 2024/25, expenditure on employee compensation was Kshs.1.05 billion, or 55 per cent of the available revenue, which amounted to Kshs.1.92 billion. This expenditure represented an increase from Kshs.1.04 billion reported in a similar period in FY 2023/24. The wage bill included Kshs.293.22 million paid to health sector employees, translating to 28 per cent of the total wage bill.

Figure 87 shows the trend of personnel expenditures as a percentage of total revenue from the first quarter of FY 2019/20 to the first quarter of FY 2024/25.

**Figure 87: Percentage of Wage Bill to Total Revenue from the First Quarter of FY 2019/20 to the First Quarter of FY 2024/25**

Further analysis indicates that PE costs amounting to Kshs.1.72 billion were processed through the Integrated Personnel and Payroll Database (IPPD) system. In contrast, Kshs.41.32 million was processed through manual payrolls, which accounted for 2 per cent of the total PE cost.

The County Assembly spent Kshs.10.76 million on committee sitting allowances for the 61 MCAs against the annual budget allocation of Kshs.50 million. The average monthly sitting allowance was Kshs.58,798 per MCA. The County Assembly has established 25 Committees.

### 3.22.8 County Emergency Fund and County-Established Funds

Section 116 of the PFM Act 2012 allows County Governments to establish other public funds with approval from the County Executive Committee and the County Assembly. The County allocated Kshs.303.58 million to county-established funds in FY 2024/25, constituting 2.1 per cent of the County's overall budget. Further, the County did not allocate any funds to the Emergency Fund in line with Section 110 of the PFM Act, 2012.

Table 3.143 summarises each established Fund's budget allocation and performance during the reporting period.

**Table 3.143: Performance of County Established Funds in the First Quarter of FY 2024/25**

During the reporting period, the CoB did not receive quarterly financial returns from the Fund Administrators of five funds, as indicated in Table 3.143 contrary to the requirement of Section 168 of the PFM Act, 2012.

The County government uses commercial bank accounts to operate the above-established public funds contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which require that County government bank accounts must be opened and maintained at the Central Bank of Kenya.

### 3.22.9 Expenditure on Operations and Maintenance

Figure 88 summarises the Operations and Maintenance expenditure by major categories.

**Figure 88: Machakos County, Operations and Maintenance Expenditure by Major Categories**

Source: Machakos County Treasury

Expenditure on domestic travel amounted to Kshs.36.84 million and comprised Kshs.29.14 million spent by the County Assembly and Kshs.7.70 million by the County Executive. There was no expenditure on foreign travel for either the County Assembly or the County Executive.

The operations and maintenance costs include an expenditure of Kshs.13.78 million on contracted guards and services and Kshs.9.36 million on other expenses.

### 3.22.10 Facility Improvement Financing

During the period under review, the County reported collecting Kshs.50.31 million as FIF, which was 7 per cent of the annual target of Kshs.687.0 million. The collected amount was swept to the CRF as per the standing orders since the County has not developed regulations to operationalise the FIF Act of 2023.

### 3.22.11 Development Expenditure

In the First Quarter of FY 2024/25, the County reported expenditure of Kshs.193.93 million on development programmes, representing an increase of 100 per cent compared to a similar period in FY 2023/24 when the County spent nil. The table summarises development projects with the highest expenditure in the reporting period.

### 3.22.14 Accounts Operated in Commercial Banks

The County government operated 221 accounts with commercial banks, of which 192 are related to healthcare facilities. This is contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya. The only exemption is for imprest bank accounts for petty cash and revenue collection bank accounts.

### 3.22.15 Key Observations and Recommendations

In the course of overseeing and reporting on the implementation of the County budget, the COB identified the following challenges which hampered effective budget implementation;

1. Late submission of financial reports by the County Treasury to the Controller of Budget affected the timely preparation of the budget implementation report. The report was received on 30 October, 2024.
2. The underperformance of own-source revenue at Kshs.287.42 million against an annual target of Kshs.3.48 billion, representing 8 per cent of the yearly target.
3. Fund Administrators failed to submit quarterly financial and non-financial reports to the COB within the timelines provided by law, which is against the requirement of Section 168 of the PFM Act, 2012. The reports for the bursary Fund, car loan and mortgage Fund and Climate Change Fund were not submitted to the Controller of Budget as of 15 October 2024.
4. High level of pending bills, which amounted to Kshs.4.42 billion as of 30 September 2024. Further, there was non-adherence to the payment plan for the pending bills by the County Treasury.
5. Failure by fund administrators to submit quarterly financial and non-financial reports to the COB within the timelines provided by law is against the requirement of Section 168 of the PFM Act, 2012. The reports for the County Bursary, County Executive Car Loan and Mortgage, Climate Fund, County Assembly MCA Car Loan and Mortgage, and County Assembly Staff Car Loan and Mortgage Fund were not submitted to the Controller of Budget.
6. The County Government uses commercial bank accounts for operations contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya. The commercial bank accounts are for 224.

The County should implement the following recommendations to improve budget execution:

1. *The County Treasury should ensure timely preparation and submission of financial reports to the Office of the Controller of Budget in line with the timelines prescribed in Section 166 of the PFM Act, 2012.*
2. *The County should address its own-source revenue performance to ensure the approved budget is fully financed. Appropriate austerity measures should be implemented to ensure expenditure commitments are aligned with available revenue.*
3. *The CECMF should follow up to ensure Fund Administrators prepare and submit statutory reports in line with the PFM Act, 2012.*
4. *The County Leadership should address the situation of pending bills to ensure that genuine bills are paid promptly in the remaining financial year. Further, compliance with the payment plan should be enforced.*
5. *The CECMF should follow up to ensure Fund Administrators prepare and submit statutory reports in line with the PFM Act, 2012.*
6. *The County Government should ensure that bank accounts are opened and operated at the Central Bank of Kenya as the law requires. However, imprest bank accounts for petty cash and revenue collection accounts are exempted.*

## 3.23. County Government of Makueni

### 3.23.1 Overview of FY 2024/25 Budget

The Makueni County approved FY 2024/25 budget is Kshs.11.19 billion. It comprised Kshs.3.72 billion (33 per cent) and Kshs. 7.47 billion (67 per cent) allocation for development and recurrent programmes, respectively. The budget estimates represent an increase of Kshs. 15.1 million (less than a 1 per cent increase) from the FY 2023/24 budget comprised a development budget of Kshs.3.33 billion and a recurrent budget of Kshs.7.85 billion.

The Makueni County Government budget will be financed from different sources of revenue. These include; Kshs.8.76 billion (78 per cent) expected from the National Government as the equitable share of revenue raised nationally, Kshs.990.05 million as additional allocations (9 per cent) and Kshs.1.44 billion (13 per cent) generated as gross own source revenue. The own source revenue includes Kshs.389.82 million (27 per cent) as Appropriations-in-Aid (A-I-A), Kshs.176.43 million (12 per cent) as Facility Improvement Fund (revenue from health facilities), and, Kshs.878.32 million (61 per cent) as ordinary own-source revenue. A breakdown of the additional allocations is shown in Table 3.147.

### 3.23.2 Revenue Performance

In the first quarter of FY 2024/25, the County received Kshs.1.62 billion to fund recurrent and development activities. The equitable share from the National Government was Kshs. 1.39 billion, Additional allocations from government and development partners of Kshs. 10million and own source revenue (OSR) collection of Kshs. 221.41 million.

Analysis of the total OSR collection of Kshs. 221.41 million indicates it included Appropriations in Aid (AIA) of Kshs. 56.28 million and Facilities Improvement Financing (FIF) of Kshs. 75.14 million and Kshs.89.97 million as ordinary OSR. Table 3.147 summarises the total revenue available to the county government during the first quarter of FY 2024/25 performance.

During the first quarter of FY 2024/25, the County generated a total of Kshs.221.41 million from its sources of revenue, including AIA and FIF. This amount was an increase of 18 per cent compared to Kshs.188.06 million realised in a similar period in FY 2023/24 and was 15 per cent of the annual target and 16per cent of the equitable revenue share disbursed. The OSR includes revenue arrears and penalties charged on fees and levies from previous financial years of Kshs.541.80 million.

The increase in OSR can be attributed to increased revenue mobilisation and enforcement. Figure 90 shows the revenue streams that contributed the highest OSR receipts.

**Figure 90: Top Streams of Own Source Revenue in the First Quarter FY 2024/25**

The highest revenue stream, Kshs.131.42 million, was from Hospital/Health AIA/FIF, contributing to 59 per cent of the total OSR receipts during the reporting period.

### 3.23.3 Exchequer Issues

The Controller of Budget approved withdrawals of Kshs.1.53 billion from the CRF account during the reporting period, which comprised Kshs.47.0 million (3 per cent) for development programmes and Kshs.1.48 billion (97 per cent) for recurrent programmes in the first quarter of FY 2024/25. Analysis of the recurrent exchequers released in the first three months of FY 2024/25 indicates that Kshs.1.14 billion was released towards employee compensation and Kshs.342.40 million for operations and maintenance expenditure.

As of 30 September 2024, the County Government's cash balance in the CRF account was Kshs. 45.46 million.

### 3.23.4 County Expenditure Review

The County spent Kshs.742.23 million on development and recurrent programmes in the reporting period. The expenditure represented 49 per cent of the total funds released by the CoB and comprised of Kshs. 10.70 million and Kshs.731.53 million on development and recurrent programmes, respectively. Expenditure on development programmes represented an absorption rate of 1 per cent, while recurrent expenditure represented 10 per cent of the annual recurrent expenditure budget.

### 3.23.5 Settlement of Pending Bills

The County reported pending bills amounting to Kshs 827.43 million as of 30 June 2024, comprising pending payments by the county executive of Kshs. 686.83 million and Kshs 140.60 for the county assembly.

The county executive's pending bills consist of Kshs.499.59 million for recurrent expenditures and Kshs.187.24 million for development expenditures. In the reporting period, the County Executive settled pending bills amounting to Kshs.350.57 million for recurrent programmes only. The County Assembly settled pending bills worth Kshs. 47.63 million. Therefore, the outstanding bills were Kshs.429.22 million as of 30 September 2024.

### 3.23.6 Expenditure by Economic Classification

During the first quarter of FY 2024/25, the County Executive spent Kshs.352.28 million on employee compensation, Kshs.193.38 million on operations and maintenance, and Kshs.10.70 million on development activities.

Similarly, the County Assembly spent Kshs.89.48 million on employee compensation, Kshs.96.40 million on operations and maintenance as shown in Table 3.148.

### 3.23.7 Expenditure on Employees' Compensation

In the first quarter of FY 2024/25, expenditure on employee compensation was Kshs.441.80 billion, or 27 per cent of the available revenue of Kshs.1.62 billion. This expenditure represented a decrease from Kshs.847.86 million reported in a similar period in FY 2023/24. The wage bill included Kshs.196.62 million paid to the health sector employees, translating to 45 per cent of the total wage bill.

Figure 91: Percentage of Wage Bill to Total Revenue from the First Quarter of FY 2018/19 to the First Quarter of FY 2024/25 shows the trend of personnel expenditures as a percentage of total revenue from the first quarter of FY 2018/19 to the first quarter of FY 2024/25.

**Figure 91: Percentage of Wage Bill to Total Revenue from the First Quarter of FY 2018/19 to the First Quarter of FY 2024/25**

Further analysis indicates that PE costs amounting to Kshs.426.44 million were processed through the Integrated Personnel and Payroll Database (IPPD) system while Kshs.15.31 million was processed through manual payrolls. The manual payrolls accounted for 3 per cent of the total PE cost.

The County Assembly spent Kshs.16.01 million on committee sitting allowances for the 49 MCAs against the annual budget allocation of Kshs.44.45 million. The average monthly sitting allowance was Kshs.108,919 per MCA. The County Assembly had 24 House Committees.

### 3.23.8 County Emergency Fund and County-Established Funds

Section 116 of the PFM Act 2012 allows County Governments to establish other public funds with approval from the County Executive Committee and the County Assembly. The County allocated Kshs.198.92 million to county-established funds in FY 2024/25, or 1.8 per cent of the County's overall budget. Further, the County allocated Kshs.40 million to the Emergency Fund (0.3 per cent of the total budget) in line with Section 110 of the PFM Act, 2012.

Table 3.149 summarises each established Fund's budget allocation and performance during the reporting period.

Sub-programmes with the highest levels of implementation based on absorption rates were: Special Programs in the Department of Devolution, Public Participation, County Administration and Special Programmes at 38 per cent, Preventive and Promotive Health Care in the Department of Health Services at 29 per cent, Energy Infrastructure and Development in the Department of Infrastructure, Transport, Public Works and Energy at 29 per cent, and Youth Empowerment in the Department of Gender, Children, Youth, Sports and Social Services at 26 per cent of budget allocation.

### 3.23.14 Accounts Operated in Commercial Banks

The County government operated a total of 39 accounts with commercial banks, out of which 17 accounts were for County hospitals.

This is contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya. The only exemption is for imprest bank accounts for petty cash and revenue collection bank accounts.

### 3.23.15 Key Observations and Recommendations

In the course of overseeing and reporting on the implementation of the County budget, the COB identified the following challenges which hampered effective budget implementation;

1. Failure by the County Treasury to Budget for the balance brought forward from the FY 2023/24 in the FY 2024/25 Budget.
2. Own-source revenue underperformed at Kshs.221.41 million against an annual target of Kshs.1.44 million, representing 15 per cent of the yearly target.
3. Use of manual payroll by the County Assembly as Personnel emoluments amounting to Kshs.15.31 million were processed through the manual payroll, accounting for 3 per cent of the total County payroll cost of 441.79million. The manual payroll is prone to abuse and may lead to the loss of public funds where there is a lack of proper controls.
4. The County Government uses commercial bank accounts for operations contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya.

The County should implement the following recommendations to improve budget execution:

1. *The County Treasury should ensure balances from the previous financial year are adequately budgeted for in the coming financial years.*
2. *The County should address its own-source revenue performance to ensure the approved budget is fully financed. Appropriate austerity measures should be implemented to ensure expenditure commitments are aligned with available revenue.*
3. *The Government requires that salaries be processed through the IPPD system, and the County is advised to fast-track the acquisition of Unified Personnel Numbers for their ward employees. The County Assembly Service Board should regulate staff engagement on contract and casual workers as provided under Section 74 of the County Governments Act 2012. Further, strict compliance with the approved staff establishment should be maintained.*
4. *The County Government should ensure that bank accounts are opened and operated at the Central Bank of Kenya as the law requires. However, imprest bank accounts for petty cash and revenue collection accounts are exempted.*

## 3.24. County Government of Mandera

### 3.24.1 Overview of FY 2024/25 Budget

The Mandera County approved FY 2024/25 budget is Kshs.14.89 billion. It comprises Kshs.5.94 billion (40 per cent) and Kshs.8.95 billion (60 per cent) allocation for development and recurrent programmes, respectively. The budget estimates represent an increase of Kshs.1.89 billion (14.5 per cent) from the FY 2023/24 budget

comprised a development budget of Kshs.4.71 billion and a recurrent budget of Kshs.8.29 billion. The increase in the budget was attributed to the rise in equitable share allocation of Kshs.421.78 million and Kshs.993.93 increase in additional allocations.

The Mandera County Government budget will be financed from different sources of revenue. These include Kshs.12.05 billion (81 per cent) expected from the National Government as the equitable share of revenue raised nationally, Kshs.1.51 billion (10 per cent) as additional allocations, a cash balance of Kshs.986.07 million (67 per cent) brought forward from FY 2023/24, and Kshs.336.53 million (2 per cent) generated as gross own source revenue. The own-source revenue includes Kshs.57.93 million (0.4 per cent), Facility Improvement Fund (revenue from health facilities), and Kshs.278.61 million (1.9 per cent) as ordinary own-source revenue. A breakdown of the additional allocations is shown in Table 3.155.

### 3.24.2 Revenue Performance

In the first quarter of FY 2024/25, the County received Kshs.2.01 billion to fund recurrent and development activities. The equitable share from the National Government was Kshs.988.82 million, own source revenue (OSR) collection of Kshs.42.68 million. In addition, the County had a cash balance of Kshs.986.07 million from FY 2023/24.

Analysis of the total OSR collection of Kshs.42.68 million indicates that it included Facilities Improvement Financing (FIF) of Kshs.7.85 million and Kshs.34.82 million as ordinary OSR. Table 1 summarises the total revenue available to the county government during the first quarter of FY 2024/25 performance.

During the first quarter of FY 2024/25, the County generated Kshs.42.68 million from its revenue sources, including AIA and FIF. This amount was a 25 per cent increase compared to Kshs.34.21 million realised in a similar period in FY 2023/24, which was 12.7 per cent of the annual target and 34 per cent of the equitable revenue share disbursed.

The revenue streams which contributed the highest OSR receipts are shown in Figure 94.

**Figure 94: Top Streams of Own Source Revenue in the First Quarter FY 2024/25**

The highest revenue stream, Kshs.7.85 million, was from Hospital collections, contributing 18 per cent of the total OSR receipts during the reporting period.

### 3.24.3 Borrowing by the County

The county government did not report on any borrowing during the reporting period.

### 3.24.4 Exchequer Issues

During the reporting period, the Controller of Budget approved withdrawals of Kshs.1.54 billion from the CRF account comprised of Kshs.229.16 million (15 per cent) for development programmes and Kshs.1.31 billion (85 per cent) for recurrent programmes in the first quarter of FY 2024/25. Analysis of the recurrent exchequers released in the first three months of FY 2024/25 indicates that Kshs.1.07 billion was released towards employee compensation and Kshs.240.18 million for operations and maintenance expenditure.

As of 30th September 2024, the county government's cash balance in the CRF account was Kshs. 861.79 million.

### 3.24.5 County Expenditure Review

The County spent Kshs.1.54 billion on development and recurrent programmes in the reporting period. The expenditure represented 100 per cent of the total funds released by the CoB and comprised of Kshs. 229.16 million and Kshs.1.31 billion on development and recurrent programmes, respectively. Expenditure on development programmes represented an absorption rate of 3.9 per cent, while recurrent expenditure represented 14.6 per cent of the annual recurrent expenditure budget.

### 3.24.6 Settlement of Pending Bills

The County reported pending bills amounting to Kshs.2.23 billion, comprising pending payments by the County Executive of Kshs. 2.23 billion and Kshs.4.22 million for the County Assembly.

The County Executive's pending bills consist of Kshs.753.25 million for recurrent expenditures and Kshs.1.47 billion for development expenditures. In the reporting period, the County Executive settled pending bills amounting to Kshs.404.53 million, which was entirely for recurrent expenditure programmes. The County Assembly did not settle any of its reported pending bills during the reporting period. Therefore, the outstanding bills were Kshs.1.83 billion as of 30 September 2024.

### 3.24.7 Expenditure by Economic Classification

During the first quarter of FY 2024/25, the County Executive spent Kshs.1.03 billion on employee compensation, Kshs.240.18 million on operations and maintenance, and Kshs.229.16 million on development activities. Similarly, the County Assembly spent Kshs.31.4 million on employee compensation only, as shown in Table 3.156.

**Table 3.156: Summary of Budget and Expenditure by Economic Classification**

### 3.24.8 Expenditure on Employees' Compensation

In the first quarter of FY 2024/25, expenditure on employee compensation was Kshs.1.07 billion, or 52.9 per cent of the available revenue of Kshs.2.02 billion. This expenditure represented an increase from Kshs.767.13 million reported in a similar period in FY 2023/24. The wage bill included Kshs.359.77 million paid to the health sector employees, translating to 34 per cent of the total wage bill. The increase in wage bill is explained by the payment of salaries for May and June of FY2023/24 in the current reporting period due to delays in the disbursement of the June 2024 tranche by the National Treasury.

Figure 3 shows the trend of personnel expenditures as a percentage of total revenue from the first quarter of FY 2018/19 to the first quarter of FY 2024/25.

**Figure 95: Percentage of Wage Bill to Total Revenue from the First Quarter of FY 2018/19 to the First Quarter of FY 2024/25**

Further analysis indicates that PE costs amounting to Kshs.1.04 billion were processed through the Integrated Personnel and Payroll Database (IPPD) system, while Kshs.15.20 million was processed through manual pay-rolls. The manual payrolls accounted for 1 per cent of the total PE cost.

The County Assembly spent Kshs.1.4 million on committee sitting allowances for the 51 MCAs against the annual budget allocation of Kshs.41.21 million. The average monthly sitting allowance was Kshs.9,091.5 per MCA. The County Assembly had 21 House Committees.

### 3.24.9 County Emergency Fund and County-Established Funds

Section 116 of the PFM Act 2012 allows County Governments to establish other public funds with approval from the County Executive Committee and the County Assembly. The County allocated Kshs.460 million to the County-established bursary fund in FY 2024/25, or 3.1 per cent of the County's overall budget. The County had no allocation for the Emergency Fund.

Table 3.157 Summarises each established Fund's budget allocation and performance during the reporting period.

**Table 3.157: Performance of County Established Funds in the First Quarter of FY 2024/25**

During the reporting period, the CoB received quarterly financial reports from the bursary Fund Administrators, as indicated in Table 3.157, in line with the requirement of Section 168 of the PFM Act, 2012. The Bursary Fund's administration costs were within the 3 per cent limit of the Fund budget set in Regulation 197(1)(d) of the Public Finance Management (County Governments) Regulations, 2015.

The County government uses commercial bank accounts to operate the above-established Fund contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County Government bank accounts must be opened and maintained at the Central Bank of Kenya.

### 3.24.10 Expenditure on Operations and Maintenance

Figure 95 summarises the Operations and Maintenance expenditure by major categories.

**Figure 96: Mandera County, Operations and Maintenance Expenditure by Major Categories**

Source: Mandera County Treasury

The County Executive alone incurred Kshs.5.6 million in expenditures on domestic travel. Both arms of the Government did not spend money on foreign travel.

### 3.24.11 Facility Improvement Financing

During the period under review, the County reported a collection of Kshs.7.85 million as FIF, which was 13.6 percent of the annual target of Kshs.57.92 million. The collected amount was retained and utilised at source in accordance with the Facility Improvement Financing Act, 2023. The County has developed regulations to operationalise the FIF Act of 2023.

The health facilities did not provide a report on the utilisation of the FIF during the reporting period, contrary to Section 18 (e) of the FIF Act, 2023.

There was no reported expenditure by the health facilities during the reporting period.

### 3.24.12 Development Expenditure

In the First Quarter of FY 2024/25, the County reported spending Kshs.229.16 million on development programmes, an increase of 6.5 percent compared to a similar period in FY 2023/24, when the County spent Kshs.215.22 million. Table 3.158 summarises development projects with the highest expenditure in the reporting period.

Analysis of department expenditures shows that the Department of Urban Development recorded the highest absorption rate of the development budget, at 17 percent, followed by the Department of Agriculture, at 8 percent. The Department of Education had the highest percentage of recurrent expenditures to budget, at 23 percent, while the Department of County Attorney had the lowest, at 0.6 percent.

The allocation for recurrent expenditure for both the Assembly and the Executive is within the ceilings in CARA 2024.

Based on absorption rates, the sub-programmes with the highest implementation levels were General Administration in the Department of Education at 24 per cent, the Department of Trade at 23.5 per cent, and the Department of Water at 23 per cent of budget allocation.

### 3.24.15 Accounts Operated in Commercial Banks

The County government operated 22 accounts with commercial banks, of which seven were for County hospitals.

This is contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya. The only exemption is for imprest bank accounts for petty cash and revenue collection bank accounts.

### 3.24.16 Key Observations and Recommendations

In the course of overseeing and reporting on the implementation of the County budget, the COB identified the following challenges which hampered effective budget implementation;

1. The underperformance of own-source revenue at Kshs.42.68 million against an annual target of Kshs.336.53 million, representing 12.7 per cent of the yearly target.
2. High level of pending bills, which amounted to Kshs.1.83 billion as of 30<sup>th</sup> September 2024.
3. Use of manual payroll. Personnel emoluments amounting to Kshs.15.2 million were processed through the manual payroll, accounting for 1.4 per cent of the total payroll cost. The manual payroll is prone to abuse and may lead to the loss of public funds where there is a lack of proper controls.

The County should implement the following recommendations to improve budget execution:

1. *The County should address its own-source revenue performance to ensure the approved budget is fully financed. Appropriate austerity measures should be implemented to ensure expenditure commitments are aligned with available revenue.*
2. *The County Leadership should address the situation of pending bills to ensure that genuine bills are paid promptly in the remaining financial year. Further, compliance with the payment plan should be enforced.*
3. *The Government requires that salaries be processed through the IPPD system, and the County is advised to fast-track the acquisition of Unified Personnel Numbers for their staff. The County Public Service Board should regulate staff engagement on contract and casual workers as provided under Section 74 of the County Governments Act 2012. Further, strict compliance with the approved staff establishment should be maintained.*

## 3.25. County Government of Marsabit

### 3.25.1 Overview of FY 2024/25 Budget

The Marsabit County approved FY 2024/25 budget is Kshs.9.72 billion. It comprised Kshs.3.75 billion (38.6 per cent) and Kshs. 5.96 billion (61.4 per cent) allocation for development and recurrent programmes, respectively. The budget estimates represent an increase of Kshs. 290.87 million (3.1 per cent) from the FY 2023/24 budget comprised of a development budget of Kshs.4.32 billion and a recurrent budget of Kshs. 5.10 billion. The increase in the County Government budget was attributed to the increase in sharable revenue allocation.

The Marsabit County Government budget will be financed from different sources of revenue. These include Kshs.7.83 billion (74.9 per cent) expected from the National Government as the equitable share of revenue raised nationally, Kshs.1.35 billion as additional allocations, a cash balance of Kshs.912.18 million (8.7 per cent) brought forward from FY 2023/24, and Kshs.356.11 million (3.6 per cent) generated as gross own source revenue. The own-source revenue includes Kshs.246.11 million (69.1 per cent) as Facility Improvement Fund (revenue from health facilities) and Kshs.110.00 million (30.9 per cent) as ordinary own-source revenue. A breakdown of the additional allocations is shown in Table 3.162.

### 3.25.2 Revenue Performance

In the first quarter of FY 2024/25, the County received Kshs.1.59 billion to fund recurrent and development activities. The equitable share from the National Government was Kshs. 642.6 million. Additional allocations from government and development partners were Kshs. 11.00 million, and its own-source revenue (OSR) collection was Kshs. 33.16 million. In addition, the County had a cash balance of Kshs. 912.19 million from FY 2023/24. Notably, the unspent balance from FY 2023/24 includes the equitable share for June 2024 of Kshs. 604.83 million, and was disbursed in July 2024.

Analysis of the total OSR collection of Kshs. 33.16 million indicates it included Facilities Improvement Financing (FIF) of Kshs.19.63 million and Kshs.13.54 million as ordinary OSR. Table 3.162 summarises the total revenue available to the County Government during the first quarter of FY 2024/25. performance

**Figure 97: Trend in Own-Source Revenue Collection from the First Quarter of FY 2019/20 to the First Quarter of FY 2024/25**

Source: Marsabit County Treasury

During the first quarter of FY 2024/25, the County generated Kshs.33.16 million from its revenue sources, including FIF. This amount was an increase of 32 per cent compared to Kshs.22.49 million realised in a similar period in FY 2023/24 which was 9 per cent of the annual target and 5 per cent of the equitable revenue share disbursed.

The revenue streams which contributed the highest OSR receipts are shown in Figure 98.

**Figure 98: Top Streams of Own Source Revenue in the First Quarter FY 2024/25**

*Source: Marsabit County Treasury*

The highest revenue stream, Kshs.19.6 million, was from Facility Improvement Financing, which contributed 59.0 per cent of the total OSR receipts during the reporting period. Facility Improvement Financing arising from hospitals had the highest Revenue compared to other streams. This was because most people sought medical attention/referrals from the County facilities.

### 3.25.3 Borrowing by the County

The County Government did not report any amounts borrowed to support its operations as of 30 September 2024.

### 3.25.4 Exchequer Issues

During the reporting period, the Controller of Budget approved withdrawals of Kshs.1.20 billion from the CRF account, comprising Kshs.138.14 million (11.5 per cent) for development programmes and Kshs.1.07 billion (88.5 per cent) for recurrent programmes in the first quarter of FY 2024/25. Analysis of the recurrent exchequers released in the first three months of FY 2024/25 indicates that Kshs.871.19 million was released towards employee compensation and Kshs.195.15 million for operations and maintenance expenditure.

As of 30 September 2024, the county government's cash balance in the CRF account was Kshs. 912.18 million.

### 3.25.5 County Expenditure Review

The County spent Kshs.1.08 billion on development and recurrent programmes in the reporting period. The expenditure represented 90.4 per cent of the total funds released by the CoB and comprised of Kshs.127.69 million and Kshs.961.28 million on development and recurrent programmes, respectively. Expenditure on development programmes represented an absorption rate of 3.4 per cent, while recurrent expenditure represented 16.1 per cent of the annual recurrent expenditure budget.

### 3.25.6 Settlement of Pending Bills

The County reported pending bills amounting to Kshs 1.13 billion as of 30 June 2024, comprising pending payments by the County Executive of Kshs.700.85 million and Kshs 425.14 million for the County Assembly.

The County Executive's pending bills consist of Kshs.700.85 million for development expenditures only. In the reporting period, the County Executive settled pending bills amounting to Kshs.108.16 million for development programmes, while the County Assembly settled pending bills worth Kshs.19.54 million. Therefore, the outstanding bills were Kshs.998.29 million as of 30 September 2024.

### 3.25.7 Expenditure by Economic Classification

During the first quarter of FY 2024/25, the County Executive spent Kshs.822.15 million on employee compensation, Kshs.56.85 million on operations and maintenance, and Kshs.108.16 million on development activities. Similarly, the County Assembly spent Kshs.49.05 million on employee compensation, Kshs 33.23 million on operations and maintenance, and Kshs.19.53 million on development activities, as shown in Table 3.162.

### 3.25.8 Expenditure on Employees' Compensation

In the first quarter of FY 2024/25, expenditure on employee compensation was Kshs.871.19 million, or 72.3 per cent of the available revenue of Kshs.1.20 billion. This expenditure represented an increase from Kshs.559.04 million reported in a similar period in FY 2023/24. The wage bill included Kshs.264.36 billion paid to the health sector employees, translating to 30.3 per cent of the total wage bill.

Figure 99 shows the trend of personnel expenditures as a percentage of total revenue from the first quarter of FY 2018/19 to the first quarter of FY 2024/25..

**Figure 99: Percentage of Wage Bill to Total Revenue from the First Quarter of FY 2018/19 to the First Quarter of FY 2024/25**

Further analysis indicates that PE costs amounting to Kshs.737.55 billion were processed through the Integrated Personnel and Payroll Database (IPPD) system while Kshs.133.64 million was processed through manual payrolls. The manual payrolls accounted for 15 per cent of the total PE cost.

The County Assembly spent Kshs.6.54 million on committee sitting allowances for the 33 MCAs against the annual budget allocation of Kshs.36.10 million. The average monthly sitting allowance was Kshs.66,050 per MCA. The County Assembly had 20 House committees.

### 3.25.9 County Emergency Fund and County-Established Funds

Section 116 of the PFM Act 2012 allows County Governments to establish other public funds with approval from the County Executive Committee and the County Assembly. The County allocated Kshs.228.00 million to County-Established funds in FY 2024/25, or 2.3 per cent of the County's overall budget. Further, contrary to Section 110 of the PFM Act, 2012, the County did not allocate any amount for the Emergency Fund.

Table 3.163 summarises each established Fund's budget allocation and performance during the reporting period.

During the reporting period, the CoB did not receive any of the quarterly financial reports from all Fund Administrators, as indicated in Table 3.164, contrary to the requirement of Section 168 of the PFM Act, 2012.

The County government uses commercial bank accounts to operate the above-established Funds contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County Government bank accounts must be opened and maintained at the Central Bank of Kenya.

### 3.25.10 Expenditure on Operations and Maintenance

Figure 100 summarises the Operations and Maintenance expenditure by major categories.

**Figure 100: Marsabit County, Operations and Maintenance Expenditure by Major Categories**

The County Assembly incurred Kshs. 12.43 million in expenditures on domestic travel, while the County Executive did not. Neither the Assembly nor the Executive incurred Expenditures on foreign travel.

### 3.25.11 Facility Improvement Financing

During the period under review, the County reported collecting Kshs 19.62 million as FIF, which was 8.0 per cent of the annual target of Kshs 246.11 million. The collected amount was retained and utilised at the source per the Facility Improvement Financing Act of 2023. The County has, however, not developed regulations to operationalise the FIF Act of 2023.

The expenditure by the health facilities amounted to Kshs.19.62, as shown in Table 3.164.

**Table 3.164: Breakdown of expenditure by health facilities in the first quarter of FY 2024/25**

Sub-programmes with the highest levels of implementation based on absorption rates were Human Resource Management and Development in the Department of County Public Service Board at 78 per cent, General Administration, Planning and Support Services in the Department of Agriculture, Livestock & Fisheries at 29 per cent, County Executive services in the Department of County Executive at 25 per cent and General Administration, Planning and Support Services in the Department of County Health Services at 21.1 per cent of budget allocation.

### 3.25.15 Accounts Operated in Commercial Banks

The County government operated ten accounts with commercial banks, of which five were for County-established Funds.

This is contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya. The only exemption is for imprest bank accounts for petty cash and revenue collection bank accounts.

### 3.25.16 Key Observations and Recommendations

In the course of overseeing and reporting on the implementation of the County budget, the COB identified the following challenges which hampered effective budget implementation;

1. The County Treasury's late submission of financial reports to the Controller of Budget affected the timely preparation of the budget implementation report, which was received on 25 October 2024.
2. Own-source revenue underperformed at Kshs.31.16 million against an annual target of Kshs.356.11 million, representing 9.3 per cent of the yearly target.
3. Fund Administrators failed to submit quarterly financial and non-financial reports to the COB within the timelines provided by law, which is against the requirement of Section 168 of the PFM Act, 2012. The reports for the Scholarship Fund, Emergency Fund, Car Loan and Mortgage- Executive Fund, Marsabit County Assembly Car Loan and Mortgage –Member and staff were not submitted to the Controller of Budget as of 15 October 2024.
4. High level of pending bills, which amounted to Kshs.998.29 million as of 30 September 2024

5. Use of manual payroll. Personnel emoluments amounting to Kshs.133.64 million were processed through manual payroll, accounting for 15.3 per cent of the total payroll cost. Manual payroll is prone to abuse and may lead to the loss of public funds where there is a lack of proper controls.
6. The County Government uses commercial bank accounts for operations contrary to Regulations 82(1) (b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya. The commercial bank accounts are for all the funds, development accounts and deposit retention.

The County should implement the following recommendations to improve budget execution:

1. *The County Treasury should ensure timely preparation and submission of financial reports to the Office of the Controller of Budget in line with the timelines prescribed in Section 166 of the PFM Act, 2012.*
2. *The County should address its own-source revenue performance to ensure the approved budget is fully financed. Appropriate austerity measures should be implemented to ensure expenditure commitments are aligned with available revenue.*
3. *The CECMF should follow up to ensure Fund Administrators prepare and submit statutory reports in line with the PFM Act, 2012.*
4. *The County Leadership should address the situation of pending bills to ensure that genuine bills are paid promptly in the remaining financial year. Further, compliance with the payment plan should be enforced.*
5. *The Government requires that salaries be processed through the IPPD system, and the County is advised to fast-track the acquisition of Unified Personnel Numbers for their staff. The County Public Service Board should regulate staff engagement on contract and casual workers as provided under Section 74 of the County Governments Act 2012. Further, strict compliance with the approved staff establishment should be maintained.*
6. *The County Government should ensure that bank accounts are opened and operated at the Central Bank of Kenya as the law requires. However, imprest bank accounts for petty cash and revenue collection accounts are exempted.*

## 3.26. County Government of Meru

### 3.26.1 Overview of FY 2024/25 Budget

The Meru County approved FY 2024/25 budget is Kshs.13.92 billion. It comprised Kshs.4.97 billion (36 per cent) and Kshs.8.95 billion (64 per cent) allocation for development and recurrent programmes, respectively. The budget estimates represent an increase of Kshs.2.02 billion (17 per cent) from the FY 2023/24 budget, which comprised of a development budget of Kshs.3.68 billion and a recurrent budget of Kshs.8.23 billion. The increase in the budget was attributed to the rise in additional allocations by Kshs.833.05 million, the increase in Equitable Share of Revenue Raised nationally by Kshs.986.53 million, and an increase in own source revenue by Kshs.201 million.

The Meru County Government budget will be financed from different sources of revenue. These include Kshs.10.88 billion (78 per cent) expected as the equitable share of revenue raised nationally, Kshs.1.98 billion (14 per cent) as additional allocations, and Kshs.1.07 billion (8 per cent) generated as gross own source revenue. The own source revenue includes Kshs.17 million (2 per cent) as Appropriations-in-Aid (A-I-A), Kshs.550 million (52 per cent) as Facility Improvement Fund (revenue from health facilities) and, Kshs.500 million (47 per cent) as ordinary own-source revenue. A breakdown of the additional allocations is shown in Table 3.169.

### 3.26.2 Revenue Performance

In the first quarter of FY 2024/25, the County received Kshs.1.93 billion to fund recurrent and development activities. The equitable share from the National Government was Kshs.840.87 million; additional allocations

from the government and development partners were Kshs.65.13 million, and own source revenue (OSR) collection was Kshs.188.20 million. In addition, the County had a cash balance of Kshs.47.97 million from FY 2023/24. Also, the County had a balance of Kshs.791.41 million, which was FY 2023/24 June 2024 national shareable revenue disbursed in July 2024.

Analysis of the total OSR collection of Kshs.188.20 million indicates that it included Appropriations in Aid (AIA) of Kshs.2.61 million and Facilities Improvement Financing (FIF) of Kshs.119.93 million and Kshs.65.65 million as ordinary OSR. Table 3.168 summarises the total revenue available to the county government during the first quarter of FY 2024/25.

The County has governing legislation on the operation of ordinary A-I-A and FIF. Figure 101 shows the trend in own-source revenue collection from the First Quarter of FY 2019/20 to the First Quarter of FY 2024/25.

**Figure 101: Trend in Own-Source Revenue Collection from the FY 2019/20 to the FY 2024/25**

During the first quarter of FY 2024/25, the County generated a total of Kshs.188.20 million from its sources of revenue, including AIA and FIF. This amount a decreased by 15 per cent compared to Kshs.221.54 million realised in a similar period in FY 2023/24 and was 18 per cent of the annual target and 12 per cent of the equitable revenue share disbursed. The decrease in OSR may be attributed to the health workers' strike.

The revenue streams which contributed the highest OSR receipts are shown in Figure 102.

**Figure 102: Top Streams of Own Source Revenue in the First Quarter FY 2024/25**

The highest revenue stream, Kshs.119.93 million, was from Health FIF, contributing 64 per cent of the total OSR receipts during the reporting period.

### 3.26.3 Exchequer Issues

The Controller of Budget approved withdrawals of Kshs.1.14 billion from the CRF account during the reporting period, which comprised Kshs.242.48 million (21 per cent) for development programmes and Kshs.900.18 million (79 per cent) for recurrent programmes in the first quarter of FY 2024/25. Analysis of the recurrent exchequers released in the first three months of FY 2024/25 indicates that Kshs.834.34 million was released towards employee compensation and Kshs.65.83 million for operations and maintenance expenditure.

As of 30 September 2024, the County Government's cash balance in the CRF account was Kshs. 668.13 million.

### 3.26.4 County Expenditure Review

The County spent Kshs.1.20 billion on development and recurrent programmes in the reporting period. The expenditure represented 105 per cent of the total funds released by the CoB and comprised Kshs.907.29 million and Kshs.290.45 million on development and recurrent programmes, respectively. Expenditure on development programmes represented an absorption rate of 6 per cent, while recurrent expenditure represented 10 per cent of the annual recurrent expenditure budget.

### 3.26.5 Settlement of Pending Bills

The County reported pending bills amounting to Kshs.1.33 billion as of 30 June 2024, comprising pending payments by the County Executive of Kshs.1.33 billion and Kshs.12.92 million for the County Assembly.

The County Executive's pending bills consist of Kshs.368.13 million for recurrent expenditures and Kshs.945.76 million for development expenditures. The County Executive settled pending bills amounting to Kshs.111.85 million for development programmes, while the County Assembly had not settled any pending bills as of 30 September 2024.

### 3.26.6 Expenditure by Economic Classification

During the first quarter of FY 2024/25, the County Executive spent Kshs.777.81 million on employee compensation, Kshs.72.95 million on operations and maintenance, and Kshs.290.45 million on development activities. The County Assembly spent Kshs.56.54 million on employee compensation. The County Assembly did not report any expenditure on operations and maintenance, and development activities, as shown in Table 3.170.

### 3.26.7 Expenditure on Employees' Compensation

In the first quarter of FY 2024/25, expenditure on employee compensation was Kshs.834.35 million, or 43 per cent of the available revenue of Kshs.1.93 billion. This expenditure represented a decrease from Kshs.1.23 billion reported in a similar period in FY 2023/24. The wage bill included Kshs.388.20 million paid to the health sector employees, translating to 47 per cent of the total wage bill.

Figure 103 shows the trend of personnel expenditures as a percentage of total revenue from the first quarter of FY 2017/18 to the first quarter of FY 2024/25.

**Figure 103: Percentage of Wage Bill to Total Revenue from the First Quarter of FY 2018/19 to the First Quarter of FY 2024/25**

Further analysis indicates that PE costs amounting to Kshs.1.20 billion were processed through the Integrated Personnel and Payroll Database (IPPD) system, while Kshs.22.26 million was processed through manual pay-rolls, which accounted for 1 per cent of the total PE cost.

The County Assembly spent Kshs.5.6 million on committee sitting allowances for the 69 MCAs against the annual budget allocation of Kshs.72.24 million. The average monthly sitting allowance was Kshs.26,689 per MCA. The County Assembly had 27 House committees.

### 3.26.8 County Emergency Fund and County-Established Funds

Section 116 of the PFM Act 2012 allows County Governments to establish other public funds with approval from the County Executive Committee and the County Assembly. The County allocated Kshs.693.02 million to county-established funds in FY 2024/25, or 5 per cent of the County's overall budget. The County did not allocate funds to the Emergency Fund in FY 2024/25. However, there is an allocation of Kshs.14.10 million for Grants for the Management of Natural Disasters and Emergency Relief (food, medicine, blankets, cash grants, tents and other temporary shelter, etc.) as line items in the budget.

Table 3.170 summarises each established Fund's budget allocation and performance during the reporting period.

3, contrary to the requirement of Section 168 of the PFM Act, 2012.

The County government uses commercial bank accounts to operate the above-established Funds contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County Government bank accounts must be opened and maintained at the Central Bank of Kenya.

### 3.26.9 Expenditure on Operations and Maintenance

The County reported expenditures of Kshs.72.95 million on operations and maintenance, which consisted of Health FIF Expenditures of Kshs.72 million, Transfer to ATC Kaguru of Kshs.631,620, and Transfer to Meru Youth Service of Kshs.357,524.

The County did not report any expenditure on domestic and foreign travel during the period under review.

### 3.26.10 Facility Improvement Financing

During the period under review, the County reported collecting Kshs.119.93 million as FIF, which was 22 per cent of the annual target of Kshs.550 million. The collected amount was retained and utilised at source in accordance with the Facility Improvement Financing Act, 2023. The County has, further developed regulations to operationalise the FIF Act of 2023.

The expenditure by the health facilities amounted to Kshs.199.93 million as shown in Table 3.171.

Based on absorption rates, the sub-programmes with the highest implementation levels were Noise pollution in the Department of Water & Irrigation at 19 per cent, Human Resources in the Department of Public Service Administration & Legal Affairs at 14 per cent, Trade in the Department of Trade, Tourism & Cooperatives Development at 13 per cent, and Health in the Department of Health Services at 10 per cent of budget allocation.

### 3.26.14 Accounts Operated in Commercial Banks

The County government operated 16 accounts with commercial banks, six of which were for the County Assembly.

This is contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya. The only exemption is for imprest bank accounts for petty cash and revenue collection bank accounts.

### 3.26.15 Key Observations and Recommendations

In overseeing and reporting on the County budget's implementation, the COB identified the following challenges that hampered effective budget implementation.

1. The underperformance of own-source revenue at Kshs.188.20 million against an annual target of Kshs.1.07 billion, representing 18 per cent of the yearly target.
2. Unspent funds from FY 2023/24 were not refunded into the CRF account, which led to actual expenditures exceeding the approved exchequer in several departments, as shown in Table 3.174.
3. Failure to submit quarterly financial and non-financial reports to the COB within the timelines provided by law, which is against the requirement of Section 168 of the PFM Act, 2012. The reports for the Education Scholarship Fund was not submitted to the Controller of Budget as of 15 October 2024.
4. There was a high level of pending bills, which amounted to Kshs.1.21 billion as of 30 September 2024. Further, the County Treasury did not adhere to the payment plan for the pending bills.
5. Use of manual payroll. Personnel emoluments amounting to Kshs.22.26 million were processed through manual payroll, accounting for 3 per cent of the total payroll cost. Manual payroll is prone to abuse and may lead to the loss of public funds where there is a lack of proper controls.
6. The county government uses commercial bank accounts for operations contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya. The commercial bank accounts are for County Executive Operations, ECDE Development Fund, Emergency Locust Response Programs, Fund to support education for needy students, Support Agricultural projects, Financing Locally Led Climate Action, Informal Settlement Improvement Project, SPA-Meru County Kenya Informal Settlement Improvement program, Meru School meals & Nutrition Program, SPA- Meru County Aggregation and Industrial Park, Hon. Members Fund Account, Staff Members Fund Account, Staff Members Fund Account, Salary Processing Account, County Assembly Retention Account, and County Assembly Operations Account

The County should implement the following recommendations to improve budget execution:

1. *The County should address its own-source revenue performance to ensure the approved budget is fully financed. Appropriate austerity measures should be implemented to ensure expenditure commitments are aligned with available revenue.*
2. *The County Treasury should ensure unspent funds from the previous financial year are deposited to the CRF Account in line with Section 136 of the PFM Act 2012.*
3. *The CECMF should follow up to ensure Fund Administrators prepare and submit statutory reports in line with the PFM Act, 2012.*
4. *The county leadership should address the situation of pending bills to ensure that genuine bills are paid promptly in the remaining financial year. Further, compliance with the payment plan should be enforced.*
5. *The Government requires that salaries be processed through the IPPD system, and the County is advised to fast-track the acquisition of Unified Personnel Numbers for their staff. The County Public Service Board*

*should regulate staff engagement on contract and casual workers as provided under Section 74 of the County Governments Act 2012. Further, strict compliance with the approved staff establishment should be maintained.*

6. *The County Government should ensure that bank accounts are opened and operated at the Central Bank of Kenya as the law requires. However, imprest bank accounts for petty cash and revenue collection accounts are exempted.*

## 3.27. County Government of Migori

### 3.27.1 Overview of FY 2024/25 Budget

The Migori County approved FY 2024/25 budget is Kshs.10.39 billion. It comprised Kshs.3.44 billion (33 per cent) and Kshs.6.95 billion (67 per cent) allocation for development and recurrent programmes, respectively. The budget estimates represent an increase of Kshs.350.43 million (4 per cent) from the FY 2023/24 budget, which comprised a development budget of Kshs.3.07 billion and a recurrent budget of Kshs.6.96 billion. The increase in the county government budget was attributed to the anticipated additional allocation of revenues from new emerging grants in the County revenue portfolio envelope.

The Migori County Government budget will be financed from different sources of revenue. These include Kshs.8.34 billion (80 per cent) expected from the National Government as the equitable share of revenue raised nationally, Kshs.1.43 billion (14 per cent) as additional allocations, Kshs.620 million (6 per cent) generated as gross own source revenue. The own-source revenue includes Kshs.140 million (22.6 per cent) as Facility Improvement Fund (revenue from health facilities) and Kshs.480 million (77 per cent) as ordinary own-source revenue. A breakdown of the additional allocations is provided in Table 3.176.

### 3.27.2 Revenue Performance

In the first quarter of FY 2024/25, the County received Kshs.1.56 billion to fund recurrent and development activities. The equitable share from the national government was Kshs.709.02 million, and additional allocations from government and development partners were Kshs.65.13 million, and its own-source revenue (OSR) collection was Kshs.101.82 million. In addition, the County had a cash balance of Kshs.688.43 million from FY 2023/24, which was not included in the budget. Included in the balance brought forward is Kshs.667.32 million June 2024 equitable share that was disbursed in July 2024.

Analysis of the total OSR collection of Kshs.101.82 billion indicates that it included Facilities Improvement Financing (FIF) of Kshs.35.66 million and Kshs.66.16 million as ordinary OSR. Table 3.175 summarises the total revenue available to the county government during the first quarter of FY 2024/25.

During the first quarter of FY 2024/25, the County generated Kshs.101.82 million from its revenue sources, including FIF. This amount was an increase of 12 per cent compared to Kshs.91.28 million realised in a similar period in FY 2023/24. This was 16 per cent of the annual target and 14 per cent of the equitable revenue share disbursed. The increase is attributed mainly to the automation of some revenue streams, such as single business permits and tax law enforcement.

The revenue streams which contributed the highest OSR receipts are shown in Figure 105.

**Figure 105: Top Streams of Own Source Revenue in the First Quarter FY 2024/25**

Source: Migori County Treasury

The highest revenue stream, Kshs.35.66 million, was from Health/Hospital Fees/FIF, contributing 35 per cent of the total OSR receipts during the reporting period.

### 3.27.3 Borrowing by the County

The County Assembly of Migori secured an overdraft of Kshs.50 million from the Kenya Commercial Bank Ltd, Migori Branch, as a short-term credit facility at an interest rate of 3 per cent, payable within the credit facility period of one month. The short-term borrowing was sought to pay Members of the County Assembly and Staff allowances arrears for the financial year 2023/24 and finance office operations during the month of July 2024 as a result of delays in disbursement of June 2024 National shareable revenue by the National Treasury. The amount was still outstanding as of 30 September 2024.

### 3.27.4 Exchequer Issues

During the reporting period, the Controller of Budget approved withdrawals of Kshs.1.01 billion from the CRF account comprised Kshs.195.20 million (19.3 per cent) for development programmes and Kshs.816.82 million (81 per cent) for recurrent programmes. Analysis of the recurrent exchequers released in the FY 2023/24 indicates that Kshs.583.84 million was released towards Employee Compensation and Kshs.232.99 million for Operations and Maintenance expenditure.

As of 30 September 2024, the county government's cash balance in the CRF account was Kshs.520.64 million.

### 3.27.5 County Expenditure Review

In the reporting period, the County spent Kshs.891.35 million on development and recurrent programmes. The expenditure represented 88 per cent of the total funds released by the CoB and comprised Kshs.172.07 million and Kshs.719.29 million on development and recurrent programmes, respectively. Expenditure on development programmes represented an absorption rate of 5 per cent, while recurrent expenditures represented 10 per cent of the annual recurrent expenditure budget.

### 3.27.6 Settlement of Pending Bills

The County reported pending bills amounting to Kshs.1.94 billion as of 30 June 2024, comprising pending payments by the County Executive of Kshs.1.76 billion and Kshs.184.72 million for the County Assembly.

The County Executive's pending bills consist of Kshs.875.34 million for recurrent expenditures and Kshs.881.38 million for development expenditures. The County Executive settled pending bills amounting to Kshs.184.96 million in the reporting period, which consisted of Kshs.12.89 million for recurrent expenditure and Kshs.172.01 million for development programs. The County Assembly did not pay any pending bills during the reporting period. Therefore, the outstanding bills were Kshs.1.76 million as of 30 September 2024.

### 3.27.7 Expenditure by Economic Classification

During the first quarter of FY 2024/25, the County Executive spent Kshs.507.13 million on employee compensation, Kshs.123.23 million on operations and maintenance, and Kshs.172.07 million on development activities. Similarly, the County Assembly spent Kshs.76.71 million on employee compensation and Kshs.12.22 million on operations and maintenance, as shown in Table 3.176.

Based on absorption rates, the sub-programmes with the highest implementation levels were Crop Development in the Department of Agriculture, Livestock, Veterinary Services, Fisheries & Blue Economy, at 87 per cent, followed by Market Support Infrastructure, at 85 per cent.

### 3.27.15 Accounts Operated in Commercial Banks

The County government operated 76 accounts with commercial banks, of which 29 were for County Hospitals.

This is contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya. The only exemption is for imprest bank accounts for petty cash and revenue collection bank accounts.

### 3.27.16 Key Observations and Recommendations

In the course of overseeing and reporting on the implementation of the County budget, the COB identified the following challenges which hampered effective budget implementation;

1. The underperformance of own-source revenue at Kshs.101.82 million against an annual target of Kshs.620 million, representing 16.4 per cent of the yearly target.
2. The County Treasury did not properly manage the inter-departmental vote books and had weak budgeting practices, as shown in Table 3.181. The county departments incurred expenditures over approved exchequer issues and diverted funds.

3. There was a high level of pending bills, which amounted to Kshs.1.76 billion as of 30 September 2024. Further, the County Treasury did not adhere to the payment plan for the pending bills.
4. High wage bills which accounted for 37 per cent of the County total revenue in FY 2024/25 in the reporting period of Kshs.1.56 billion, which is above the ceiling provided by law.
5. The County Government uses commercial bank accounts for operations contrary to Regulations 82(1) (b) of the PFM (County Governments) Regulations, 2015, which requires that County Government bank accounts be opened and maintained at the Central Bank of Kenya. The commercial bank accounts are mainly for County Health facilities & Dispensaries Services and various departments' office operations and activities.

The County should implement the following recommendations to improve budget execution:

1. *The County should address its own-source revenue performance to ensure the approved budget is fully financed. Appropriate austerity measures should be implemented to ensure expenditure commitments are aligned with available revenue.*
2. *The County Treasury should improve the Vote book and budgetary controls to ensure expenditure is within the approved budget and exchequer releases.*
3. *The County Leadership should develop strategies to ensure the wage bill is within the legal limit of 35 per cent of total revenue as provided under Regulation 25 (1) (b) of the Public Finance Management (County Governments) Regulations, 2015*
4. *The County leadership should address the situation of pending bills to ensure that genuine bills are paid promptly in the remaining financial year. Further, compliance with the payment plan should be enforced.*
5. *The County Government should ensure that bank accounts are opened and operated at the Central Bank of Kenya as the law requires. However, imprest bank accounts for petty cash and revenue collection accounts are exempted.*

### 3.28.1 Overview of FY 2024/25 Budget

The County's approved FY 2024/25 budget is Kshs.16.26 billion, comprising Kshs.5.19 billion (31.9 per cent) and Kshs. 11.07 billion (68.1 per cent) allocated to development and recurrent programmes, respectively. The approved budget estimates represented an increase of 11 per cent compared to the previous financial year when it was Kshs.14.7 billion and comprised of Kshs.5.43 billion towards development expenditure and Kshs.9.27 billion for recurrent expenditure.

To finance the budget, the County expects to receive Kshs.8.14 billion (50 per cent) as the equitable share of revenue raised nationally, Kshs.2.12 billion as additional allocations, a cash balance of Kshs.713,176 (0.0 per cent) brought forward from FY 2023/24, and generate Kshs.6 billion (36.9 per cent) as gross own source revenue. The own-source revenue includes Kshs.1.25 billion (7.7 per cent) as Facility Improvement Fund (revenue from health facilities), and Kshs.4.75 million (29.2 per cent) as ordinary own-source revenue. A breakdown of the additional allocations is provided in Table 3.183.

### 3.28.2 Revenue Performance

In the first quarter of FY 2024/25, the County received a total of Kshs. 668.23 billion as its equitable share of the nationally raised revenue. Additionally, it received Kshs. 54.13 million as additional allocations, a cash balance of Kshs. 0.71 million carried over from FY 2023/24, and an equitable share balance from FY 2023/24 of Kshs. 628.92 million (June 2024), which was disbursed in July 2024. The County also raised Kshs. 832.15 million in

own-source revenue (OSR). This own-source revenue includes Kshs. 253.78 million from the Financial Inclusion Fund (FIF) and Kshs. 578.37 million from ordinary own-source revenue. The total funds available for budget implementation during the period amounted to Kshs.2.18 billion, as shown in Table 3.182.

In the first quarter of FY 2024/25, the County generated a total of Kshs.832.15 million from its sources of revenue. This amount represented an increase of 73.3 per cent compared to Kshs.480.16 million realised in a similar period in FY 2023/24. This was 13.9 per cent of the annual target and 64.2 per cent of the equitable revenue share disbursed. The OSR includes revenue arrears and penalties charged on fees and levies from previous financial years of Kshs.29.38 million.

The revenue streams which contributed the highest OSR receipts are shown in Figure109.

**Figure 109: Top Streams of Own Source Revenue in the First Quarter FY 2024/25**

Source: Mombasa County Treasury

The highest revenue stream, Kshs.253.78 million, was from FIF, contributing 30.5 per cent of the total OSR receipts during the reporting period.

### 3.28.3 Exchequer Issues

The Controller of Budget approved withdrawals of Kshs.2.02 billion from the CRF account during the reporting period, comprising Kshs.287.53 million (14.2 per cent) for development programmes and Kshs.1.73 billion (85.8 per cent) for recurrent programmes. Analysis of the recurrent exchequers released in the first three months of FY 2024/25 indicates that Kshs.1.62 billion was released towards Employee Compensation and Kshs.111.03 million for Operations and Maintenance expenditures.

The available cash balance in the County Revenue Fund Account on 30<sup>th</sup> September 2024 was Kshs.897.82 million.

### 3.28.4 County Expenditure Review

The County spent Kshs.1.40 billion on development and recurrent programmes during the reporting period. This expenditure represented 69.5 per cent of the total funds released by the CoB and comprised Kshs.255.72 million and Kshs.1.15 billion on development and recurrent programmes, respectively. Expenditure on development programmes represented an absorption rate of 4.9 per cent, while recurrent expenditures represented 10.4 per cent of the annual recurrent expenditure budget.

### 3.28.5 Settlement of Pending Bills

At the beginning of FY 2024/25, the County reported pending bills amounting to Kshs. 4.48 billion. This includes Kshs. 4.44 billion for the Executive and Kshs. 35.17 million for the Assembly. The pending bills for the County Executive consist of Kshs. 2.74 billion for recurrent expenditure and Kshs. 1.70 billion for development activities. The Assembly bills comprise Kshs.5.86 million for development activities and Kshs.29.31 million for recurrent activities.

In the first three months of FY 2024/25, the County Executive settled pending bills totalling Kshs. 517.13 million for recurrent activities which included Kshs. 0.0 million for development activities and Kshs. 517.13 million for recurrent activities. Meanwhile, the County Assembly settled bills amounting to Kshs. 25.14 million, which included Kshs. 5.86 million for development activities and Kshs. 19.29 million for recurrent activities.

As a result, by the end of the first quarter of FY 2024/25, the outstanding amount of pending bills was Kshs. 3.93 billion.

### 3.28.6 Expenditure by Economic Classification

Analysis of expenditures by economic classification indicates that the County Executive spent Kshs.979.38 million on employee compensation, Kshs.113.61 million on operations and maintenance, and Kshs.255.72 million on development activities. Similarly, the County Assembly spent Kshs.37.43 million on employee compensation and Kshs.18.64 million on operations and maintenance, as shown in Table 3.184.

**Table 3.183: Summary of Budget and Expenditure by Economic Classification**

### 3.28.7 Expenditure on Employees' Compensation

In the first quarter of FY 2024/25, expenditure on employee compensation was Kshs.1.02 billion, or 46.55 per cent of the available revenue, which amounted to Kshs.2.18 billion. This expenditure represented a decrease from Kshs.1.56 billion reported in a similar period in FY 2023/24. The wage bill included Kshs.503.40 million

paid to health sector employees, translating to 49.5 per cent of the total wage bill.

Figure 110 shows the trend of personnel expenditures as a percentage of total revenue from the first quarter of FY 2018/19 to the first quarter of FY 2024/25.

**Figure 110: Percentage of Wage Bill to Total Revenue from the First Quarter of FY 2018/19 to the First Quarter of FY 2024/25**

Further analysis indicates that PE costs amounting to Kshs.969.44 million were processed through the Integrated Personnel and Payroll Database (IPPD) system. In contrast, Kshs.47.37 million was processed through manual payrolls, which accounted for 5 per cent of the total PE cost.

The County Assembly spent Kshs.8.60 million on committee sitting allowances for the 43 MCAs against the annual budget allocation of Kshs.30 million. The average monthly sitting allowance was Kshs. 66,610 per MCA. The County Assembly has established 21 Committees.

### 3.28.8 County Emergency Fund and County-Established Funds

Section 116 of the PFM Act 2012 allows County Governments to establish other public funds with approval from the County Executive Committee and the County Assembly. The County allocated Kshs. 548.51 million to County-Established funds in FY 2024/25, constituting 3 per cent of the County's overall budget. Further, the County allocated Kshs.30 million to the Emergency Fund in line with Section 110 of the PFM Act, 2012.

Table 3.184 summarises each established Fund's budget allocation and performance during the reporting period.

Based on absorption rates, the sub-programmes with the highest implementation levels were General Administration and Human Resource Planning Services in the Department of Executive at 16 per cent, Administration Unit in the Department of Health at 15 per cent, General Administration & Legal Services in the Department of County Attorney at 15 per cent, and Protocol, Hospitality and Communication at 15 per cent of budget allocation.

### 3.28.14 Accounts Operated in Commercial Banks

The County government operated 25 accounts with commercial banks, of which three were healthcare-related.

This is contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya. The only exemption is for imprest bank accounts for petty cash and revenue collection bank accounts.

### 3.28.15 Key Observations and Recommendations

In the course of overseeing and reporting on the implementation of the County budget, the COB identified the following challenges which hampered effective budget implementation;

1. Late submission of financial reports by the County Treasury to the Controller of Budget affected the timely preparation of the budget implementation report. The report was received on 8<sup>th</sup> November, 2024.
2. The underperformance of own-source revenue at Kshs. 832.14 million against an annual target of Kshs. 6.0 billion, representing 13.9 per cent of the annual target.
3. High level of pending bills which amounted to Kshs. 3.93 billion as of 30<sup>th</sup> September 2024. Further, there was non-adherence to the payment plan for the pending bills by the County Treasury.
4. Use of manual payroll. Personnel emoluments amounting to Kshs. 47.37 million were processed through

manual payroll, accounting for 4.9 per cent of the total payroll cost. Manual payroll is prone to abuse and may lead to the loss of public funds where there is a lack of proper controls.

5. The County government uses commercial bank accounts for operations contrary to Regulations 82(1) (b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya. The commercial bank accounts are for retention, revenue, grants and funds.

The County should implement the following recommendations to improve budget execution:

1. *The County Treasury should ensure timely preparation and submission of financial reports to the Office of the Controller of Budget in line with the timelines prescribed in Section 166 of the PFM Act, 2012.*
2. *The County should address its own-source revenue performance to ensure the approved budget is fully financed. Appropriate austerity measures should be implemented to ensure expenditure commitments are aligned with available revenue.*
3. *The county leadership should address the situation of pending bills to ensure that genuine bills are paid promptly in the remaining financial year. Further, compliance with the payment plan should be enforced.*
4. *The Government requires that salaries be processed through the IPPD system, and the County is advised to fast-track the acquisition of Unified Personnel Numbers for their staff. The County Public Service Board should regulate staff engagement on contract and casual workers as provided under Section 74 of the County Governments Act 2012. Further, strict compliance with the approved staff establishment should be maintained.*
5. *The County Government should ensure that bank accounts are opened and operated at the Central Bank of Kenya as the law requires. However, imprest bank accounts for petty cash and revenue collection accounts are exempted.*

## 3.29. County Government of Murang'a

### 3.29.1 Overview of FY 2024/25 Budget

The Murang'a County approved FY 2024/25 budget is Kshs.10.50 billion. It comprised Kshs.3.16 billion (30 per cent) and Kshs.7.34 billion (69.9 per cent) allocation for development and recurrent programmes, respectively. The budget estimates represent an increase of Kshs.93.11 million (0.9 per cent) from the FY 2023/24 budget comprised a development budget of Kshs.3.12 billion and a recurrent budget of Kshs.7.29 billion. The increase in the county government budget was attributed to the rise in the Own Source Revenue Collections Target.

The Murang'a County Government budget will be financed from different sources of revenue. These include Kshs.7.75 billion (73.8 per cent) expected from the National Government as the equitable share of revenue raised nationally, Kshs.863.11 million (8.2 per cent) as additional allocations, a cash balance of Kshs.614.90 million (5.9 per cent) brought forward from FY 2023/24, and Kshs.1.25 billion (11.9 per cent) generated as gross own source revenue. The own-source revenue includes Kshs.500 million (4.8 per cent) as Facility Improvement Fund (revenue from health facilities) and Kshs.750 million (7.1 per cent) as ordinary own-source revenue. A breakdown of the additional allocations is provided in Table 3.190.

### 3.29.2 Revenue Performance

In the first quarter of FY 2024/25, the County received Kshs.1.49 billion to fund recurrent and development activities. The equitable share from the National Government was Kshs.635.27 million, additional allocation from government and development partners were Kshs.67.63 million, and its own-source revenue (OSR) collection was Kshs.170.14 million. In addition, the County had a cash balance of Kshs.614.90 million from FY 2023/24.

Analysis of the total OSR collection of Kshs.170.14 million, which included Facilities Improvement Financing (FIF) of Kshs.64.29 million and Kshs.105.86 million as ordinary OSR. Table 3.189 summarises the total revenue

available to the county government during the first quarter of FY 2024/25 performance.

The County does not have governing legislation for operating ordinary A-I-A and FIF.

Figure 112 shows the trend in own-source revenue collection from the First Quarter of FY 2018/19 to the First Quarter of FY 2024/25.

**Figure 112: Trend in Own-Source Revenue Collection from the FY 2018/19 to the FY 2024/25**

Source: Murang'a County Treasury

During the first quarter of FY 2024/25, the County generated Kshs.170.14 million from its revenue sources, including FIF. This amount is decreased by 18.9 per cent compared to Kshs.202.30 million, which was realised in a similar period in FY 2023/24, and it was 13.6 per cent of the annual target and 2.2 per cent of the equitable revenue share disbursed.

The decrease in OSR can be attributed to the Non-Remittance of the NHIF Refunds to the County Government of Murang'a, a source of County Revenue.

The revenue streams which contributed the highest OSR receipts are shown in Figure 113.

**Figure 113: Top Streams of Own Source Revenue in the First Quarter FY 2024/25**

Source: Murang'a County Treasury

The highest revenue stream, Kshs.64.29 million, was from Health/Hospital Fees (FIF), which contributed 38 per cent of the total OSR receipts during the reporting period.

### 3.29.3 Exchequer Issues

The Controller of Budget approved withdrawals of Kshs.728.62 million from the CRF account during the reporting period, which comprised Kshs.170.72 million (23.4 per cent) for development programmes and Kshs.557.90 million (76.4 per cent) for recurrent programmes in the first quarter of FY 2024/25. Analysis of the recurrent exchequers released in the first three months of FY 2024/25 indicates that Kshs.446.51 million was released towards employee compensation and Kshs.111.39 million for operations and maintenance expenditure.

As of 30 September 2024, the county government's cash balance in the CRF account was Kshs.761.82 million.

### 3.29.4 County Expenditure Review

The County spent Kshs.724.35 million on development and recurrent programmes in the reporting period. The expenditure represented 99.4 per cent of the total funds released by the CoB and comprised of Kshs.170.72 million and Kshs.553.63 million on development and recurrent programmes, respectively. Expenditure on development programmes represented an absorption rate of 5.4 per cent of the annual development budget, while recurrent expenditure represented 7.5 per cent of the annual recurrent expenditure budget.

### 3.29.5 Settlement of Pending Bills

The County reported pending bills amounting to Kshs.1.64 billion as of 30 June 2024, comprising pending payments by the County Executive of Kshs.1.07 billion and Kshs.39.32 for the County Assembly.

The County Executive's pending bills consist of Kshs.895.07 million for recurrent expenditures and Kshs.172.77 million for development expenditures. In the reporting period, the County Executive settled pending bills amounting to Kshs.501.76 million, which consisted of Kshs.431.78 million for recurrent expenditures and Kshs.69.90 million for development programmes, while the County Assembly settled pending bills worth Kshs.32.79.

Therefore, the outstanding County Government of Murang'a Eligible Pending bills were Kshs.1.11 million as of 30 September 2024.

### 3.29.6 Expenditure by Economic Classification

During the first quarter of FY 2024/25, the County Executive spent Kshs.379.76 million on employee compensation, Kshs.110.99 million on operations and maintenance, and Kshs.170.72 million on development activities. Similarly, the County Assembly spent Kshs.62.47 million on employee compensation, Kshs.398,728.50 on operations and maintenance, and did not incur any expenditure on development activities, as shown in Table 3.190.

**Table 3.190: Summary of Budget and Expenditure by Economic Classification**

### 3.29.7 Expenditure on Employees' Compensation

In the first quarter of FY 2024/25, expenditure on employee compensation was Kshs.442.24 million, or 30 per cent of the available revenue of Kshs.1.49 billion. This expenditure decreased from Kshs.1.05 billion reported in a similar period in FY 2023/24. The wage bill included Kshs.157.68 million paid to health sector employees, translating to 35.7 per cent of the total wage bill.

Figure 114 shows the trend of personnel expenditures as a percentage of total revenue from the first quarter of FY 2019/20 to the first quarter of FY 2024/25.

**Figure 114: Percentage of Wage Bill to Total Revenue from the First Quarter of FY 2019/20 to the First Quarter of FY 2024/25**

Further analysis indicates that PE costs amounting to Kshs.419.41 million were processed through the Integrated Personnel and Payroll Database (IPPD) system, while Kshs.22.83 million was processed through manual payrolls. The manual payrolls accounted for 5.2 per cent of the total PE cost.

The County Assembly spent Kshs.5.83 million on committee sitting allowances for the 48 MCAs against the annual budget allocation of Kshs.38.94 million. The average monthly sitting allowance was Kshs.40,516.23 per MCA. The County Assembly had 21 House Committees.

### 3.29.8 County Emergency Fund and County-Established Funds

Section 116 of the PFM Act 2012 allows County Governments to establish other public funds with approval from the County Executive Committee and the County Assembly. The County allocated Kshs.577 million to county-established funds in FY 2024/25, or 6 per cent of the County's overall budget. Further, the County allocated Kshs.20 million to the Emergency Fund (0.2 per cent of the total budget) in line with Section 110 of the PFM Act, 2012.

Table 3.191 summarises each established Fund budget allocation and performance during the reporting period.

During the reporting period, the CoB received quarterly financial reports from 6 Fund Administrators, as indicated in Table 3.192, as required by Section 168 of the PFM Act, 2012.

The County government uses commercial bank accounts to operate the above-established Funds contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County Government bank accounts must be opened and maintained at the Central Bank of Kenya.

### 3.29.9 Expenditure on Operations and Maintenance

Figure 115 summarises the Operations and Maintenance expenditure by major categories.

**Figure 115: Murang'a County, Operations and Maintenance Expenditure by Major Categories**

Source: Murang'a County Treasury

Domestic travel expenditures amounted to Kshs.22.72 million, spent entirely by the County Executive. The Executive and Assembly did not incur any foreign travel expenses during the review period.

The County didn't incur any expenditures on Legal fees/Dues, arbitration, or compensation payments in the period under review.

Murang'a County only has a fleet of lorries used for garbage collection services. The direct costs are the amounts spent on logistics, including Fuel and Wages for the loaders.

### 3.29.10 Facility Improvement Financing

During the period under review, the County reported collecting Kshs.64.29 million as FIF, which was 12.9 per cent of the annual target of Kshs.500 million. The collected amount was retained and utilised at the source per the Facility Improvement Financing Act of 2023. The County has, however, not developed regulations to operationalise the FIF Act of 2023.

The health facilities provided a report on the utilisation of the FIF during the reporting period, which was in line with Section 18 (e) of the FIF Act, 2023.

The expenditure by the health facilities amounted to Kshs.60.80, as shown in the Table 3.192

**Table 3.192: Breakdown of expenditure by health facilities in the first quarter of FY 2024/25**

The Health Facility with the highest absorption rate was Muranga County Referral Hospital. It is also important to note that the expenditure is on an accrual basis.

### 3.29.11 Development Expenditure

In the First Quarter of FY 2024/25, the County reported spending Kshs.170.72 million on development programmes, representing a decrease of 40 per cent compared to a similar period in FY 2023/24, when the County spent Kshs.239.87 million. Table 3.193 summarises the development projects with the highest expenditure in the reporting period.

Sub-programmes with the highest levels of implementation based on absorption rates were: Promotion Food Security in the Department of Agriculture, Livestock and Fisheries at 84.7 per cent, Land Survey in the Department of Lands, Housing & Physical Planning at 31 per cent, Land and Crops Development in the Department

of Agriculture, Livestock And Fisheries at 23 per cent, and Budget Formulation Co-ordination and Management in the Department of Finance And Economic Planning at 22 per cent of budget allocation.

### 3.29.14 Accounts Operated in Commercial Banks

The County government operated 21 accounts with commercial banks, of which eight were for County hospitals.

This is contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya. The only exemption is for imprest bank accounts for petty cash and revenue collection bank accounts.

### 3.29.15 Key Observations and Recommendations

In the course of overseeing and reporting on the implementation of the County budget, the COB identified the following challenges which hampered effective budget implementation;

3. The underperformance of own-source revenue at Kshs.170.14 million against an annual target of Kshs.1.25 billion, representing 13.6 per cent of the yearly target.
4. There was a high level of pending bills, which amounted to Kshs.1.11 billion as of 30 September 2024. Further, the County Treasury did not adhere to the payment plan for the pending bills.
5. Use of manual payroll. Personnel emoluments amounting to Kshs.22.83 million were processed through the manual payroll, accounting for 5.2 per cent of the total payroll cost. The manual payroll is prone to abuse and may lead to the loss of public funds where there is a lack of proper controls.
6. The county government uses commercial bank accounts for operations contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya.

The County should implement the following recommendations to improve budget execution:

1. The County should address its own-source revenue performance to ensure the approved budget is fully financed. *Appropriate austerity measures should be implemented to ensure expenditure commitments are aligned with available revenue.*
2. *The county leadership should address the situation of pending bills to ensure that genuine bills are paid promptly in the remaining financial year. Further, compliance with the payment plan should be enforced.*
3. *The Government requires that salaries be processed through the IPPD system, and the County is advised to fast-track the acquisition of Unified Personnel Numbers for their staff. The County Public Service Board should regulate staff engagement on contract and casual workers as provided under Section 74 of the County Governments Act 2012. Further, strict compliance with the approved staff establishment should be maintained.*
4. *The County Government should ensure that bank accounts are opened and operated at the Central Bank of Kenya as the law requires. However, imprest bank accounts for petty cash and revenue collection accounts are exempted.*

## 3.30. County Government of Nairobi City

### 3.30.1 Overview of FY 2024/25 Budget

The Nairobi City County approved FY 2024/25 budget is Kshs.43.56 billion. It comprised Kshs.14.26 billion (33 per cent) and Kshs.29.3 billion (67 per cent) allocation for development and recurrent programmes, respectively. The budget estimates represent an increase of Kshs.1.28 billion (3 per cent) from the FY 2023/24 budget, which comprised development budget of Kshs.8.45 billion and a recurrent budget of Kshs.33.83 billion. The increase in the budget was attributed to the rise in FY 204/25 opening cash balances.

The Nairobi City County Government budget will be financed from different sources of revenue. These include

Kshs.20.86 billion (48 per cent) expected from the National Government as the equitable share of revenue raised nationally, Kshs.1.3 billion (3 per cent) as additional allocations, and a cash balance of Kshs.1 billion (2 per cent) brought forward from FY 2023/24, and Kshs.20.06 billion (46 per cent) generated as gross own source revenue. The own-source revenue includes Kshs.351 million (2 per cent) as Appropriations-in-Aid (A-I-A) and Kshs.20.06 billion (98 per cent) as ordinary own-source revenue. A breakdown of the additional allocations is provided in Table 3.196.

### 3.30.2 Revenue Performance

In the first quarter of FY 2024/25, the County received Kshs.5.45 billion to fund recurrent and development activities. The equitable share from the national government was Kshs.1.71 billion and had its own source revenue (OSR) collection of Kshs. 2.26 billion. In addition, the County had a balance of Kshs1.48 billion from FY 2023/24.

Analysis of the total OSR collection of Kshs.2.26 billion indicates that it included Appropriations in Aid (AIA) of Kshs.76.49 million and Facilities Improvement Financing (FIF) of Kshs.382.45 million and Kshs.1.81 billion as ordinary OSR. Table 3.196 Summarises the total revenue available to the county government during the first quarter of FY 2024/25.

The balance brought forward from FY2023/24 shows an actual receipt as a percentage of the annual allocation of 147.8 per cent, which is attributed to the county understating its opening cash balances.

Figure 116 shows the trend in own-source revenue collection from the First Quarter of FY 2019/20 to the First Quarter of FY 2024/25.

**Figure 116: Trend in Own-Source Revenue Collection from the First Quarter of FY 2019/20 to the First Quarter of FY 2024/25**

During the first quarter of FY 2024/25, the County generated Kshs.2.26 billion from its sources of revenue, including AIA and F.I.F. This amount was an increase of 31 per cent compared to Kshs.1.72 billion realised in a similar period in FY 2023/24, and was 11 per cent of the annual target and 133 per cent of the equitable revenue share disbursed.

The revenue streams which contributed the highest OSR receipts are shown in Figure 117.

**Figure 117: Top Streams of Own Source Revenue in the First Quarter FY 2024/25**

The highest revenue stream, Kshs.484.39 million, was from Plans and Inspections (Building Permits), which contributed 22 per cent of the total OSR receipts during the reporting period.

### 3.30.3 Exchequer Issues

The Controller of Budget approved withdrawals of Kshs.2.85 billion from the CRF account during the reporting period comprised Kshs. The exchequer approvals were entirely for recurrent programmes in the first quarter of FY 2024/25. Analysis of the recurrent exchequers released in the first three months of FY 2024/25 indicates

that Kshs.2.72 billion was released towards employee compensation and Kshs.136.53 million for operations and maintenance expenditure.

As of September 30, 2024, the cash balance in the CRF account was Kshs.2.13 billion.

### 3.30.4 County Expenditure Review

The County spent Kshs.2.89 billion on development and recurrent programmes in the reporting period. This expenditure represented 101 per cent of the total funds released by the CoB and was entirely for recurrent programmes, representing 10 per cent of the annual recurrent expenditure budget. There was no expenditure on the development budget during the period.

### 3.30.5 Settlement of Pending Bills

The County reported pending bills amounting to Kshs.121.78 billion as of 30th June 2024, comprising pending payments by the County Executive of Kshs.121.26 billion and Kshs.513.92 million for the County Assembly.

The County Executive's pending bills consist of Kshs.115.95 billion for recurrent expenditures and Kshs. 5.31 billion for development expenditures. In the reporting period, the county executive settled pending bills amounting to Kshs.175.37 million for recurrent expenditures, while the County Assembly settled recurrent pending bills worth Kshs.31.73 million. Therefore, the outstanding bills were Kshs.121.57 billion as of 30 September 2024.

### 3.30.6 Expenditure by Economic Classification

During the first quarter of FY 2024/25, the County Executive spent Kshs.2.57 billion on employee compensation and Kshs.142.49 million on operations and maintenance. Similarly, the County Assembly spent Kshs.143.11 million on employee compensation and Kshs.26.75 million on operations and maintenance, as shown in Table 3.197.

**Table 3.197: Summary of Budget and Expenditure by Economic Classification**

### 3.30.7 Expenditure on Employees' Compensation

In the first quarter of FY 2024/25, expenditure on employee compensation was Kshs.2.72 billion, or 50 per cent of the available revenue of Kshs. 5.45 billion. This expenditure represented an increase from Kshs.2.70 billion reported in a similar period in FY 2023/24. The wage bill included Kshs.1.08 billion paid to health sector employees, translating to 40 per cent of the total wage bill.

Figure 118 shows the trend of personnel expenditures as a percentage of total revenue from the first quarter of FY 2023/24 to the first quarter of FY 2024/25.

**Figure 118: Percentage of Wage Bill to Total Revenue from the First Quarter of FY 2023/24 to the First Quarter of FY 2024/25**

Further analysis indicates that PE costs amounting to Kshs.2.56 billion were processed through the Integrated Personnel and Payroll Database (IPPD) system while Kshs.159.41 million was processed through manual payrolls. The manual payrolls accounted for 5.9 per cent of the total PE cost.

The County Assembly spent Kshs.1.63 million on committee sitting allowances for the 124 MCAs and Speaker against the annual budget allocation of Kshs.27.56 million. The average monthly sitting allowance was Kshs.4,382 per MCA. The County Assembly had 26 House Committees.

### 3.30.8 County Emergency Fund and County-Established Funds

Section 116 of the PFM Act 2012 allows County Governments to establish other public funds with approval from the County Executive Committee and the County Assembly. The County allocated Kshs.200 million to county-established funds in FY 2024/25, or 0.5 per cent of the County's overall budget. Further, the County allocated Kshs.100 million to the Emergency Fund (0.2 per cent of the total budget) in line with Section 110 of the PFM Act, 2012.

Table 3.198 summarises each established Fund's budget allocation and performance during the reporting period.

During the reporting period, the CoB received quarterly financial reports from Car Loan & Mortgage Assembly Fund Administrators, as indicated in Table 3.199, as per the requirement of Section 168 of the PFM Act, 2012.

The County government uses commercial bank accounts to operate the above-established Funds contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County Government bank accounts must be opened and maintained at the Central Bank of Kenya.

### 3.30.9 Expenditure on Operations and Maintenance

Figure 119 summarises the Operations and Maintenance expenditure by major categories.

**Figure 119: Nairobi County, Operations and Maintenance Expenditure by Major Categories**

### 3.30.10 Facility Improvement Financing

During the period under review, the County reported a collection of Kshs.382.45 million as FIF. The county did not budget for the anticipated F.I.F in the approved budget for FY 2024/25. The collected amount was retained and utilised at source in line with the Facility Improvement Financing Act, 2023. The County has, however, not developed regulations to operationalize the FIF Act of 2023.

The health facilities did not provide a report on the utilisation of the FIF during the reporting period, contrary to Section 18 (e) of the FIF Act, 2023.

### 3.30.11 Development Expenditure

The County did not report any spending on development programmes in the first quarter of FY 2024/25, and likewise in FY 2023/24.

Sub-programmes with the highest levels of implementation based on absorption rates were: Public Participation, Citizen Engagement & Customer Service in the Department of Inclusivity Public Participation, & Citizen Engagement at 21 per cent, Liquor Licensing & Regulation in the Department of Liquor Licensing Board at 21 per cent, General Administration & Support Services in the Department of Boroughs and Public Administration at 18 per cent, and Business & Hustler Opportunities Headquarters at 17 per cent of budget allocation.

### 3.30.14 Accounts Operated in Commercial Banks

The County Assembly operates 5 accounts with commercial banks, while the county executive did not submit a list of accounts maintained with commercial banks.

This is contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya. The only exemption is for imprest bank accounts for petty cash and revenue collection bank accounts.

### 3.30.15 Key Observations and Recommendations

In overseeing and reporting on the County budget's implementation, the COB identified the following challenges that hampered effective budget implementation.

1. Late submission of financial reports by the County Treasury to the Controller of Budget affected the timely preparation of the budget implementation report. The report was received on 31<sup>st</sup> October 2024.
2. Own-source revenue underperformed at Kshs.2.26 billion against an annual target of Kshs.20.06 billion, representing 11 per cent of the yearly target.
3. There was a high level of pending bills, which amounted to Kshs.121.57 billion as of 30 September 2024. Further, the County Treasury did not adhere to the payment plan for the pending bills.
4. Use of manual payroll. Personnel emoluments amounting to Kshs.159.41 million were processed through manual payroll, accounting for 6 per cent of the total payroll cost. Manual payroll is prone to abuse and may lead to the loss of public funds where there is a lack of proper controls.
5. Failure to budget for the FIF. The county collected Kshs.159.41 million as FIF, which should be regularized.
6. The County Government uses commercial bank accounts for operations contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya.

The County should implement the following recommendations to improve budget execution:

1. *The County Treasury should ensure timely preparation and submission of financial reports to the Office of the Controller of Budget per the timelines prescribed in Section 166 of the PFM Act, 2012.*
2. *The County should address its own-source revenue performance to ensure the approved budget is fully financed. Appropriate austerity measures should be implemented to ensure expenditure commitments are aligned with available revenue.*
3. *The County leadership should address the situation of pending bills to ensure that genuine bills are paid promptly in the remaining financial year. Further, compliance with the payment plan should be enforced.*
4. *The Government requires that salaries be processed through the IPPD system, and the County is advised to fast-track the acquisition of Unified Personnel Numbers for their staff. The County Public Service Board should regulate staff engagement on contract and casual workers as provided under Section 74*

of the County Governments Act 2012. Further, strict compliance with the approved staff establishment should be maintained.

5. The County government should budget F.I.F as a separate revenue stream in the subsequent supplementary budget.
6. The County Government should ensure that bank accounts are opened and operated at the Central Bank of Kenya as the law requires. However, imprest bank accounts for petty cash and revenue collection accounts are exempted.

### 3.31. County Government of Nakuru

#### 3.31.1 Overview of FY 2024/25 Budget

The Nakuru county approved FY 2024/25 budget is Kshs.21.07 billion. It comprised Kshs.6.99 billion (33 per cent) and Kshs.14.08 billion (67 per cent) allocation for development and recurrent programmes, respectively. The budget estimates represent a decrease of Kshs.2.24 billion (10 per cent) from the FY 2023/24 budget comprised of a development budget of Kshs.9.68 billion and a recurrent budget of Kshs.13.63 billion. The decrease in the county government budget was attributed to a decline in the balance brought forward in the last financial year, which was Kshs.3.6 billion.

The Nakuru County Government budget will be financed from different sources of revenue. These include; Kshs.14.13 billion (67 per cent) expected from the National Government as the equitable share of revenue raised nationally, Kshs.1.83 billion as additional allocations (9 per cent), a cash balance of Kshs.1.01 billion (5 per cent) brought forward from FY 2023/24, and Kshs.4.11 billion (20 per cent) generated as gross own source revenue. The own-source revenue includes Kshs.1.88 billion (46 per cent) as Facility Improvement Fund (revenue from health facilities) and Kshs.2.23 billion (54 per cent) as ordinary own-source revenue. The additional allocations include Kshs.16.14 million for DANIDA, Kshs.37.50 million for Kenya devolution Support Programme (KDSP II), Kshs.151.52 million for World Bank National Agricultural Value Chain Development Project (NAVCDP), Kshs.234.88 million for Conditional Grant for the provision of fertiliser subsidy programme, Kshs.38.28 million for Kenya Livestock Commercialization Project (KELCOP), Kshs.35 million for Kenya Urban Support Project (KUSP) - Urban Institutional Grant, Kshs.11million for Financing Locally-Led Climate Action Program, (FLLoCA) - County Climate Institution Support (CCIS) Level I, Kshs.125 million Locally-Led Climate Action (FLLoCA) Program – County Climate Resilience Investment Grant, Kshs.550 million for Kenya Informal Settlement Improvement Project II (KISIP II), Kshs.1,562 for County Allocation for 20 per cent share of mineral Royalties, Kshs.99.39 million for Community Health Promoters (CHPs) and Kshs.527.60 million for Road Maintenance Levy Fund.

#### 3.31.2 Revenue Performance

In the first quarter of FY 2024/25, the County received Kshs.3.85 billion to fund recurrent and development activities. The equitable share from the National Government was Kshs.2.24 billion, and its own source revenue (OSR) collection was Kshs.600.87 million. In addition, the County had a cash balance of Kshs.1.01 billion from FY 2023/24. Included in the equitable share of revenue raised nationally is Kshs. 1.09 billion for June 2024, which was disbursed in July 2024.

Analysis of the total OSR collection of Kshs.600.87 billion indicates that it included Facilities Improvement Financing (FIF) of Kshs.354.74 million and Kshs.246.14 million as ordinary OSR. Table 3.202 summarises the total revenue available to the county government during the first quarter of FY 2024/25 performance.

**Figure 120: Trend in Own-Source Revenue Collection from the First Quarter of FY 2018/19 to the First Quarter of FY 2024/25**

Source: Nakuru County Treasury

During the first quarter of FY 2024/25, the County generated Kshs.600.87 million from its revenue sources, including FIF. This amount was a decrease of 11 per cent compared to Kshs.676.93 million realised in a similar period in FY 2023/24 and was 15 per cent of the annual target and 27 per cent of the equitable revenue share disbursed. The OSR does not include revenue arrears and penalties on fees and levies from previous financial years.

The decrease in OSR can be attributed to the County's change of revenue collection strategies in the current financial year, which is meant to enhance revenue collection in the long run.

The revenue streams which contributed the highest OSR receipts are shown in Figure 121.

**Figure 121: Top Streams of Own Source Revenue in the First Quarter FY 2024/25**

The highest revenue stream, Kshs.71.89 million, was from Cess, contributing 12 per cent of the total OSR receipts during the reporting period.

### 3.31.3 Borrowing by the County

The County Government did not have any borrowings during the review period.

### 3.31.4 Exchequer Issues

During the reporting period, the Controller of Budget approved withdrawals of Kshs. 2.58 billion from the CRF account comprised Kshs.274.30 million (11 per cent) for development programmes and Kshs.2.30 billion (89 per cent) for recurrent programmes in the first quarter of FY 2024/25. Analysis of the recurrent exchequers released in the first three months of FY 2024/25 indicates that Kshs.1.72 billion was released towards employee compensation and Kshs.588.19 million for operations and maintenance expenditure.

As of 30th September 2024, the County Government's cash balance in the CRF account was Kshs.2.36 billion.

### 3.31.5 County Expenditure Review

The County spent Kshs.2.13 billion on development and recurrent programmes in the reporting period. This expenditure represented 82 per cent of the total funds released by the CoB and comprised Kshs. 31.29 million and Kshs.2.09 billion on development and recurrent programmes, respectively. Expenditure on development programmes represented an absorption rate of 0.4 per cent, while recurrent expenditures represented 15 per cent of the annual recurrent expenditure budget.

### 3.31.6 Settlement of Pending Bills

The County reported pending bills as of 30<sup>th</sup> September 2024, amounting to Kshs 1.50 billion, comprising pending payments by the County Executive of Kshs.1.44 billion and Kshs.59.20 million for the County Assembly.

The County Executive's pending bills consist of Kshs.1.27 billion for recurrent expenditures and Kshs.169.51 million for development expenditures. In the reporting period, the County Executive settled pending bills amounting to Kshs.197.86 million, which were entirely for recurrent expenditure, while the County Assembly did not pay any pending bills. The outstanding pending bills included Kshs.104.57 million incurred in the review period.

### 3.31.7 Expenditure by Economic Classification

During the first quarter of FY 2024/25, the County Executive spent Kshs.1.59 billion on employee compensation, Kshs.354.10 million on operations and maintenance, and Kshs.71.29 million on development activities. Similarly, the County Assembly spent Kshs.126.38 million on employee compensation, Kshs.25.19 million on operations and maintenance, and there was no expenditure on development activities, as shown in Table 3.203.

**Table 3.203: Summary of Budget and Expenditure by Economic Classification**

### 3.31.8 Expenditure on Employees' Compensation

In the first quarter of FY 2024/25, expenditure on employee compensation was Kshs.1.72 billion, or 67 per cent of the available revenue of Kshs.2.58 billion. This expenditure represented a decrease from Kshs.1.79 billion reported in a similar period in FY 2023/24. The wage bill included Kshs.996.98 billion paid to the health sector employees, translating to 58 per cent of the total wage bill.

Figure 122 shows the trend of personnel expenditures as a percentage of total revenue from the first quarter of FY 2017/18 to the first quarter of FY 2024/25.

**Figure 122: Percentage of Wage Bill to Total Revenue from the First Quarter of FY 2021/22 to the First Quarter of FY 2024/25**

Further analysis indicates that PE costs amounting to Kshs.1.58 billion were processed through the Integrated Personnel and Payroll Database (IPPD) system while Kshs.135.18 million was processed through manual payrolls. The manual payrolls accounted for 7.9 per cent of the total PE cost.

The County Assembly spent Kshs.12.83 million on committee sitting allowances for the 74 MCAs against the annual budget allocation of Kshs.53 million. The average monthly sitting allowance was Kshs.57,795.50 per MCA. The County Assembly had 23 House Committees.

### 3.31.9 County Emergency Fund and County-Established Funds

Section 116 of the PFM Act 2012 allows County Governments to establish other public funds with approval from the County Executive Committee and the County Assembly. The County allocated Kshs.483.71 million to county-established funds in FY 2024/25, or 2 per cent of the County's overall budget. Further, the County allocated Kshs.70 million to the Emergency Fund (0.3 per cent of the total budget) in line with Section 110 of the PFM Act, 2012.

Table 3.204 summarises each established Fund's budget allocation and performance during the reporting period.

During the reporting period, the CoB received quarterly financial reports from all Fund Administrators, as indicated in Table 3.205, as stipulated in Section 168 of the PFM Act, 2012.

The County Government uses commercial bank accounts to operate the above-established Funds contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County Government bank accounts must be opened and maintained at the Central Bank of Kenya.

### 3.31.11 Facility Improvement Financing

During the period under review, the County reported collecting Kshs.354.74 million as FIF, which was 18.9 per cent of the annual target of Kshs.1.88 billion. The collected amount was retained and utilised at the source per the Facility Improvement Financing Act of 2023. The County has, however, not developed regulations to operationalise the FIF Act of 2023.

The health facilities did provide a report on the utilisation of the FIF during the reporting period, as per Section 18 (e) of the FIF Act, 2023.

The expenditure by the health facilities amounted to Kshs.379.39 million, as shown in the Table 3.206

Bondeni Maternity and Olenguruone Sub-County Hospital had the highest absorption rates, each with a 36 per cent absorption rate.

### 3.31.12 Development Expenditure

In the First Quarter of FY 2024/25, the County reported spending Kshs.31.29 million on development programmes, representing an increase of 138.9 per cent compared to a similar period in FY 2023/24, when the County spent Kshs.13.10 million. Table 3.207 summarises the development projects with the highest expenditures in the reporting period.

Source: Nakuru County Treasury

Analysis of expenditures by departments shows that Gilgil Municipality recorded the highest absorption rate of the development budget, 100 per cent, followed by the County Treasury, which recorded 2 per cent. The Department of Health Services had the highest percentage of recurrent expenditures to budget, 18.3 per cent, while Gilgil and Molo Municipalities did not record any recurrent expenditures.

It is noted that the Department of Health Services had expenditures above the exchequer due to FIF, which is collected and spent at source as per the Act.

Based on absorption rates, the sub-programmes with the highest implementation levels were Personnel Services in the Office of the Governor and Deputy Governor at 26.1 per cent, Compensation of Employees in the County Assembly at 24.3 per cent, Compensation of Employees in the County Assembly at 24.2 per cent, and Personnel services in the County Treasury at 24 per cent of budget allocation.

### 3.31.15 Accounts Operated in Commercial Banks

The County government operated 301 accounts with commercial banks, of which 195 were for County Hospitals and 70 for Vocational Training Centres.

This is contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya. The only exemption is for imprest bank accounts for petty cash and revenue collection bank accounts.

### 3.31.16 Key Observations and Recommendations

In the course of overseeing and reporting on the implementation of the County budget, the COB identified the following challenges which hampered effective budget implementation;

1. Own-source revenue underperformed at Kshs.600.87 million against an annual target of Kshs.4.11 billion, representing 14.6 per cent of the yearly target.
2. High level of pending bills, which amounted to Kshs.1.50 billion as of 30<sup>th</sup> September 2024.
3. Use of manual payroll. Personnel emoluments amounting to Kshs.135.18 million were processed through the manual payroll, accounting for 7.9 per cent of the total payroll cost. The manual payroll is prone to abuse and may lead to the loss of public funds where there is a lack of proper controls.
4. The county government uses commercial bank accounts for operations contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya. The commercial bank accounts are used for revenue collection, imprest, and operations.

The County should implement the following recommendations to improve budget execution:

1. The County should address its own-source revenue performance to ensure the approved budget is fully financed. Appropriate austerity measures should be implemented to ensure expenditure commitments are aligned with available revenue.
2. The county leadership should address the situation of pending bills to ensure that genuine bills are paid promptly in the remaining financial year. Further, compliance with the payment plan should be enforced.
3. The Government requires that salaries be processed through the IPPD system, and the County is advised to fast-track the acquisition of Unified Personnel Numbers for their staff. The County Public Service Board should regulate staff engagement on contract and casual workers as provided under Section 74 of the County Governments Act 2012. Further, strict compliance with the approved staff establishment should be maintained.
4. The County Government should ensure that bank accounts are opened and operated at the Central Bank of Kenya as the law requires. However, imprest bank accounts for petty cash and revenue collection accounts are exempted.

## 3.32. County Government of Nandi

### 3.32.1 Overview of FY 2024/25 Budget

The Nandi County approved FY 2024/25 budget is Kshs.9.20 billion. It comprised Kshs.2.99 billion (33 per cent) and Kshs.6.21 billion (68 per cent) allocations for development and recurrent programmes, respectively. The budget estimates represent a decrease of Kshs.160.91 million (2 per cent) from the FY 2023/24 budget, which comprised a development budget of Kshs.3.20 billion and a recurrent budget of Kshs.6.16 billion.

The Nandi County Government budget will be financed from different sources of revenue. These include Kshs.7.60 billion (83 per cent) expected from the National Government as the equitable share of revenue raised nationally, Kshs.972.38 million as additional allocations, and Kshs.607.32 million (4 per cent) generated as gross own source revenue. The own source revenue includes Kshs.306.10 million (3 per cent) as ordinary own source revenue, Kshs.301.23 million (3 per cent) as Facility Improvement Fund (revenue from health facilities), and Kshs.17.91 million (0.2 per cent) as other revenue. A breakdown of the additional allocations is shown in Table 3.211.

### 3.32.2 Revenue Performance

In the first quarter of FY 2024/25, the County received Kshs.1.28 billion to fund recurrent and development activities. The equitable share from the National Government was Kshs.1.21 billion, and its own source revenue (OSR) collection of Kshs.75.95 million. The County had a balance of Kshs.584.42 million, being the June 2024 Equitable Share that was disbursed in July 2024.

Analysis of the total OSR collection of Kshs.75.95 million indicates that it included Facilities Improvement Financing (FIF) of Kshs.35.31 million and Kshs.40.64 million as ordinary OSR. Table 3.210 summarises the total revenue available to the county government during the first quarter of FY 2024/25.

The County has governing legislation on the operation of ordinary A-I-A and FIF.

Figure 124 shows the trend in own-source revenue collection from the First Quarter of FY 2018/19 to the First Quarter of FY 2024/25.

**Figure 124: Trend in Own-Source Revenue Collection from the First Quarter of FY 2018/19 to the First Quarter of FY 2024/25**

Source: Nandi County Treasury

During the first quarter of FY 2024/25, the County generated Kshs.75.95 million from its revenue sources, including AIA and FIF. This amount was an increase of 206 per cent compared to Kshs.24.78 million realised in a similar period in FY 2023/24. This was 13 per cent of the annual target and 6 per cent of the equitable revenue share disbursed.

The increase in OSR can be attributed to a robust collection of FIF.

The revenue streams which contributed the highest OSR receipts are shown in Figure 125.

**Figure 125: Top Streams of Own Source Revenue in the First Quarter FY 2024/25**

*Source: Nandi County Treasury*

The highest revenue stream, Kshs.35.31 million, was from Health/Hospital Fees, which contributed 47 per cent of the total OSR receipts during the reporting period.

### 3.32.3 Exchequer Issues

The Controller of Budget approved withdrawals of Kshs.1.09 billion from the CRF account during the reporting period, which comprised Kshs.29.40 million (3 per cent) for development programmes and Kshs.1.06 billion (97 per cent) for recurrent programmes in the first quarter of FY 2024/25. Analysis of the recurrent exchequers released in the first three months of FY 2024/25 indicates that Kshs.902.50 million was released towards employee compensation and Kshs.153.29 million for operations and maintenance expenditure.

As of 30 September 2024, the County Government's cash balance in the CRF account was Kshs. 610.47 million.

### 3.32.4 County Expenditure Review

The County spent Kshs.1.22 billion on development and recurrent programmes in the reporting period. The expenditure represented 113 per cent of the total funds released by the CoB and comprised Kshs.50.71 million and Kshs.1.17 billion on development and recurrent programmes, respectively. Expenditure on development programmes represented an absorption rate of 2 per cent, while recurrent expenditure represented 19 per cent of the annual recurrent expenditure budget. One of the reasons the expenditure exceeded the exchequer issues due to the spending of Facility Improvement Funds (FIF) at source at the health facilities, which is in line with FIF regulations

### 3.32.5 Settlement of Pending Bills

The County reported that the outstanding bills totalling as of 30 June 2024 were Kshs. 612.63 million. Of this amount, Kshs. 612.63 million was owed to the County Executive, while no funds were owed to the County Assembly. As of 30 September 2024, the County Executive had outstanding bills totalling Kshs.569.33 million. This amount comprised Kshs.322.10 million for recurrent expenses and Kshs.290.52 million for development projects. During the reporting period, the County Executive settled Kshs.43.30 million in outstanding bills, including Kshs.38.20 million for recurrent expenses and Kshs.5.10 million for development programs. The County Assembly reported no outstanding bills.

### 3.32.6 Expenditure by Economic Classification

During the first quarter of FY 2024/25, the County Executive spent Kshs.725.10 million on employee compensation, Kshs.314.83 million on operations and maintenance, and Kshs.50.71 million on development activities. Similarly, the County Assembly spent Kshs.88 million on employee compensation and Kshs.42.27 million on operations and maintenance, as shown in Table 3.211.

**Table 3.211: Summary of Budget and Expenditure by Economic Classification**

### 3.32.7 Expenditure on Employees' Compensation

In the first quarter of FY 2024/25, expenditure on employee compensation was Kshs.813.10 million, or 64 per cent of the available revenue of Kshs.1.28 billion. This expenditure represented a decrease from Kshs.916.42 billion reported in a similar period in FY 2023/24. The wage bill included Kshs.494.03 million paid to the health sector employees, translating to 61 per cent of the total wage bill.

Figure 126 shows the trend of personnel expenditures as a percentage of total revenue from the first quarter of FY 2017/18 to the first quarter of FY 2024/25.

**Figure 126: Percentage of Wage Bill to Total Revenue from the First Quarter of FY 2018/19 to the First Quarter of FY 2024/25**

Further analysis indicates that PE costs amounting to Kshs.773.16 million were processed through the Integrated Personnel and Payroll Database (IPPD) system while Kshs.39.94 million was processed through manual payrolls. The manual payrolls accounted for 5 per cent of the total PE cost.

The County Assembly spent Kshs.3.55 million on committee sitting allowances for the 45 MCAs against the annual budget allocation of Kshs.27.46 million. The average monthly sitting allowance was Kshs.26,289 per MCA. The County Assembly had 21 House Committees.

### 3.32.8 County Emergency Fund and County-Established Funds

Section 116 of the PFM Act 2012 allows County Governments to establish other public funds with approval from the County Executive Committee and the County Assembly. The County allocated Kshs.227 million to

County-established funds in FY 2024/25, or 3 per cent of the County's overall budget. Further, the County allocated Kshs.57 million to the Emergency Fund (0.6 per cent of the total budget) in line with Section 110 of the PFM Act, 2012.

Table 3.212 summarises each established Fund's budget allocation and performance during the reporting period.

**Table 3.212: Performance of County Established Funds in the First Quarter of FY 2024/25**

S/No.	Name of the Fund	Approved Budget Allocation in FY 2024/25 (Kshs.)	Exchequer Issues (Kshs.)	Actual Expenditure (Kshs.)	Submission of Financial Statements as of 30 September 2024 (Yes/No.)

During the reporting period, the CoB did not receive quarterly financial reports from Nandi County Assembly Car Loan and Mortgage Scheme Fund Administrators, as indicated in Table 3.213, contrary to the requirement of Section 168 of the PFM Act, 2012.

The County Government uses commercial bank accounts to operate the above-established Funds contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County Government bank accounts must be opened and maintained at the Central Bank of Kenya.

### 3.32.9 Expenditure on Operations and Maintenance

Figure 127 summarises the Operations and Maintenance expenditure by major categories.

**Figure 127: Nandi County, Operations and Maintenance Expenditure by Major Categories**

County Executive	1	30 August 2024	Forum on Food Systems	Rwanda	250,000

### 3.32.10 Facility Improvement Financing

During the period under review, the County reported a collection of 35.31 million Kshs as FIF, which was 12 per cent of the annual target of Kshs.301.23 million. The collected amount was retained and utilised at source in line with the Facility Improvement Financing Act, 2023. The County has not developed regulations to operationalise the FIF Act of 2023., although there exists and Nandi County FIF Act

The expenditure by the health facilities amounted to Kshs.27.42 million, as shown in the Table 3.214

**Table 3.214: Breakdown of Expenditure by Health Facilities in the First Quarter of FY 2024/25**

The sub-programmes with the highest implementation levels based on absorption rates were Health Service Delivery Administration Services, at 19 per cent, General Administration and Support Services, at 19 per cent, and Administration and Support Services, at 16 per cent of budget allocation.

### 3.32.14 Accounts Operated in Commercial Banks

The County government operated ten accounts with commercial banks, with one being for County health operations.

This is contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya. The only exemption is for imprest bank accounts for petty cash and revenue collection bank accounts.

### 3.32.15 Key Observations and Recommendations

In the course of overseeing and reporting on the implementation of the County budget, the COB identified the following challenges which hampered effective budget implementation;

1. Late submission of financial reports by the County Treasury to the Controller of Budget affected the timely preparation of the budget implementation report. The report was received on 31 October, 2024.
2. The underperformance of own-source revenue at Kshs.75.95 million against an annual target of Kshs.607.32 million, representing 13 per cent of the yearly target.

3. High pending bills amounted to Kshs.569.32 billion as of 30 September 2024.
4. Use of manual payroll. Personnel emoluments amounting to Kshs.39.94 million were processed through manual payroll, accounting for 5 per cent of the total payroll cost. Manual payroll is prone to abuse and may lead to the loss of public funds where there is a lack of proper controls.

The County should implement the following recommendations to improve budget execution:

1. *The County Treasury should ensure timely preparation and submission of financial reports to the Office of the Controller of Budget in line with the timelines prescribed in Section 166 of the PFM Act, 2012.*
2. *The County should address its own-source revenue performance to ensure the approved budget is fully financed. Appropriate austerity measures should be implemented to ensure expenditure commitments are aligned with available revenue.*
3. *The County leadership should address the situation of pending bills to ensure that genuine bills are paid promptly in the remaining financial year. Further, compliance with the payment plan should be enforced.*
4. *The Government requires that salaries be processed through the IPPD system, and the County is advised to fast-track the acquisition of Unified Personnel Numbers for their staff. The County Public Service Board should regulate staff engagement on contract and casual workers as provided under Section 74 of the County Governments Act 2012. Further, strict compliance with the approved staff establishment should be maintained.*

### 3.33. County Government of Narok

#### 3.33.1 Overview of FY 2024/25 Budget

The Narok County approved FY 2024/25 budget is Kshs.15.68 billion. It comprised Kshs.5.16 billion (32.9 per cent) and Kshs.10.53 billion (67 per cent) allocations for development and recurrent programmes, respectively. The budget estimates represent an increase of Kshs. 697.33 million (5 per cent) from the FY 2023/24 budget comprised a development budget of Kshs.5.10 billion and a recurrent budget of Kshs.9.89 billion.

The Narok County Government budget will be financed from different sources of revenue. These include Kshs.9.53 billion (61 per cent) expected from the National Government as the equitable share of revenue raised nationally, Kshs.1.12 billion as additional allocations and Kshs.4.98 billion (32 per cent) generated as gross own source revenue. The own-source revenue includes Kshs.125.95 million (3 per cent) as Facility Improvement Fund (revenue from health facilities) and Kshs.4.85 billion (98 per cent) as ordinary own-source revenue. A breakdown of the additional allocations is shown in Table 3.219.

#### 3.33.2 Revenue Performance

In the first quarter of FY 2024/25, the County received Kshs.3.76 billion to fund recurrent and development activities. The equitable share from the National Government was Kshs. 781.68 million, and the own source revenue (OSR) collection was Kshs. 2.98 billion.

The total OSR collection of Kshs. 2.98 billion comprises Facilities Improvement Financing (FIF) of Kshs.14.17 million and Kshs.2.97 million as ordinary OSR. Table 3.218 summarises the total revenue available to the county government during the first quarter of FY 2024/25 performance.

The County has existing legislation governing the operation of the FIF, but it has not yet been amended to align with the Facilities Improvement Financing Act of 2023.

Figure 128 shows the trend in own-source revenue collection from the First Quarter of FY 2018/19 to the First Quarter of FY 2024/25.

**Figure 128: Trend in Own-Source Revenue Collection from the First Quarter of FY 2018/19 to the First Quarter of FY 2024/25**

Source: Narok County Treasury

During the first quarter of FY 2024/25, the County generated Kshs.2.98 billion from its revenue sources, including AIA and FIF. This amount was an increase of 78 per cent compared to Kshs.1.68 billion realised in a similar period in FY 2023/24, which was 60 per cent of the annual target and 382 per cent of the equitable revenue share disbursed.

The OSR performance can be attributed to the following revenue mobilisation strategies, among others: development of a Revenue Enhancement Action Plan (REAP) covering the period between 2022 – 2027 as recommended in the Tax Administration Diagnostic Assessment Tool (TADAT) performance assessment report; Automation of other revenue outside Maasai Mara National Game Reserve; Staff re- alignment & Capacity building; Employment of new revenue collection staff as well as full implementation of County Finance policies and regulations spelt out in the Narok County Government Finance Act.

The revenue streams which contributed the highest OSR receipts are shown in Figure 129.

**Figure 129: Top Streams of Own Source Revenue in the First Quarter FY 2024/25**

Source: Narok County Treasury

The highest revenue stream, Kshs.2.89 billion, was from Masai Mara Game Park Fees after the Narok County Assembly increased fees from 80 Dollars to 200 Dollars through the Finance Act, contributing to 97 per cent of the total OSR receipts during the reporting period.

### 3.33.3 Exchequer Issues

During the reporting period, the Controller of Budget approved withdrawals of Kshs.2.48 billion from the CRF account comprised Kshs.478.79 million (9 per cent) for development programmes and Kshs.4.73 billion (91 per cent) for recurrent programmes in the first quarter of FY 2024/25. Analysis of the recurrent exchequers released in the first three months of FY 2024/25 indicates that Kshs.836.54 million was released towards employee compensation, Kshs.1.17 billion for operations and maintenance expenditure and Kshs.478.79 million for development programmes.

### 3.33.4 County Expenditure Review

The County spent Kshs.2.48 billion on development and recurrent programmes in the reporting period. The expenditure represented 99.8 per cent of the total funds released by the CoB and comprised of Kshs. 477.28 million and Kshs.2 billion on development and recurrent programmes, respectively. Expenditure on development programmes represented an absorption rate of 9 per cent, while recurrent expenditure represented 19 per cent of the annual recurrent expenditure budget.

### 3.33.5 Settlement of Pending Bills

The County reported pending bills amounting to Kshs 4.29 billion as of 30th June 2024, comprising pending payments by the County Executive of Kshs.4.26 billion and Kshs 29.48 million for the County Assembly.

The County executive's pending bills consist of Kshs.1.6 billion for recurrent expenditures and Kshs.2.66 billion for development expenditures. The County executive settled pending bills amounting to Kshs.2.77 billion in the reporting period, which consisted of Kshs. 581.59 million for recurrent expenditure and Kshs.2.19 billion for development programmes, while the County Assembly settled pending bills worth Kshs. 21.10 million. Therefore, the outstanding bills were Kshs.1.50 billion as of 30<sup>th</sup> September 2024.

### 3.33.6 Expenditure by Economic Classification

During the first quarter of FY 2024/25, the County Executive spent Kshs.792.96 million on employee compensation, Kshs.1.14 billion on operations and maintenance, and Kshs.477.28 million on development activities. Similarly, the County Assembly spent Kshs.43.59 million on employee compensation and Kshs.20.31 million on operations and maintenance, as shown in Table 3.219.

**Table 3.219: Summary of Budget and Expenditure by Economic Classification**

### 3.33.7 Expenditure on Employees' Compensation

In the first quarter of FY 2024/25, expenditure on employee compensation was Kshs.836.54 million, or 22.2 per cent of the available revenue of Kshs.3.76 billion. This expenditure represented an increase from Kshs.832.01 million reported in a similar period in FY 2023/24. The wage bill included Kshs.386.90 million paid to the health sector employees, translating to 46 per cent of the total wage bill.

Figure 130 shows the trend of personnel expenditures as a percentage of total revenue from the first quarter of FY 2017/18 to the first quarter of FY 2024/25.

**Figure 130: Percentage of Wage Bill to Total Revenue from the First Quarter of FY 2018/19 to the First Quarter of FY 2024/25**

Further analysis indicates that PE costs amounting to Kshs.834.59 million were processed through the Integrated Personnel and Payroll Database (IPPD) system while Kshs.1.95 million was processed through manual payrolls. The manual payrolls accounted for 0.2 per cent of the total PE cost.

The County Assembly spent Kshs.9.25 million on committee sitting allowances for the 50 MCAs against the annual budget allocation of Kshs.35.11 million. The average monthly sitting allowance was Kshs.61,647 per MCA. The County Assembly had 21 House Committees.

### 3.33.8 County Emergency Fund and County-Established Funds

Section 116 of the PFM Act 2012 allows County Governments to establish other public funds with approval from the County Executive Committee and the County Assembly. The County allocated Kshs.786.49 million to county-established funds in FY 2024/25, or 5 per cent of the County's overall budget. Further, the County allocated Kshs.50 million to the Emergency Fund (0.3 per cent of the total budget) in line with Section 110 of the PFM Act, 2012.

Table 3.220 summarises each established Fund's budget allocation and performance during the reporting period.

Note: Cumulative disbursements to a fund include all monies that the county treasury has transferred to the Fund since its inception to the reporting period.

During the reporting period, the CoB did not receive quarterly financial reports from 7 Fund Administrators, as indicated in Table 3.221, contrary to the requirement of Section 168 of the PFM Act, 2012.

### 3.33.9 Expenditure on Operations and Maintenance

Figure 131 summarises the Operations and Maintenance expenditure by major categories.

**Figure 131: Narok County, Operations and Maintenance Expenditure by Major Categories**

The operations and maintenance costs include an expenditure of Kshs.174.70 million on legal fees.

### 3.33.10 Facility Improvement Financing

During the period under review, the County reported collecting Kshs.14.17 million as FIF, which was 11 per cent of the annual target of Kshs.125.95 million. The collected amount was retained and utilised at the source per the Facility Improvement Financing Act of 2023. The County has, however, not developed regulations to operationalise the FIF Act of 2023.

Contrary to Section 18 (e) of the FIF Act, 2023, the health facilities did not provide a report on the use of the FIF during the reporting period.

### 3.33.11 Development Expenditure

In the First Quarter of FY 2024/25, the County reported spending Kshs.477.28 million on development programmes, representing a decrease of 65 per cent compared to a similar period in FY 2023/24, when the County spent Kshs.1.37 billion. Table 3.222 summarises development projects with the highest expenditure in the reporting period.

Based on absorption rates, the sub-programmes with the highest implementation levels were Tourism Development and Promotion, at 50 per cent; Public Finance Management in the Department of Finance & Economic Planning, at 42 per cent; and General Administration, Planning & Support Services in the Department of Health, at 34 per cent.

### 3.33.14 Accounts Operated in Commercial Banks

The County Treasury did not disclose the number of accounts operated in the Commercial Banks.

### 3.33.15 Key Observations and Recommendations

In the course of overseeing and reporting on the implementation of the County budget, the COB identified the following challenges which hampered effective budget implementation;

1. Late submission of financial reports by the County Treasury to the Controller of Budget affected the timely preparation of the budget implementation report. The report was received on 25<sup>th</sup> October 2024.

2. The County has existing legislation governing the operation of the FIF, but it still needs to be amended to align with the Facilities Improvement Financing Act of 2023.
3. Fund Administrators failed to submit quarterly financial and non-financial reports to the COB within the timelines provided by law, which is against the requirement of Section 168 of the PFM Act, 2012.
4. Use of manual payroll. The County Assembly use a manual payroll system to process personnel emoluments totalling Kshs. 1.95 million, representing 0.2 per cent of the total payroll cost. This manual payroll system is vulnerable to misuse and increases the risk of public funds being lost due to inadequate controls.

The County should implement the following recommendations to improve budget execution:

1. *The County Treasury should ensure timely preparation and submission of financial reports to the Office of the Controller of Budget in line with the timelines prescribed in Section 166 of the PFM Act, 2012.*
2. *The County government should amend the current FIF law to align with the Facilities Improvement Financing Act of 2023, enabling Level 1 to Level 3 public hospitals to independently collect, retain, and manage revenue generated from health services.*
3. *The CECMF should follow up to ensure Fund Administrators prepare and submit statutory reports in line with the PFM Act, 2012.*
4. *The Government requires that salaries be processed through the IPPD system, and the County is advised to fast-track the acquisition of Unified Personnel Numbers for their staff. The County Public Service Board should regulate staff engagement on contract and casual workers as provided under Section 74 of the County Governments Act 2012. Further, strict compliance with the approved staff establishment should be maintained.*

### 3.34. County Government of Nyamira

#### 3.34.1 Overview of FY 2024/25 Budget

The Nyamira County approved FY 2024/25 budget is Kshs.7.54 billion. It comprised Kshs.2.28 billion (30 per cent) and Kshs.5.26 billion (70 per cent) allocation for development and recurrent programmes, respectively. The budget estimates represent an increase of Kshs.260.29 million (4 per cent) from the FY 2023/24 budget comprised of a development budget of Kshs.2.15 billion and a recurrent budget of Kshs.5.13 billion. The increase in the budget was attributed to the rise in cash balance brought forward from FY 2023/24.

The Nyamira County Government budget will be financed from different sources of revenue. These include; Kshs.5.52 billion (73 per cent) expected from the National Government as the equitable share of revenue raised nationally, Kshs.749.78 million as additional allocations, a cash balance of Kshs.469.07 million (6 per cent) brought forward from FY 2023/24, and Kshs.800 million (11 per cent) generated as gross own source revenue. The own-source revenue includes Kshs.400 million (5 per cent) as Facility Improvement Fund (revenue from health facilities) and Kshs.400 million (5 per cent) as ordinary own-source revenue. A breakdown of the additional allocation is shown in Table 3.226.

#### 3.34.2 Revenue Performance

In the first quarter of FY 2024/25, the County received Kshs.1.06 billion to fund recurrent and development activities. The equitable share from the national government was Kshs.880 million. Additional allocations from government and development partners of Kshs.65.13 million and own source revenue (OSR) collection of Kshs.70 million. In addition, the County had a cash balance of Kshs. 42.33 million from FY 2023/24.

Analysis of the total OSR collection of Kshs.70 million indicates that it included Facilities Improvement Financing (FIF) of Kshs.56.29 million and Kshs.13.71 million as ordinary OSR. Table 3.225 summarises the total revenue available to the county government during the first quarter of FY 2024/25 performance .

The County does not have governing legislation on operating ordinary A-I-A and FIF.

Figure 132 shows the trend in own-source revenue collection from the First Quarter of FY 2018/19 to the First Quarter of FY 2024/25.

**Figure 132: Trend in Own-Source Revenue Collection from the First Quarter of FY 2018/19 to the First Quarter of FY 2024/25**

During the first quarter of FY 2024/25, the County generated a total of Kshs.70 million from its sources of revenue, including AIA and FIF. This amount was an increase of 14 per cent compared to Kshs.61.18 million realised in a similar period in FY 2023/24 and was 9 per cent of the annual target and 8 per cent of the equitable revenue share disbursed. The increase in OSR can be attributed to stringent revenue collection measures and surveillance.

The revenue streams which contributed the highest OSR receipts are shown in Figure 133.

**Figure 133: Top Streams of Own Source Revenue in the First Quarter FY 2024/25**

The highest revenue stream, Kshs.3.37 million, was from Matatu Parking fees, which contributed 5 per cent of the total OSR receipts during the reporting period.

### 3.34.3 Borrowing by the County

The county government did not borrow money during the reporting period.

### 3.34.4 Exchequer Issues

The Controller of Budget approved withdrawals of Kshs.638.47 million from the CRF account during the reporting period, which comprised Kshs.33 million (5 per cent) for development programmes and Kshs.605.47 million (95 per cent) for recurrent programmes in the first quarter of FY 2024/25. Analysis of the recurrent exchequers released in the first three months of FY 2024/25 indicates that Kshs.555.47 million was released towards employee compensation and Kshs.50 million for operations and maintenance expenditure.

As of 30 September, 2024, the county government's cash balance in the CRF account was Kshs.332.24 million.

### 3.34.5 County Expenditure Review

The County spent Kshs.635.21 million on development and recurrent programmes in the reporting period. The expenditure represented 100 per cent of the total funds released by the CoB and comprised of Kshs. 33 million and Kshs.602.21 million on development and recurrent programmes, respectively. Expenditure on development programmes represented an absorption rate of 1 per cent, while recurrent expenditure represented 12 per cent of the annual recurrent expenditure budget.

### 3.34.6 Settlement of Pending Bills

At the beginning of the financial year, the County reported pending bills amounting to Kshs.812.86 million, comprising pending payments by the County Executive of Kshs. 776.68 million and Kshs 36.18 million for the County Assembly.

The County Executive's pending bills consist of Kshs.433.41 million for recurrent expenditures and Kshs.343.27 million for development expenditures. The County Executive did not settle pending bills in the reporting period, while the County Assembly settled pending bills worth Kshs.28,00 million. Therefore, the outstanding bills were Kshs.784.86 million as of 30 September 2024.

### 3.34.7 Expenditure by Economic Classification

During the first quarter of FY 2024/25, the County Executive spent Kshs.519.08 million on employee compensation, Kshs.50 million on operations and maintenance, and Kshs 5 million on development activities. Similarly, the County Assembly spent Kshs.33.14 million on employee compensation and Kshs.28 million on development activities, as shown in Table 3.226.

**Table 3.226: Summary of Budget and Expenditure by Economic Classification**

### 3.34.8 Expenditure on Employees' Compensation

In the first quarter of FY 2024/25, expenditure on employee compensation was Kshs.552.21 million, or 37 per cent of the available revenue of Kshs.1.48 billion. This expenditure represented a decrease from Kshs.790.38 million reported in a similar period in FY 2023/24. The wage bill included Kshs.163.63 million paid to the health sector employees, translating to 30 per cent of the total wage bill.

Figure 134 shows the trend of personnel expenditures as a percentage of total revenue from the first quarter of FY 2017/18 to the first quarter of FY 2024/25.

**Figure 134: Percentage of Wage Bill to Total Revenue from the First Quarter of FY 2018/19 to the First Quarter of FY 2024/25**

Further analysis indicates that all PE costs were processed through the Integrated Personnel and Payroll Database (IPPD) system.

### 3.34.9 County Emergency Fund and County-Established Funds

Section 116 of the PFM Act 2012 allows County Governments to establish other public funds with approval from the County Executive Committee and the County Assembly. The County allocated Kshs.432 million to county-established funds in FY 2024/25, or 6 per cent of the County's overall budget. Further, the County allocated Kshs.10 million to the Emergency Fund (0.1 per cent of the total budget) in line with Section 110 of the PFM Act, 2012.

Table 3.227 summarises each established Fund's budget allocation and performance during the reporting period.

During the reporting period, the CoB did not receive quarterly financial reports from six Fund Administrators, as indicated in Table 3.228, contrary to the requirement of Section 168 of the PFM Act, 2012.

The County government uses commercial bank accounts to operate the above-established Funds contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County Government bank accounts must be opened and maintained at the Central Bank of Kenya.

### 3.34.10 Expenditure on Operations and Maintenance

Figure 135 summarises the Operations and Maintenance expenditure by major categories.

**Figure 135: Nyamira County, Operations and Maintenance Expenditure by Major Categories**

### 3.34.11 Facility Improvement Financing

During the period under review, the County reported collecting Kshs.56.29 million as FIF, which was 14.1 per cent of the annual target of Kshs.400 million. The collected amount was retained and utilised at the source per the Facility Improvement Financing Act of 2023. The County has, however, not developed regulations to operationalise the FIF Act of 2023.

The health facilities did not provide a report on the utilisation of the FIF during the reporting period, contrary to Section 18 (e) of the FIF Act, 2023.

### 3.34.12 Development Expenditure

In the first quarter of FY 2024/25, the County reported spending Kshs.33 million on development programmes, a decrease of 83 per cent compared to a similar period in FY 2023/24, when the County spent Kshs.194.95 million. Table 3.228 summarises development projects with the highest expenditure in the reporting period.

Sub-programmes with the highest levels of implementation based on absorption rates were: Agroforestry promotion in the Department of Environment, Energy, Natural Resources and Mining at 100 per cent, Human Resource Development in the Department of Public Administration and Coordination of Decentralised Units at 31 per cent, Administration support services in the Department of Health at 30 per cent, and General administration support services in the Department of Finance and Economic Planning at 28 per cent of budget allocation.

### 3.34.15 Accounts Operated in Commercial Banks

The County government operated 18 accounts with commercial banks, all of which were for vocational training centers.

This is contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya. The only exemption is for imprest bank accounts for petty cash and revenue collection bank accounts.

### 3.34.16 Key Observations and Recommendations

In the course of overseeing and reporting on the implementation of the County budget, the COB identified the following challenges which hampered effective budget implementation;

1. Late submission of financial reports by the County Treasury to the Controller of Budget affected the timely preparation of the budget implementation report. The report was received on 25 October 2024.
2. The underperformance of own-source revenue at Kshs.70 million against an annual target of Kshs.800 million, representing 9 per cent of the yearly target.
3. Fund Administrators failed to submit quarterly financial and non-financial reports to the COB within the timelines provided by law, which is against the requirement of Section 168 of the PFM Act, 2012. The reports for Health Facility Improvement Fund, Emergency Fund, Education Support Fund, Loans to Traders (Revolving Fund), Co-operative Enterprise Development Fund, County Executive Car Loan & Mortgage Fund and County Assembly Car and Mortgage Fund were not submitted to the Controller of Budget as of 15 October 2024.
4. High level of pending bills which amounted to Kshs.784.86 million as of 30 September 2024. Further, there was non-adherence to the payment plan for the pending bills by the County Treasury.
5. The county government uses commercial bank accounts for operations contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya.

The County should implement the following recommendations to improve budget execution:

1. The County Treasury should ensure timely preparation and submission of financial reports to the Office of the Controller of Budget in line with the timelines prescribed in Section 166 of the PFM Act, 2012.
2. The County should address its own-source revenue performance to ensure the approved budget is fully financed. Appropriate austerity measures should be implemented to ensure expenditure commitments are aligned with available revenue.
3. The CECMF should follow up to ensure Fund Administrators prepare and submit statutory reports in line with the PFM Act, 2012.
4. The county leadership should address the situation of pending bills to ensure that genuine bills are paid promptly in the remaining financial year. Further, compliance with the payment plan should be enforced.
5. The County Government should ensure that bank accounts are opened and operated at the Central Bank of Kenya as the law requires. However, imprest bank accounts for petty cash and revenue collection accounts are exempted.

### 3.35. County Government of Nyandarua

#### 3.35.1 Overview of FY 2024/25 Budget

The Nyandarua County approved FY 2024/25 budget is Kshs.8.49 billion. It comprises Kshs.3.05 billion (36 percent) and Kshs.5.44 billion (64 percent) allocations for development and recurrent programmes, respectively. The budget estimates represent an increase of Kshs.274.01 million (3 percent) from the FY 2023/24 budget, which comprised a development budget of Kshs.2.81 billion and a recurrent budget of Kshs.5.4 billion.

The Nyandarua County Government budget will be financed from different sources of revenue. These include Kshs.6.14 billion (71 per cent) expected from the National Government as the equitable share of revenue raised nationally, Kshs.1.49 billion as additional allocations, a cash balance of Kshs.626.44 million (7 per cent) brought forward from FY 2023/24, and Kshs.850 million (9.8 per cent) generated as gross own source revenue. The own-source revenue includes Kshs.250 million (2.8 per cent) as Facility Improvement Fund (revenue from health facilities) and Kshs.600 million (7 per cent) as ordinary own-source revenue.

#### 3.35.2 Revenue Performance

In the first quarter of FY 2024/25, the County received Kshs.1.23 billion to fund recurrent and development activities. The equitable share from the National Government was Kshs.974.49 million, and the own source revenue (OSR) collection was Kshs.99.97 million. Additionally, the County had a balance of Kshs.626.44 million from FY 2023/24. The FY 2023/24 balance includes Kshs.472.48 million of the June 2024 equitable share disbursed in July 2024.

Analysis of the total OSR collection of Kshs.99.97 million indicates that it included Facilities Improvement Financing (FIF) of Kshs.54.28 million and Kshs.45.68 million as ordinary OSR. Table 3.231 summarises the total revenue available to the county government during the first quarter of FY 2024/25. performance

During the first quarter of FY 2024/25, the County generated a total of Kshs.99.97 million from its own sources of revenue, inclusive of FIF. This amount decreased by 23 per cent compared to Kshs.130.37 million realised in a similar period in FY 2023/24 and was 12 per cent of the annual target and 10 per cent of the equitable revenue share disbursed. The OSR includes revenue arrears and penalties charged on fees and levies from previous financial years of Kshs.2.13 million.

The revenue streams which contributed the highest OSR receipts are shown in Figure 137.

**Figure 137: Top Streams of Own Source Revenue in the First Quarter FY 2024/25**

The highest revenue stream, Kshs.54.28 million, was from hospital fees/FIF, contributing 54 per cent of the total OSR receipts during the reporting period.

### 3.35.3 Borrowing by the County

The County Treasury has an MoU with Tower Sacco to pay salaries whenever there is a delay in disbursing equitable shares.

### 3.35.4 Exchequer Issues

The Controller of Budget approved withdrawals of Kshs.507.97 million from the CRF account during the reporting period, which comprised Kshs.119.57 million (24 per cent) for development programmes and Kshs.388.39 million (76 per cent) for recurrent programmes in the first quarter of FY 2024/25. Analysis of the recurrent exchequers released in the first three months of FY 2024/25 indicates that Kshs.317.95 million was released towards employee compensation and Kshs.70.44 million for operations and maintenance expenditure.

As of 30 September 2024, the County Government's cash balance in the CRF account was Kshs. 565.75 million.

### 3.35.5 County Expenditure Review

The County spent Kshs.377.21 million on recurrent programmes in the reporting period. This expenditure represented 97 per cent of the total funds released by the CoB. The entire amount was spent on recurrent activities, with no development expenditure reported. Expenditure on recurrent programmes represented an absorption rate of 7 per cent of the annual recurrent expenditure budget.

### 3.35.6 Settlement of Pending Bills

The County reported pending bills amounting to Kshs.1.23 billion as of 30 September 2024, comprising pending payments by the County Executive of Kshs.1.13 billion and Kshs.102.66 for the County Assembly.

The County Executive's pending bills consist of Kshs.353.35 million for recurrent expenditures and Kshs.781.61 million for development expenditures. The County Executive did not settle any pending bills during the period under review.

The County Assembly settled pending bills worth Kshs.10.74 million, so the outstanding bills were Kshs.91.93 million as of 30 September 2024.

### 3.35.7 Expenditure by Economic Classification

During the first quarter of FY 2024/25, the County Executive spent Kshs.255.18 million on employee compensation and Kshs.30.01 million on operations and maintenance. Similarly, the County Assembly spent Kshs.72.75 million on employee compensation and Kshs.29.25 million on operations and maintenance. Both the County Executive and County Assembly did not report any expenditure on development, as shown in Table 3.232.

**Table 3.232: Summary of Budget and Expenditure by Economic Classification**

### 3.35.8 Expenditure on Employees' Compensation

In the first quarter of FY 2024/25, expenditure on employee compensation was Kshs.317.94 million, or 26 per cent of the available revenue of Kshs.1.23 billion. This expenditure represented a decrease from Kshs.933.02 million reported in a similar period in FY 2023/24. The wage bill included Kshs.182.45 million paid to the health sector employees, translating to 57 per cent of the total wage bill.

Figure 138 shows the trend of personnel expenditures as a percentage of total revenue from the first quarter of FY 2017/18 to the first quarter of FY 2024/25.

**Figure 138: Percentage of Wage Bill to Total Revenue from the First Quarter of FY 2018/19 to the First Quarter of FY 2024/25**

Further analysis indicates that PE costs amounting to Kshs.290.27 million were processed through the Integrated Personnel and Payroll Database (IPPD) system, while Kshs.27.66 million was processed through manual payrolls. The manual payrolls accounted for 9 percent of the total PE cost.

The County Assembly spent Kshs.6.14 million on committee sitting allowances for the 41 MCAs and the speaker against the annual budget allocation of Kshs.39.49 million. The average monthly sitting allowance was Kshs.48,736 per MCA. The County Assembly had 17 House Committees.

### 3.35.9 County Emergency Fund and County-Established Funds

Section 116 of the PFM Act 2012 allows County Governments to establish other public funds with approval from the County Executive Committee and the County Assembly. The County allocated Kshs.421.07 million to county-established funds in FY 2024/25, or 4.9 per cent of the County's overall budget. Further, the County allocated Kshs.50 million to the Emergency Fund (0.6 per cent of the total budget) in line with Section 110 of the PFM Act, 2012.

Table 3.233 summarises each established Fund's budget allocation and performance during the reporting period.

During the reporting period, the CoB receive quarterly financial reports from all the Fund Administrators, as indicated in Table 3.54, and per the requirement of Section 168 of the PFM Act, 2012.

The County government uses commercial bank accounts to operate the above-established Funds contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County Government bank accounts must be opened and maintained at the Central Bank of Kenya.

### 3.35.10 Expenditure on Operations and Maintenance

Figure 139 summarises the Operations and Maintenance expenditure by major categories.

**Figure 139: Nyandarua County, Operations and Maintenance Expenditure by Major Categories**

No legal fees/dues, arbitration, compensation payments and garbage collection costs were reported during the period under review.

### 3.35.11 Facility Improvement Financing

During the period under review, the County reported collecting Kshs.54.28 million as FIF, which was 21.7 percent of the annual target of Kshs.250 million. The collected amount was retained and utilised at source in accordance with the Facility Improvement Financing Act, 2023. The County has, however, not developed regulations to operationalise the FIF Act of 2023.

The expenditure by the health facilities amounted to Kshs. as shown in the Table 3.235

**Table 3.235: Breakdown of expenditure by health facilities in the first quarter of FY 2024/25**

No.	Name of the Health Facility	Approved Budget for the Facility	Actual Expenditure of the Facility	Absorption rate (%)

Based on absorption rates, the sub-programmes with the highest implementation levels were Development and Promotion of Culture in the Department of Education, Children, Gender Affairs & Culture at 71 per cent, Preventive & Promotive Services in the Department of Health at 14 per cent, and Industrial & Enterprise Development at 14 per cent of budget allocation.

### 3.35.15 Accounts Operated in Commercial Banks

The County government has yet to provide a list of bank accounts in commercial banks.

### 3.35.16 Key Observations and Recommendations

In the course of overseeing and reporting on the implementation of the County budget, the COB identified the following challenges which hampered effective budget implementation;

1. The underperformance of own-source revenue at Kshs.54.28 million against an annual target of Kshs.850 million, representing 11 per cent of the yearly target.
2. There was a high level of pending bills, which amounted to Kshs.1.24 billion as of 30 September 2024. Further, the County Treasury did not adhere to the payment plan for the pending bills .
3. Use of manual payroll. Personnel emoluments amounting to Kshs.27.66 million were processed through the manual payroll, accounting for 9 per cent of the total payroll cost. The manual payroll is prone to abuse and may lead to the loss of public funds where there is a lack of proper controls.

The County should implement the following recommendations to improve budget execution:

1. *The County should address its own-source revenue performance to ensure the approved budget is fully financed. Appropriate austerity measures should be implemented to ensure expenditure commitments are aligned with available revenue.*
2. *The County leadership should address the situation of pending bills to ensure that genuine bills are paid promptly in the remaining financial year. Further, compliance with the payment plan should be enforced.*
3. *The Government requires that salaries be processed through the IPPD system, and the County is advised to fast-track the acquisition of Unified Personnel Numbers for their staff. The County Public Service Board should regulate staff engagement on contract and casual workers as provided under Section 74 of the County Governments Act 2012. Further, strict compliance with the approved staff establishment should be maintained.*

## 3.36. County Government of Nyeri

### 3.36.1 Overview of FY 2024/25 Budget

The Nyeri County approved FY 2024/25 budget is Kshs.8.75 billion. It comprises Kshs.2.89 billion (31 per cent) and Kshs.5.86 billion (67 per cent) allocation for development and recurrent programmes, respectively. The budget estimates represent an increase of Kshs.702.72 million (9 per cent) from the FY 2023/24 budget, which comprised a development budget of Kshs.2.41 billion and a recurrent budget of Kshs.5.63. billion.

The Nyeri County Government budget will be financed from different sources of revenue. These include Kshs.6.58 billion (69 per cent) expected from the National Government as the equitable share of revenue raised nationally, Kshs.1.37 billion (14 per cent) as additional allocations and Kshs.1.64 billion (15 per cent) generated as gross own source revenue. The own-source revenue includes Kshs.836.3 million (9 per cent) as Facility Improvement Fund (revenue from health facilities) and Kshs.800 million (8 per cent) as ordinary own-source revenue. A breakdown of the additional allocations is shown in Table 3.239.

### 3.36.2 Revenue Performance

In the first quarter of FY 2024/25, the County received Kshs.1.32 billion to fund recurrent and development activities. The equitable share from the National Government was Kshs. 1.07 billion, with additional allocations from government and development partners of Kshs.11.00 million and the collection of Kshs' own source revenue.

enue (OSR).239.44 million. The balance of Kshs.518.83 million is for the June 2024 Equitable share, which was disbursed in July 2024.

Analysis of the total OSR collection of Kshs.239.44 million indicates that it included Facilities Improvement Financing (FIF) of Kshs.129.45 million and Kshs109.99 million as ordinary OSR. Table 3.238 summarises the total revenue available to the county government during the first quarter of FY 2024/25 performance

The County does not have governing legislation for operating ordinary A-I-A and FIF.

Figure 140 shows the trend in own-source revenue collection from the First Quarter of FY 2018/19 to the First Quarter of FY 2024/25.

**Figure 140: Trend in Own-Source Revenue Collection from the First Quarter of FY 2018/19 to the First Quarter of FY 2024/25**

During the first quarter of FY 2024/25, the County generated a total of Kshs.239.44 million from its own revenue sources, including AIA and FIF. This amount was a decrease of 29 percent compared to Kshs.337.36 million realised in a similar period in FY 2023/24. It was 15 per cent of the annual target and 22 per cent of the equitable revenue share disbursed.

The decrease in OSR was attributed to the shift from NHIF to SHIF, which resulted in a lack of refunds from NHIF.

The revenue streams which contributed the highest OSR receipts are shown in Figure 141.

**Figure 141: Top Streams of Own Source Revenue in the First Quarter FY 2024/25**

The highest revenue stream, Kshs.129.45 million, was from Health/Hospital Fees/FIF, which contributed 54 per cent of the total OSR receipts during the reporting period.

### 3.36.3 Borrowing by the County

The County did not borrow any funds during the reporting period.

### 3.36.4 Exchequer Issues

The Controller of Budget approved withdrawals of Kshs.800.66 million from the CRF account during the reporting period, which comprised Kshs.11 million (1 per cent) for development programmes and Kshs.789.66 million (99 per cent) for recurrent programmes in the first quarter of FY 2024/25. Analysis of the recurrent exchequers released in the first three months of FY 2024/25 indicates that Kshs.682.9 million was released towards employee compensation and Kshs.106.75 million for operations and maintenance expenditure.

As of 30 September 2024, the county government's cash balance in the CRF account was Kshs. 629.57 million.

### 3.36.5 County Expenditure Review

The County spent Kshs.1.17 billion on development and recurrent programmes in the reporting period. The expenditure represented 150 per cent of the total funds released by the CoB and comprised Kshs.448,600 and Kshs.1.17 billion on development and recurrent programmes, respectively. The reason for this observation was that the County uses IFMIS data to report on expenditures, where some items were processed in IFMIS but were not requisitioned. Expenditure on development programmes represented an absorption rate of less than one per cent, while recurrent expenditure represented 20 per cent of the annual recurrent expenditure budget.

### 3.36.6 Settlement of Pending Bills

The County reported pending bills amounting to Kshs.260.23 million as of 30 June 2024, comprising pending payments by the County Executive of Kshs.192.64 million and Kshs.67.59 million for the County Assembly.

The County Executive's pending bills consist of Kshs.88.99 million for recurrent expenditures and Kshs.103.66 million for development expenditures. The County Executive did not settle any pending bills, while the Assembly settled pending bills worth Kshs.44.48. Therefore, the outstanding bills were Kshs.215.57 million as of 30 September 2024.

### 3.36.7 Expenditure by Economic Classification

During the first quarter of FY 2024/25, the County Executive spent Kshs.984.44 million on employee compensation, Kshs.19.23 million on operations and maintenance, and Kshs.448,600 million on development activities. Similarly, the County Assembly spent Kshs.59.24 million on employee compensation, Kshs.103.69 million on operations and maintenance, and no expenditure on development activities, as shown in Table 3.239.

**Table 3.239: Summary of Budget and Expenditure by Economic Classification**

### 3.36.8 Expenditure on Employees' Compensation

In the first quarter of FY 2024/25, expenditure on employee compensation was Kshs.1.04 billion, or 79 per cent of the available revenue of Kshs. 1.32 billion. This expenditure represented an increase from Kshs.636.93 million reported in a similar period in FY 2023/24. The wage bill included Kshs.440.23 million paid to the health sector employees, translating to 42 per cent of the total wage bill.

Figure 142 shows the trend of personnel expenditures as a percentage of total revenue from the first quarter of FY 2017/18 to the first quarter of FY 2024/25.

**Figure 142: Percentage of Wage Bill to Total Revenue from the First Quarter of FY 2018/19 to the First Quarter of FY 2024/25**

Further analysis indicates that PE costs amount to Kshs. 990.51 million were processed through the Integrated Personnel and Payroll Database (IPPD) system, while Kshs. 53.18 million was processed through manual payrolls. The manual payrolls accounted for 5 per cent of the total PE cost.

The County Assembly spent Kshs.6.2 million on committee sitting allowances for the MCAs against the annual budget allocation of Kshs.20.2 million. The average monthly sitting allowance was Kshs.48,067 per MCA. The County Assembly had 24 House Committees.

### 3.36.9 County Emergency Fund and County-Established Funds

Section 116 of the PFM Act 2012 allows County Governments to establish other public funds with approval from the County Executive Committee and the County Assembly. The County allocated Kshs.100 million to county-established funds in FY 2024/25, or 1 per cent of the County's overall budget. Further, the County maintains Kshs.20 million as an Emergency Fund (0.2 per cent of the total budget) contrary to Section 110 of the PFM Act, 2012, which allows counties to establish an Emergency Fund of up to 2 per cent of its last audited revenue in a single year to cater for any unforeseen occurrences.

Table 3.240 summarises each established Fund's budget allocation and performance during the reporting period.

As indicated in Table 3.241, the CoB did not receive quarterly financial reports from the Fund Administrators during the reporting period, contrary to the requirement of Section 168 of the PFM Act, 2012.

The County Government uses commercial bank accounts to operate the above-established Funds contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County Government bank accounts must be opened and maintained at the Central Bank of Kenya.

Expenditure on domestic travel amounted to Kshs.55.27 million and comprised Kshs.50.67 million spent by the County Assembly and Kshs.4.6 million by the County Executive. Foreign travel expenses amounted to Kshs.16.95 million, as incurred by the County Assembly. Expenditure on foreign travel is summarised in Table 3.241.

### 3.36.11 Facility Improvement Financing

During the period under review, the County reported collecting Kshs.129.45 million as FIF, which was 16 per cent of the annual target of Kshs.836.3 million. The collected amount was retained and utilised at the source per the Facility Improvement Financing Act of 2023. The County still needs to develop regulations to operationalise the FIF Act of 2023.

The health facilities did not provide a report on the utilisation of the FIF during the reporting period, contrary to Section 18 (e) of the FIF Act, 2023.

Analysis of expenditure by departments shows that the Department of Water, Environment, and Climate Change recorded the highest absorption rate of the development budget at zero per cent. The Department of Agriculture, Livestock and Aquaculture Development had the highest percentage of recurrent expenditure to budget at 24 per cent, while the Department of County Attorney and Nyeri Municipality had the lowest at zero per cent.

The allocation for recurrent expenditure for the Assembly and the Executive is within the ceilings in CARA, 2024.

Sub-programmes with the highest levels of implementation based on absorption rates were: Development of Agricultural Land for Crop Production in the Department of Agriculture, Livestock and Aquaculture Development at 50 per cent, Farm Development in the Department of Agriculture, Livestock and Aquaculture Development at 50 per cent, Administration and Personnel Services in the Department of Lands, Physical Planning and Urban Development at 26 per cent, and Administration and personnel services in the Department of Gender, Youth, Social Services and Sports at 24 per cent of budget allocation.

### 3.36.15 Accounts Operated in Commercial Banks

The County government operated ten accounts with commercial banks, out of which five were for county-established funds.

This is contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya. The only exemption is for imprest bank accounts for petty cash and revenue collection bank accounts.

### 3.36.16 Key Observations and Recommendations

In the course of overseeing and reporting on the implementation of the County budget, the COB identified the following challenges which hampered effective budget implementation;

1. The underperformance of own-source revenue at Kshs.109.99 million against an annual target of Kshs.800 million, representing 14 per cent of the yearly target.
2. High level of pending bills, which amounted to Kshs. 215.75 million as of 30 September 2024. Further, there was non-adherence to the payment plan for the pending bills by the County Treasury.
3. Use of manual payroll. Personnel emoluments amounting to Kshs.53.18 million were processed through manual payroll, accounting for 5 per cent of the total payroll cost. Manual payroll is prone to abuse and may lead to the loss of public funds where there is a lack of proper controls.
4. The county government uses commercial bank accounts for operations contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya. The commercial bank accounts are for various County activities.
5. Low absorption of development funds where the County spent only Kshs.448,600 on development activities.

The County should implement the following recommendations to improve budget execution:

1. *The County should address its own-source revenue performance to ensure the approved budget is fully financed. Appropriate austerity measures should be implemented to ensure expenditure commitments are aligned with available revenue.*
2. *The county leadership should address the situation of pending bills to ensure that genuine bills are paid promptly in the remaining financial year. Further, compliance with the payment plan should be enforced.*
3. *The Government requires that salaries be processed through the IPPD system, and the County is advised to fast-track the acquisition of Unified Personnel Numbers for their staff. The County Public Service Board should regulate staff engagement on contract and casual workers as provided under Section 74 of the County Governments Act 2012. Further, strict compliance with the approved staff establishment should be maintained.*
4. *The County Government should ensure that bank accounts are opened and operated at the Central Bank of Kenya as the law requires. However, imprest bank accounts for petty cash and revenue collection accounts are exempted.*
5. *The County Government should devise strategies to absorb development funds and ensure that development projects are implemented according to the approved budget.*

## 3.37. County Government of Samburu

### 3.37.1 Overview of FY 2024/25 Budget

The Samburu County approved budget for FY 2024/25 was Kshs. 7.34 billion. It comprised Kshs.2.26 billion (31 per cent) and Kshs. 5.07 billion (69 per cent) allocation for development and recurrent programmes, respectively. The budget estimates represent a decrease of Kshs.199.18 million (2.6 per cent) from the FY 2023/24 budget, which comprised a development budget of Kshs.2.48 billion and a recurrent budget of Kshs.5.05 billion. The decrease in the budget was attributed to the decline in the provisional amount intended to finance the pending bills.

The Samburu County Government budget will be financed from different sources of revenue. These include Kshs.5.81 billion (79 per cent) expected as the equitable share of revenue raised nationally, Kshs. 837.35 million

as additional allocations, a cash balance of Kshs.400 million (5 per cent) brought forward from FY 2023/24, and Kshs.281.63 million (4 per cent) generated as gross own source revenue. The own-source revenue includes Kshs.18.7 million (0.3 per cent) as Facility Improvement Fund (revenue from health facilities), and Kshs.262.93 million (4 per cent) as ordinary own-source revenue. A breakdown of the additional allocations is shown in Table 3.247.

### 3.37.2 Revenue Performance

In the first quarter of FY 2024/25, the County received Kshs.1.04 billion to fund recurrent and development activities. The equitable share from the national government was Kshs. 475.52 million. Additional allocations from government and development partners were not received, whereas the county collected own-source revenue (OSR) of Kshs. 100.86 million. In addition, the County had a cash balance of Kshs.461.10 million from FY 2023/24.

Analysis of the total OSR collection of Kshs.100.86 million includes Kshs.97.91 million as ordinary OSR and Kshs.2.94 million for Facilities Improvement Financing (FIF) . Table 3.247 summarises the total revenue available to the county government during the first quarter of FY 2024/25 performance.

During the first quarter of FY 2024/25, the County generated Kshs.100.86 million from its sources of revenue, including AIA and FIF. This amount was an increase of 20 per cent compared to Kshs.84.34 million realised in a similar period in FY 2023/24. It was 36 per cent of the annual target and 11 per cent of the equitable revenue share disbursed. The increase in OSR can be attributed to the adoption of technology in revenue collection.

The revenue streams which contributed the highest OSR receipts are shown in Figure 144.

**Figure 145: Top Streams of Own Source Revenue in the First Quarter FY 2024/25**

Source: Samburu County Treasury

The highest revenue stream, Kshs.63.67 million, was from the Game Park fee, which contributed 65 per cent of the total OSR receipts during the reporting period.

### 3.37.3 Borrowing by the County

During the period under review, the county did not report any borrowings.

### 3.37.4 Exchequer Issues

The Controller of Budget approved withdrawals of Kshs.995.07 million from the CRF account during the reporting period, which comprised Kshs.162.50 million (16 per cent) for development programmes and Kshs.832.57 million (84 per cent) for recurrent programmes in the first quarter of FY 2024/25. Analysis of the recurrent exchequers released in the first three months of FY 2024/25 indicates that Kshs.475.11 million was released towards employee compensation and Kshs.357.46 million for operations and maintenance expenditure.

As of September 30, 2024, the county government's cash balance in the CRF account was Kshs.124.46 million.

### 3.37.5 County Expenditure Review

The County spent Kshs.995.07 million on development and recurrent programmes in the reporting period. The expenditure represented 100 per cent of the total funds released by the CoB and comprised Kshs.162.5 million and Kshs.832.57 million on development and recurrent programmes, respectively. Expenditure on development programmes represented an absorption rate of 7 per cent, while recurrent expenditure represented 16 per cent of the annual recurrent expenditure budget.

### 3.37.6 Settlement of Pending Bills

The County reported pending bills amounting to Kshs.667.47 million as of 30<sup>th</sup> June 2024, wholly by the County Executive.

The County Executive's pending bills consist of Kshs.332.31 million for recurrent expenditures and Kshs.335.16 million for development expenditures. The County executive settled pending bills amounting to Kshs.45.86 million in the reporting period, which consisted only of expenditures for development programmes. The outstanding bills were Kshs.621.60 million as of 30 September 2024.

### 3.37.7 Expenditure by Economic Classification

During the first quarter of FY 2024/25, the County Executive spent Kshs. 410.58 million on employee compensation, Kshs. 311.97 million on operations and maintenance, and Kshs.162.50 million on development activities. Similarly, the County Assembly spent Kshs.64.52 million on employee compensation and Kshs.45.49 million on operations and maintenance. The county assembly did not report any expenditure in development activities, as shown in Table 3.247.

**Table 3.247: Summary of Budget and Expenditure by Economic Classification**

### 3.37.8 Expenditure on Employees' Compensation

In the first quarter of FY 2024/25, expenditure on employee compensation was Kshs. 475.11 million, or 48 per cent of the available revenue of Kshs.1.04 billion. This expenditure represented a decrease from Kshs. 604.79 million reported in a similar period in FY 2023/24. The wage bill included Kshs. 284.51 million paid to the health sector employees, translating to 60 per cent of the total wage bill.

Figure 146 shows the trend of personnel expenditures as a percentage of total revenue from the first quarter of FY 2017/18 to the first quarter of FY 2024/25.

**Figure 146: Percentage of Wage Bill to Total Revenue from the First Quarter of FY 2018/19 to the First Quarter of FY 2024/25**

Source: Samburu County Treasury

Further analysis indicates that PE costs amounting to Kshs.418.91 million were processed through the Integrated Personnel and Payroll Database (IPPD) system while Kshs.56.20 million was processed through manual payrolls. The manual payrolls accounted for 11.8 per cent of the total PE cost. However, the 2020/21 FY data was in excess of 100 percent for both the county assembly and Executive due to payments already processed but awaiting grant of credit.

The County Assembly spent Kshs.6.02 million on committee sitting allowances for the 25 MCAs against the annual budget allocation of Kshs. 69.15 million. The average monthly sitting allowance was Kshs. 80,300 per MCA. The County Assembly had 15 House committees.

### 3.37.9 County Emergency Fund and County-Established Funds

Section 116 of the PFM Act 2012 allows County Governments to establish other public funds with approval from the County Executive Committee and the County Assembly. The County allocated Kshs.411.4 million to county-established funds in FY 2024/25, or 6 per cent of the County's overall budget. Further, the County allocated Kshs.20 million to the Emergency Fund (0.02 per cent of the total budget) in line with Section 110 of the PFM Act, 2012.

Table 3.249 summarises each established Fund's budget allocation and performance during the reporting period.

During the reporting period, the CoB did not receive quarterly financial reports from the Fund Administration of all the established Funds, as indicated in Table 3.249, contrary to the requirement of Section 168 of the PFM Act, 2012.

The County government uses commercial bank accounts to operate the above-established Funds contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County Government bank accounts must be opened and maintained at the Central Bank of Kenya.

### 3.37.10 Expenditure on Operations and Maintenance

Figure 147 summarises the Operations and Maintenance expenditure by major categories.

**Figure 147: Samburu County, Operations and Maintenance Expenditure by Major Categories**

Source: Samburu County Treasury

Expenditure on domestic travel amounted to Kshs.45.49 million, comprising Kshs.22.77 million spent by the County Assembly and Kshs.22.72 million by the County Executive. During the period under review, there was no expenditure on foreign travel.

### 3.37.11 Facility Improvement Financing

During the period under review, the County reported collecting Kshs.2.95 million as FIF, which was 15.8 per cent of the annual target of Kshs.18.7 million. The collected amount was remitted to the County Revenue Fund. The County has, however, not developed regulations to operationalise the FIF Act of 2023.

### 3.37.12 Development Expenditure

In the First Quarter of FY 2024/25, the County reported spending Kshs.162.49 million on development programmes, representing an increase compared to a similar period in FY 2023/24, when there was no expenditure on development programmes. Table 3.249 summarises development projects with the highest expenditure in the reporting period.

Sub-programmes with the highest levels of implementation based on absorption rates were: Pollution control & monitoring in the Department of Water, Environment and Natural Resources at 100 per cent, Promotion of Dairy Production, Breeding and Disease control in the Department of Agriculture and Livestock at 77 per cent, Livestock Diseases management and Control in the Department of Agriculture and Livestock at 34 per cent, and Livestock Resource Management and Development at 52 per cent of budget allocation.

### 3.37.15 Accounts Operated in Commercial Banks

The County government operated 25 accounts with commercial banks, with two being for the Samburu Health Department.

This is contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County Government bank accounts be opened and maintained at the Central Bank of Kenya. The only exemption is for imprest bank accounts for petty cash and revenue collection bank accounts.

### 3.37.16 Key Observations and Recommendations

In the course of overseeing and reporting on the implementation of the County budget, the COB identified the following challenges which hampered effective budget implementation;

1. Late submission of financial reports by the County Treasury to the Controller of Budget affected the timely preparation of the budget implementation report. The report was received on 23<sup>rd</sup> October 2024.
2. Fund Administrators failed to submit quarterly financial and non-financial reports to the COB within the timelines provided by law, which is against the requirement of Section 168 of the PFM Act, 2012. The reports for the Conservancies, Executive Car loan and Mortgage, Bursary, People living with disability, Emergency and County Assembly Fund were not submitted to the Controller of Budget as of 15<sup>th</sup> October 2024.
3. High level of pending bills which amounted to Kshs.621.60 million as of 30<sup>th</sup> September 2024. Further, there was non-adherence to the payment plan for the pending bills by the County Treasury.
4. Use of manual payroll. Personnel emoluments amounting to Kshs. 56.20 million were processed through the manual payroll, accounting for 11 per cent of the total payroll cost. The manual payroll is prone to abuse and may lead to the loss of public funds where there is a lack of proper controls.
5. The county government uses commercial bank accounts for operations contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya.

The County should implement the following recommendations to improve budget execution:

1. *The County Treasury should ensure timely preparation and submission of financial reports to the Office of the Controller of Budget in line with the timelines prescribed in Section 166 of the PFM Act, 2012.*
2. *The CECMF should follow up to ensure Fund Administrators prepare and submit statutory reports in line with the PFM Act, 2012.*
3. *The county leadership should address the situation of pending bills to ensure that genuine bills are paid promptly in the remaining financial year. Further, compliance with the payment plan should be enforced.*
4. *The Government requires that salaries be processed through the IPPD system, and the County is advised to fast-track the acquisition of Unified Personnel Numbers for their staff. The County Public Service Board should regulate staff engagement on contract and casual workers as provided under Section 74 of the County Governments Act 2012. Further, strict compliance with the approved staff establishment should be maintained.*
5. *The County Government should ensure that bank accounts are opened and operated at the Central Bank of Kenya as the law requires. However, imprest bank accounts for petty cash and revenue collection accounts are exempted.*

## 3.38. County Government of Siaya

### 3.38.1 Overview of FY 2024/25 Budget

The Siaya County approved FY 2024/25 budget is Kshs.10.95 billion. It comprised Kshs.4.87 billion (45 per cent) and Kshs. 6.07 billion (56 per cent) allocation for development and recurrent programmes, respectively. The budget estimates represent an increase from Kshs. 9.76 billion (12 per cent) from the FY 2023/24 budget

comprised a development budget of Kshs.3.85 billion and a recurrent budget of Kshs.5.91 billion. The increase in the budget was attributed to the rise in its own source revenue.

The Siaya County Government budget will be financed from different sources of revenue. These include Kshs.7.55 billion (69 per cent) expected from the National Government as the equitable share of revenue raised nationally, Kshs.698.12 million as additional allocations (6.4 per cent), a cash balance of Kshs.1.66 million (15 per cent) brought forward from FY 2023/24, and Kshs.1.04 billion (10 per cent) was generated as gross own source revenue. The own-source revenue includes Kshs.194.70 million (2 per cent) as Facility Improvement Fund (revenue from health facilities) and Kshs.849.36 million (8 per cent) as ordinary own-source revenue. The additional allocations include Road maintenance levy Kshs.160.84 million, National agricultural value chain project Kshs.151.52 million, Financing locally-led climate action Kshs.137 million, Community health promoters Kshs.63.81 million, Kenya urban support project II – UDG Kshs.45.22 million, Kenya devolution support program I Kshs.37.50 million, Kenya urban support project II – UIG Kshs.35 million, Kenya livestock commercialisation project Kshs.33.55 million, Agricultural business development project Kshs.13.84 million, Kenya agriculture business development project Kshs.10.92 million and DANIDA Kshs.8.92 million.

### 3.38.2 Revenue Performance

In the first quarter of FY 2024/25, the County received Kshs.2.47 billion to fund recurrent and development activities. The equitable share from the National Government was Kshs. 1.2 billion, and own source revenue (OSR) collection of Kshs. 140.42 million. In addition, the County had a cash balance of Kshs. 1.66 billion from FY 2023/24. The balance carried forward from FY 2023/24 includes Kshs.581.04 million of the June 2024 equitable share disbursed in July 2024. The County had other revenues of Kshs.52.63 million.

Analysis of the total OSR collection of Kshs. 140.42 million indicates it included Facilities Improvement Financing (FIF) of Kshs.104.8 million and Kshs.35.62 million as ordinary OSR. Table 3.252 summarises the total revenue available to the county government during the first quarter of FY 2024/25 performance.

The county aggregation, industrial park grant, is not captured in the budget, so the performance of other revenue sources is above 100 per cent.

The County has legislation governing the operation of FIF.

Figure 148 shows the trend in own-source revenue collection from the First Quarter of FY 2018/19 to the First Quarter of FY 2024/25.

**Figure 148: Trend in Own-Source Revenue Collection from the First Quarter of FY 2018/19 to the First Quarter of FY 2024/25**

Source: Siaya County Treasury

During the first quarter of FY 2024/25, the County generated Kshs.140.43 million from its revenue sources, including FIF. This amount was an increase of 36.1 per cent compared to Kshs.103.18 million realised in a similar period in FY 2023/24 and was 13.4 per cent of the annual target and 11.7 per cent of the equitable revenue share disbursed.

The revenue streams which contributed the highest OSR receipts are shown in Figure 148.

**Figure 149: Top Streams of Own Source Revenue in the First Quarter FY 2024/25.**

Source: Siaya County Treasury

The highest revenue stream, Kshs.104.8 million, was from the health facility improvement fund, which contributed 75.0 per cent of the total OSR receipts during the reporting period.

### 3.38.3 Borrowing by the County

The County did not borrow any money that came to our knowledge and was outstanding as of 30 September 2024.

### 3.38.4 Exchequer Issues

The Controller of Budget approved withdrawals of Kshs.1.08 billion from the CRF account during the reporting period, which comprised Kshs.243.92 million (22.6 per cent) for development programmes and Kshs.834.61 million (77 per cent) for recurrent programmes in the first quarter of FY 2024/25. Analysis of the recurrent exchequers released in the first three months of FY 2024/25 indicates that Kshs.627.53 million was released towards employee compensation and Kshs.207.08 million for operations and maintenance expenditure.

As of 30 September 2024, the county government's cash balance in the CRF account was Kshs. 363.84 million.

### 3.38.5 County Expenditure Review

The County spent Kshs.1.57 billion on development and recurrent programmes in the reporting period. The expenditure represented 145.4 per cent of the total funds released by the CoB and comprised of Kshs. 475.36 million and Kshs.1.09 billion on development and recurrent programmes, respectively. Expenditure on development programmes represented an absorption rate of 9.8 per cent, while recurrent expenditure represented 18.0 per cent of the annual recurrent expenditure budget.

### 3.38.6 Settlement of Pending Bills

The County reported pending bills amounting to Kshs 783.41 million as of 30 June 2024, comprising pending payments by the County Executive of Kshs.748.26 million and Kshs 35.15 million for the County Assembly.

The County Executive's pending bills consist of Kshs.491.72 million for recurrent expenditures and Kshs.256.55 million for development expenditures. In the reporting period, the County Executive settled pending bills amounting to Kshs.323.76 million, which consisted of Kshs. 81.88 million for recurrent expenditures and Kshs.241.87 million for development programmes, while the County Assembly settled pending bills worth Kshs.35.13 million comprising Kshs.33.1 million for recurrent activities and Kshs.2.05 million for development activities. Therefore, the outstanding bills were Kshs.424.51 million as of 30 September 2024.

### 3.38.7 Expenditure by Economic Classification

During the first quarter of FY 2024/25, the County Executive spent Kshs.541.60 million on employee compensation, Kshs.426.78 million on operations and maintenance, and Kshs.473.31 million on development activities. Similarly, the County Assembly spent Kshs.82.81 billion on employee compensation, Kshs.39.92 million on operations and maintenance, and Kshs.2.05 million on development activities, as shown in Table 3.254.

**Table 3.253: Summary of Budget and Expenditure by Economic Classification**

### 3.38.8 Expenditure on Employees' Compensation

In the first quarter of FY 2024/25, expenditure on employee compensation was Kshs.624.41 million, or 20.5 per cent of the available revenue of Kshs.3.05 billion. This expenditure represented an increase from Kshs.470.91 million reported in a similar period in FY 2023/24. The wage bill included Kshs.176.65 million paid to the health sector employees, translating to 28.3 per cent of the total wage bill.

Figure 150 shows the trend of personnel expenditures as a percentage of total revenue from the first quarter of FY 2017/18 to the first quarter of FY 2024/25.

**Figure 150: Percentage of Wage Bill to Total Revenue from the First Quarter of FY 2018/19 to the First Quarter of FY 2024/25**

Further analysis indicates that PE costs amounting to Kshs.534.54 million were processed through the Integrated Personnel and Payroll Database (IPPD) system while Kshs.89.87 million was processed through manual payrolls. The manual payrolls accounted for 14.4 per cent of the total PE cost.

The County Assembly spent Kshs.5.30 million on committee sitting allowances for the 42 MCAs against the annual budget allocation of Kshs.31.64 million. The average monthly sitting allowance was Kshs.42,025.40 per MCA. The County Assembly had 23 House Committees.

### 3.38.9 County Emergency Fund and County-Established Funds

Section 116 of the PFM Act 2012 allows County Governments to establish other public funds with approval from the County Executive Committee and the County Assembly. The County allocated Kshs.126.69 million to county-established funds in FY 2024/25, or 1 per cent of the County's overall budget. Further, the County allocated Kshs.70 million to the Emergency Fund (0.6 per cent of the total budget) in line with Section 110 of the PFM Act, 2012.

Table 3.254 summarises each established Fund's budget allocation and performance during the reporting period.

During the reporting period, the CoB did not receive quarterly financial reports from 3 Fund Administrators, as indicated in Table 3.255, contrary to the requirement of Section 168 of the PFM Act, 2012.

The County government uses commercial bank accounts to operate the above-established Funds contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County Government bank accounts must be opened and maintained at the Central Bank of Kenya.

### 3.38.10 Expenditure on Operations and Maintenance

Figure 151 summarises the Operations and Maintenance expenditure by major categories.

**Figure 151: Siaya County, Operations and Maintenance Expenditure by Major Categories**

Source: Siaya County Treasury

Expenditure on domestic travel amounted to Kshs.82.28 million, comprising Kshs. 49.51 million were spent by the County Assembly, and the County Executive spent Kshs.32.77 million. The County Executive incurred foreign travel expenses amounted to Kshs.2.60 million. Expenditure on foreign travel was a misclassification of the items charged.

The operations and maintenance costs include an expenditure of Kshs.2.30 million on legal fees/dues, arbitration and compensation payments, and legal fees.

### 3.38.11 Facility Improvement Financing

During the period under review, the County reported collecting Kshs.104.80 million as FIF, which was 54 per cent of the annual target of Kshs.194.70 million. The collected amount was retained and utilised at the source per the Facility Improvement Financing Act of 2023. The County has, however, not developed regulations to operationalise the FIF Act of 2023.

The health facilities did not provide a report on the utilisation of the FIF during the reporting period, contrary to Section 18 (e) of the FIF Act, 2023.

### 3.38.12 Development Expenditure

In the First Quarter of FY 2024/25, the County reported spending Kshs.475.36 million on development programmes, representing an increase of 521.6 per cent compared to a similar period in FY 2023/24, the County spent Kshs.76.47 million. Table 3.256 summarises development projects with the highest expenditure in the reporting period.

Development Sub-programmes with the highest levels of implementation based on absorption rates were market services in the Department of Trade, Enterprises & Industrialisation at 28 per cent, Land Surveying and Mapping in the Department of Lands, Physical Planning and Housing at 20 cent. Recurrent sub-programmes with the highest levels of implementation based on absorption rates were Sub-County Administration in the Department of Governorship, Administration and ICT at 47 per cent, and Administration Planning, Revenue and Accounting in the Department of Finance and Economic Planning at 43 per cent of budget allocation.

### 3.38.15 Accounts Operated in Commercial Banks

The County Government operated 13 accounts with commercial banks, with three being for the County Assembly.

This is contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya. The only exemption is for imprest bank accounts for petty cash and revenue collection bank accounts.

### 3.38.16 Key Observations and Recommendations

In the course of overseeing and reporting on the implementation of the County budget, the CoB identified the following challenges which hampered effective budget implementation;

1. Own-source revenue underperformed at Kshs.140.43 million against an annual target of Kshs.1.04 billion, representing 13.5 per cent of the yearly target.
2. Fund Administrators failed to submit quarterly financial and non-financial reports to the COB within the timelines provided by law, which is against the requirement of Section 168 of the PFM Act, 2012. The reports for the bursary Fund, emergency Fund and co-operative development Fund were not submitted to the Controller of Budget as of 15 October 2024.
3. Use of manual payroll. Personnel emoluments amounting to Kshs.89.87 million were processed through manual payroll, accounting for 14 per cent of the total payroll cost. Manual payroll is prone to abuse and may lead to the loss of public funds where there is a lack of proper controls.
4. The County Government uses commercial bank accounts for operations contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya. The commercial bank accounts are for operations purposes and additional allocations.

The County should implement the following recommendations to improve budget execution:

1. The County should address its own-source revenue performance to ensure the approved budget is fully financed. Appropriate austerity measures should be implemented to ensure expenditure commitments are aligned with available revenue.
2. The CECMF should follow up to ensure Fund Administrators prepare and submit statutory reports in line with the PFM Act, 2012.
3. The Government requires that salaries be processed through the IPPD system, and the County is advised to fast-track the acquisition of Unified Personnel Numbers for their staff. The County Public Service Board should regulate staff engagement on contract and casual workers as provided under Section 74 of the County Governments Act 2012. Further, strict compliance with the approved staff establishment should be maintained.
4. The County Government should ensure that bank accounts are opened and operated at the Central Bank of Kenya as the law requires. However, imprest bank accounts for petty cash and revenue collection accounts are exempted.

### 3.39. County Government of Taita Taveta

#### 3.39.1 Overview of FY 2024/25 Budget

The Taita Taveta County approved FY 2024/25 budget is Kshs.8.42 billion. It comprised Kshs.2.70 billion (32 per cent) and Kshs.5.71 billion (68 per cent) allocation for development and recurrent programmes, respectively. The budget estimates represent an increase of Kshs.940 million (12 per cent) from the FY 2023/24 budget, which comprised a development budget of Kshs.2.32 billion and a recurrent budget of Kshs.5.17 billion. The increase in the county government budget was attributed to the rise in equitable share.

The Taita Taveta County Government budget will be financed from different sources of revenue. These include Kshs.5.22 billion (62 per cent) expected from the National Government as the equitable share of revenue raised nationally, Kshs.2.03 billion (24 per cent) as additional allocations, a cash balance of Kshs.403 million (5 per cent) brought forward from FY 2023/24, Kshs.8.60 million from other revenue sources (below 1 per cent) and Kshs.750 million (9 per cent) generated as gross own source revenue. The own-source revenue includes Kshs.250 million (33 per cent) as Facility Improvement Fund (revenue from health facilities) and Kshs.500 million (67 per cent) as ordinary own-source revenue.

#### 3.39.2 Revenue Performance

In the first quarter of FY 2024/25, the County received a total of Kshs.965.47 million to fund recurrent and development activities. The equitable share from the national government was Kshs.428.43 million, additional allocations from government and development partners of Kshs.30 million and own source revenue (OSR) collection of Kshs.92.75 million. In addition, the County had a cash balance of Kshs.414.29 million from FY 2023/24. The FY 2023/24 balance includes Kshs.403.23 million of the June 2024 Equitable Share disbursed in July 2024.

Analysis of the total OSR collection of Kshs.92.75 million indicates that it included receipts from Facilities Improvement Financing (FIF) of Kshs.39.91 million and Kshs.52.83 million as ordinary OSR. Table 3.258 summarises the total revenue available to the county government during the first quarter of FY 2024/25.

The highest revenue stream, Kshs.39.91 million, was from Health/Hospital fees/FIF, which contributed 43 per cent of the total OSR receipts during the reporting period.

### 3.39.3 Exchequer Issues

The Controller of Budget approved withdrawals of Kshs.805.89 million from the CRF account during the reporting period, which comprised Kshs.106.0 million (13per cent) for development programmes and Kshs.699.89 million (87 per cent) for recurrent programmes in the first quarter of FY 2024/25. Analysis of the recurrent exchequers released in the first three months of FY 2024/25 indicates that Kshs.559.73 million was released towards employee compensation and Kshs.140.15 million for operations and maintenance expenditure.

As of 30 September 2024, the county government's cash balance in the CRF account was Kshs. 4.66 million.

### 3.39.4 County Expenditure Review

The County spent Kshs.805.89 million on development and recurrent programmes in the reporting period. The expenditure represented 100 per cent of the total funds released by the CoB and comprised of Kshs.106.0 million and Kshs.699.89 million on development and recurrent programmes, respectively. Expenditure on development programmes represented an absorption rate of 4 per cent, while recurrent expenditure represented 12 per cent of the annual recurrent expenditure budget.

### 3.39.5 Settlement of Pending Bills

The County reported pending bills amounting to Kshs.2.30 billion, comprising pending payments by the County Executive of Kshs.2.17 billion and Kshs.126.22 million for the county assembly.

The county executive's pending bills consist of Kshs.1.29 billion for recurrent expenditures and Kshs.887.35 million for development expenditures. In the reporting period, the County Executive settled pending bills amounting to Kshs.265.24 million in the reporting period, which consisted of Kshs.249.84 million for recurrent expenditure and Kshs.15.39 million for development programmes. In contrast, the County Assembly settled pending bills worth Kshs.54.53 million. Therefore, the outstanding bills were Kshs.1.98 billion as of 30 September 2024.

### 3.39.6 Expenditure by Economic Classification

During the first quarter of FY 2024/25, the County Executive spent Kshs.508.47 million on employee compensation, Kshs.65.71 million on operations and maintenance, and Kshs.106.0 million on development activities. Similarly, the County Assembly spent Kshs.51.26 million on employee compensation and Kshs.74.45 million on operations and maintenance, as shown in Table 3.259.

### 3.39.7 Expenditure on Employees' Compensation

In the first quarter of FY 2024/25, expenditure on employee compensation was Kshs.559.74 million, or 58 per cent of the available revenue of Kshs.965.47 million. This expenditure represented a decrease from Kshs.711.52 million reported in a similar period in FY 2023/24. The wage bill included Kshs.266.76 million paid to the health sector employees, translating to 48 per cent of the total wage bill.

Figure 154 shows the trend of personnel expenditures as a percentage of total revenue from the first quarter of FY 2018/19 to the first quarter of FY 2024/25.

**Figure 154: Percentage of Wage Bill to Total Revenue from the First Quarter of FY 2018/19 to the First Quarter of FY 2024/25**

Further analysis indicates that PE costs amounting to Kshs.551.24 million were processed through the Integrated Personnel and Payroll Database (IPPD) system while Kshs.8.5 million was processed through manual payrolls. The manual payrolls accounted for 2 per cent of the total PE cost.

The County Assembly spent Kshs.6.39 million on committee sitting allowances for the 32 MCAs against the annual budget allocation of Kshs.36 million. The average monthly sitting allowance was Kshs.66,665 per MCA. The County Assembly had 23 House Committees.

### 3.39.8 County Emergency Fund and County-Established Funds

Section 116 of the PFM Act 2012 allows County Governments to establish other public funds with approval from the County Executive Committee and the County Assembly. The County allocated Kshs.270 million to County-established funds in FY 2024/25 or 3 per cent of the County's overall budget. Further, the County allocated Kshs.15 million to the Emergency Fund (0.2 per cent of the total budget) in line with Section 110 of the PFM Act, 2012.

Table 3.260 summarises each established Funds' budget allocation and performance during the reporting period.

The sub-programmes with the highest levels of implementation based on absorption rates were: General Administration and Support Services in the Department of Public Administration and Service at 35 per cent, General Administration and Support Services in the Department of Finance and Planning at 31 per cent, General Administration and Internal Audit in the Department of Finance and Planning at 27 per cent and Human Resource Planning and Management Services at 20 per cent of budget allocation.

### 3.39.14 Accounts Operated in Commercial Banks

The County government operated 37 accounts with commercial banks, nine for healthcare facilities.

This is contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires

that County government bank accounts be opened and maintained at the Central Bank of Kenya. The only exemption is for imprest bank accounts for petty cash and revenue collection bank accounts.

### 3.39.15 Key Observations and Recommendations

In the course of overseeing and reporting on the implementation of the County budget, the COB identified the following challenges which hampered effective budget implementation;

1. Own-source revenue underperformed at Kshs.92.75 million against an annual target of Kshs.750 million, representing 14 per cent of the yearly target.
2. High level of pending bills, which amounted to Kshs.1.98 billion as of 30 September 2024.
3. The county government uses commercial bank accounts for operations contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya. The commercial bank accounts are for

The County should implement the following recommendations to improve budget execution:

1. *The County should address its own-source revenue performance to ensure the approved budget is fully financed. Appropriate austerity measures should be implemented to ensure expenditure commitments are aligned with available revenue.*
2. *The County leadership should address the situation of pending bills to ensure that genuine bills are paid promptly in the remaining financial year.*
3. *The County Government should ensure that bank accounts are opened and operated at the Central Bank of Kenya as the law requires. However, imprest bank accounts for petty cash and revenue collection accounts are exempted.*

## 3.40. County Government of Tana River

### 3.40.1 Overview of FY 2024/25 Budget

The Tana River County approved FY 2024/25 budget is Kshs.9.31 billion. It comprised Kshs.3.64 billion (39 per cent) and Kshs.5.67 billion (61 per cent) allocation for development and recurrent programmes, respectively. The budget estimates represent an increase of Kshs.282.82 million (3 per cent) from the FY 2023/24 budget comprised of a development budget of Kshs.3.56 billion and a recurrent budget of Kshs.5.47 billion. The increase in the county government budget was attributed to the rise in unspent funds at the end of FY 2023/24.

The Tana River County Government budget will be financed from different sources of revenue. These include; Kshs.7.04 billion (75.6 per cent) expected from the National Government as the equitable share of revenue raised nationally, Kshs.1.08 billion (11.7 per cent) as additional allocations, a cash balance of Kshs.1.09 billion (11.7 per cent) brought forward from FY 2023/24, and Kshs.96.63 million (1 per cent) generated as gross own source revenue. The own-source revenue includes Kshs.3.96 million (4 per cent) as Facility Improvement Fund (revenue from health facilities) and, Kshs.92.67 million (96 per cent) as ordinary own-source revenue. A breakdown of the additional allocations is shown in Table 3.265.

### 3.40.2 Revenue Performance

In the first quarter of FY 2024/25, the County received Kshs.1.76 billion to fund recurrent and development activities. The equitable share from the National Government was Kshs.577.21 million. Additional allocations from government and development partners were Kshs.11.0 million, and its own source revenue (OSR) collection was Kshs.78.50 million. In addition, the County had a cash balance of Kshs.1.09 billion from FY 2023/24, including Kshs.543.26 million in June 2024 disbursement disbursed in July 2024.

Analysis of the total OSR collection of Kshs.78.50 million indicates that it included Facilities Improvement Financing (FIF) of Kshs.0.72 million and Kshs.77.78 million as ordinary OSR. Table 3.265 summarises the total

revenue available to the county government during the first quarter of FY 2024/25 performance.

During the first quarter of FY 2024/25, the County generated a total of Kshs.78.50 million from its own sources of revenue, including AIA and FIF. This amount was an increase of 819 per cent, compared to Kshs.8.54 million realised in a similar period in FY 2023/24. This was 84 per cent of the annual target and 14 per cent of the equitable revenue share disbursed.

The increase in own-source revenue has been attributed to an increase in gypsum extraction and, hence, an increase in gypsum extraction fees.

The revenue streams which contributed the highest OSR receipts are shown in Figure 157.

**Figure 157: Top Streams of Own Source Revenue in the First Quarter FY 2024/25**

Source: Tana River County Treasury

The highest revenue stream, Kshs.63.15 million, was from gypsum extraction fees, contributing 77 per cent of the total OSR receipts during the reporting period.

### 3.40.3 Exchequer Issues

The Controller of Budget approved withdrawals of Kshs.580.88 million from the CRF account during the reporting period, which comprised Kshs.126.27 million (22 per cent) for development programmes and Kshs.454.61 million (78 per cent) for recurrent programmes in the first quarter of FY 2024/25. Analysis of the recurrent exchequers released in the first three months of FY 2024/25 indicates that Kshs.388.29 million was released towards employee compensation and Kshs.161.06 million for operations and maintenance expenditure.

As of 30 September 2024, the County Government's cash balance in the CRF account was Kshs.456.99 million.

### 3.40.4 County Expenditure Review

The County spent Kshs.403.29 billion on development and recurrent programmes in the reporting period. This expenditure represented 60 per cent of the total funds released by the CoB and was incurred in recurrent programmes. Recurrent expenditures represented 7 per cent of the annual recurrent expenditure budget.

### 3.40.5 Settlement of Pending Bills

The County reported pending bills amounting to Kshs. 2.12 billion as of 30 June 2024. These pending bills were all accumulated by the County Executive.

The County Executive's pending bills consist of Kshs.1.17 billion for recurrent expenditures and Kshs.951.05 million for development expenditures. The County executive did not settle any pending bills during the reporting period.

Therefore, the outstanding pending bills stood at Kshs.2.12 billion as of 30 September 2024.

### 3.40.6 Expenditure by Economic Classification

During the first quarter of FY 2024/25, the County Executive spent Kshs.303.31 million on employee compensation and Kshs.1.46 million on operations and maintenance; the County Executive did not incur any expenditure on development activities. Similarly, the County Assembly spent Kshs.61.63 million on employee compensation and Kshs.36.91 million on operations and maintenance.

**Table 3.266: Summary of Budget and Expenditure by Economic Classification**

### 3.40.7 Expenditure on Employees' Compensation

In the first quarter of FY 2024/25, expenditure on employee compensation was Kshs.364.93 million, or 21 per cent of the available revenue of Kshs.1.76 billion. This expenditure represented a decrease from Kshs.420.93 billion reported in a similar period in FY 2023/24. The wage bill included Kshs.152.78 billion paid to the health sector employees, translating to 42 per cent of the total wage bill.

Further analysis indicates that PE costs amounting to Kshs.353.59 million were processed through the Integrated Personnel and Payroll Database (IPPD) system, while Kshs.11.34 million was processed through manual payrolls. The manual payrolls accounted for 3 per cent of the total PE cost.

The County Assembly spent Kshs.5.73 million on committee sitting allowances for the 27 MCAs against the annual budget allocation of Kshs.25 million. The average monthly sitting allowance was Kshs.70,686 per MCA. The County Assembly had 19 House Committees.

### 3.40.8 County Emergency Fund and County-Established Funds

Section 116 of the PFM Act 2012 allows County Governments to establish other public funds with approval from the County Executive Committee and the County Assembly. The County allocated Kshs.545.37 million to county-established funds in FY 2024/25, or 6 per cent of the County's overall budget. Further, the County allocated Kshs.139.68 million to the Emergency Fund (2 per cent of the total budget) in line with Section 110 of the PFM Act, 2012.

Table 3.267 summarises each established Fund's budget allocation and performance during the reporting period.

During the reporting period, the CoB did not receive quarterly financial reports from all Fund Administrators, as indicated in Table 3.268, contrary to the requirement of Section 168 of the PFM Act, 2012.

The County government uses commercial bank accounts to operate the above-established Funds contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County Government bank accounts must be opened and maintained at the Central Bank of Kenya.

### 3.40.9 Expenditure on Operations and Maintenance

Figure 158 summarises the Operations and Maintenance expenditure by major categories.

**Figure 158: Tana River County, Operations and Maintenance Expenditure by Major Categories**

Source: Tana River County Treasury

Expenditure on domestic travel amounted to Kshs.15.52 million, comprised of Kshs.15.31 million spent by the County Assembly and Kshs.0.21 million by the County Executive. During the reporting period, there was no expenditure on foreign travel.

### 3.40.10 Facility Improvement Financing

During the period under review, the County reported collecting Kshs.0.72 million as FIF, which was 18.1 per cent of the annual target of Kshs.3.96 million. The collected amount was retained and utilised at the source in accordance with the Facility Improvement Financing Act of 2023. The County has developed regulations to operationalise the FIF Act of 2023.

The health facilities did not provide a report on the utilisation of the FIF during the reporting period, contrary to Section 18 (e) of the FIF Act, 2023.

### 3.40.11 Development Expenditure

The County did not report any development expenditure in the First Quarter of FY 2024/25.

Based on absorption rates, the sub-programmes with the highest implementation levels were General Administration in the Department of Finance at 55 per cent, General Administration in the Department of Public Service Administration at 10 per cent, and General Administration in the Department of Public Service Board at 9 per cent.

### 3.40.14 Accounts Operated in Commercial Banks

The County government operated 32 accounts with commercial banks. This is contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya. The only exemption is for imprest bank accounts for petty cash and revenue collection bank accounts.

### 3.40.15 Key Observations and Recommendations

In the course of overseeing and reporting on the implementation of the County budget, the COB identified the following challenges which hampered effective budget implementation;

1. Late submission of financial reports by the County Treasury to the Controller of Budget affected the timely preparation of the budget implementation report. The report by the County Assembly of Tana River was received on 5 November 2024
2. Unspent funds from FY 2023/24 were not refunded into the CRF account, which led to actual expenditures exceeding the approved exchequer in several departments, as shown in Table 3.269.
3. There was a high level of pending bills, which amounted to Kshs.2.12 billion as of 30 September 2024. Further, the County Treasury did not adhere to the payment plan for the pending bills.
4. Use of manual payroll. Personnel emoluments amounting to Kshs11.34 million were processed through manual payroll, accounting for 3 per cent of the total payroll cost. Manual payroll is prone to abuse and may lead to the loss of public funds where there is a lack of proper controls.
5. The County Government uses commercial bank accounts for operations contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya. The commercial bank accounts manage grants, Mortgages, and revenue collection.
6. The County Assembly of Tana River did not report on expenditure by programme and sub-programmes, leading to variances in expenditure by departments and expenditure by programme and sub-programmes

The County should implement the following recommendations to improve budget execution:

1. *The County Treasury should ensure timely preparation and submission of financial reports to the Office of the Controller of Budget in line with the timelines prescribed in Section 166 of the PFM Act, 2012.*
2. *The County Treasury should ensure unspent funds from the previous financial year are deposited to the CRF Account in line with Section 136 of the PFM Act 2012.*
3. *The County leadership should address the situation of pending bills to ensure that genuine bills are paid promptly in the remaining financial year. Further, compliance with the payment plan should be enforced.*
4. *The Government requires that salaries be processed through the IPPD system, and the County is advised to fast-track the acquisition of Unified Personnel Numbers for their staff. The County Public Service Board should regulate staff engagement on contract and casual workers as provided under Section 74 of the County Governments Act 2012. Further, strict compliance with the approved staff establishment should be maintained.*
5. *The County Government should ensure that bank accounts are opened and operated at the Central Bank of Kenya as the law requires. However, imprest bank accounts for petty cash and revenue collection accounts are exempted.*
6. *The County should adhere fully to the CoB reporting template.*

## 3.41. County Government of Tharaka Nithi

### 3.41.1 Overview of FY 2024/25 Budget

The Tharaka Nithi County approved FY 2024/25 budget is Kshs.6.48 billion. It comprised Kshs.2.38 billion (37 per cent) and Kshs.4.10 billion (63 per cent) allocations for development and recurrent programmes, respectively. The budget estimates represent an increase of Kshs. 159.98 million (3 per cent) from the FY 2023/24 budget, which comprised a development budget of Kshs.2.52 billion and a recurrent budget of Kshs.3.80 billion.

The Tharaka Nithi County Government budget will be financed from different sources of revenue. These include Kshs.4.53 billion (70 per cent) expected from the National Government as the equitable share of revenue raised nationally, Kshs.1.50 billion (23 per cent) as additional allocations/conditional grants, a cash balance of Kshs.0 million (0.0 per cent) brought forward from FY 2023/24, and Kshs.450 million (7 per cent) generated as gross own source revenue. The own-source revenue includes Kshs.165 million (3 per cent) as Appropriations-in-Aid (A-I-A)/Facility Improvement Fund (revenue from health facilities) and Kshs.285 million (4 per cent) as ordinary own-source revenue. A breakdown of the additional allocations is shown in Table 3.270.

### 3.41.2 Revenue Performance

In the first quarter of FY 2024/25, the County received a total of Kshs.908.20 million to fund recurrent and development activities. The equitable share from the national government was Kshs.372.15 million. Additional allocations from government and development partners were Kshs.0 million, and its own-source revenue (OSR) collection was Kshs.78.35 million. In addition, the County had a cash balance of Kshs.107.44 million from FY 2023/24. Also, the County had an equitable share balance for FY 2023/24 (June 2024) that was disbursed in July 2024.

Analysis of the total OSR collection of Kshs. 78.35 million indicates that it included Appropriations in Aid (AIA)/Facilities Improvement Financing (FIF) of Kshs.37.42 million and Kshs.40.94 million as ordinary OSR. Table 3.270 summarises the total revenue available to the county government during the first quarter of FY 2024/25.

The county does not have governing legislation for operating ordinary A-I-A and FIF.

**Figure 159: Trend in Own-Source Revenue Collection from the First Quarter of FY 2018/19 to the First Quarter of FY 2024/25**

During the first quarter of FY 2024/25, the County generated a total of Kshs.78.35 million from its sources of revenue, including AIA and FIF. This amount was an increase of 45.9 per cent compared to Kshs.53.70 million realised in a similar period in FY 2023/24. It was 17.4 per cent of the annual target and 10.8 per cent of the equitable revenue share disbursed. The increase in OSR can be attributed to the continued sealing of areas of revenue leaks. The revenue streams that contributed the highest OSR receipts are shown in Figure 160.

**Figure 160: Top Streams of Own Source Revenue in the First Quarter FY 2024/25**

*Source: Tharaka Nithi County Treasury*

The highest revenue stream, Kshs.37.42 million, was from the hospital's Facility Improvement Financing, which contributed 48 per cent of the total OSR receipts during the reporting period.

### 3.41.3 Borrowing by the County

The county government did not borrow during the quarter.

### 3.41.4 Exchequer Issues

The Controller of Budget approved withdrawals of Kshs.410.37 million from the CRF account during the reporting period, which comprised Kshs.26.95 million (6.6 per cent) for development programmes and Kshs.383.42 million (93.4 per cent) for recurrent programmes in the first quarter of FY 2024/25. Analysis of the recurrent exchequers released in the first three months of FY 2024/25 indicates that Kshs. 264.86 million was released towards employee compensation and Kshs.90.41 million for operations and maintenance expenditure.

As of 30 September 2024, the county government's cash balance in the CRF account was Kshs.397.30 million.

### 3.41.5 County Expenditure Review

The County spent Kshs.382.22 million on development and recurrent programmes in the reporting period. The expenditure represented 93 per cent of the total funds released by the CoB and comprised Kshs. 26.95 million and Kshs. 355.27 million on development and recurrent programmes, respectively. Expenditure on development programmes represented an absorption rate of 1 per cent, while recurrent expenditure represented 9 per cent of the annual recurrent expenditure budget.

### 3.41.6 Settlement of Pending Bills

The County reported pending bills amounting to Kshs.748.14 million as of 30 June 2024, comprising pending payments by the County Executive of Kshs.611.53 million and Kshs 136.61 million for the County Assembly.

The County Executive's pending bills consist of Kshs.393.02 million for recurrent expenditures and Kshs.218.50 million for development expenditures. In the reporting period, the County Executive settled pending bills amounting to Kshs.293.79 million, which consisted of Kshs. 266.84 million for recurrent expenditures and Kshs.26.95 million for development programmes, while the County Assembly settled pending bills worth Kshs.38.98 million. Therefore, the outstanding bills were Kshs.415.37 million as of 30 September 2024.

### 3.41.7 Expenditure by Economic Classification

During the first quarter of FY 2024/25, the County Executive spent Kshs.225.89 million on employee compensation, Kshs.90.41 million on operations and maintenance, and Kshs.26.95 million on development activities. Similarly, the County Assembly spent Kshs.38.98 million on employee compensation, Kshs.0 on operations and maintenance, and Kshs.0 on development activities, as shown in Table 3.271.

**Table 3.271: Summary of Budget and Expenditure by Economic Classification**

### 3.41.8 Expenditure on Employees' Compensation

In the first quarter of FY 2024/25, expenditure on employee compensation was Kshs.264.86 million, or 29 per cent of the available revenue of Kshs.908.20 million. This expenditure represented a decrease from Kshs.511.37 million reported in a similar period in FY 2023/24. The wage bill included Kshs.157.58 million paid to the health sector employees, translating to 60 per cent of the total wage bill.

The significant drop in compensation for employees (from 511.57 to 264.86 million) is because, at the end of Quarter 1 in FY 2023/24, the County had received three disbursements of equitable share, while in Quarter 1 of 2024/25, only two had been received.

Figure 161 shows the trend of personnel expenditures as a percentage of total revenue from the first quarter of FY 2020/21 to the first quarter of FY 2024/25.

**Figure 161: Percentage of Wage Bill to Total Revenue from the First Quarter of FY 2020/21 to the First Quarter of FY 2024/25**

Source: Tharaka Nithi County Treasury

Further analysis indicates that PE costs amounting to Kshs.247.32 million were processed through the Integrated Personnel and Payroll Database (IPPD) system while Kshs.17.54 million was processed through manual payrolls. The manual payrolls accounted for 6.6 per cent of the total PE cost.

The County Assembly spent Kshs.2.73 million on committee sitting allowances for the 24 MCAs against the annual budget allocation of Kshs.31.2 million. The average monthly sitting allowance was Kshs.37,983.63 per MCA. The County Assembly had 19 House committees.

### 3.41.9 County Emergency Fund and County-Established Funds

Section 116 of the PFM Act 2012 allows County Governments to establish other public funds with approval from the County Executive Committee and the County Assembly. The County allocated Kshs.88.52 million to county-established funds in FY 2024/25, or 1.37 per cent of the County's overall budget. Further, the County allocated Kshs.10 million to the Emergency Fund (0.2 per cent of the total budget) in line with Section 110 of the PFM Act, 2012.

Table 3.272 summarises each established Fund budget allocation and performance during the reporting period.

During the reporting period, the CoB received quarterly financial reports from the fund administrators of the four funds run by the County Executive. However, the CoB did not receive quarterly financial reports for the one fund the County Assembly ran. Failure to prepare a quarterly financial report violates Section 168 of the PFM Act, 2012. The administration costs of the funds whose reports were submitted were within the 3 per cent limit of the Fund budget set in Regulation 197(1)(d) of the Public Finance Management (County Governments) Regulations, 2015.

The County government uses commercial bank accounts to operate the above-established Funds contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County Government bank accounts must be opened and maintained at the Central Bank of Kenya.

### 3.41.10 Expenditure on Operations and Maintenance

Figure 162 summarises the Operations and Maintenance expenditure by major categories.

**Figure 162: Tharaka Nithi County, Operations and Maintenance Expenditure by Major Categories**

*Source: Tharaka Nithi County Treasury*

Expenditure on domestic travel amounted to Kshs.1.10 million and comprised Kshs.0 million spent by the County Assembly and Kshs.1.10 million by the County Executive. Expenditure on foreign travel amounted to Kshs.0 million and comprised Kshs.0 million by the County Assembly and Kshs.0 million by the County Executive. Note: Both County Assembly and the County Executive did not spend any money on foreign travel

The operations and maintenance costs include an expenditure of Kshs.16.17 million on contracted guards and cleaning services and Kshs.3.50 million on Legal fees/Dues, arbitration and compensation payments expenditure legal fees.

### **3.41.11 Facility Improvement Financing**

During the period under review, the County reported collecting Kshs.37.42 million as FIF, which was 22.7 per cent of the annual target of Kshs.165 million. The collected amount was retained and utilised at the source per the Facility Improvement Financing Act of 2023. The County has, however, not developed regulations to operationalise the FIF Act of 2023.

The health facilities did not provide a report on the utilisation of the FIF during the reporting period, contrary to Section 18 (e) of the FIF Act, 2023.

The data on expenditures by the health facilities were not available because, apparently, the FIF is budgeted for centrally rather than at the facility level.

### **3.41.12 Development Expenditure**

In the First Quarter of FY 2024/25, the County reported spending Kshs.26.95 million on development programmes, representing a decrease of 82.2 per cent compared to a similar period in FY 2023/24, when the County spent Kshs.151.55 million. Table 3.273 summarises development projects with the highest expenditure in the reporting period.

Analysis of expenditure by departments shows that the Department of Education and Vocational Training recorded the highest absorption rate of development budget at 8.4 per cent, followed by the Department of Roads, Infrastructure, Public Works & Urban Development at 2.8 per cent. The Department of Environment, Mining and Natural Resources had the highest percentage of recurrent expenditure to budget at 33.9 per cent, while the County Public Service Board had the lowest at 2.9 per cent.

The allocations for recurrent expenditure for the Assembly and the Executive are within the ceilings in CARA, 2024. There are marginal over 100% expenditures in relation to exchequer release in the office of the Governor & Deputy and at the County Assembly. The governor's office explains that not all unspent monies in the various accounts are returned to the CRF. For the assembly, it is caused by the assembly's arrangements with the local commercial banks for payments of salaries where the actual payments by the banks may not match the requests coin for coin.

Sub-programmes with the highest levels of implementation based on absorption rates were: Environment and Natural Resource management in the Department of Environment, Mining & Natural Resources at 33.9%, Culture and Arts promotion in the Department of Culture and Tourism at 32.2 per cent, Supply Chain Management Services in the Department of Financial Management Services at 27.9% per cent of budget allocation.

### 3.41.15 Accounts Operated in Commercial Banks

The County government operated a total of 11 accounts with commercial banks, with five being operated by the health sector and two by the County Assembly.

This is contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya. The only exemption is for imprest bank accounts for petty cash and revenue collection bank accounts.

### 3.41.16 Key Observations and Recommendations

In the course of overseeing and reporting on the implementation of the County budget, the COB identified the following challenges which hampered effective budget implementation;

1. Late submission of financial reports by the County Treasury to the Controller of Budget affected the timely preparation of the budget implementation report. The report was received on 22 October and 25 October 2024 from the County Executive and County Assembly respectively.
2. The County is understating its revenue target/revenue potential or has set an easily achievable target. The revenue target in the 2023/24 FY was Kshs.450 million and the County collected 452 million, just over 100%. In 2024/25, the target remains Kshs.450 million. Unless the County is in an economic depression, the revenue should be expected to progressively register marginal growth in the collection of own source revenue.

The County should implement the following recommendations to improve budget execution:

1. *The County Treasury should ensure timely preparation and submission of financial reports to the Office of the Controller of Budget in line with the timelines prescribed in Section 166 of the PFM Act, 2012.*
2. *The County should review its own-source revenue target setting process to ensure the target set is challenging but reasonably achievable so that approved budget remains fully financed. Appropriate austerity measures should also be implemented to ensure expenditure commitments are aligned with available revenue.*

### 3.42. County Government of Trans Nzoia

#### 3.42.1 Overview of FY 2024/25 Budget

The Trans Nzoia County approved FY 2024/25 budget is Kshs.10.52 billion. It comprised Kshs.4.45 billion (42 per cent) and Kshs.6.07 billion (58 per cent) allocation for development and recurrent programmes, respectively. The budget estimates represent an increase of Kshs.336.60 million (3 per cent) from the FY 2023/24 budget, which comprised a development budget of Kshs.4.35 billion and a recurrent budget of Kshs.5.83 billion. The increase in the budget was attributed to the rise in its own source revenue target and National Shareable revenue.

The Trans Nzoia County Government budget will be financed from different revenue sources. These include Kshs.7.80 billion (74 per cent) expected as the equitable share of revenue raised nationally, Kshs.1.44 billion as additional allocations, a cash balance of Kshs.599.98 million (6 per cent) brought forward from FY 2023/24, and Kshs.680 million (7 per cent) generated as gross own source revenue.

The own-source revenue includes Kshs.311.70 million (3 per cent) as Facility Improvement Fund (revenue from health facilities) and Kshs.368.30 million (4 per cent) as ordinary own-source revenue. A breakdown of the additional allocations: Kshs.8.87 million as DANIDA Grant (Universal Healthcare in Devolved System Program), Kshs.39.05 million as International Fund for Agricultural Development Loan (IFAD), Kshs.10.92 million as Kenya Agricultural Business Development Project (KABDP), Kshs.149.50 million as Roads Maintenance Fuel Levy, Kshs.621.83 million as Kenya Informal Settlement Programme II (KISIP II), Kshs.151.52 million as National Value Chain Development Programme (NAVCDP), Kshs.35 million as Kenya Urban Support Programme -UIG II, Kshs.131.28 million as Kenya Urban Support Programme -UDG, Kshs.12.34 million as Museum Grant, Kshs. 37.50 million as IDA (World Bank) credit: Kenya Devolution Support Project (KDSP) “Level II Grant”, Kshs.11 million as IDA - FLLoCA (County Climate Institutional Support) Grant, Kshs.149.73 million as IDA - FLLoCA (County Climate Resilient Investment) Grant, Kshs.84.65 million as KFW - FLLoCA (County Climate Resilient Investment) Grant.

#### 3.42.2 Revenue Performance

In the first quarter of FY 2024/25, the County received Kshs.1.39 billion to fund recurrent and development activities. The equitable share from the national government was Kshs.637.48 million. Additional allocations from government and development partners were Kshs.63.63 million, and its own source revenue (OSR) collection was Kshs.87.90 million. In addition, the County had a cash balance of Kshs.599.98 million from FY 2023/24.

Analysis of the total OSR collection of Kshs.87.90 million indicates that it included Facilities Improvement Financing (FIF) of Kshs.58.79 million and Kshs.29.10 million as ordinary OSR. Table 3.276 summarises the total revenue available to the county government during the first quarter of FY 2024/25 performance.

The County has governing legislation on the operation of ordinary A-I-A and FIF.

Figure 163 shows the trend in own-source revenue collection from the First Quarter of FY 2019/20 to the First Quarter of FY 2024/25.

**Figure 163: Trend in Own-Source Revenue Collection from the First Quarter of FY 2019/20 to the First Quarter of FY 2024/25**

During the first quarter of FY 2024/25, the County generated Kshs.87.90 million from its own sources of revenue, including AIA and FIF. This amount decreased by 12.7 per cent compared to Kshs. 100.72 million realised in a similar period in FY 2023/24, and it was 12.9 per cent of the annual target and 13.8 per cent of the equitable revenue share disbursed. The decrease in OSR can be attributed to the change in the revenue collection system and the nurses' strike during the reporting period.

The revenue streams which contributed the highest OSR receipts are shown in Figure 2.

Figure 164: Top Streams of Own Source Revenue in the First Quarter FY 2024/25

**Figure 164: Trend in Own-Source Revenue Collection from the First Quarter of FY 2019/20 to the First Quarter of FY 2024/25**

The highest revenue stream, Kshs.58.79 million, was from Hospital Fees, which contributed 67 percent of the total OSR receipts during the reporting period.

### 3.42.3 Borrowing by the County

The County did not report any borrowing during the reporting period.

### 3.42.4 Exchequer Issues

The Controller of Budget approved withdrawals of Kshs.1.05 billion from the CRF account during the reporting period, which comprised Kshs.390.45 million (37.2 per cent) for development programmes and Kshs.658.62 million (62.8 per cent) for recurrent programmes in the first quarter of FY 2024/25. Analysis of the recurrent exchequers released in the first three months of FY 2024/25 indicates that Kshs.561.18 million was released towards employee compensation and Kshs.97.43 million for operations and maintenance expenditure.

As of 30 September 2024, the county government's cash balance in the CRF account was Kshs.295.73 million.

### 3.42.5 County Expenditure Review

The County spent Kshs.852.56 million on development and recurrent programmes in the reporting period. The expenditure represented 81 per cent of the total funds released by the CoB and comprised Kshs.304.18 million and Kshs.548.37 million on development and recurrent programmes, respectively. Expenditure on development programmes represented an absorption rate of 7 per cent, while recurrent expenditure represented 9 per cent of the annual recurrent expenditure budget.

### 3.42.6 Settlement of Pending Bills

The County reported pending bills amounting to Kshs.1.28 billion as of 30 June 2024; the pending payments were only for the county executive; hence, there were no pending bills of the county assembly.

The county executive's pending bills consist of Kshs.799.23 million for recurrent expenditures and Kshs.483.13 million for development expenditures. In the reporting period, the county executive settled pending bills amounting to Kshs.392.87 million, which consisted of Kshs.97.43 million for recurrent expenses and Kshs.295.44 million for development programmes. Thus, outstanding pending bills as of 30 September 2024 were Kshs.889.48 million.

### 3.42.7 Expenditure by Economic Classification

During the first quarter of FY 2024/25, the County Executive spent Kshs.481.23 million on employee compensation, Kshs.57.06 million on operations and maintenance, and Kshs.304.18 million on development activities. Similarly, the County Assembly spent Kshs.10.08 million on employee compensation, as shown in Table 3.278.

**Table 3.277: Summary of Budget and Expenditure by Economic Classification**

### 3.42.8 Expenditure on Employees' Compensation

In the first quarter of FY 2024/25, expenditure on employee compensation was Kshs.491.31 million, or 35 per cent of the available revenue of Kshs.1.38 billion. This expenditure represented a decrease from Kshs.1.41 billion reported in a similar period in FY 2023/24. The wage bill included Kshs.289.75 million paid to the health sector employees, translating to 59 per cent of the total wage bill.

Figure 165 shows the trend of personnel expenditures as a percentage of total revenue from the first quarter of FY 2018/19 to the first quarter of FY 2024/25.

**Figure 165: Percentage of Wage Bill to Total Revenue from the First Quarter of FY 2018/19 to the First Quarter of FY 2024/25**

The entire expenditure by the County Assembly during the reporting period was on payment of salaries.

### 3.42.9 County Emergency Fund and County-Established Funds

Section 116 of the PFM Act 2012 allows County Governments to establish other public funds with approval from the County Executive Committee and the County Assembly. The County allocated Kshs.258.76 million to county-established funds in FY 2024/25, or 2 per cent of the County's overall budget. Further, the County allocated Kshs.40 million to the Emergency Fund (0.0 per cent of the total budget) in line with Section 110 of the PFM Act, 2012.

Table 3.278 summarises each established Fund's budget allocation and performance during the reporting period.

During the reporting period, the CoB did not receive quarterly financial reports from the Fund Administrators of all established Funds, as indicated in Table 3.280, contrary to the requirement of Section 168 of the PFM Act, 2012.

The County government uses commercial bank accounts to operate the above-established Funds contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County Government bank accounts must be opened and maintained at the Central Bank of Kenya.

### 3.42.10 Expenditure on Operations and Maintenance

Figure 166 summarises the Operations and Maintenance expenditure by major categories.

**Figure 166: Trans Nzoia County, Operations and Maintenance Expenditure by Major Categories**

Source: Trans Nzoia County Treasury

The expenditure on operations and maintenance was Kshs.57.06 million, of which Kshs.51.42 was spent on paying pending bills and Kshs.5.64 million as 'other current transfers. There was no expenditure on domestic and foreign travel during the reporting period. The other operating expenses were majorly for pending bills which were paid during the reporting period

### 3.42.11 Facility Improvement Financing

During the period under review, the County reported collecting Kshs.58.79 million as FIF, which was 18.9 per cent of the annual target of Kshs.311.70 million. The collected amount was retained and utilised at the source per the Facility Improvement Financing Act of 2023. The County has, however, developed regulations to operationalise the FIF Act of 2023.

The expenditure by the health facilities amounted to Kshs.34.89 million, as shown in the Table 3.279

**Table 3.279: Breakdown of expenditure by health facilities in the first quarter of FY 2024/25**

Analysis of department expenditures shows that the Department of Finance recorded the highest absorption rate of the development budget, at 37 percent, followed by the Department of Public Service Management (PSM), at 10 per cent. The Department of Water, Environment, and Natural Resources had the highest percentage of recurrent expenditures to budget, at 16 per cent, while the Department of Livestock, the Department of Roads, Transport and Infrastructure, and the Department of Economic Planning did not report any expenditure.

Based on absorption rates, the sub-programmes with the highest implementation levels were Supervision and Management of Projects in the Department of Finance, at 37 per cent, Administrative and Support Services in the Department of Water, Environment and Natural Resources, at 16 per cent, and Administrative and Support Services, at 14 per cent of budget allocation.

### 3.42.15 Accounts Operated in Commercial Banks

The County government operated nine accounts with commercial banks, five of which were for County-es-

established Funds: the County Car Loan and Mortgage Fund, Elimu Bursary, Nawiri Fund Ukombozi Social Empowerment Programme, and Assembly Car Loan and Mortgage.

This is contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya. The only exemption is for imprest bank accounts for petty cash and revenue collection bank accounts.

### 3.42.16 Key Observations and Recommendations

In overseeing and reporting on the County budget's implementation, the COB identified the following challenges that hampered effective budget implementation.

1. The County Treasury's late submission of financial reports to the Controller of Budget affected the timely preparation of the budget implementation report, which was received on 24 October 2024.
2. Own-source revenue underperformed at Kshs.87.90 million, representing 12.9 per cent of the yearly target, against an annual target of Kshs.680 million.
3. Unspent funds from FY 2023/24 were not refunded into the CRF account, which led to actual expenditures exceeding the approved exchequer in several departments, as shown in Table 3.283.
4. Fund Administrators failed to submit quarterly financial and non-financial reports to the COB within the timelines provided by law, which is against the requirement of Section 168 of the PFM Act, 2012. The reports for the Car Loan and Mortgage, Elimu Bursary, Emergency Fund and Car Loan and Mortgage Scheme Fund (Members and Staff) funds were not submitted to the Controller of Budget as of 15 October 2024.
5. There was a high level of pending bills, which amounted to Kshs.889.48 million as of 30 September 2024. Further, the County Treasury did not adhere to the payment plan for the pending bills.
6. The County Government uses commercial bank accounts for operations contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya.

The County should implement the following recommendations to improve budget execution:

1. *The County Treasury should ensure timely preparation and submission of financial reports to the Office of the Controller of Budget per the timelines prescribed in Section 166 of the PFM Act, 2012.*
2. *The County should address its own-source revenue performance to ensure the approved budget is fully financed. Appropriate austerity measures should be implemented to ensure expenditure commitments are aligned with available revenue.*
3. *The County Treasury should ensure unspent funds from the previous financial year are deposited to the CRF Account in line with Section 136 of the PFM Act 2012.*
4. *The CECMF should follow up to ensure Fund Administrators prepare and submit statutory reports in line with the PFM Act, 2012.*
5. *The county leadership should address the situation of pending bills to ensure that genuine bills are paid promptly in the remaining financial year. Further, compliance with the payment plan should be enforced.*
6. *The County Government should ensure that bank accounts are opened and operated at the Central Bank of Kenya as the law requires. However, imprest bank accounts for petty cash and revenue collection accounts are exempted.*

## 3.43. County Government of Turkana

### 3.43.1 Overview of FY 2024/25 Budget

The Turkana County approved FY 2024/25 budget is Kshs.19.76 billion. It comprised Kshs.8.68 billion (44 per cent) and Kshs.11.08 billion (56 per cent) allocation for development and recurrent programmes, respectively.

The budget estimates represent an increase of Kshs.2.54 billion (15 per cent) from the FY 2023/24 budget comprised of a development budget of Kshs.7.05 billion and a recurrent budget of Kshs.10.17billion. The increase in the budget was attributed to the rise in its own source revenue.

The Turkana County Government budget will be financed from different sources of revenue. These include Kshs.13.65 billion (69 per cent) expected from the National Government as the equitable share of revenue raised nationally, Kshs.1.34 billion (7 per cent) as additional allocations, a cash balance of Kshs.4.45 billion (23 per cent) brought forward from FY 2023/24, and Kshs.320 million (2 per cent) generated as gross own source revenue. The own-source revenue includes Kshs.79 million (25 per cent) as Facility Improvement Fund (revenue from health facilities) and Kshs.241 million (75 per cent) as ordinary own-source revenue. A breakdown of the additional allocations is provided in Table 3.284.

### 3.43.2 Revenue Performance

In the first quarter of FY 2024/25, the County received Kshs.2.37 billion to fund recurrent and development activities. The equitable share from the national government was Kshs. 1.12 billion, and the own source revenue (OSR) collection was Kshs.67.13 million. Additionally, the County had a balance of Kshs.1.19 billion from FY 2023/24. The balance carried forward from FY 2023/24 includes Kshs. 1.05 billion of the June 2024 Equitable Share disbursed in July 2024.

The total OSR collection of Kshs.67.13 million includes Facilities Improvement Financing (FIF) of Kshs.29.95 million and ordinary OSR of Kshs.37.18 million. Table 3.284 summarises the total revenue available to the County Government during the first quarter of FY 2024/25. Performance.

The County has governing legislation on the operation of ordinary A-I-A and FIF.

Figure 167 shows the trend in own-source revenue collection from the First Quarter of FY 2018/19 to the First Quarter of FY 2024/25.

**Figure 167: Trend in Own-Source Revenue Collection from the First Quarter of FY 2019/20 to the First Quarter of FY 2024/25**

Source: Turkana County Treasury

During the first quarter of FY 2024/25, the County generated a total of Kshs.67.13 million from its sources of revenue, including AIA and FIF. This amount was an increase of 73 per cent compared to Kshs.38.85 million realised in a similar period in FY 2023/24, which was 21 per cent of the annual target and 6 per cent of the equitable revenue share disbursed.

The increase can be attributed to collection from the Facility Improvement Fund (FIF), which was not previously collected.

The revenue streams which contributed the highest OSR receipts are shown in Figure 168.

**Figure 168: Top Streams of Own Source Revenue in the First Quarter FY 2024/25**

Source: Turkana County Treasury

The highest revenue stream, Kshs.29.95 million, was from the Facility Improvement Fund (FIF), which contributed 45 per cent of the total OSR receipts during the reporting period.

### 3.43.3 Exchequer Issues

In the first quarter of FY 2024/25, the Controller of Budget approved withdrawals of Kshs.1.47 billion from the CRF account comprising Kshs.244.18 million (17 per cent) for development programmes and Kshs.1.23 billion (83 per cent) for recurrent programmes. Analysis of the recurrent exchequer releases in the reporting period indicates that Kshs.1.01 billion was released towards employee compensation and Kshs.216.93 million for operations and maintenance expenditure.

As of September 30, 2024, the County Government's cash balance in the CRF account was Kshs.1.29 billion.

### 3.43.4 County Expenditure Review

The County spent Kshs.2.10 billion on development and recurrent programmes in the reporting period. This expenditure represented 142 per cent of the total funds released by the CoB and comprised Kshs.320.39 million and Kshs.1.78 billion on development and recurrent programmes, respectively. Expenditure on development programmes represented an absorption rate of 9 per cent, while recurrent expenditures represented 16 per cent of the annual recurrent expenditure budget.

### 3.43.5 Settlement of Pending Bills

The County reported pending bills amounting to Kshs.4.79 billion as of 30<sup>th</sup> June 2024, comprising pending payments by the County Executive of Kshs.4.78 billion and Kshs.18 million for the County Assembly.

The County Executive's pending bills consist of Kshs.773.80 million for recurrent expenditures and Kshs.4 billion for development expenditures. The County Executive settled pending bills amounting to Kshs.320.39 in the reporting period, while the County Assembly settled pending bills amounting to Kshs.14.50 million. Therefore, the outstanding bills were Kshs.4.46 billion as of 30<sup>th</sup> September 2024.

### 3.43.6 Expenditure by Economic Classification

During the first quarter of FY 2024/25, the County Executive spent Kshs.1.34 billion on employee compensation, Kshs.317.65 million on operations and maintenance, and Kshs.320.39 million on development activities. Similarly, the County Assembly spent Kshs.93.30 million on employee compensation and Kshs.26.53 million on operations and maintenance. The County Assembly did not incur any expenditure on development activities, as shown in Table 3.284.

**Table 3.284: Summary of Budget and Expenditure by Economic Classification**

### 3.43.7 Expenditure on Employees' Compensation

In the first quarter of FY 2024/25, expenditure on employee compensation was Kshs.1.43 billion, or 60 per cent of the available revenue of Kshs.2.37 billion. This expenditure represented an increase of 61 per cent from Kshs.891.27 million reported in a similar period in FY 2023/24. The wage bill included Kshs.589.41 million paid to the health sector employees, translating to 41 per cent of the total wage bill.

Figure 169 shows the trend of personnel expenditures as a percentage of total revenue from the first quarter of FY 2018/19 to the first quarter of FY 2024/25.

**Figure 169: Percentage of Wage Bill to Total Revenue from the First Quarter of FY 2018/19 to the First Quarter of FY 2024/25**

Further analysis indicates that PE costs amounting to Kshs.1.43 billion were processed through the Integrated Personnel and Payroll Database (IPPD) system. No PE costs were processed through manual payrolls during the reporting period.

The County Assembly spent Kshs.2.04 million on committee sitting allowances for the 48 MCAs against the annual budget allocation of Kshs.30.16 million. The average monthly sitting allowance was Kshs.14,137 per MCA. The County Assembly had 21 House Committees.

### 3.43.8 County Emergency Fund and County-Established Funds

Section 116 of the PFM Act 2012 allows County Governments to establish other public funds with approval

from the County Executive Committee and the County Assembly. The County allocated Kshs.765 million to county-established funds in FY 2024/25, or 4 per cent of the County's overall budget. Further, the County allocated Kshs.100 million to the Emergency Fund (0.5 per cent of the total budget) in line with Section 110 of the PFM Act, 2012.

Table 3.285 summarises each established Fund's budget allocation and performance during the reporting period.

During the reporting period, the CoB received quarterly financial reports from the nine Fund Administrators, as indicated in Table 3.287, as required by Section 168 of the PFM Act, 2012.

The County government uses commercial bank accounts to operate the above-established Funds contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County Government bank accounts must be opened and maintained at the Central Bank of Kenya.

### 3.43.9 Expenditure on Operations and Maintenance

Figure 170 summarises the Operations and Maintenance expenditure by major categories.

**Figure 170: Turkana County, Operations and Maintenance Expenditure by Major Categories**

The expenditure on domestic travel amounted to Kshs.14.84 million, which was solely incurred by the County Executive. There was no Expenditure on foreign travel.

#### 3.43.10 Facility Improvement Financing

During the period under review, the County reported collecting Kshs.29.95 million as FIF, which was 37.9 per cent of the annual target of Kshs.79 million. The collected amount was retained and utilised at source in line with the Facility Improvement Financing Act, 2023, enacted by the National Assembly. We note that the County has yet to develop regulations to operationalise the FIF Act of 2023. The County, however, uses the National Regulations.

The health facilities reported using the FIF during the reporting period, per Section 18 (e) of the FIF Act, 2023.

The expenditure by the health facilities amounted to Kshs.15.31 million, as shown in the Table 3.287

#### 3.43.11 Development Expenditure

In the First Quarter of FY 2024/25, the County reported spending Kshs.320.39 million on development programmes, an increase compared to a similar period in FY 2023/24, when the County did not incur any development expenditure. This amount was used for payment of pending bills.

#### 3.43.12 Budget Performance by Department

Table 3.287 summarises the approved budget allocation, expenditure and absorption rate by departments in the first three months of FY 2024/25.

Analysis of department expenditures shows that the Department of Agriculture Pastoral Economy and Fisheries recorded the highest absorption rate of the development budget, at 9 per cent, followed by the Department of Finance and Economic Planning, at 5 per cent. The Department of Public Services, Decentralized Administration & Disaster Management had the highest percentage of recurrent expenditures to budget, at 23 per cent.

Further analysis shows that expenditures for most departments exceeded exchequer issues. The anomalies can be attributed to the fact that a substantial number of transactions may appear to have been paid at IFMIS, but in practice, they are awaiting funding at the CBK Internet Banking (IB) level. The anomaly can also be attributed to the adoption of an accrual basis of accounting in which payments and expenses are credited and debited when earned or incurred.

### 3.43.13 Budget Execution by Programmes and Sub-Programmes

Sub-programmes with the highest levels of implementation based on absorption rates were: Emergency Locust Response Programme in the Department of Agriculture, Pastoral Economy and Fisheries at 43 per cent; Planning and Policy Formulation in the Department of Finance and Economic Planning at 31 per cent; General Administration, and Planning and Support Services in the Department of Public Services, Decentralized Administration and Disaster Management at 25 per cent of its budgetary allocation.

#### 3.43.14 Accounts Operated in Commercial Banks

The County Government operated 26 accounts with commercial banks. Three were for the County Assembly. This is contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya. The only exemption is for imprest bank accounts for petty cash and revenue collection bank accounts.

#### 3.43.15 Key Observations and Recommendations

In the course of overseeing and reporting on the implementation of the County budget, the COB identified the following challenges which hampered effective budget implementation;

1. The underperformance of own-source revenue at Kshs.67.13 million against an annual target of Kshs.320 million, representing 21 per cent of the yearly target.
2. High level of pending bills, which amounted to Kshs.4.46 billion as of 30<sup>th</sup> September 2024.
3. The county government uses commercial bank accounts for operations contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya.

The County should implement the following recommendations to improve budget execution:

1. *The County should address its own-source revenue performance to ensure the approved budget is fully financed. Appropriate austerity measures should be implemented to ensure expenditure commitments are aligned with available revenue.*
2. *The county leadership should address the situation of pending bills to ensure that genuine bills are paid promptly in the remaining financial year. Further, compliance with the payment plan should be enforced.*
3. *The County Government should ensure that bank accounts are opened and operated at the Central Bank of Kenya as the law requires. However, imprest bank accounts for petty cash and revenue collection accounts are exempted.*

### 3.44. County Government of Uasin Gishu

#### 3.44.1 Overview of FY 2024/25 Budget

The Uasin Gishu County approved FY 2024/25 budget is Kshs.12.09 billion. It comprised Kshs.4.71 billion (39 per cent) and Kshs.7.37 billion (61 per cent) allocations for development and recurrent programmes, respectively. The budget estimates represent a decrease of Kshs. .45 million (0.5 per cent) from the FY 2023/24 budget, comprised of a development budget of Kshs. 4.06 billion and a recurrent budget of Kshs.8.09 billion.

The Uasin Gishu County Government budget will be financed from different sources of revenue. These include Kshs.8.77 billion (73 per cent) expected from the National Government as the equitable share of revenue raised nationally, Kshs.1.93 billion as additional allocations, and Kshs.1.40 billion (12 per cent) generated as gross own source revenue. The own-source revenue includes Kshs.76.8 million (0.6 per cent) as Facility Improvement Fund (revenue from health facilities) and Kshs.1.32 billion (10.9 per cent) as ordinary own-source revenue. A breakdown of the additional allocations is shown in Table 3.291.

#### 3.44.2 Revenue Performance

In the first quarter of FY 2024/25, the County received Kshs.1.59 billion to fund recurrent and development activities. The equitable share from the National Government was Kshs.1.39 billion. Additional allocations from government and development partners of Kshs.52.63 million and own source revenue (OSR) collection of Kshs.147.24 million. The County had a balance of Kshs.674.09 million from FY 2023/24, a June equitable share disbursed in July 2024.

Analysis of the total OSR collection of Kshs.147.24 million indicates that it included Facilities Improvement Financing (FIF) of Kshs.6.80 million ordinary OSR. Table 3.290 summarises the total revenue available to the county government during the first quarter of FY 2024/25 performance.

The county does not have governing legislation for operating ordinary A-I-A and FIF.

Figure 171 shows the trend in own-source revenue collection from the First Quarter of FY 2019/20 to the First Quarter of FY 2024/25.

**Figure 171: Trend in Own-Source Revenue Collection from the First Quarter of FY 2019/20 to the First Quarter of FY 2024/25**

During the first quarter of FY 2024/25, the County generated Kshs. 147.24 million from its sources of revenue, including AIA and FIF. This amount was an increase of 5.4 per cent compared to Kshs.139.24 million realised in a similar period in FY 2023/24. It was 11 per cent of the annual target and 11 per cent of the equitable revenue share disbursed. The increase can be attributed to increased monitoring of revenue collection systems.

The revenue streams which contributed the highest OSR receipts are shown in Figure 172.

**Figure 172: Top Streams of Own Source Revenue in the First Quarter FY 2024/25**

Source: Uasin Gishu County Treasury

The highest revenue stream, Kshs.29.50 million, was from an enclosed Bus park, which contributed 20 per cent of the total OSR receipts during the reporting period.

### 3.44.3 Borrowing by the County

The County Government did not borrow from financial institutions during the reporting period.

### 3.44.4 Exchequer Issues

The Controller of Budget approved withdrawals of Kshs.1.08 billion from the CRF account during the reporting period for recurrent programmes in the first quarter of FY 2024/25. Analysis of the recurrent exchequers released in the first three months of FY 2024/25 indicates that Kshs. 870 million was released towards employee compensation and Kshs.337.96 million for operations and maintenance expenditure.

The County Government did not factor in a cash balance in the CRF account as of 30 September 2024.

### 3.44.5 County Expenditure Review

The County spent Kshs.1.08 billion on recurrent programmes in the reporting period, which represented 99.9 per cent of the total funds released by the CoB.

### 3.44.6 Settlement of Pending Bills

The County reported pending bills amounting to Kshs.716.31 million as of 30 June 2024, comprising pending payments by the County Executive of Kshs.673.81 million and Kshs 42.5 million for the County Assembly.

The County Executive's pending bills consist of Kshs.253.13 million for recurrent expenditures and Kshs.420.68 million for development expenditures. The County Executive settled pending bills amounting to Kshs. 53.85 million for recurrent expenditure, while the County Assembly settled pending bills worth Kshs. 12 million on development programs. Therefore, the outstanding bills were Kshs.650.46 million as of 30 September 2024.

### 3.44.7 Expenditure by Economic Classification

During the first quarter of FY 2024/25, the County Executive spent Kshs.798.66 million on employee compensation, Kshs.278.16 million on operations and maintenance, and no expenditure on development activities. Similarly, the County Assembly spent Kshs.65.37 million on employee compensation, Kshs.51.34 million on operations and maintenance and nothing on development activities, as shown in Table 3.290.

**Table 3.290: Summary of Budget and Expenditure by Economic Classification**

### 3.44.8 Expenditure on Employees' Compensation

In the first quarter of FY 2024/25, expenditure on employee compensation was Kshs. 864.03 million, or 54 per cent of the available revenue of Kshs. 1.59 billion. This expenditure represented an increase from Kshs.702.59 million reported in a similar period in FY 2023/24. The wage bill included Kshs.254.51 million paid to the health sector employees, translating to 30 per cent of the total wage bill. The increase is occasioned by the employment of ninety (90) Early Child Teachers (ECD) by the County Government of Uasin Gishu and a Court case reinstating 25 support staff in the Department of Health.

Figure 173 shows the trend of personnel expenditures as a percentage of total revenue from the first quarter of FY 2018/19 to the first quarter of FY 2024/25.

**Figure 173: Percentage of Wage Bill to Total Revenue from the First Quarter of FY 2018/19 to the First Quarter of FY 2024/25**

Further analysis indicates that PE costs amounting to Kshs.798.68 million were processed through the Integrated Personnel and Payroll Database (IPPD) system while Kshs.65.36 million was processed through manual payrolls. The manual payrolls accounted for 8 per cent of the total PE cost.

The County Assembly spent Kshs.5.48 million on committee sitting allowances for the 44 MCAs against the annual budget allocation of Kshs.39.92 million. The average monthly sitting allowance was Kshs.124,504 per MCA. The County Assembly had 24 House Committees.

### 3.44.9 County Emergency Fund and County-Established Funds

Section 116 of the PFM Act 2012 allows County Governments to establish other public funds with approval from the County Executive Committee and the County Assembly. The County allocated Kshs. 315.91 million to county-established funds in FY 2024/25, or 2.6 per cent of the County's overall budget. Further, the County allocated Kshs.35.0 million to the Emergency Fund (0.3 per cent of the total budget) in line with Section 110 of the PFM Act, 2012.

Table 3.291 summarises each established Fund's budget allocation and performance during the reporting period.

During the reporting period, the CoB did not receive quarterly financial reports from 3 Fund Administrators, as indicated in Table 1.3, contrary to the requirement of Section 168 of the PFM Act, 2012.

The County government uses commercial bank accounts to operate the above-established Funds contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County Government bank accounts must be opened and maintained at the Central Bank of Kenya.

### 3.44.10 Expenditure on Operations and Maintenance

Figure 174 summarises the Operations and Maintenance expenditure by major categories.

**Figure 174: Uasin Gishu County, Operations and Maintenance Expenditure by Major Categories**

The expenditure on domestic travel amounted to Kshs.111.49 million, comprising Kshs. 91.0 million spent by the County Assembly and Kshs. 20.49 million by the County Executive. There was no Expenditure on foreign travel.

### 3.44.11 Facility Improvement Financing

During the period under review, the County reported collecting Kshs. 6.80 million from the Department of Health, which was 0.4 per cent of the annual target of Kshs. 76.8 million. The collected amount was swept to the County Revenue Fund account. The County has yet to develop a facility improvement fund Act.

### 3.44.12 Development Expenditure

In the First Quarter of FY 2024/25, the County did not record spending on development programmes, representing a decrease of 100 per cent compared to a similar period in FY 2023/24, when the County spent Kshs.440.86 million.

Sub-programmes with the highest levels of implementation based on absorption rates were: Administrative and support services in the Department of Energy Environment Climate Change and Natural Resources at 63 per cent, Internal Audit services in the Department of Finance at 42 per cent and Central Planning and Monitoring services in the Department of Economic Planning at 37 per cent of budget allocation.

#### 3.44.14 Accounts Operated in Commercial Banks

The County government operated a total of 16 accounts with commercial banks, with eight being for funds, i.e. TVET Fund, Inua Biashar Fund, Inua Biashara Repayment Account, Enterprise Development account, Emergency Fund, Bursary Fund, Staff and Mortgage Loan Repayment and Staff and Mortgage Loan account.

This is contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya. The only exemption is for imprest bank accounts for petty cash and revenue collection bank accounts.

### 3.44.15 Key Observations and Recommendations

In the course of overseeing and reporting on the implementation of the County budget, the COB identified the following challenges which hampered effective budget implementation;

1. The underperformance of own-source revenue at Kshs.147.24 million against an annual target of Kshs.1.4 billion, representing 11 per cent of the yearly target.
2. Fund Administrators failed to submit quarterly financial and non-financial reports to the COB within the timelines provided by law, which is against the requirement of Section 168 of the PFM Act, 2012. As of 15 October 2024, the reports for the Uasin Gishu County Emergency Fund-Governor Fund, Car Loan & Mortgage—County Executive, and Car Loan & Mortgage—County Assembly Fund were not submitted to the Controller of Budget.
3. Use of manual payroll. Personnel emoluments amounting to Kshs.65.34 million were processed through the manual payroll, accounting for 7.6 per cent of the total payroll cost. The manual payroll is prone to abuse and may lead to the loss of public funds where there is a lack of proper controls.
4. There is a high level of pending bills, which amounted to Kshs. 650.46 million as of 30 September 2024.
5. The County Government uses commercial bank accounts for operations contrary to Regulations 82(1) (b) of the PFM (County Governments) Regulations, 2015, which requires that County Government bank accounts be opened and maintained at the Central Bank of Kenya.

The County should implement the following recommendations to improve budget execution:

1. The County should address its own-source revenue performance to ensure the approved budget is fully financed. *Appropriate austerity measures should be implemented to ensure expenditure commitments are aligned with available revenue.*
2. *The CECMF should follow up to ensure Fund Administrators prepare and submit statutory reports in line with the PFM Act, 2012.*
3. *The county leadership should address the situation of pending bills to ensure that genuine bills are paid promptly in the remaining financial year. Further, compliance with the payment plan should be enforced.*
4. *The Government requires that salaries be processed through the IPPD system, and the County is advised to fast-track the acquisition of Unified Personnel Numbers for their staff. The County Public Service Board should regulate staff engagement on contract and casual workers as provided under Section 74 of the County Governments Act 2012. Further, strict compliance with the approved staff establishment should be maintained.*
5. *The County Government should ensure that bank accounts are opened and operated at the Central Bank of Kenya as the law requires. However, imprest bank accounts for petty cash and revenue collection accounts are exempted.*

## 3.45. County Government of Vihiga

### 3.45.1 Overview of FY 2024/25 Budget

The Vihiga County approved FY 2024/25 budget is Kshs.6.5 billion. It comprised Kshs.2.1 billion (32 per cent) and Kshs.4.4 billion (68 per cent) allocation for development and recurrent programmes, respectively. The budget estimates represent a decrease of Kshs. 0.18 billion (3 per cent) from the FY 2023/24 budget comprised a development budget of Kshs.2.2 billion and a recurrent budget of Kshs.4.5 billion.

The Vihiga County Government budget will be financed from different sources of revenue. These include Kshs.5.3 billion (82 per cent) expected from the National Government as the equitable share of revenue raised nationally, Kshs.815.2 million as additional allocations and Kshs.340 million (5 per cent) generated as gross own source revenue. The own-source revenue includes Kshs.140 million (2 per cent) as Appropriations-in-Aid (A-I-A)/Facility Improvement Fund (revenue from health facilities) and Kshs.200 million (3 per cent) as ordinary own-source revenue. A breakdown of the additional allocations is shown in Table 3.295.

### 3.45.2 Revenue Performance

In the first quarter of FY 2024/25, the County received a total of Kshs.952.6 million to fund recurrent and development activities. The equitable share from the National Government was Kshs. 869.1 million. Additional allocations from government and development partners were Kshs. 31 million, and its own source revenue (OSR) collection was Kshs. 52.6 million.

Analysis of the total OSR collection of Kshs. 52.6 million indicates that it included Appropriations in Aid (AIA)/Facilities Improvement Financing (FIF) of Kshs.26.3 million and Kshs.26.3 million as ordinary OSR. Table 3.295 summarises the total revenue available to the county government during the first quarter of FY 2024/25 performance.

During the first quarter of FY 2024/25, the County generated a total of Kshs.52.6 million from its revenue sources, including AIA and FIF. This amount was a decrease of 18 per cent compared to Kshs.64.2 million realised in a similar period in FY 2023/24. It was 15 per cent of the annual target and 6 per cent of the equitable revenue share disbursed.

The revenue streams which contributed the highest OSR receipts are shown in Figure 176.

**Figure 176: Top Streams of Own Source Revenue in the First Quarter FY 2024/25**

The highest revenue stream, Kshs.26.3 million, was from Hospital fees/FIF, which contributed 50 per cent of the total OSR receipts during the reporting period.

### 3.45.3 Borrowing by the County

The County Government did not borrow funds from any institution during the reporting period.

### 3.45.4 Exchequer Issues

The Controller of Budget approved withdrawals of Kshs.914.3 million from the CRF account during the reporting period, which comprised Kshs.107.9 million (12 per cent) for development programmes and Kshs.806.4 million (88 per cent) for recurrent programmes in the first quarter of FY 2024/25. Analysis of the recurrent exchequers released in the first three months of FY 2024/25 indicates that Kshs.596.1 million was released towards employee compensation and Kshs.210.3 million for operations and maintenance expenditure.

As of 30 September 2024, the County Government's cash balance in the CRF account was Kshs. 27.7 million.

### 3.45.5 County Expenditure Review

The County spent Kshs.725.7 million on development and recurrent programmes in the reporting period. This expenditure represented 76 per cent of the total funds released by the CoB and comprised Kshs. 93.7 million and Kshs.632 million on development and recurrent programmes, respectively. Expenditure on development programmes represented an absorption rate of 5 per cent, while recurrent expenditures represented 14 per cent of the annual recurrent expenditure budget.

### 3.45.6 Settlement of Pending Bills

As of 30 June 2024, the County reported pending bills amounting to Kshs.1.51 billion, which was entirely for the County Executive.

The County Executive's pending bills consist of Kshs.538.42 million for recurrent expenditures and Kshs.972.95 million for development expenditures. In the reporting period, the County Executive settled pending bills amounting to Kshs.77.66 million, which consisted of Kshs.1.8 million for recurrent expenditure and Kshs.75.8 million for development programmes.

Therefore, the outstanding bills were Kshs.1.43 billion as of 30 September 2024.

### 3.45.7 Expenditure by Economic Classification

During the first quarter of FY 2024/25, the County Executive spent Kshs.455 million on employee compensation, Kshs.113 million on operations and maintenance, and Kshs.93.7 million on development activities. Similarly, the County Assembly spent Kshs.54 million on employee compensation, Kshs.9.8 million on operations and maintenance, and non-on development activities, as shown in Table 3.295.

**Table 3.295: Summary of Budget and Expenditure by Economic Classification**

### 3.45.8 Expenditure on Employees' Compensation

In the first quarter of FY 2024/25, expenditure on employee compensation was Kshs.509 million, or 54 per cent of the available revenue of Kshs.952.6 million. This expenditure represented a decrease from Kshs.520 million reported in a similar period in FY 2023/24. The wage bill included Kshs.316.4 million paid to the health sector employees, translating to 62 per cent of the total wage bill.

Figure 177 shows the trend of personnel expenditures as a percentage of total revenue from the first quarter of FY 2017/18 to the first quarter of FY 2024/25.

**Figure 177: Percentage of Wage Bill to Total Revenue from the First Quarter of FY 2018/19 to the First Quarter of FY 2024/25**

Further analysis indicates that PE costs amounting to Kshs.482.3 million were processed through the Integrated Personnel and Payroll Database (IPPD) system while Kshs.26.7 million was processed through manual pay-rolls. The manual payrolls accounted for 5 per cent of the total PE cost.

The County Assembly spent Kshs.8.7 million on committee sitting allowances for the 37 MCAs against the annual budget allocation of Kshs.30.7 million. The average monthly sitting allowance was Kshs.26,132 per MCA. The County Assembly had 18 House Committees.

### 3.45.9 County Emergency Fund and County-Established Funds

Section 116 of the PFM Act 2012 allows County Governments to establish other public funds with approval from the County Executive Committee and the County Assembly. The County allocated Kshs.510 million to county-established funds in FY 2024/25, or 8 per cent of the County's overall budget. Further, the County allocated Kshs.19.2 million to the Emergency Fund (0.3 per cent of the total budget) in line with Section 110 of the PFM Act, 2012.

Table 3.297 summarises each established Fund's budget allocation and performance during the reporting period.

Expenditure on domestic travel amounted to Kshs.28.6 million and comprised Kshs.17 million spent by the County Assembly and Kshs.11.6 million by the County Executive. There was no expenditure on foreign travel during the reporting period.

### 3.45.11 Facility Improvement Financing

During the period under review, the County reported collecting Kshs.26.3 million as FIF, which was 19 per cent of the annual target of Kshs.140 million. The collected amount was retained and utilised at the source per the Facility Improvement Financing Act of 2023.

The expenditure by the health facilities amounted to Kshs. 11.61 million, as shown in Table 3.297

**Table 3.297: Breakdown of expenditure by health facilities in the first quarter of FY 2024/25**

Based on absorption rates, the sub-programmes with the highest implementation levels were Resource mobilisation in the Department of Finance and Economic Planning at 41 per cent, ECDE Development in the Department of Education at 34 per cent, administrative services in the Department of Administration and Co-ordination of County affairs at 32 per cent, and Environmental Protection and Conservation at 27 per cent of budget allocation.

### 3.45.15 Key Observations and Recommendations

In the course of overseeing and reporting on the implementation of the County budget, the COB identified the following challenges which hampered effective budget implementation;

1. The high level of pending bills amounted to Kshs.1.433 billion as of 30 September 2024.
2. Use of manual payroll. Personnel emoluments amounting to Kshs.26.7 million were processed through manual payroll, accounting for 5.3 per cent of the total payroll cost. Manual payroll is prone to abuse and may lead to the loss of public funds where there is a lack of proper controls.
3. There were delays in submission of returns from the County Assembly which impacted negatively in the development of this report.

The County should implement the following recommendations to improve budget execution:

1. *The County leadership should address the situation of pending bills to ensure that genuine bills are paid promptly in the remaining financial year. Further, compliance with the payment plan should be enforced.*
2. *The Government requires that salaries be processed through the IPPD system, and the County is advised to fast-track the acquisition of Unified Personnel Numbers for their staff. The County Public Service Board should regulate staff engagement on contract and casual workers as provided under Section 74 of the County Governments Act 2012. Further, strict compliance with the approved staff establishment should be maintained.*
3. *The County Assembly should ensure timely preparation and submission of financial reports to the Office of the Controller of Budget per the timelines prescribed in Section 166 of the PFM Act, 2012.*

## 3.46. County Government of Wajir

### 3.46.1 Overview of FY 2024/25 Budget

The Wajir County approved FY 2024/25 budget is Kshs.13.76 billion. It comprised Kshs.5.29 billion (38.4 per cent) and Kshs.8.47 billion (62 per cent) allocation for development and recurrent programmes, respectively. The budget estimates represent an increase of Kshs.1.23 billion (10 per cent) from the FY 2023/24 budget comprised a development budget of Kshs.4.27 billion and a recurrent budget of Ksh.8.26 billion. The increase in the County Government budget was attributed to the June exchequer carried forward into the year.

The Wajir County Government budget will be financed from different sources of revenue. These include

Kshs.10.21 billion (74 per cent) expected from the National Government as the equitable share of revenue raised nationally, Kshs.1.84 billion (13 per cent) as additional allocations, a cash balance of Kshs.926.26 million (7 per cent) brought forward from FY 2023/24, and Kshs.200 million (2 per cent) generated as gross own source revenue. The own-source revenue is Kshs.120 million (0.9 per cent) as Facility Improvement Fund (revenue from health facilities), and Kshs.80 million (0.6 per cent) as ordinary own-source revenue. The Breakdown of additional allocations is shown in Table 3.303.

### 3.46.2 Revenue Performance

In the first quarter of FY 2024/25, the County received Kshs.1.69 billion to fund recurrent and development activities. The equitable share from the national government was Kshs. 837.56 million, and the own source revenue (OSR) collection was Kshs. 46.6 million. Additionally, the County had a balance of Kshs.808.6 million from FY 2023/24. The FY 2023/24 balance includes Kshs.788.3 million of the June 2024 Equitable Share disbursed in July 2024.

Analysis of the total OSR collection of Kshs. 46.6 million indicates it included Facilities Improvement Financing (FIF) of Kshs. 19.23 million and Kshs.27.37 million as ordinary OSR. Table 3.301 summarises the total revenue available to the county government during the first quarter of FY 2024/25 performance.

The County has a governing legislation on the operation of FIF.

Figure 179 shows the trend in own-source revenue collection from the First Quarter of FY 2019/20 to the First Quarter of FY 2024/25.

**Figure 179: Trend in Own-Source Revenue Collection from the First Quarter of FY 2019/20 to the First Quarter of FY 2024/25.**

Source: Wajir County Treasury

During the first quarter of FY 2024/25, the County generated Kshs.46.6 million from its revenue sources, including AIA and FIF. This amount was an increase of 70 per cent compared to Kshs.27.37 million realised in a similar period in FY 2023/24, which was 23 per cent of the annual target and 6 per cent of the equitable revenue share disbursed.

The increase in OSR can be attributed to enhanced revenue collection measures and migration from cash payments to mobile payments for most of the revenue streams.

The revenue streams which contributed the highest OSR receipts are shown in Figure 179.

**Figure 180: Top Streams of Own Source Revenue in the First Quarter FY 2024/25**

Source: Wajir County Treasury

The highest revenue stream, Kshs.19.23 million, was from the Facility Improvement Fund, which contributed 41 per cent of the total OSR receipts during the reporting period.

### 3.46.3 Borrowing by the County

The County Government has not forwarded evidence of borrowing to support its operations.

### 3.46.4 Exchequer Issues

The Controller of Budget approved withdrawals of Kshs.520.6 million from the CRF account during the reporting period, which comprised Kshs.209.04 million (40 per cent) for development programmes and Kshs.311.56 million (60 per cent) for recurrent programmes in the first quarter of FY 2024/25. Analysis of the recurrent exchequers released in the first three months of FY 2024/25 indicates that Kshs.311.56 million was released towards employee compensation.

The County Government had a cash balance of Kshs.1,151,334,049 in the CRF account as of 30th September 2024.

### 3.46.5 County Expenditure Review

The County spent Kshs.1.53 billion on development and recurrent programmes in the reporting period. This expenditure represented 293 per cent of the total funds released by the CoB and comprised Kshs. 209.04 million and Kshs.1.32 billion on development and recurrent programmes, respectively. Expenditure on development programmes represented an absorption rate of 4 per cent, while recurrent expenditures represented 16 per cent of the annual recurrent expenditure budget.

The County's total expenditure exceeded the exchequer available from CoB. In the period under review, the county utilised an extended overdraft facility from Kenya Commercial Bank and is awaiting regularisation from the exchequer release. The balancing figure from the CoB release was received after the quarter, which explains the overspend.

### 3.46.6 Settlement of Pending Bills

The County reported pending bills amounting to Kshs1.85 billion as of 30<sup>th</sup> June 2024, comprising pending payments by the County Executive of Ksh.1.71 billion and Kshs.143 million for the County Assembly.

The County Executive's pending bills consist of Kshs.904.45 million for recurrent expenditures and Kshs.802.25 million for development expenditures. In the reporting period, the County Executive settled pending bills amounting to Kshs.209.04 million for development programmes, while the County Assembly did not make payments during the period. Therefore, the outstanding bills were Kshs.1.64 billion as of 30 September 2024.

### 3.46.7 Expenditure by Economic Classification

During the first quarter of FY 2024/25, the County Executive spent Kshs.781.34 million on employee compensation, Kshs.475.58 million on operations and maintenance, and Kshs.209.04 million on development activities. Similarly, the County Assembly spent Kshs.59.77 million on employee compensation and had nil expenses on operations and maintenance, as shown in Table 3.302.

### 3.46.8 Expenditure on Employees' Compensation

In the first quarter of FY 2024/25, expenditure on employee compensation was Kshs.841.12 million, or 50 per cent of the available revenue of Kshs.1.69 billion. This expenditure represented an increase from Kshs.732.8 million reported in a similar period in FY 2023/24. The wage bill included Kshs.370.4 million paid to the health sector employees, translating to 44 per cent of the total wage bill. The increase in wage bill represented an increase of 15 per cent attributed to newly recruited Health workers who reported in July.

Figure 180 shows the trend of personnel expenditures as a percentage of total revenue from the first quarter of FY 2018/19 to the first quarter of FY 2024/25.

**Figure 181: Percentage of Wage Bill to Total Revenue from the First Quarter of FY 2018/19 to the First Quarter of FY 2024/25**

Further analysis indicates that PE costs amounting to Kshs.835.79 million were processed through the Integrated Personnel and Payroll Database (IPPD) system, while Kshs.5.3 million was processed through manual payrolls. The manual payrolls accounted for 0.6 per cent of the total PE cost. In the period, the wage bill exceeded available revenue due to a delay in budget approval, which affected timely requisitions from COB.

The County Assembly spent Kshs.5.43 million on committee sitting allowances for the 46 MCAs against the annual budget allocation of Kshs.43.96 million. The average monthly sitting allowance was Kshs.39,323.16 per MCA. The County Assembly had 21 House Committees

### 3.46.9 County Emergency Fund and County-Established Funds

Section 116 of the PFM Act 2012 allows County Governments to establish other public funds with approval from the County Executive Committee and the County Assembly. The County allocated Kshs.315.43 million to county-established funds in FY 2024/25, or 0.8 per cent of the County's overall budget. Further, the County's allocation of Kshs.200 million to the Emergency Fund (2 per cent of the total budget) is in line with Section 110 of the PFM Act, 2012.

Table 3.303 summarises each established Fund's budget allocation and performance during the reporting period.

During the reporting period, the CoB did not receive quarterly financial reports from all the Fund Administrators, as indicated in Table 3.305, contrary to the requirement of Section 168 of the PFM Act, 2012.

The County government uses commercial bank accounts to operate the above-established Funds contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County Government bank accounts must be opened and maintained at the Central Bank of Kenya.

### 3.46.10 Expenditure on Operations and Maintenance

Figure 182 summarises the Operations and Maintenance expenditure by major categories.

**Figure 182: Wajir County, Operations and Maintenance Expenditure by Major Categories**

The County Executive spent Kshs. 38.49 million on domestic travel, but the county did not report expenditures on foreign travel in the period under review.

A review of the expenditure returns reveals that no expenditure was incurred on garbage collection Legal fees/ Dues, arbitration and compensation payments expenditure legal fees.

### 3.46.11 Facility Improvement Financing

During the period under review, the County reported collecting Kshs.19.23 million as FIF, which was 16 per cent of the annual target of Kshs.120 million. The collected amount was retained and utilised at source in line with the Facility Improvement Financing Act, 2023. The County has developed regulations to operationalise the FIF Act of 2023.

The Health Facilities did not provide a report on the utilisation of the FIF during the reporting period, contrary to Section 18 (e) of the FIF Act, 2023.

### 3.46.12 Development Expenditure

In the First Quarter of FY 2024/25, the County reported spending Kshs.209 million on two development projects, a significant improvement compared to a similar period in FY 2023/24, when the County did not incur development expenditure. Table 3.304 details the two development projects.

Sub-programmes with the highest levels of implementation based on absorption rates were: Promotion of Social Service, Culture and Heritage Services and Infrastructural Development in the Department of Education, Gender, Youth and Social Services 41 per cent, General Administration and Support Services in the Department of 37 per cent, and Coordination and Supervisory Services at 35 per cent of budget allocation.

### 3.46.15 Accounts Operated in Commercial Banks

The County government operated 18 accounts with commercial banks, two of which were related to healthcare services: Universal Health Account and Wajir County Primary Health Care.

This is contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya. The only exemption is for imprest bank accounts for petty cash and revenue collection bank accounts.

### 3.46.16 Key Observations and Recommendations

In the course of overseeing and reporting on the implementation of the County budget, the COB identified the following challenges which hampered effective budget implementation;

1. Fund Administrators failed to submit quarterly financial and non-financial reports to the COB within the timelines provided by law, which is against the requirement of Section 168 of the PFM Act, 2012. The reports for the Emergency Fund, Wajir County Revolving Fund, Wajir County Climate Fund and Disability Fund were not submitted to the Controller of Budget as of 15<sup>th</sup> October 2024.
2. The high number of pending bills amounted to Kshs.1.64 billion as of 30 September 2024. Further, the County Treasury did not adhere to the payment plan for the pending bills.
3. The County Government uses commercial bank accounts for operations contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya
4. Delay in budget approval affected the timely release of funds from COB and overall absorption.

The County should implement the following recommendations to improve budget execution:

1. *The CECMF should follow up to ensure Fund Administrators prepare and submit statutory reports in line with the PFM Act, 2012.*
2. *The County Leadership should address the situation of pending bills to ensure that genuine bills are paid promptly in the remaining financial year. Further, compliance with the payment plan should be enforced.*
3. *The County Government should ensure that bank accounts are opened and operated at the Central Bank of Kenya as the law requires. However, imprest bank accounts for petty cash*
4. *The County Executive should ensure the budget is approved in time.*

## 3.47. County Government of West Pokot

### 3.47.1 Overview of FY 2024/25 Budget

The West Pokot County approved budget for FY 2024/25 was Kshs. 7.64 billion. It comprised Kshs. 2.28 billion (30 per cent) and Kshs. 5.36 billion (70 per cent) allocation for development and recurrent programmes, respectively. The budget estimates represent a decrease of Kshs. 74.44 million (1 per cent) from the FY 2023/24 budget comprised a development budget of Kshs. 2.29 billion and a recurrent budget of Kshs. 5.42. billion. The decrease in the budget was attributed to the decline in budget allocation.

The West Pokot County Government budget will be financed from different sources of revenue. These include Kshs.6.68 billion (87 per cent) expected from the National Government as the equitable share of revenue raised nationally, Kshs. 694.14 million as additional allocations, a cash balance of Kshs.40.47 million (0.5 per cent) brought forward from FY 2023/24, and Kshs.230 million (3 per cent) generated as gross own source revenue. The own-source revenue includes Kshs.132.81 million (2 per cent) as Facility Improvement Fund (revenue from health facilities) and Kshs.97.20 million (1 per cent) as ordinary own-source revenue. A breakdown of the additional allocations is shown in Table 3.307.

### 3.47.2 Revenue Performance

In the first quarter of FY 2024/25, the County received Kshs.643.13 billion to fund recurrent and development activities. The equitable share from the national government was Kshs. 558.78 million. Additional allocations from government and development partners of Kshs. 11 million and own source revenue (OSR) collection of Kshs. 32.89 million. Additionally, the County had a balance of Kshs. 525.91 million from FY 2023/24, the June 2024 Equitable Share disbursed in July 2024.

Analysis of the total OSR collection of Kshs. 32.89 million indicates it included Facilities Improvement Financing (FIF) of Kshs. 24.12 million and Kshs. 8.77 million as ordinary OSR. Table 3.307 summarises the total

During the first quarter of FY 2024/25, the County generated Kshs.32.89 million from its own sources of revenue, including FIF. This amount was an increase of 30 per cent compared to Kshs. 42.86 million was realised in a similar period in FY 2023/24, 14 per cent of the annual target, and 0.49 per cent of the equitable revenue share disbursed.

The revenue streams which contributed the highest OSR receipts are shown in Figure 184.

**Figure 184: Top Streams of Own Source Revenue in the First Quarter FY 2024/25**

Source: West Pokot County Treasury

The highest revenue stream, Kshs.24.12 million, was from the Facility Improvement fund, which contributed 73 per cent of the total OSR receipts during the reporting period.

### 3.47.3 Borrowing by the County

The County Government had not reported any borrowings during the review period.

### 3.47.4 Exchequer Issues

The Controller of Budget approved withdrawals of Kshs.572.38 million from the CRF account, which was entirely for recurrent programmes in the first quarter of FY 2024/25. Analysis of the recurrent exchequers released in the first three months of FY 2024/25 indicates that Kshs.549.73 million was released towards employee compensation and Kshs.22.65 million for operations and maintenance expenditures.

As of 30 September 2024, the County Government's cash balance in the CRF account was Kshs. 577.18 million.

### 3.47.5 County Expenditure Review

The County spent Kshs 572.38 million on recurrent programmes in the reporting period. This expenditure represented 100 per cent of the total funds released, which were for recurrent programmes. Expenditure on recurrent programmes represented 11 per cent of the annual recurrent expenditure budget.

### 3.47.6 Settlement of Pending Bills

The County reported pending bills amounting to Kshs 515.78 million, comprising pending payments by the County Executive of Kshs.486.38 million and Kshs 29.38 million for the County Assembly.

The County Executive's pending bills consist of Kshs. 321.59 million for recurrent expenditures and Kshs. 164.80 million for development expenditures. The County Executive settled pending bills amounting to Kshs.4.15 million in the reporting period for recurrent activities. The County Assembly did not pay any pending bills in the review period. Thus, the outstanding pending bills as of 30 September 2024 were Kshs. 511.62 million.

### 3.47.7 Expenditure by Economic Classification

During the first quarter of FY 2024/25, the County Executive spent Kshs.486.16 million on employee compensation and Kshs.11.15 million on operations and maintenance. Similarly, the County Assembly spent Kshs.63.57 million on employee compensation and Kshs.11.51 million on operations and maintenance, as shown in Table 3.308.

**Table 3.308: Summary of Budget and Expenditure by Economic Classification.**

### 3.47.8 Expenditure on Employees' Compensation

In the first quarter of FY 2024/25, expenditure on employee compensation was Kshs. 549.73 million, or 85 per cent of the available revenue of Kshs. 572.38 million. This expenditure decreased from Kshs. 529.6 billion reported in a similar period in FY 2023/24. The wage bill included Kshs. 241.23 million paid to the health sector employees, translating to 44 per cent of the total wage bill.

Figure 185 shows the trend of personnel expenditures as a percentage of total revenue from the first quarter of FY 2018/19 to the first quarter of FY 2024/25.

**Figure 185: Percentage of Wage Bill to Total Revenue from the First Quarter of FY 2018/19 to the First Quarter of FY 2024/25**

Further analysis indicates that PE costs amounting to Kshs. 549.73 million were processed through the Integrated Personnel and Payroll Database (IPPD) system, while no amounts were processed through manual payrolls. Manual payrolls accounted for zero per cent of the total PE cost.

The County Assembly spent Kshs. 4.86 million on committee sitting allowances for the 33 MCAs against the annual budget allocation of Kshs.7.25 million. The average monthly sitting allowance was Kshs.49,071 per MCA. The County Assembly had 33 House Committees.

### 3.47.9 County Emergency Fund and County-Established Funds

Section 116 of the PFM Act 2012 allows County Governments to establish other public funds with approval from the County Executive Committee and the County Assembly. In FY 2024/25, the County Allocated Kshs.766.85 million to County-Established funds and Kshs.5 million to the Emergency Fund (0.06 per cent of the total budget).

Table 3.309 summarises each established Fund's budget allocation and performance during the reporting period.

As indicated in Table 3.311, the CoB received quarterly financial reports from fund administrators during the reporting period.

The County government uses commercial bank accounts to operate the above-established Funds contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County Government bank accounts must be opened and maintained at the Central Bank of Kenya.

### 3.47.10 Expenditure on Operations and Maintenance

Figure 186 summarises the Operations and Maintenance expenditure by major categories.

**Figure 186: Actual FIF as a percentage of the total OSR**

During the review period, the County Executive and Assembly had no reported domestic and foreign travel expenditure.

Also, there was no reported expenditure on garbage collection, legal fees/dues, arbitration, and compensation payments expenditure legal fees.

### 3.47.11 Facility Improvement Financing

During the period under review, the County reported collecting Kshs.24.12 million as FIF, which was 18 per cent of the annual target of Kshs.132.80 million. The collected amount was not retained and utilised at the source, contrary to the Facility Improvement Financing Act of 2023. The County has, however, not developed regulations to operationalise the FIF Act of 2023.

The health facilities did not provide a report on the utilisation of the FIF during the reporting period, contrary to Section 18 (e) of the FIF Act, 2023.

There was no expenditure on the health facility reported during the period-

Based on absorption rates, the sub-programmes with the highest levels of implementation were the General Administration Planning and Support Services within the Department of Trade, Industrialisation, Energy and Cooperative Development and the Department of Education and Technical Training, both achieving 16 per cent of their budget allocation. Additionally, the General Administration Planning and Support Services in the Department of Public Works, Transport and Infrastructure, and the Department of Lands, Housing, Physical Planning and Urban Development reached 15 per cent of their budget allocation.

### 3.47.15 Accounts Operated in Commercial Banks

The County government operated four accounts with commercial banks: the revenue account, County Roads, Works and Transport Account, Operations and Imprest Account, and Suspense Account.

This is contrary to Regulations 82(1)(b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya. The only exemption is for imprest bank accounts for petty cash and revenue collection bank accounts.

### 3.47.16 Key Observations and Recommendations

In the course of overseeing and reporting on the implementation of the County budget, the COB identified the following challenges which hampered effective budget implementation;

1. Late submission of financial reports by the County Treasury to the Controller of Budget affected the timely preparation of the budget implementation report. The report was received on 25 October 2024.
2. The underperformance of own-source revenue at Kshs.32.89 million against an annual target of Kshs. 230 million, representing 14 per cent of the yearly target.
3. Fund Administrators failed to submit quarterly financial and non-financial reports to the COB within the timelines provided by law, which is against the requirement of Section 168 of the PFM Act, 2012. As of 15 October 2024, the report for the Emergency Fund was not submitted to the Controller of Budget.
4. High level of pending bills, which amounted to Kshs. Five hundred eleven million as of 30 September 2024. Further, there was non-adherence to the payment plan for the pending bills by the County Treasury.
5. The County Government uses commercial bank accounts for operations contrary to Regulations 82(1) (b) of the PFM (County Governments) Regulations, 2015, which requires that County government bank accounts be opened and maintained at the Central Bank of Kenya.

The County should implement the following recommendations to improve budget execution:

1. *The County Treasury should ensure timely preparation and submission of financial reports to the Office of the Controller of Budget per the timelines prescribed in Section 166 of the PFM Act, 2012.*
2. *The County should address its own-source revenue performance to ensure the approved budget is fully financed. Appropriate austerity measures should be implemented to ensure expenditure commitments are aligned with available revenue.*
3. *The CECMF should follow up to ensure Fund Administrators prepare and submit statutory reports in line with the PFM Act, 2012.*
4. *The County leadership should address the situation of pending bills to ensure that genuine bills are paid promptly in the remaining financial year. Further, compliance with the payment plan should be enforced.*
5. *The County Government should ensure that bank accounts are opened and operated at the Central Bank of Kenya as the law requires. However, imprest bank accounts for petty cash and revenue collection accounts are exempted.*

## 4. KEY OBSERVATIONS AND RECOMMENDATIONS

### 4.1. Introduction

This section highlights issues that affected budget implementation and reporting in the first quarter of FY 2023/24 and provides recommendations to address the challenges. The cross-cutting challenges included;

### 4.2. Delay in Submission of County Appropriation Acts, Budget Books, and Governors' Warrants for FY 2024/25 to the OCoB

According to Article 207 of the Constitution, funds may be withdrawn from a county government's revenue fund as authorised by an Act of Parliament, county legislation, or an appropriation outlined in county law. Section 131 of the Public Finance Management (PFM) Act 2012 also mandates that the County Executive Committee member for finance ensure the approved budget estimates are prepared and published. Further, Regulation 20 of the PFM (County Governments) Regulation 2015 states that the Governor's warrant shall be transmitted to the CoB by the County Executive Committee Member to authorise withdrawals per Article 228 of the Constitution. This is expected to happen before the commencement of a new financial year on 1<sup>st</sup> July.

**Observation:** All county governments submitted their Appropriation Acts, Governor's Warrants, and approved budgets late, with the last submission made on September 5th, 2024, as detailed in Annex II. The late submission of budget documents resulted in a delay in implementing the FY 2024/25 budgets, including exchequer requisitions.

**Recommendation:** We recommend that the County Governments ensure the timely submission of their Appropriation Acts, Governor's Warrants, and Budget Books at the beginning of the financial year – 1<sup>st</sup> July. This will facilitate the prompt commencement of budget implementation, including exchequer requisitions.

### 4.3. Delay by the Parliament to enact the County Allocation of Revenue Bill 2024 and County Governments Additional Allocations Bill 2024

Section 191 (1) of the PFM Act states that each year when the Budget Policy Statement is introduced, the Cabinet Secretary shall submit to Parliament a Division of Revenue Bill and a County Allocation of Revenue Bill, which specifies each county's share of the revenue raised nationally and any other allocations to counties.

**Observation:** The President's decision not to sign the Finance Bill 2024 into law meant that certain revenue-raising measures within the bill would not be implemented. This negatively impacted expected revenue and led to the withdrawal of the County Allocation of Revenue Bill 2024. The County Allocation of Revenue Bill 2024 was published in the Kenya Gazette Supplement No. 95 on May 3, 2024. The Senate passed the bill with amendments on June 11, 2024, and it was received by the National Assembly on June 18, 2024. However, the bill was later referred back to the Senate for reconsideration on July 10, 2024, and will now be reviewed by both the Senate and the National Assembly.

The bill allocates Kshs. 380 billion to County Governments, which is a reduction of 5 per cent from the Kshs. 400.12 billion allocated in the Division of Revenue Act 2024. The revised bill also includes FY 2023/24 arrears of Kshs. 30.83 billion, bringing the total allocation to Kshs. 410.83 billion. Additionally, the County Government's Additional Allocation Bill is awaiting approval, with FY 2024/25 estimates set at Kshs. 55.45 million. As of September 30, 2024, both bills had yet to be approved by Parliament.

**Recommendation:** The OCoB advises Parliament to expedite the enactment of the County Allocation of Revenue Bill 2024 and the County Governments' Additional Allocations Bill 2024.

#### 4.4. Delay by the National Treasury to disburse the Equitable Share of Revenue raised nationally.

Predictability and timely release of funds are necessary elements for the effective implementation of budgets.

**Observation:** As of 30 September 2024, the National Treasury had disbursed Kshs.32.76 billion as the equitable share for FY 2024/25 (July 2024) and an additional Kshs.30.83 billion relating to arrears from FY 2023/24 (June 2024 disbursement). By the end of the first quarter, the County Governments had not received the August and September 2024 disbursements, thereby hindering budget implementation.

**Recommendation:** *The National Treasury should ensure the timely disbursement of the equitable share of revenue raised nationally.*

#### 4.5. Under-Performance in Own-Source Revenue Collection

Article 209 (3) of the Constitution empowers County Governments to levy property rates, entertainment taxes, and any other taxes authorised by an Act of Parliament.

**Observation:** County Governments collectively generated Kshs.12.67 billion as own-source revenue (OSR) in the first quarter, achieving just 15 per cent of the annual target of Kshs.85.22 billion. This underperformance has resulted in budget shortfalls, thereby impeding the full execution of planned activities.

**Recommendation:** *County Governments should strengthen revenue collection mechanisms through improved revenue administration. Counties are encouraged to explore innovative methods to broaden the revenue base and minimise revenue leakages.*

#### 4.6. Overdependence on Funding from Appropriations and Facility Improvement Funds

Section 107(2)(f) of the PFM Act, 2012 states that in managing the county government's public finances, the County Treasury shall ensure the fiscal risks are managed prudently.

**Observation:** In the first quarter of FY 2023/24, we observed that FIF revenue accounted for more than 50 per cent of the total revenue for 26 counties. This can be attributed to enhancements to health facilities, including better service provision and an adequate supply of medicine, which resulted in an increase in the uptake of health services in these county governments over time.

While the growth in FIF is commendable, it raises the risk of overdependence on a single revenue stream.

**Figure 187: Figure 186: Actual FIF as a percentage of the total OSR**

**Recommendation:** We recommend that the counties develop strategies to diversify and increase their other revenue streams over time, thus reducing the risk associated with relying solely on one funding source.

#### 4.7. High Level of Pending Bills

Regulation 41(2) of the Public Finance Management (County Governments) Regulations, 2015, stipulates that “debt service payments shall be a first charge on the County Revenue Fund, and the Accounting Officer shall ensure this is done to the extent possible to prevent the County Government from defaulting on its debt obligations.” Additionally, Regulation 55(2)(b) of Public Finance Management (County Governments) Regulations 2015 requires that finalised and signed contracts are budgeted for before the Accounting Officer of a County Government entity undertakes new projects.

**Observation:** As of 30 September 2024, counties reported outstanding pending bills totalling Kshs.192.25 billion, comprising Kshs.147.93 billion in recurrent expenditure and Kshs.44.32 billion in development expenditure. The accumulation of pending bills hinders service delivery and disrupts business operations.

**Recommendation:** *The accumulation of pending bills negatively impacts public service delivery and disrupts business operations. County governments are advised to prioritise the settlement of eligible pending bills as a first charge to their budgets in compliance with the law. Also, we request the County Governments to adhere to the Senate resolution communicated through their 9 May 2024 letter, mandating that all verified pending bills to be cleared by FY 2024/25.*

#### 4.8. Low Expenditure on Development Budget

Section 107(2)(b) of the Public Finance Management (PFM) Act, 2012, requires that, over the medium term, at least 30 per cent of County Governments’ budgets must be allocated to development expenditures.

**Observation:** During the reporting period, County Governments spent Kshs.6.71 billion on development activities, representing an absorption rate of 3 per cent against the annual development budget of Kshs.205.33 billion. Analysis of development expenditure as a proportion of the approved annual development budget revealed that ten County Governments did not report any expenditure on development programmes.

**Recommendation:** *County Governments must prioritise development expenditure to meet the statutory requirement that at least 30 per cent of the budget be allocated to development activities, in line with the Public Finance Management (PFM) Act, 2012. Robust project planning, monitoring, and implementation mechanisms should be adopted to improve the absorption rate of development funds to enhance the country’s development.*

#### 4.9. Failure by Fund Administrators to Submit Quarterly Financial Statements to the Controller of Budget

Section 168 of the Public Finance Management (PFM) Act, 2012, requires Fund Administrators to prepare and submit quarterly financial statements for each Fund to the County Treasury, with a copy submitted to the Controller of Budget within 15 days after the end of each quarter.

**Observation:** Several Fund Administrators failed to submit quarterly financial statements to the Controller of Budget contrary to Section 168 of the PFM Act, 2012, undermining accountability and transparency in the management of public funds.

**Recommendation:** *Fund Administrators should comply with Section 168 of the Public Finance Management (PFM) Act, 2012, and ensure timely submission of all financial reports. This will enhance accountability, strengthen fiscal discipline, and improve transparency in fund management.*

#### 4.10. Use of Manual Payroll Processing

One of the resolutions of the third National Wage Bill Conference was that all institutions should migrate their payrolls to the Human Resource Information System – Kenya by 30 June 2025. Further, the use of manual, multiple and stand-alone payroll systems is to cease

**Observation:** Personnel emoluments amounting to Kshs.2 billion, representing 5 per cent of the total payroll cost, were processed through manual payroll systems, that is, outside the Integrated Payroll and Personnel Database. Reliance on manual payroll systems is susceptible to misuse and increases the risk of public funds being lost due to inadequate controls.

**Recommendation:** *County governments should process their payroll through the prescribed payroll system to enhance efficiency, ensure accuracy, and mitigate potential risks associated with manual processing.*

## 5. CONCLUSION

The County Governments Budget Implementation Review Report is prepared and published per Article 228(6) of the Constitution. This article mandates the Controller of Budget (CoB) to submit a report on implementing budgets for the National and County Governments to each House of Parliament every four months. This report presents an overview of the budget implementation status for the first quarter of FY 2024/25, including an analysis of revenue performance and expenditures against annual targets. It also highlights key challenges faced by county governments during this period.

For FY 2024/25, the combined budgets of county governments amount to Kshs.576.73 billion. This total includes Kshs. 205.33 billion (36 per cent) allocated for development expenditure and Kshs.371.40 billion (64 per cent) for recurrent expenditure. During the reporting period, County Governments collected Kshs.12.68 billion in own source revenue, representing 15 per cent of the annual target of Kshs.85.22 billion. This revenue collection shows an improvement compared to Kshs.10.21 billion generated during the same period in FY 2023/24.

The equitable share of revenue raised nationally and transferred to County Revenue Funds for the financial year was Kshs.32.76 billion. Additionally, equitable share arrears for FY 2023/24 (June 2024 disbursement) amounting to Kshs.30.83 billion was transferred. The cash balance available from FY 2024/25 was Kshs.11.64 billion. Overall, the County Governments had a total of Kshs.87.91 billion available for spending during the first three months of FY 2024/25. The total expenditure was Kshs.55.68 billion, representing an absorption rate of 10 per cent of the annual budget of Kshs.576.73 billion. Of this, recurrent expenditure amounted to Kshs.48.96 billion, which was 13 per cent of the annual recurrent budget. Development expenditure totaled Kshs. 6.71 billion, representing an absorption rate of 3 per cent.

Key challenges that negatively affected budget implementation during this reporting period included delays in the enactment of the County Allocation of Revenue Bill 2024 and the County Governments Additional Allocations Bill 2024, underperformance in own source revenue collection, a high level of pending bills, low expenditure on development programs, failure by fund administrators to submit quarterly financial statements to the Controller of Budget, and the continued use of manual payroll processing. The report provides recommendations to address these challenges.

The Office of the Controller of Budget recommends that the County Executive and the County Assembly implement the recommendations in chapter four of this report to enhance budget implementation.
